Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers

At its meeting on July 26, 2007, the Compensation Committee of the Board of Directors of Twin Disc, Incorporated (the Company) (i) increased the base salaries, effective September 24, 2007, and (ii) approved the targets for fiscal 2008 bonuses, for the Company's principal executive officer, principal financial officer, and certain of the Company's named executive officers (as used in Instruction 4 to Item 5.02 of Form 8-K), as follows:

Name and Position	New Base Salary	Target Bonus as % of Base Salary
Michael E. Batten Chairman, President and Chief Executive Officer	\$525,000	70%

Edgar Filing: TWIN DISC INC - Form 8-K

Christopher J. Eperjesy Vice President Finance, Chief Financial Officer and Secretary	\$275,000	50%
--	-----------	-----

James E. Feiertag Executive Vice President	\$275,000	50%
---	-----------	-----

John H. Batten Executive Vice President	\$255,000	50%
--	-----------	-----

In each case, the target incentive bonus is based on the FY 2008 Corporate Incentive Plan, which the Committee adopted and approved on July 27, 2007. The Corporate Incentive Plan establishes the target bonuses for the named executive officers based on the following factors and relative weights for each factor: corporate economic profit (70%), reduction in cost of quality (15%) and sales growth (15%).

At its meeting on July 26, 2007, the Compensation Committee also approved the award of Performance Stock Units to named executive officers of the Company under the Twin Disc, Incorporated, 2004 Stock Incentive Plan. A maximum total of 25,828 Performance Stock Units were awarded to the named executive officers effective July 26, 2007, subject to adjustment as described below. The Performance Stock Units will be paid out if the Company achieves certain economic profit objectives (measured as the difference between the cumulative net operating profit after taxes and the cumulative capital charge) for the cumulative three fiscal year period ending June 30, 2010. If the Company achieves the maximum 3-year cumulative economic profit goal, a recipient will earn a maximum number of Performance Stock Units. If the Company achieves the target 3-year cumulative economic profit goal, a recipient will earn the target number of Performance Stock Units. If the Company achieves the threshold 3-year cumulative economic profit goal, a recipient will earn a threshold number of Performance Stock Units. No Performance Stock Units will be earned for performance below the 3-year cumulative economic profit threshold and no additional Performance Stock Units will be earned for performance exceeding the 3-year cumulative economic profit maximum. In the event that the Company's economic profit is between the achievement levels set forth, the percentage of Performance Stock Units awarded shall be determined by interpolation. A copy of the form of the Performance Stock Unit Award agreement is attached hereto as Exhibit 10.1 and incorporated herein by reference.

On July 26, 2007, the Compensation Committee also issued performance stock awards to named executive officers of the Company under the 2004 Stock Incentive Plan. A maximum total of 12,612 performance shares were awarded to the named executive officers effective July 26, 2007, subject to adjustment as described below. The performance shares will be paid out if the Company achieves certain economic profit objectives (measured as the difference between the cumulative net operating profit after taxes and the cumulative capital charge) for the cumulative three fiscal year period ending June 30, 2010. If the Company achieves the maximum 3-year cumulative economic profit goal, a recipient will earn a maximum number of performance shares. If the Company achieves the target 3-year cumulative economic profit goal, a recipient will earn the target number of performance shares. If the Company achieves the threshold 3-year cumulative economic profit goal, a recipient will earn a threshold number of performance shares. No performance shares will be earned for performance below the 3-year cumulative economic profit threshold and no additional performance shares will be earned for performance exceeding the 3-year cumulative economic profit maximum.
