**Item 5. Other Events**

On May 15, 2003, SonoSite, Inc. issued a press release announcing the resignation of Dr. Ernest Mario from its board of directors. A copy of the press release is attached hereto as exhibit 99.1 and is incorporated into this current report by reference.

Separately, at its April 29, 2003 meeting, SonoSite's board approved changes to the board of directors' compensation, effective immediately, which are detailed below.

Directors who are employees of SonoSite do not receive any fee for their services as directors. Directors who are not employees of SonoSite are paid an annual retainer plus \$1,000 for each board of directors meeting attended and \$500 for each Executive Committee meeting attended. Any nonemployee director serving as Chairman of the Board is paid an additional annual retainer. We also reimburse directors for reasonable expenses they incur in attending meetings of the board. The annual retainer for nonemployee directors, except for the Chairman, is \$20,000. The annual retainer for the Chairman is \$40,000.

Directors are eligible to receive options to purchase shares of our common stock under our 1998 Stock Option Plan, or 1998 Plan. Effective April 29, 2003, each nonemployee director, including the Chairman, automatically receives an option to purchase 15,000 shares of our common stock on the date of his or her initial election or appointment as director. Each nonemployee director, including the Chairman, thereafter receives an option to purchase 10,000 shares of our common stock immediately following the next year's annual meeting of shareholders and each annual meeting of shareholders thereafter for as long as the director serves on our board. All options have an exercise price equal to the fair market value of the common stock on the date of grant. Options vest in full and become exercisable 12 months after the date of grant, assuming a director's continued service on our board of directors during this time. Options expire on the tenth anniversary of the date of grant, subject to earlier termination if a director ceases to be a director. Immediately prior to a merger, consolidation, liquidation or similar reorganization of SonoSite, an option granted under the 1998 Plan may be exercised in whole or in part, regardless of whether the vesting schedule for the options has been satisfied.
