Report of Independent Registered Public Accounting Firm

Plan Administrator and Participants of the YUM! Brands 401(k) Plan:

We have audited the accompanying statements of net assets available for benefits of the YUM! Brands 401(k) Plan (the Plan) as of December 31, 2013 and 2012, and the related statement of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2013 and 2012, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements as a whole. The supplemental schedule H, line 4i - schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

(1) Summary Plan Description

The following description of the YUM! Brands 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

YUM! Brands, Inc. (the Company) adopted the Plan effective October 7, 1997. Any employee within a group or class so designated by the Plan document is eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act, as amended (ERISA).

The investments of the Plan are maintained in a trust (the Trust) by State Street Bank and Trust Company (the Trustee) who has been appointed as Trustee by the Plan. The Trustee is responsible for the management and control of the Plan's assets. ING Institutional Plan Services, LLC serves as the recordkeeper for the Plan.

On October 1, 2001, the Plan was amended to adopt a safe harbor matching contribution, in accordance with Internal Revenue Code (IRC) section 401(k)(12)(B).

(b) Contributions

Each participant in the Plan may elect to contribute up to 75% of eligible earnings, as defined in the Plan document. The maximum pre-tax annual contribution allowed for calendar years 2013 and 2012 was \$17,500 and \$17,000, respectively.

Eligible participants receive a matching contribution from the Company that is equal to 100% of such salary deferral contribution that does not exceed 6% of the participant's eligible pay. Participants direct the investment of contributions into various investment options offered by the Plan. The Company may also make discretionary contributions to the Plan. No discretionary contributions were made by the Company during 2013 or 2012.

The Plan allows eligible participants to make additional tax-deferred contributions. Participants eligible to make additional tax-deferred contributions must be 50 years or older by the end of the calendar year in which they want to make the additional tax-deferred contribution. These contributions are made in the same manner as salary deferral contributions and are deposited in the participant's salary deferral account. These contributions are not subject to the eligible earnings limitation as defined by the Plan. Thus, a participant can contribute more than their eligible earnings of pay to the extent needed to make an additional tax-deferred contribution. The 2013 and 2012 annual ERISA limits on these contributions were \$5,500. Additional tax-deferred contributions are not eligible for Company matching contributions.

(c) Investment Options

YUM! Stock Fund

This fund pools participants' contributions to buy shares of the Company's Common Stock. The fund also holds short-term investments to provide the fund with liquidity to make distributions. The fund is paid cash dividends from

its investments in the Company's Common Stock, which are used to purchase additional shares of the Company's Common Stock.

(e) Participant Loans

The Plan has a loan program for participants. The maximum amount a participant may borrow, when aggregated with all other outstanding loans of the participant, is the lesser of: a) 50% of the participant's vested interest under the Plan; b) \$50,000 reduced by the excess of the highest outstanding loan balance during the preceding one-year period ending on the day prior to the date the loan was made, over the outstanding balance of loans on the date the loan was made; c) 100% of the value of the participant's investment in certain funds; or d) the maximum loan amount that can be amortized by the participant's net pay. Loans are generally outstanding for up to four years. The fixed interest rate for loans is based on the prime rate as of the last day of the month before the loan request plus 1%. A participant may have up to two loans outstanding from the Plan at any time. A one-time loan origination fee is charged to those participants who obtain a loan. Interest on loans is allocated to each of the funds based upon the participant's investment election percentages. For each month or part thereof the loan remains outstanding, the borrowing participant may be assessed a monthly administration fee. Generally, any loans outstanding shall become immediately due and payable in full if the participant's employment is terminated. Principal and interest is paid ratably through monthly payroll deductions.

As required by Section 526 of the Soldiers' and Sailors' Civil Relief Act of 1940, as amended, no interest rate shall be more than 6% for the loan of any participant during the period that the participant is serving in the United States military. This limit includes traditional interest and any other service charge or other fee with respect to the loan.

The loans are secured by the balance in the participant's account. Outstanding loans bear interest at 4.25% with maturity dates ranging from 2014 to 2018 as of December 31, 2013.

(f) Vesting

Participants are fully vested in the entire value of their accounts upon contribution, including the Company matching contribution.

(g) Payment of Benefits

Distributions under the Plan are made upon a participant's death, disability, retirement, hardship or termination of employment. Benefit payments are made in the form of a lump sum cash amount or in kind distribution. An in kind distribution is limited to the Participant's interest in the Company's Common Stock and certain securities held in the Self-directed Brokerage funds.

(h) Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA and the IRC.
