As described in a Current Report on Form 8-K filed by Phoenix Technologies Ltd. ( Phoenix ) on July 25, 2002, Phoenix entered into a Tender and Voting Agreement dated July 23, 2002 with Synopsys, Inc., a Delaware corporation ( Synopsys ) to tender its shares in inSilicon Corporation, a Delaware corporation ( inSilicon ), to Synopsys in response to a cash tender offer that Synopsys planned to make for all outstanding shares of inSilicon pursuant to an Agreement and Plan of Merger dated July 23, 2002 among Synopsys, InSilicon, and Ferrite Acquisition Corp., a Delaware corporation and wholly owned subsidiary of Synopsys.

On September 19, 2002, Phoenix completed the sale of 10,450,010 shares, or 100% of its ownership interest in inSilicon, in the Synopsys tender offer for \$4.05 per share pursuant to the terms of the Tender and Voting Agreement.

The above description of Phoenix's sale of its shares of inSilicon is a summary and as such is not intended to be complete. It is subject to, and qualified by reference to, the Tender and Voting Agreement, which is attached as Exhibit 2.1 to Phoenix's Current Report on Form 8-K filed on July 25, 2002, the press release announcing execution of the Tender and Voting Agreement, which is attached as Exhibit 99.1 to Phoenix's Current Report on Form 8-K filed on July 25, 2002, and the press release announcing the closing of the transaction attached as Exhibit 99.2 to this Current Report on Form 8-K. (b) Pro Forma Financial Information.

On September 19, 2002, Phoenix Technologies Ltd. completed the sale of its ownership interest in inSilicon for a total cash payment of \$42.3 million. Based upon inSilicon's net worth at June 30, 2002, Phoenix's ownership percentage on that date, and the estimated costs and expenses incurred in connection with the sale, Phoenix anticipates that it will record a gain of \$5.7 million, net of tax. The anticipated gain will be adjusted to reflect inSilicon's final net worth on the date of the sale and related tax expense.

The following unaudited pro forma condensed financial statements and the notes related thereto are being filed herewith:

Unaudited Pro Forma Condensed Balance Sheet as of June 30, 2002

Unaudited Pro Forma Condensed Statements of Operations for the nine months ended June 30, 2002

Unaudited Pro Forma Condensed Statements of Operations for the year ended September 30, 2001

The pro forma adjustments represent, in the opinion of management, all adjustments necessary to present Phoenix's pro forma results of operations and financial position in accordance with Article 11 of SEC Regulation S-X and are based upon available information and certain assumptions considered reasonable under the circumstances.

**NOTES TO UNAUDITED PRO FORMA CONDENSED FINANCIAL INFORMATION**

**Basis of Presentation**

The above unaudited pro forma condensed consolidated financial statements present financial information for Phoenix giving effect to the sale of all of its ownership interest in inSilicon, which was effective as of September 19, 2002. The unaudited pro forma condensed balance sheet as of June 30, 2002 is presented as if the transaction occurred on that date. The unaudited pro forma condensed statements of operations for the nine months ended June 30, 2002 and for the year ended September 30, 2001 are presented as if the transaction had occurred at the beginning of the respective periods and excluded the anticipation gain to be realized.

**Unaudited Pro Forma Financial Adjustments**

(A) Reflects the sale of all of its ownership interest in inSilicon to Synopsys for a total cash payment of \$42.3 million at September 19, 2002. The pro forma adjustments to other current liabilities reflect the estimated costs and expenses incurred in connection with the sale. Included in pro forma retained earnings at June 30, 2002 is the resulting estimated \$5.7 million gain, net of tax, as if the sale occurred on June 30, 2002.

(B) Represents a pro forma adjustment to income tax payable and deferred income taxes relating to taxable gain on the sale.

(C) Reflects the reversal of the minority interest in inSilicon that was included in Phoenix's historical consolidated Balance Sheet and Statements of Operations.

(D) Reflects the reversal of the cost allocation to inSilicon that was previously included in inSilicon's Statements of Operations. Phoenix will continue to incur those costs without reimbursement from inSilicon, resulting in higher operating expenses going forward.

(E) Represents the tax benefit resulting from additional costs that were previously allocated to inSilicon.
