Other Events.

As previously disclosed in a Current Report on Form 8-K, filed with the Securities and Exchange Commission on September 22, 2008, NVIDIA Corporation entered into Memoranda of Understanding on September 19, 2008 regarding the settlement of the stockholder derivative lawsuits relating to our historical stock option practices. On November 10, 2008, the definitive settlement agreements were concurrently filed in the Chancery Court of Delaware and the United States District Court Northern District of California and are subject to approval by both such courts. The settlement agreements do not contain any admission of wrongdoing or fault on the part of NVIDIA, our board of directors or executive officers. The terms of the settlement agreements include, among other things, the agreement by the board of directors to continue and to implement certain corporate governance changes; acknowledgement of the prior amendment of certain options through re-pricings and limitations of the relevant exercise periods; an agreement by Jen-Hsun Huang, our president and chief executive officer, to amend certain additional options to increase the aggregate exercise price of such options by \$3.5 million or to cancel options with an intrinsic value of \$3.5 million; an \$8.0 million cash payment by our insurance carrier to NVIDIA; and an agreement to not object to attorneys' fees to be paid by NVIDIA to plaintiffs' counsel of no more than \$7.25 million, if approved by the courts.
