Annual Meeting of Stockholders
April 3, 2003

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of The Mexico Fund, Inc., a Maryland corporation (the "Fund") to be voted at the Annual Meeting of Stockholders of the Fund (the "Meeting") to be held at 30 Rockefeller Plaza, 23rd Floor, New York, New York, 10112, on April 3, 2003 at 2:00 P.M. and at any adjournment thereof. The approximate mailing date of this Proxy Statement is February __, 2003 or as soon as practicable thereafter. The Fund will furnish, without charge, a copy of the Fund's annual report for its fiscal year ended October 31, 2002, and any more recent reports, to any Fund stockholder upon request. To request a copy, please visit the Fund's web site at www.themexicofund.com or contact the Fund's Information Agent at: Morrow & Co., Inc., 445 Park Avenue, 5th Floor, New York, NY 10022, (800) 607-0088.

All properly executed proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked on the proxies. Unless instructions to the contrary are marked thereon with respect to each Proposal, a properly executed proxy will be voted FOR Proposals 1 and 2. The appointed proxy holders will vote in their discretion on any other business as may properly come before the meeting or any adjournment or postponements thereof as set forth in "Other Business."

For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker non-votes (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present.

Approval of Proposal 1 requires the affirmative vote of a majority of the shares validly cast at the Meeting provided a quorum is present. Abstentions and broker non-votes will have no effect on the vote on this proposal. Approval of Proposal 2 requires the affirmative vote of a majority of the Fund's outstanding voting securities as provided in the Investment Company Act of 1940, as amended (the "1940 Act"). This means the affirmative vote of the lesser of (a) more than 50% of the outstanding shares of the Fund, or (b) 67% or more of the shares present at the meeting, if more than 50% of the outstanding shares are present at the meeting in person or by proxy. For purposes of Proposal 2, abstentions and broker non-votes will be treated as shares present but not voting; therefore, any abstentions and broker non-votes will have the effect of votes against the Proposal.

Any stockholder giving a proxy has the right to attend the Meeting to vote his or her shares in person (thereby revoking any prior proxy) and also the right to revoke the proxy at any time by written notice received by the Fund prior to its exercise.

In the event that the necessary quorum to transact business at the Meeting is not obtained or a quorum is present at the Meeting but sufficient votes to approve any of the proposals are not received, the proxy holders may

Edgar Filing: MEXICO FUND INC - Form PRE 14A

propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any adjournment will require the affirmative vote of a majority of those shares present at the Meeting in person or by proxy. If the necessary quorum is not obtained, the persons named as proxies will vote in favor of the adjournment. If a quorum is present, the proxy holders will vote proxies which vote for any proposal with respect to which insufficient votes for approval have been received in favor of such an adjournment, and will vote those proxies required to be voted against such a proposal, against adjournment. A stockholder vote may be taken on one or more of the proposals in this Proxy Statement prior to any adjournment if sufficient votes have been received for approval. In the event any of the proposals are not approved by stockholders, the Board of Directors of the Fund will consider appropriate action.

The Board of Directors has fixed February 11, 2003 as the record date for the determination of stockholders entitled to notice of, and to vote at, the Meeting and at any adjournment thereof. Stockholders on the record date will be entitled to one vote for each share held. As of [February 6, 2003], the Fund had outstanding 19,969,057 shares of common stock, par value \$1.00 per share. To the Fund's knowledge based on filings made with the U.S. Securities and Exchange Commission ("SEC"), [as of February 6, 2003], there is no beneficial owner of more than five percent (5%) of the voting securities of the Fund.

PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors of the Fund is divided into three classes of Directors, as nearly equal in number as possible, each of which serves for three years with one class being elected each year. Each year the term of office of one class will expire. The terms of office of Messrs. Caldwell and Serra Puche expire this year. The Board of Directors, including the Directors who are not interested persons of the Fund, upon the recommendation of the Fund's Nominating and Corporate Governance Committee which is comprised solely of Directors who are not "interested persons" of the Fund (as defined in Section 2(a)(19) of the 1940 Act), have nominated Messrs. Caldwell and Serra Puche, to serve as Class I Directors for a three year term expiring in 2006 and until their successors are duly elected and qualify. The nominees have indicated an intention to serve if elected and have consented to be named in this Proxy Statement. Directors who are not interested persons are referred to in the Proxy Statement as "Independent Directors."

It is the intention of the persons named on the enclosed proxy card to vote for the nominees listed below for a three-year term. The Board of Directors of the Fund knows of no reason why either nominees would be unable to serve, but in the event of any such unavailability, the proxies received will be voted for such substituted nominees as the Board of Directors may recommend. The Fund's Directors and executive officers, as a group, beneficially own less than 1% of the Fund's common stock. None of the Directors, with the exception of Mr. Jose Luis Gomez Pimienta, is an "interested person" of the Fund as defined in the 1940 Act.

The names of the Fund's nominees for election as Directors, and each other Director of the Fund, and their addresses, ages and principal occupations during the past five years, are provided in the tables below.

The Fund does not pay its officers for the services they provide to the Fund, except for those expenses incurred in connection with Fund Board or stockholders meetings which are reimbursed by the Fund under the Fund's Reimbursement Policy. Report of the Audit Committee; Information About the Fund's Independent Auditor

The Audit Committee reviews both the audit and non-audit work of the Fund's independent public accountants, submits recommendations to the Board of Directors as to the selection of independent public accountants, and reviews compliance of the Fund with regulations of the SEC and the Internal Revenue Service, and other related matters. The Fund adopted an Audit Committee Charter on December 6, 1999. The Charter was amended on December 4, 2002, and is appended to this Proxy Statement.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Fund's auditors are in fact "independent."

On May 6, 2002, the Fund announced that its Board of Directors, upon recommendation of the Board's Audit Committee, had appointed PwC as the Fund's independent auditors, effective immediately. The Board's decision to replace Arthur Andersen LLP as the Fund's independent auditors was made after a thorough selection process that reviewed several accounting firms. The decision to change independent auditors was not the result of any disagreement between the Fund and Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure. Arthur Andersen LLP provided excellent services as independent auditors to the Fund and the Fund valued its relationship with the firm. However, the Board of Directors felt it was in the best interests of the Fund and its stockholders to retain PwC as independent auditors at that time. For the last two fiscal years of the Fund, Arthur Andersen LLP's report on the financial statements for the Fund did not contain either an adverse opinion or a disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles. In addition, for the last two fiscal years, there were no disagreements with Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which

Edgar Filing: MEXICO FUND INC - Form PRE 14A

disagreement, if not resolved to the satisfaction of Arthur Andersen LLP, would have caused it to make reference to the subject matter of the disagreement in connection with its report.

The Audit Committee has received written disclosures and the letter required by Independence Standards Board No. 1 from PwC and has discussed with PwC its independence. The Audit Committee has also reviewed and discussed the audited financial statements with Fund management and PwC, and discussed certain matters with PwC addressed by Statement on Auditing Standards No. 61. Based on the foregoing, the Audit Committee recommended to the Board of Directors that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended October 31, 2002.

During the fiscal year ended October 31, 2002*, the Fund incurred the following fees for services provided by PwC:

Audit Fees	Financial Information Systems Design and Implementation Fees	All Other Fees
----- \$85,000	----- None	----- \$17,000

*Appointed independent auditors of the Fund effective May 6, 2002.

The Audit Committee has considered whether the provision of the services covered under the column "All Other Fees" is compatible with maintaining PwC's independence.

The Board of Directors, upon recommendation of the Audit Committee, has selected PwC as independent public accountants to examine the financial statements of the Fund for the fiscal year ending October 31, 2002. Audit services performed by PwC during the most recent fiscal year included examination of the financial statements of the Fund and the review of filings with the SEC. PwC will prepare the Fund's tax returns for the fiscal year ending October 31, 2002.

10

The Fund knows of no direct or indirect interest of such firm in the Fund. A representative of PwC is expected to be present at the Meeting and will have the opportunity to respond to questions from stockholders.

PROPOSAL 2: AMENDMENT OF INVESTMENT ADVISORY AND MANAGEMENT AGREEMENT
TO AMEND THE MANAGEMENT FEE RATE SCHEDULE TO INCREASE THE FEES PAID ONLY AT
CERTAIN ASSET LEVELS

About the Investment Advisory and Management Agreement and the Fund's Adviser

The Board of Directors of the Fund is proposing that stockholders approve amendments to the Investment Advisory and Management Agreement between the Fund and Impulsora del Fondo Mexico, S.A. de C.V. (the "Adviser"), the effect of which would be to change the management fee rate schedule to increase the fee payable only at certain asset levels ("breakpoints"). Stockholders also are being asked to approve the Management Agreement as so amended. The factors considered by the Board of Directors, including the Directors who are not "interested persons" (as defined by the 1940 Act) of the Fund or the Adviser, in determining the reasonableness and fairness of the proposed management fee increase are described below under "About the Board's Support for this

Edgar Filing: MEXICO FUND INC - Form PRE 14A

Proposal."

The Adviser has served as the Fund's investment adviser since the Fund's organization in 1981. The Adviser is a registered investment adviser under the Investment Advisers Act of 1940, as amended, and is located at 77 Aristoteles Street, 3rd Floor, Col. Polanco, 11560 Mexico D.F., Mexico. The Adviser provides investment advisory and management services pursuant to an Amended and Restated Investment Advisory and Management Agreement dated December 1, 1990, as amended and restated June 16, 1998 (the "Management Agreement"). The Management Agreement was last submitted to stockholders for approval in 1990. In June 2002, the Board unanimously approved the renewal of the Management Agreement for a one-year term.

The management fee rate schedule for the Fund has not changed since December 1990, when stockholders approved the Management Fee rate (as defined below), although the dollar amount of the Management Fee paid by the Fund has changed over time as the net assets of the Fund have increased or decreased. As compensation for its management services, the Adviser currently is paid a fee, computed at the end of each calendar month based on the average daily value of the net assets of the Fund translated into dollars at an annual rate of 0.85% of average daily net assets up to \$200 million, 0.70% of such assets between \$200 million and \$400 million and 0.60% of such assets in excess of \$400 million (the "Management Fee"). The Management Fee is among the lowest fee rates for world equity closed-end funds listed on the New York Stock Exchange.

The Adviser's proposal to increase the Management Fee only at certain breakpoint levels as set forth in the proposed Management Agreement was discussed at a meeting of the Board of Directors held on June 18, 2002 and considered at a meeting of the Board of Directors held on November 12, 2002, at each of which a majority of the Directors who are not "interested persons" (as defined in the 1940 Act) of the Fund or the Adviser was present, and at a meeting of the Contract Review Committee of the Fund (consisting of all the Directors who are not "interested persons" of the Fund or the Adviser) held on November 12, 2002. Independent legal counsel to the Fund and the Independent Directors advised the Directors on the nature of the matters to be considered and the standards to be used by the Board of Directors and the Independent Directors in reaching their decision. Such consideration was based upon financial, statistical and other information supplied to the Directors by the Adviser and on the Directors' general knowledge of the Adviser and the services it provides to the Fund. On November 12, 2002, the Directors unanimously concluded that the proposed amendments to the Management Agreement were fair and reasonable and justified by business considerations and decided to submit the Management Agreement as amended to stockholders for their approval.

Terms of the Management Agreement other than Fees

Under the Management Agreement, the Adviser, subject to the control of the Board of Directors and in accordance with the objectives, policies and principles of the Fund set forth in the Fund's registration statement and the requirements of the 1940 Act and other applicable law, manages the affairs of the Fund. In this regard, it is the responsibility of the Adviser to make investment decisions on behalf of the Fund, to make available to the Fund any necessary research and statistical data in connection therewith, and to supervise the acquisition and disposition of investment for the Fund, including the selection of the brokers or dealers to carry out portfolio transactions for the Fund.

The Adviser also pays all salaries, fees, and expenses of the Fund's Directors and officers who are employees, officers or directors of the Adviser, except for those expenses incurred in connection with Fund Board or stockholder meetings which are reimbursed by the Fund under the Fund's Reimbursement Policy. The Fund bears all of its other expenses including: fees and

expenses of the Fund's Directors who are not employees, officers of directors of the Adviser; taxes and governmental fees; brokerage commissions and other expense incurred in acquiring or disposing of the Fund's portfolio securities; expenses of preparing stock certificates and other expenses in connection with the issuance, offering, distribution, sale or underwriting of securities issues by the Fund; expenses of registering and qualifying the Fund's shares for sale with the SEC and in various state and foreign jurisdictions; auditing, accounting, insurance and legal costs; custodian, dividend disbursing and transfer agent cost; expenses of obtaining and maintaining a stock exchange listing of the Fund's shares; and the expenses of stockholders' meetings and of the preparation and distribution of reports to stockholders. The Management Agreement does not contain any effective expense limitation provision. The Management Agreement continues in effect until June 17, 2003 (April 2, 2005 if the proposed amendments to the Management Agreement are approved) and from year to year thereafter if such continuance is approved in the manner required by the 1940 Act. The Management Agreement may be terminated at any time by the Fund, without payment of any penalty, upon vote a majority of the Fund's Board of Directors or a majority of outstanding voting securities of the Fund, or by the Adviser, on sixty (60) days' written notice to the other party. The Management Agreement will terminate automatically in the event of its assignment.

About Adopting a Change to the Management Fee Schedule

The Fund seeks your approval to amend the Management Agreement to change the management fee rate schedule to increase the fee payable only at certain breakpoints ("Proposed Management Fee"). A copy of the Management Agreement reflecting the proposed amendment is set forth as Exhibit B to this Proxy Statement.

The Management Fee has not been changed since December 1, 1990 when stockholders approved the current Management Fee, although the dollar amount of the Management Fee paid by the Fund has changed over time as the net assets of the Fund have increased or decreased. As a result of the decline in Fund assets following the Fund's implementation of a periodic in-kind repurchase policy, the fees received by the Adviser have significantly declined. The purpose of the periodic repurchase offer policy is to provide stockholders an alternative source of liquidity for their Fund shares in addition to cash sales of Fund shares on the New York Stock Exchange and to enhance stockholder value. The periodic repurchase offers provide stockholders with the opportunity to redeem their shares in-kind (i.e., in exchange for portfolio securities and cash held by the Fund) in order to realize close to net asset value for their shares. The periodic in-kind repurchase offer policy also is intended to insulate stockholders who choose not to participate from bearing any portion of the unrealized capital gains of the Fund which would be realized if the Fund sold the portfolio securities in order to satisfy repurchase requests in cash.

The Proposal would increase the Management Fee paid by the Fund to 1.00% of average daily net assets up to \$200 million and 0.90% of such assets in excess of \$200 million up to and including \$400 million ("Proposed Management Fee"). The Management Fee will remain at its current rate of 0.60% for the Fund's net assets in excess of \$400 million.

Since 1990, and prior to the implementation of the Fund's policy of making periodic in-kind share repurchases, the Adviser's management fees were calculated based on assets in excess of \$400 million, which allowed the Adviser to provide a high quality of service and to provide reasonable compensation to its staff. Recently, the Fund's assets have declined significantly as a result

Edgar Filing: MEXICO FUND INC - Form PRE 14A

of each of the Fund's June 2002, October 2002, and January 2003 repurchase offers as a result of which the Fund's assets declined 56%, 20.2%, and 5% respectively. It is likely the Fund's assets will continue to decline as a result of additional periodic repurchase offers. Despite a recent internal restructuring of the Adviser, including a reduction in compensation paid to its employees, the Adviser has advised the Board that its viability has been compromised by the decline in fees payable under the Management Agreement. The Fund is the Adviser's only investment advisory client. The Board of Directors believes that it is appropriate to consider an increase of the Management Fee only at asset levels below \$400 million. Despite this proposed increase, the Board of Directors believes that the Fund's total expense ratio will remain competitive compared with other closed-end funds whose shares are listed for trading on the New York Stock Exchange.

The net assets of the Fund as of October 31, 2002 were approximately \$308.76 million. The total amount paid by the Fund to the Adviser under the Management Agreement for the fiscal year ended October 31, 2002 was \$5,350,434. If the Proposed Management Fee had been in effect, the Fund would have paid approximately \$4,650,434 assuming the same average net assets.

The tables below show (i) the aggregate amount of advisory fees paid by the Fund pursuant to the Management Fee during the fiscal year ended October 31, 2002 and as of January 31, 2003, respectively; (ii) the aggregate amount of advisory fees that would have been paid if the Proposed Management Fee had been in effect during the fiscal year ended October 31, 2002 and as of January 31, 2003 based on the average net assets of the Fund during the fiscal year ended October 31, 2002 and as of January 31, 2003, respectively; (iii) the dollar difference between the two amounts; and (iv) the percentage difference between the two amounts.

About the Board's Support for this Proposal

This Proposal is unanimously supported by the Fund's Board of Directors. During their deliberations the Board was advised by independent legal counsel and received substantial information about the Adviser's performance and the fee that is the subject of this Proposal. The Board was given the opportunity to ask questions and request additional information from management.

In the course of its deliberations, the Board of Directors considered, among other things, (a) the nature and quality of the services provided by the Adviser; (b) the Fund's performance under the Adviser's management; (c) the fairness of the compensation in light of the services provided; (d) the personnel, operations, financial condition, and investment management capabilities of the Adviser; (e) the impact of the Fund's in-kind repurchase offer policy; (f) the Board's approval of a strategic decision to invest significant portions of the Fund's resources in attractive small- and medium-sized Mexican companies not easily available abroad; (g) the need to

Edgar Filing: MEXICO FUND INC - Form PRE 14A

provide adequate resources to the Adviser to implement the Fund's new portfolio strategy; (h) the overall profitability of the Management Agreement to the Adviser; and (i) the impact of the Proposed Management Fee on stockholders.

While no one factor was controlling, the Board concluded that the Proposed Management Fee will benefit stockholders by permitting the Adviser to continue to provide the quality of service to the Fund it has in the past and compensate its staff at competitive levels. The Board of Directors noted that the Fund's decrease in assets as a result of the Fund's periodic repurchase offers conducted in June 2002, October 2002, and January 2003 significantly changed the profitability of the Management Agreement to the Adviser, and would continue to do so as the Fund continued to make periodic repurchase offers under the Fund's in-kind periodic repurchase offer policy. The Board of Directors considered the impact of the Proposed Management Fee on the overall expenses of the Fund and concluded that the total expense ratio of the Fund would continue to be competitive in the industry. The Board voted unanimously to approve the Proposed Management Fee finding that it is fair and reasonable to all stockholders.

The Committee will also report to the Board of Directors (the "Board"), if necessary, any relationships between the auditor and the Fund, or any other relationships, which come to the Committee's attention that may adversely affect the independence of the auditor.

The function of the Committee is to provide oversight; it is the responsibility of the Fund and the Fund's investment adviser to maintain appropriate systems for accounting and internal control, and it is the responsibility of the Fund's independent auditors to plan and carry out a proper audit.

The independent auditors are directly accountable to the Committee.

Edgar Filing: MEXICO FUND INC - Form PRE 14A

Committee Membership

The Committee shall be composed of at least three members. Each member must have been determined not to be an "interested person" (as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended ("1940 Act")) of the Fund (an "Independent Director") and, in addition, each member shall have the additional qualifications indicated below. The President of the Fund, although not a member of the Committee, will nonetheless be expected to have a significant role in assisting the Committee to discharge its responsibilities, including ensuring adequate access to, and support from, the staff of the Fund's investment adviser, Impulsora del Fondo Mexico.

Qualifications of Committee Members

1. Members of the Committee may not be officers of the Fund and should be free of any relationships that would interfere with the exercise of independent judgment. A director with any of the following relationships will not be considered independent for this purpose:
 - A. Employee. A director who is or has been an employee (including non-employee executive officers) of the Fund or any of its affiliates may not serve on the Committee until three years following the termination of his or her employment. An affiliate includes a subsidiary, sibling company, predecessor, parent company, or former parent company.
 - B. Business Relationship. A director (i) who is a partner, controlling shareholder, or executive officer of an organization that has a business relationship with the Fund, or (ii) who has a direct business relationship with the Fund (e.g., a consultant) may serve on the Committee only if the Fund's Board determines in its business judgment that the relationship does not interfere with the director's exercise of independent judgment. In making a determination regarding the independence of a director pursuant to this paragraph, the Board will consider, among other things, the materiality of the relationship to the Fund, to the director, and, if applicable, to the organization with which the director is affiliated.

"Business relationships" can include commercial, industrial, banking, consulting, legal, accounting and other relationships. A director can have this relationship directly with the Fund, or the director can be a partner, officer or employee of an organization that has such a relationship. The director may serve on the Committee without the above-referenced Board determination after three years following the termination of, as applicable, either (1) the relationship between the organization with which the director is affiliated and the Fund, (2) the relationship between the director and his or her partnership status, shareholder interest or executive officer position, or (3) the direct business relationship between the director and the Fund.

An immediate family member includes a person's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than employees) who shares such person's home.

Notwithstanding the requirements of Parts A through D above, one director who is no longer an employee or who is an immediate family member of a former executive officer of the Fund or its affiliates, but is not considered independent pursuant to these provisions due to the three-year restriction period, may be appointed, under exceptional and limited circumstances, to the Committee if the Fund's Board determines in its business judgment that membership on the Committee by the individual is required in the best interests of the Fund and its shareholders, and the Fund discloses, in the next annual proxy statement subsequent to such determination, the nature of the relationship and the reasons for that determination.

2. Each member of the Committee must be financially literate, or become financially literate within a reasonable period of time after his or her appointment to the Committee, as such qualification is interpreted by the Fund's Board in its business judgment. At least one member of the Committee must have accounting or related financial experience, as the Fund's Board interprets such qualification in its business judgment.
3. Unless exempted by order of the SEC, each member of the Committee may not, other than in his or her capacity as a member of the Committee, the Board, or any other committee of the Board accept any consulting, advisory, or other compensatory fee from the Fund.
4. If at least one member of the Committee is not a "financial expert" (as that term is defined in the rules and regulations of the SEC), the Fund's periodic reports shall disclose the reason why.

Duties and Powers

To carry out its mission, the Committee shall, to the extent it deems appropriate, carry out the following functions:

1. To recommend annually to the Board the selection, retention or termination of independent auditors and, in connection therewith, to evaluate the independence of the auditors, including whether the auditors provide any consulting, auditing or tax services to the investment adviser, and to receive the auditors' specific representations as to their independence, delineating all relationships between the auditor and the Fund, consistent with Independence Standards Board ("ISB") Standard No. 1./1/ The Committee is responsible for actively engaging in a dialogue with the auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditor and for taking, or recommending that the full Board take, appropriate action to oversee the independence of the outside auditor;
2. To review in advance, and consider approval of, any and all proposals by management of the Fund or the investment adviser that the Fund, the investment adviser, or their affiliated persons, employ the independent auditor to render "permissible non-audit services"/2/ to the Fund and to consider whether such services are consistent with the independent

/1/ ISB Standard No. 1 requires the auditor to annually: (1) disclose to the

Edgar Filing: MEXICO FUND INC - Form PRE 14A

Committee, in writing, all relationships between the auditor and its related entities and the Fund and its related entities that in the auditor's professional judgment may reasonably be thought to bear on independence; (2) confirm in the letter that, in its professional judgment, it is independent of the Fund within the meaning of the Securities Acts administered by the SEC; and (3) discuss the auditor's independence with the audit committee.

- /2/ "Permissible non-audit services" include any professional services, including tax services, provided to the Fund by the independent auditor, other than those provided to the Fund in connection with an audit or a review of the financial statements of the Fund. auditor's independence./3/ The Committee may delegate to one or more of its members ("Delegates") authority to pre-approve permissible non-audit services to be provided to the Fund. Any pre-approval determination of a Delegate shall be presented to the full Committee at its next meeting. WHEREAS, the Corporation is registered with the United States Securities and Exchange Commission ("SEC") as a closed-end, non-diversified management investment company under the Investment Company Act of 1940, as amended (the "1940 Act"), and the Adviser is registered with the SEC as an investment adviser under the Investment Advisers Act of 1940, as amended (the "Advisers Act");

WHEREAS, the Corporation's investment objective is to invest and reinvest its assets in Mexican securities; and

WHEREAS, the Corporation desires to retain the Adviser to furnish investment advisory and management services for the Corporation and the Adviser is willing to furnish such services.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained, it is agreed between the parties as follows:

1. Appointment of the Adviser. The Corporation appoints the Adviser to act as investment adviser to the Corporation for the period and on the terms set forth in this Agreement. The Adviser accepts such appointment and agrees to furnish the services herein set forth for the compensation provided.

2. Investment Advisory and Management Services. The Adviser undertakes and agrees:

(a) To make investment decisions on behalf of the Corporation, to make available to the Corporation any necessary research and statistical data in connection therewith, and to supervise the acquisition and disposition of investments for the Corporation, including the selection of the brokers or dealers to carry out portfolio transactions for the Corporation;

(b) To comply with any and all provisions of the 1940 Act and the Advisers Act, and all provisions of any rules, regulations and orders of the SEC which are now or may, from time to time, be applicable to the Adviser and to its directors, officers, employees and interested persons (as such term is defined in the 1940 Act), and to comply with any and all provisions of the Mexican securities laws, as well as with any rules, regulations and orders promulgated thereunder which are now or may, from time to time, be applicable to the Adviser and to its directors, officers and employees; and

Each fee payment shall be made within fifteen days after the end of each month.

(b) The average daily value of the Corporation's net assets shall be determined on the basis of the value of all assets held for the account of the Corporation each business day as of the close of business on the Mexican Stock Exchange (the "Exchange"). For this purpose the method of establishing such value shall be as follows:

(i) All securities for which current market quotations on the Exchange are readily available shall be valued at the last quoted sales price on the Exchange on such day, or if there has been no sale, at the last quoted bid price; and

(ii) All other securities shall be valued by the Adviser as determined by the Board of Directors of the Corporation in good faith to be fair.

4. Expenses. The Adviser shall bear all expenses incurred by it in connection with its duties and activities under this Agreement. The Adviser further agrees to pay all salaries, fees, and expenses of the Corporation's directors and officers who are employees, officers, or directors of the Adviser, except for those expenses incurred in connection with the Corporation's Board of Directors' or shareholders' meetings which are reimbursed by the Corporation under the Corporation's Reimbursement Policy. 5. Duration and Termination. This Agreement shall become effective on April 3, 2003, shall terminate on April 2, 2005 and, thereafter, if not sooner terminated, shall continue in effect for successive periods of twelve months each, provided that each such continuance shall be specifically approved annually by the vote of a majority of the Corporation's Board of Directors who are not parties to this Agreement or interested persons (as such term is defined in the 1940 Act) of any such party, cast in person at a meeting called for the purpose of voting on such approval and either (a) the vote of a majority of the outstanding voting securities of the Corporation, or (b) a majority of the Corporation's Board of Directors as a whole. Notwithstanding the foregoing, this Agreement may be terminated at any time by the Corporation, without the payment of any penalty, upon vote of a majority of the Corporation's Board of Directors or a majority of the outstanding voting securities of the Corporation, or by the Adviser, on sixty days' written notice to the other party. This Agreement shall automatically terminate in the event of its assignment (as such term is defined in the 1940 Act).

6. Short Sales of the Corporation's Stock. The Adviser agrees that it will not make a short sale of any capital stock of the Corporation or purchase any share of capital stock of the Corporation otherwise than for investment.

7. Liability of the Adviser. The Adviser may rely on information reasonably believed by it to be accurate and reliable. Except as may otherwise be provided by the 1940 Act, neither the Adviser nor its shareholders, officers, directors, employees or agents shall be subject to, and the Corporation shall indemnify and hold such persons harmless from and against, any liability for and any damages, expenses or losses incurred in connection with any act or omission in the course of, connected with or arising out of any services to be rendered hereunder, except by reason of willful misfeasance, bad faith or gross negligence in the performance of the Adviser's duties or by reason of reckless disregard of the Adviser's obligations and duties under this Agreement.

8. Services Not Exclusive. It is understood that the services of the Adviser are not deemed to be exclusive, and nothing in this Agreement shall prevent the Adviser, or any affiliate thereof, from providing similar services to other investment companies and other clients (whether or not their investment objective and policies are similar to those of the Corporation) or from engaging in other activities. When other clients of the Adviser desire to purchase or sell a security at the same time such security is purchased for the Corporation, it is understood that such purchases and sales will be made as nearly as practicable on a pro rata basis in proportion to the amounts desired to be purchased or sold by each client.

9. Miscellaneous

(a) This Agreement shall be construed in accordance with the laws of the State of Maryland, provided that nothing herein shall be construed as being inconsistent with the 1940 Act, the Advisers Act, applicable Mexican securities laws, and any rules, regulations and orders of the SEC.

(b) The captions in this Agreement are included for convenience only and in no way define or delimit any of the provisions hereof or otherwise affect their construction or effect.

B-2

(c) If any provisions of this Agreement shall be held or made invalid by a court decision, statute, rule or otherwise, the remainder of this Agreement shall not be affected thereby and, to this extent, the provisions of this Agreement shall be deemed to be severable.
