Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

Arena Resources, Inc. (the Company) entered into a Securities Purchase Agreement (the Agreement) on May 26, 2006 with a group of thirty investors (collectively, the investors) identified on Exhibit 99.1 filed herewith and incorporated herein by reference. Pursuant to the Agreement, the Company issued to the investors on May 30, 2006, 1,150,000 shares of the Company's \$0.001 par value common stock, for a purchase price of \$28.04 per share, or an aggregate offering price of \$32,246,000 (which represents a 5% discount from the closing price of the Company's common stock on the American Stock Exchange on May 24, 2006).

The common stock was sold to the investors in reliance on the exemption from registration provided by Section 4(2) of the Securities Act of 1933, as amended (the Act) and Rule 506 promulgated thereunder, as well as the provisions of Section 18(b)(4)(D) of the Act. All investors qualify as accredited investors as defined in Rule 501 under the Act and the common stock was not sold by means of any form of general solicitation or advertising. Each of the investors represented to the Company that the securities would be acquired for the investor's own account and without a view to the distribution of such securities in violation of the Securities Act. The Company has made or will make, within the allowed time limits, the appropriate filing of a Form D with the Securities and Exchange Commission, and any notice filings with applicable state securities administrators.

The common stock has not been registered under the Act and may not be offered or sold in the United States absent registration or unless an applicable exemption from registration is available. As a part of the transactions contemplated by the Securities Purchase Agreement, the Company also entered into a Registration Agreement on May 26, 2006 with the investors, pursuant to which the Company has agreed to file a registration statement on Form S-3 within 30 days of the closing of the stock sale, to thereafter use its best efforts to have such registration statement declared effective as soon as practicable, and to maintain the effectiveness of the registration statement for a period of two years or until the intended distribution of the registered securities is completed by all investors. If the Company defaults under certain provisions of the Registration Agreement, it has agreed to pay to the investors, as liquidated damages, an amount equal to two percent of the aggregate amount invested by each investor for each thirty day period the default exists, provided that the aggregate liquidated damages shall not exceed with respect to each investor 10% of the aggregate amount invested by such investor.

The Company engaged two placement agents for the transaction, and agreed to pay to the placement agents six percent (6%) of the gross proceeds received from the offering, or \$1,934,760, and to reimburse them up to an aggregate of \$50,000 of their expenses incurred.
