Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

At its meeting on July 30, 2015, the Compensation Committee of the Board of Directors of Twin Disc, Incorporated (the “Company”) (i) approved the base salaries of, and (ii) approved the targets for fiscal 2016 bonuses for, the Company’s principal executive officer, principal financial officer, and certain of the Company’s other “named executive officers” (as used in Instruction 4 to Item 5.02 of Form 8-K). The base salaries and target bonuses for the named executive officers were not increased or changed from the levels that were in effect at the end of FY 2015, and were set as follows:

Name and Position	Base Salary	Target Bonus as % of Base Salary
John H. Batten President and Chief Executive Officer	\$500,000	65%
Jeffrey S. Knutson Vice President – Finance, Chief Financial Officer, Treasurer, and Secretary	\$315,000	50%
Dean J. Bratel Vice President – Global Sales and Marketing	\$275,000	50%
Denise L. Wilcox Vice President – Human Resources	\$230,000	40%

In each case, the target incentive bonus is based on the FY 2016 Corporate Incentive Plan (“CIP”), which the Compensation Committee adopted and approved on July 30, 2015. The CIP establishes the target bonuses for the named executive officers based on the following factors and relative weights for each factor: (i) corporate economic profit (70%), (ii) inventory turns (15%), and (iii) sales growth (15%). In no event will an incentive payment under the CIP exceed 200% of the target. An incentive payment to a named executive officer under the CIP may be increased or decreased by up to 20%, at the discretion of the Chief Executive Officer (except that an increase or decrease of the CIP payment to the CEO shall be at the discretion of the Compensation Committee).

At its meeting on July 31, 2015, the Company’s Board of Directors amended and restated the Twin Disc, Incorporated 2010 Long-Term Incentive Compensation Plan (as amended and restated, the “2010 LTI Plan”). Through the amendment and restatement, the Company made the following changes to the 2010 LTI Plan:

(i) Further restrictions were placed on the number of shares that can be recycled within the 2010 LTI Plan by providing that the following shares will not be added back to the shares available for issuance under the 2010 LTI Plan: (a) shares tendered in payment of the exercise price for a stock option or stock appreciation right; (b) shares not issued upon a net exercise of a stock option; and (c) shares that are repurchased on the open market using stock option exercise proceeds.

(ii) Except for certain corporate events (e.g., stock splits), repricings of options and SARs and repurchases of underwater options and SARs are now expressly prohibited, unless approved by the Company’s shareholders.

(iii) The 2010 LTI Plan now expressly prohibits the exercise of discretion to increase payments under awards that are intended to qualify as performance-based awards under Section 162(m) of the Internal Revenue Code (the “Code”), and provides that if payments of such awards are accelerated after the attainment of the performance goal, the payment will be discounted to present value.

(iv) The 2010 LTI Plan now states that all awards are subject to any applicable clawback laws and the listing standards of NASDAQ, and provides mechanisms for the Company to enforce its right of recovery.

The number of shares authorized for issuance under the 2010 LTI Plan was not increased. The Company intends to submit the 2010 LTI Plan for approval by the Company’s shareholders at the Company’s 2015 annual shareholders’ meeting for purposes of the Company’s continuing compliance with Code Section 162(m). However, if the 2010 LTI Plan is not approved by the Company’s shareholders, the above-referenced changes in the 2010 LTI Plan shall remain effective, but any award made after October 15, 2015 that is intended to qualify as “performance-based” compensation under Code Section 162(m) shall not so qualify. A copy of the 2010 LTI Plan is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

On July 31, 2015, the Compensation Committee also issued performance stock awards to named executive officers of the Company under the 2010 LTI Plan. A target number of 42,061 performance shares were awarded to the named executive officers (subject to adjustment as described below), allocated as follows: Mr. Batten, 20,519 performance shares; Mr. Knutson, 8,648 performance shares; Mr. Bratel, 7,862 performance shares; and Ms. Wilcox, 5,032 performance shares. The performance shares will be paid out based on the following performance objectives and relative weights for each objective for the three fiscal year period ending June 30, 2018: (i) average annual sales revenue (40%), (ii) cumulative economic profit (40%), and (iii) relative total shareholder return (20%). With respect to each performance objective, a value shall be determined as a percentage of the target based on the attainment of the performance objective for the performance period. If the Company does not obtain the threshold for that performance objective, such percentage shall be 0%. If the Company equals or exceeds the maximum for that performance objective, the percentage shall be 150%. Outcomes between the threshold and target will be interpolated linearly between the amount of threshold award and the amount of the target award applicable to that performance objective, and outcomes between target and maximum will be interpolated linearly between the amount of the target award and the amount of the maximum award applicable to that performance objective. The percentage for each performance objective will be multiplied by the weight accorded to that performance objective, and the sum of the weighted percentages for each of performance objectives will be multiplied by the target number of performance shares awarded. The maximum number of performance shares that can be earned by the named executive officers pursuant to this award is 63,092. A copy of the form of the Performance Stock Award Grant Agreement is attached hereto as Exhibit 10.2 and is incorporated herein by reference.

On July 31, 2015, the Compensation Committee also issued restricted stock grants to named executive officers of the Company under the 2010 LTI Plan. A total of 42,061 shares of restricted stock were granted to the named executive officers, allocated as follows: Mr. Batten, 20,519 shares of restricted stock; Mr. Knutson, 8,648 shares of restricted stock; Mr. Bratel, 7,862 shares of restricted stock; and Ms. Wilcox, 5,032 shares of restricted stock. The restricted stock will vest in three years, provided the named executive officer remains employed as of such vesting date. The restricted stock will fully vest if the named executive officer terminates employment due to death or disability, or if the named executive officer is involuntarily terminated without cause or terminates employment for good reason following a change in control of the Company. A copy of the form of the Restricted Stock Grant Agreement is attached hereto as Exhibit 10.3 and is incorporated herein by reference.
