PROXY STATEMENT

SOLICITATION OF PROXIES

This Proxy Statement (this Proxy Statement) is provided in connection with the solicitation by the management of Westsphere Asset Corporation, Inc. (the Corporation) of proxies to be used at the Annual Meeting of Shareholders (the Meeting) of the Corporation to be held at the time and place and for the set purposes set forth in the accompanying Notice of Annual Meeting (the Notice of Meeting). Solicitation of proxies will be accomplished primarily by mail. However, officers and employees of the Corporation may also solicit proxies by telephone, facsimile or in person. The cost of solicitation of proxies will be borne by the Corporation. The Corporation will be sending copies of this Proxy Statement and form of Proxy attached hereto to its shareholders of record as of October 1, 2004, approximately on December 22, 2004.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed Form of Proxy are officers and/or directors of the Corporation. A shareholder has the right to appoint as his or her proxy a person who need not be a shareholder other than those whose names are printed on the accompanying Form of Proxy. **A shareholder who wishes to appoint some other person to represent him or her at the Meeting may do so either by striking out the printed names and inserting such other person s name in the blank space provided in the Form of Proxy and signing the Form of Proxy or by completing and signing another proper Form of Proxy and, in either case, depositing the completed Form of Proxy at the Corporation s head office, 2140 Pegasus Way N.E. Calgary, Alberta T2E 8M5 Attention: Sonia Goeseels, no later than the close of business on the last business day immediately preceding the day of the Meeting or any adjournment thereof or by delivering the Form of Proxy to the chairman at the Meeting or any adjournment thereof.** To be valid, a proxy must be executed legally by a registered shareholder, as registered. A proxy executed by a registered shareholder which is a corporation must be properly executed and evidence of authority to sign of the representative of such corporation, satisfactory to the Corporation, may be filed with such proxy or may be requested by the Corporation prior to accepting such proxy for use at the Meeting.

A shareholder may revoke a proxy given pursuant to this solicitation with respect to any matter brought before the Meeting on which a vote has not already been cast, by depositing an instrument in writing executed by him or by his proxy authorized in writing, with the Corporation at its head offices at any time up to and including the last business day immediately preceding the day of the Meeting or any adjournment thereof, or with the chairman at the Meeting or any adjournment thereof. A shareholder may also revoke a proxy in any other manner permitted by law. A

non-registered shareholder (see below under **Non-Registered Holders**) may revoke a voting instruction form or a waiver of the right to receive documents and to vote given to an intermediary at any time by written notice to the Intermediary (as defined below under **Non-Registered Holders**), except that an Intermediary is not required to act on a revocation a voting instruction form or of a waiver or the right to receive documents and to vote that is not received by the Intermediary at least seven days prior to the Meeting.

NON-REGISTERED HOLDERS

Only registered holders of shares of common stock of the Corporation (the **Common Shares**), or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, Common Shares of the Corporation beneficially owned by a holder (a **Non-Registered Holder**) are registered either:

(A)

in the name of an intermediary (an **Intermediary**) that the Non-Registered Holder deals with in respect of the shares, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered registered retirement savings plans, registered retirement income funds and registered educational savings plans and similar plans; or

(B)

in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

The Corporation has distributed copies of the Notice of Meeting, this Proxy Statement and the Form of Proxy (collectively, the Meeting Materials) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

(A)

be given a proxy which has already been signed by the intermediary (typically by facsimile, stamped signature) which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise blank. This form of proxy need not be signed by the Non-Registered Holder. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the Form of Proxy and deposit it with the Corporation at 2140 Pegasus Way N.E, Calgary, Alberta T2E 8M5

(B)

more typically, be given a voting instruction form which must be completed and signed by the Non-Registered Holder in accordance with the directions on the voting instruction form (which may in some cases permit the completion of the voting form by telephone).

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the shares they beneficially own. Should a Non-Registered Holder who receives either a Form of Proxy, a proxy or a voting instruction form wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the proxy and insert the Non-Registered Holder's name (or such other corresponding directions on the form.) **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediaries, including those regarding when and where the proxy or the proxy authorization form is to be delivered, and their service**

companies.

EXERCISE OF DISCRETION BY PROXY

Shares represented by properly executed proxies in favour of the persons designated in the enclosed Form of Proxy will be voted in accordance with the instructions given by the shareholder thereon. In the absence of any direction to the contrary, such shares will be voted in Favour of matters identified in the Notice of Meeting. Instructions with respect to voting will be respected by the persons designated in the enclosed Form of Proxy. With respect to other matters which may properly come before the Meeting, such shares will be voted by the persons so designated in their discretion. As at the date of this Proxy Statement, management or the Corporation knows of no such amendments, variations or other matters.

VOTING SHARES

The Corporation has fixed October 1, 2004 as the record date (the Record Date) for the purpose of determining the shareholders entitled to receive the Notice of Meeting. As of October 1, 2004, there were 34,622,243 Common Shares of the Corporation issued and outstanding each carrying the right to one vote per share. Any common share that is registered at the close of business on the Record Date will entitle its holder or any proxy named by him to receive notice of and to vote at the Meeting and at any adjournment thereof. Shares may be voted for or be withheld from voting with respect to the election of directors and the appointment of auditors and the authorization of directors to fix their remuneration. On all other matters, the shareholders may vote for or against the proposal.

The Corporation has prepared an alphabetical list of shareholders entitled to vote as of the Record Date at the Meeting that shows the number of Common Shares held by each shareholder. The list of shareholders is available for consultation during usual business hours at the office of the Corporation's transfer agent and registrar, Holladay Stock Transfer Inc., located at 2939 North 67th Place, Suite C, Scottsdale, Arizona 85251, and at the Meeting.

Unless otherwise indicated, the matters submitted to a vote at the Meeting must be approved by a majority of the votes cast by the holders of Common Shares attending the meeting in person or by proxy.

The Chairman of the Meeting may conduct the vote on any matter by a show of hands of shareholders and proxy holders present at the Meeting and entitled to vote thereat unless a ballot is demanded by a shareholder present at the Meeting or by a proxy holder entitled to vote at the Meeting or unless the Chairman declares that proxies representing not less than 5% of the shares entitled to be voted at the Meeting would be voted against what would otherwise be the decision of the Meeting on such matter.

PRINCIPAL HOLDERS, EXECUTIVE OFFICERS AND DIRECTORS

The following table sets forth information concerning the beneficial ownership of our outstanding common stock as of October 1, 2004 for: each of our directors and executive officers individually; each person or group that we know owns beneficially more than 5% of our common stock; and all directors and executive officers as a group.

Rule 13d-3 under the Securities Exchange Act defines the term, "beneficial ownership". Under this rule, the term includes shares over which the indicated beneficial owner exercises voting and/or investment power. The rules also deem common stock subject to options currently exercisable or exercisable within 60 days, to be outstanding for purposes of computing the percentage ownership of the person holding the options but do not deem such stock to be outstanding for purposes of computing the percentage ownership of any other person. The applicable percentage of ownership for each shareholder is based on 34,622,243 shares of common stock outstanding plus individual option shares outstanding as of October 1, 2004, together with applicable options for that shareholder. Except as otherwise indicated, we believe the beneficial owners of the common stock listed below, based on information furnished by them, have sole voting and investment power over the number of shares listed opposite their names.

PROPOSAL NUMBER THREE

SPIN-OFF OF VENCASH CAPITAL CORPORATION

The Corporation's Board of Directors believes that it is in the best interests of the shareholders that a portion of the shares of its wholly-owned subsidiary, Vencash Capital Corporation, an Alberta corporation (Vencash) be distributed to the shareholders. The Board proposes that the shareholders authorize the Board, at a later date, to set the actual percentage amount of Vencash that is to be distributed.

Distribution of the shares of Vencash to the shareholders will be done as of a set record date, which the Board shall set in the future and give notice of to the shareholders. All shareholders of the Corporation regardless of class shall participate in the distribution on a pro rata basis

Distribution of the shares of Vencash will be preceded by the filing of a registration statement with the Securities and Exchange Commission, to register the securities to be distributed. Following the effective date of the registration statement, Vencash will be which would result in Vencash becoming subject to the reporting requirements of the SEC. It is the intention of the Corporation and the management of Vencash that Vencash would then find a market maker to submit an application to have the common stock approved for trading on the OTC/Bulletin Board. It is the belief of the management of the Corporation and Vencash that this would result in Vencash being to attract financing to expand its operations and possibly also provide the shareholders liquidity in their investment in Vencash.

The Board of Directors recommend that the above-described spin-off of Vencash be approved by the shareholders and that the shareholders authorize the board to determine the exact percentage of the shares of Vencash that will be distributed in the spin-off and that the spin-off take place after completion of the various filings and compliance with regulations that are required by applicable securities laws.
