**DEREGISTRATION OF SECURITIES**

We filed a registration statement on Form S-3 (File No. 333-129845) with the Securities and Exchange Commission (the SEC) on November 21, 2005, and amended on December 13, 2005 (the Registration Statement), registering an indeterminate number of shares of our common stock, \$0.001 par value, having an aggregate offering price not to exceed \$75,000,000, to be offered on a delayed or continuous basis. The SEC declared our Registration Statement effective on December 14, 2005. As of the date hereof, we have sold 8,800,000 shares of our common stock pursuant to the Registration Statement for an aggregate offering price of \$35,200,000.

In accordance with the undertaking contained in Part II, Item 17 of the Registration Statement pursuant to Item 512(a)(3) of Regulation S-K, we are filing this post-effective amendment to remove from registration all of the shares of common stock which remain unsold under the Registration Statement as of the date hereof. We are deregistering these shares because we have determined not to proceed with the offering of these remaining shares as described in the Registration Statement.

Accordingly, we are filing this post-effective amendment to the Registration Statement to deregister an indeterminate number of shares of our common stock, having an aggregate offering price not to exceed \$39,800,000 covered by the Registration Statement that remain unsold as of the date hereof.
