RESOLUTIONS PROPOSED FOR ADOPTION
AT THE EXTRAORDINARY GENERAL MEETING

ITEM 1

RATIFICATION OF APPOINTMENT OF DIRECTORS

The Company's Articles of Association authorize the Board of Directors to appoint directors (other than External Directors). The Articles of Association provide that such appointment of directors by the Board of Directors must be ratified by the shareholders at the first general meeting of the shareholders following the date upon which the directors were appointed by the Board of Directors.

In March 2005, the Board of Directors appointed Messrs. Ishay Davidi and Yarom Oren as directors in connection with the private placement by the Company of 2,400,000 Ordinary Shares, for an aggregate purchase price of \$36 million, to FIMGold Limited Partnership, an entity owned in equal parts by Dan Goldstein, the Company's CEO and Chairman of the Board, and FIMI Opportunity Fund and parties related to it. At this time, the Board of Directors is recommending that the shareholders ratify the appointment of Messrs. Ishay Davidi and Yarom Oren as directors.

It is intended that proxies (other than those directing the proxy holders not to vote for the listed nominees or for certain of them) will be voted for the ratification of the election of the nominees named in the following table, each to hold office until the Annual General Meeting and until his successor shall have duly taken office, unless his office is earlier vacated under any relevant provisions of the Articles of Association of the Company.

The following table sets forth information as to the nominees, as of November 17, 2005:

Name	Principal Occupation or Employment by the Company	Age	Director Since
-------------	--	------------	-----------------------

Ishay Davidi	Independent Director	44	March 2005
Yarom Oren	Independent Director	34	March 2005

Ishay Davidi joined the Board of Directors of the Company in March 2005. Mr. Davidi is the Chief Executive Officer and a senior partner at First Israel Mezzanine Investors Ltd. and FIMI 2001 Ltd. Mr. Davidi also serves as chairman of Tadir-Gan (Precision Products) 1993 Ltd., and as a director of Lipman Electronic Engineering Ltd., Caesarea Creation Industries Ltd., Medtechnica Ltd., Tedea Development & Automation Ltd. and TAT Technologies Ltd. From 1993 until 1996, Mr. Davidi served as the chief executive officer of the Tikvah VC Fund. Mr. Davidi holds a B.Sc. degree in industrial and management engineering from Tel-Aviv University and an MBA degree from Bar-Ilan University. Mr. Davidi qualifies as an independent director as defined in the NASDAQ Stock Market rules.

Yarom Oren joined the Board of Directors of the Company in March 2005. Mr. Oren is senior partner at First Israel Mezzanine Investors Ltd. and FIMI 2001 Ltd. Mr. Oren also serves as a director of Caesarea Creation Industries Ltd., Tefron Ltd., Ginegar Plastic Products Ltd. and Mez Op Holdings Ltd., a holding company controlled by FIMI. Mr. Oren holds a B.Sc. degree in industrial and management engineering from Tel-Aviv University and an MBA degree from WBS England. Mr. Oren qualifies as an independent director as defined in the NASDAQ Stock Market rules.

Proposed Resolutions

The Board of Directors will present the following resolutions at the General Meeting:

(A)

"**RESOLVED**, that the appointment of Mr. Ishay Davidi as a director of the Company be ratified; and

(B)

RESOLVED, that the appointment of Mr. Yarom Oren as a director of the Company be ratified."

Required Vote

Under the Companies Law, the foregoing resolutions shall be deemed adopted if approved by the holders of a majority of the voting power represented at the General Meeting in person or by proxy and voting thereon.

The Board of Directors recommends a vote FOR the two nominees to the Board of Directors.

ITEM 2

AMENDMENT OF THE COMPANY'S ARTICLES OF ASSOCIATION

In March 2005, several sections of the Companies Law were amended. Some of these amendments relate to issues contained in the Company's articles of association that govern the indemnification of directors and officers. The Board of Directors therefore proposes to amend the Company's articles of association accordingly.

The March 2005 amendment adds an additional category of indemnifiable expenses: reasonable litigation expenses, including attorney's fees, expended by the officer or director as a result of an investigation or proceeding instituted against him by a competent authority, provided that such investigation or proceeding concluded without the filing of an indictment against him and either (A) concluded without the imposition of any financial liability in lieu of criminal proceedings or (B) concluded with the imposition of a financial liability in lieu of criminal proceedings but relates to a criminal offense that does not require proof of criminal intent.

A company may indemnify an officer or director after the fact, to the extent it is approved by the audit committee, board of directors and shareholders. With respect to undertakings to indemnify in the future, the Companies Law prior to the March 2005 amendment required that the undertaking be limited to types of occurrences which, in the opinion of the company's board of directors, can be foreseen and to an amount the board of directors has determined is reasonable under the circumstances. The March 2005 amendment modifies this condition. It limits indemnification to

occurrences deemed foreseeable by the board of directors in light of the actual activities of the company at the time the undertaking to indemnify is entered into. In addition, in lieu of limiting the indemnification to a maximum amount, the limit can be based on specified criteria. Finally, the undertaking must set forth the events deemed foreseeable by the board of directors and the maximum amount or criteria that the board of directors has determined to be reasonable under the circumstances. The March 2005 amendment applies these conditions only to financial obligations imposed by a court judgment, settlement or court-approved arbitration award but not to expenses incurred.

At the Meeting, it will also be proposed that, although the Companies Law permits a company to exempt its officers and directors in advance from liability for breaches of their duty of care, such exemption shall be deleted from the Company's Articles of Association.

Proposed Resolution

It is proposed that at the Meeting the following resolution be adopted:

RESOLVED, that the Company's Articles of Association be amended as set forth below. Words proposed to be added are shown in boldface and underlined, and words proposed to be deleted are shown in strikethrough format.

-

that Article 63(b) be deleted in its entirety as follows.

"(b)

~~Exemption from Duty of Care~~

~~Subject to the provisions of the Companies Law, the Company may resolve to exempt in advance an Office Holder from all or some of the Office Holder's responsibility for damage resulting from the Office Holder's breach of the Office Holder's duty of care towards the Company."~~

-
that Article 63(c) be amended as follows:

"(c)

Subject to the provisions of the Companies Law, the Company may indemnify an Office Holder in respect of an obligation or expense specified below imposed on **or expended by** the Office Holder in respect of an act performed in his capacity as an Office Holder, as follows:

(i)

a financial obligation imposed on him in favor of another person by a court judgment, including a compromise judgment or an arbitrator's award approved by court;

(ii)

reasonable litigation expenses, including attorney s fees, expended by the Office Holder as a result of an investigation or proceeding instituted against him by a competent authority, provided that such investigation or proceeding concluded without the filing of an indictment against him and either (A) concluded without the imposition of any financial liability in lieu of criminal proceedings or (B) concluded with the imposition of a financial liability in lieu of criminal proceedings but relates to a criminal offense that does not require proof of criminal intent; and

(iii)

reasonable litigation expenses, including attorneys' fees, expended by an Office Holder or charged to the Office Holder by a court, in a proceeding instituted against the Office Holder by another person, or in a criminal charge from which the Office Holder was acquitted.

The Company may undertake to indemnify an Office Holder as aforesaid, (1) as a commitment in advance to indemnify an Office Holder, provided that, **in respect of Article 63(c)(i)**, such commitment shall be limited to events which, in the opinion of the Board of Directors, ~~can be foreseen~~ **are foreseeable in light of the Company s actual operations** at the time the undertaking to indemnify is provided, and to the amounts **or criteria** that the Board of Directors deems reasonable under the circumstances, **and further provided that such events and amount or**

criteria are set forth in the undertaking to indemnify, but in no event more than 25% of the Company's shareholders equity **according to its most recent financial statements as of the date of the actual payment of indemnification**; and (2) post factum."

Required Vote

The affirmative vote of the holders of a majority of the Ordinary Shares present, in person or by proxy, and voting on the matter is required for the approval thereof. In addition, since the Company's CEO and a number of its directors are deemed to be controlling persons under the Companies Law, for this proposal to be approved, either (i) the Ordinary Shares voting in favor of the matter must include at least one-third of the shares voted by shareholders who do not have a personal interest in the matter or (ii) the total number of Ordinary Shares voted against the matter must not exceed 1% of the outstanding Ordinary Shares.

All shareholders are asked to indicate on the enclosed proxy card whether or not they have a personal interest in the proposed transaction. Under the Companies Law, a personal interest of a shareholder (i) includes a personal interest of any member of the shareholder's immediate family (or spouses thereof) or a personal interest of a company with respect to which the shareholder (or such a family member thereof) serves as a director or the chief executive officer, owns at least 5% of the shares or has the right to appoint a director or the chief executive officer and (ii) excludes an interest arising solely from the ownership of Ordinary Shares.

The Board of Directors recommends a vote FOR approval of the proposed amendments of Articles of Association of the Company.

ITEM 3

D&O INSURANCE

At the Meeting, the Board of Directors will propose that the Company be authorized to insure the directors and officers of the Company and its affiliates by purchasing liability insurance.

Under the Companies Law, the procurement of insurance coverage for a company's directors must be approved by the Company's Audit Committee, Board of Directors and shareholders. The Company's Audit Committee and Board of Directors have approved and ratified the obtaining of D&O insurance. At the Meeting, the shareholders of the Company will be asked to approve and ratify the obtaining of D&O insurance as described below.

The Company's D&O insurance policy covers liabilities of the Company and its affiliates, and their respective officers and directors up to a maximum of \$15,000,000 per claim and in aggregate; the total annual premium amount paid by the Company and its affiliates is approximately \$320,000; the D&O insurance policy is for a period ending on December 15, 2005 (the "**Current Policy**").

The Audit Committee and Board of Directors also approved any renewal and/or extension of Current Policy, and the purchase of any other D&O insurance policy upon the expiration of the Current Policy for a period of up to 5 years; *provided* that such renewal, extension or substitution is for the benefit of the Company and its affiliates' officers and directors and on terms substantially similar to or better than those of the then effective insurance policy; that the coverage will not exceed \$20,000,000 per claim and in aggregate; and that the annual premium to be paid by the Company and its affiliates will not exceed an amount representing an increase of 20% or more in any year, as compared to the previous year, and in any event no more than \$500,000. The approval of the shareholders of this proposed resolution at the Meeting will extend to any renewal or substitution of the Current Policy, from time to time, within the foregoing limitations.

At the Meeting, the Board of Directors will also propose that the abovementioned D&O insurance policies shall apply to current directors and officers, and any future directors and officers, of the Company, who is or may be considered a "controlling person" under the Companies Law⁵.

Proposed Resolutions

It is proposed that at the Meeting the following resolutions be adopted:

A)

"RESOLVED, that the Company be authorized to insure the directors and officers of the Company and its affiliates against liabilities of a total of maximum \$15,000,000 per claim and in aggregate, for a total annual premium amount paid by the Company and its affiliates is approximately \$320,000, for a period ending on December 15, 2005 (the "**Current Policy**"), and same is hereby approved and ratified;

B)

RESOLVED that the Company be authorized to renew, extend and/or replace the Current Policy for a period of up to 5 years, *provided* that the coverage will not exceed \$20,000,000 per claim and in aggregate; that the total annual premium amount to be paid by the Company and its affiliates shall not exceed an amount representing an increase of 20% or more in any year, as compared to the previous year, and in any event no more than \$500,000; and further provided that any renewal, extension and/or replacement thereof or other similar arrangement is for the benefit of the directors and officers of the Company and its affiliates and on terms substantially similar to or better than those of the then effective insurance;

C)

RESOLVED, to approve and ratify that the Current Policy shall also be for the benefit of Dan Goldstein, Gad Goldstein, Ishay Davidi and Yarom Oren, and any future director or officer of the Company who at the relevant time is, or may be considered, a "controlling person" of the Company as defined under the Companies Law; and

⁵ For description of the current beneficial ownership and control of the Company, please refer to Footnote (4) under section "Beneficial Ownership of Securities by Certain Beneficial Owners and Management" above.

D)

RESOLVED, to approve that any renewals, extensions and/or replacements of the currently effective D&O insurance policy as described in Resolution (B) above shall also be for the benefit of Dan Goldstein, Gad Goldstein, Ishay Davidi and Yarom Oren, and any future director or officer of the Company who at the relevant time is or may be considered a "controlling person" of the Company as defined under the Companies Law.

For the avoidance of doubt, it is hereby clarified that, subject to applicable law, no further approval of the shareholders of the Company will be required in connection with any renewal and/or extension and/or substitution of the Current Policy.

Required Vote

The affirmative vote of the holders of a majority of the Ordinary Shares present, in person or by proxy, and voting on the matter is required for the approval thereof for these resolutions. In addition, since a number of the Company's directors are deemed to be controlling persons of the Company under the Companies Law, for Resolutions (C) and (D) to be approved, either (i) the Ordinary Shares voting in favor of the matter must include at least one-third of the shares voted by shareholders who do not have a personal interest in the matter; or (ii) the total number of Ordinary Shares voted against the matter must not exceed 1% of the outstanding Ordinary Shares.

All shareholders are asked to indicate on the enclosed proxy card whether or not they have a personal interest in Resolutions (C) and (D). Under the Companies Law, a personal interest of a shareholder (i) includes a personal interest of any member of the shareholder's immediate family (or spouses thereof) or a personal interest of a company with respect to which the shareholder (or such a family member thereof) serves as a director or the chief executive officer, owns at least 5% of the shares or has the right to appoint a director or the chief executive officer and (ii) excludes an interest arising solely from the ownership of Ordinary Shares.

The Board of Directors recommends a vote FOR the approval of these resolutions.

ITEM 4

INDEMNIFICATION OF DIRECTORS AND OFFICERS

In February 2002, the Company granted indemnification letters to its officers and directors. These letters were approved by the Company's Audit Committee, Board of Directors and shareholders. In light of the March 2005 amendments to the Companies Law described in Item 2 above, the Audit Committee and Board of Directors have approved the grant of new indemnification letters to conform to the amendments. The indemnification letter conforms to the amendment of the Company's Articles of Association set forth in Item 2 above, and will not be brought before the shareholders for approval if Item 2 herein is not approved. The Audit Committee and Board of Directors have approved and recommend that the shareholders authorize the Company to grant an indemnification letter to each of its directors and officers, including current directors and/or officers, and any future directors and/or officer of the Company, who are, or may be considered, "controlling persons" under the Companies Law, in the form attached hereto as **Exhibit A** (the **Indemnification Letter**⁶.)

The Indemnification Letters provide, among other things, that the Company will indemnify each of the directors and officers to the maximum extent permitted by the Company's Articles of Association as detailed in Item 2 above. Advance payments for coverage of legal expenses in criminal proceedings will be required to be repaid by the directors or officers to the Company if such director or officer is found guilty of a crime which requires proof of criminal intent, or if it is determined that the director or officer is not lawfully entitled to such indemnification.

All of the Indemnification Letters granted to directors and officers of the Company will be identical, including directors and officers who are or may be considered "controlling persons" under the Companies Law.

⁶ For description of the current beneficial ownership and control of the Company, please refer to Footnote (4) under section "Beneficial Ownership of Securities by Certain Beneficial Owners and Management" above.

The indemnification will be limited to the expenses and matters detailed in the Indemnification Letters insofar as they result from the directors' or officers' actions which includes, among other, the following matters: the offering of securities by the Company to the public and/or to private investors or the offer of the Company to purchase securities from the public and/or from private investors or other holders, pursuant to a prospectus, agreements, tenders or other proceedings; occurrences resulting from the Company's status as a public company, and/or from the fact that the Company's securities were offered to the public and traded on the NASDAQ Stock Market and on the Tel Aviv Stock Exchange; and occurrences in connection with investments the Company or its affiliates make in other corporations.

The Company's indemnification of all its officers and directors for the matters and in the circumstances described in the Indemnification Letter may not exceed 25% of the Company's shareholders equity according to its most recent financial statements as of the date of the actual payment of indemnification.

Indemnification will be subject to prompt notice by the director or officer of any legal proceedings initiated against him/her, and to the Company's right to conduct the defense in respect of such legal proceedings, and to conclude such proceedings as the Company sees fit, with the cooperation of the director or officer the Company.

Proposed Resolutions

It is proposed that at the Meeting the following resolutions be adopted:

(A)

"RESOLVED, that the Company be authorized to grant indemnification letters in the form attached as **Exhibit A** to its directors and officers who may serve from time to time; and

(B)

RESOLVED, that the Company be authorized to grant indemnification letters in the form attached as **Exhibit A** to Dan Goldstein, Gad Goldstein, Ishay Davidi and Yarom Oren, and any future director or officer of the Company who at the relevant time is or may be considered a "controlling person" of the Company as defined under the Companies Law."

Required Vote

The affirmative vote of the holders of a majority of the Ordinary Shares present, in person or by proxy, and voting on the matter is required for the approval thereof for these resolutions. In addition, since a number of its directors are deemed to be controlling persons under the Companies Law, for Resolution (B) to be approved, either (i) the Ordinary Shares voting in favor of the matter must include at least one-third of the shares voted by shareholders who do not have a personal interest in the matter; or (ii) the total number of Ordinary Shares voted against the matter must not exceed 1% of the outstanding Ordinary Shares.

All shareholders are asked to indicate on the enclosed proxy card whether or not they have a personal interest in Resolutions (B). Under the Companies Law, a personal interest of a shareholder (i) includes a personal interest of any member of the shareholder's immediate family (or spouses thereof) or a personal interest of a company with respect to which the shareholder (or such a family member thereof) serves as a director or the chief executive officer, owns at least 5% of the shares or has the right to appoint a director or the chief executive officer and (ii) excludes an interest arising solely from the ownership of Ordinary Shares.

The Board of Directors recommends a vote FOR the approval of these resolutions.

ITEM 5

AMENDMENT OF DEBENTURE OF FORMULA VISION

Terms of the Debenture

The Company holds a debenture of Formula Vision Technologies (F.V.T.) Ltd. (**Formula Vision**), a subsidiary of the Company listed on the Tel Aviv Stock Exchange, in the principal amount of \$43 million (the **Debenture**). Formula Vision issued the Debenture to the Company in December 2001 and March 2002, in the aggregate principal amount of \$79 million, in consideration for the Company's interests in several private companies that develop products and services aimed primarily for sale in international markets. The Debenture bears interest at the rate of 5% per year paid quarterly, linked to the Israeli consumer price index, and requires annual repayments based on the levels of Formula Vision's certain proceeds and net income. It matures on December 31, 2006 (the "**Maturity Date**"). For more details regarding the Debenture, please see Item 4.A of the Company's Annual Report on Form 20-F for the year ended December 31, 2004, which was filed with the Securities and Exchange Commission on June 30, 2005.

Proposed Amendment

Since Formula Vision anticipates that it may not have sufficient liquid cash assets to satisfy the repayment terms of the Debenture, the Company and Formula Vision have agreed, subject to the requisite corporate approvals of each party, to amend the Debenture with respect to repayments due in 2005 and 2006. Pursuant to the proposed amendment, Formula Vision will have the right to repay all or a portion of its obligations under the Debenture, as they come due from time to time, in the form of securities that are listed or quoted or admitted for trading, as the case may be, on the NASDAQ National Market, the Tel Aviv Stock Exchange, the London Stock Exchange or the AIM market thereof (**Listed Securities**). However, Formula Vision will not be entitled to repay in the form of

Listed Securities to the extent that the amount of cash and cash equivalents that it holds exceeds the amount of its bank loans (including the amount of guarantees made by Formula Vision to banks in relation to loans granted to its subsidiaries) (the "**Liquidity Condition**"). In 2005, such loans exceeded the amount of cash and cash equivalents of Formula Vision. For the purpose of any repayment in the form of Listed Securities, the value of the Listed Securities transferred to the Company will be deemed to equal the product of (i) the number of the transferred Listed Securities *multiplied by* (ii) the average closing price per share of the class of such Listed Securities on the applicable stock market over the 30 trading days immediately preceding the date of repayment. Such Listed Securities must be free of any liens, but they may be subject to contractual transfer restrictions (the "**First Alternative**").

Alternatively, and to the extent that the First Alternative is not approved by our shareholders at the Meeting, the shareholders will be requested to approve an alternate amendment to the Debenture, according to which, all repayments under the Debenture due as stated above would be deferred to the Maturity Date, subject to the occurrence of the Liquidity Condition (that is that the amount of cash and cash equivalents that Formula Vision holds does not exceed the amount of its bank loans) (the "**Second Alternative**").

Reasons for the Amendment

Formula Vision anticipates that it may not have sufficient liquid cash assets to pay the repayments under the Debenture in cash without risking harm to its operations. Accordingly, if Formula Vision would be required to pay the repayments under the Debenture in cash, it would be forced to sell off assets, such as securities in one or more of its portfolio companies, in order to raise cash proceeds. Selling assets under that kind of pressure would likely result in lower proceeds for such assets than otherwise could be obtained if the sale were done at a strategic time in terms of such asset and the applicable market.

Since the Company is the holder of approximately 56% of the outstanding share capital of Formula Vision, the Board of Directors of the Company believes that it is in the Company's best interests to help enable Formula Vision to maximize the value of its assets and thus its own overall value. Since the Company's liquidity is sufficient for the Company's purposes for the foreseeable future, the Company has the ability to hold securities that Formula Vision may transfer to it until an appropriate selling opportunity arises.

In addition, the Company has a strategic interest in remaining, indirectly through Formula Vision, a major shareholder in certain of the portfolio companies of Formula Vision. Therefore, if Formula Vision would be forced to sell off all or a portion of such companies in order to repay the Debenture to the Company, the Company's strategic interests would be harmed. At the same time, the Company does not propose to forgive the obligations of Formula Vision under the Debenture; it is merely proposing to allow Formula Vision to pay the repayments under the Debenture in the form of Listed Securities, as described above, to overcome artificial liquidation constraints in the Formula group. For all these reasons, the Company's Audit Committee and Board of Directors have approved the proposed amendment to the Debenture.

The essence of the forgoing reasons for amendment of the Debenture pursuant to the First Alternative also apply to the Second Alternative.

Formula Vision's Portfolio Companies

Formula Vision is a managing and holding company, guiding a group of privately held IT companies with innovative, proprietary technologies and solutions targeting international markets. Formula Vision holds a controlling interest in some of these privately held companies and a minority interest in the other members of the group. For a brief description of Formula Vision's principal affiliated companies, please see Item 4.B of the Company's Annual Report on Form 20-F for the year ended December 31, 2004. Of such companies, the shares of F.T.S. Formula Telecom Solutions Ltd. (**FTS**) qualify as Listed Securities since they are admitted for trading on the AIM market of the London Stock Exchange. Formula Vision is the holder of approximately 44% of the outstanding share capital of FTS.

FTS is a global provider of converged end-to-end CRM and billing solutions for telecom operators and service providers. For the year ended December 31, 2004, FTS generated revenues and net income in the amount of \$22.7 million and \$5.0 million, respectively. For the six months ended June 30, 2005, FTS generated revenues and net income in the amount of \$14.6 million and \$2.1 million, respectively. The IPO prospectus of FTS, which contains the financial statements of FTS as of and for the period ended December 31, 2004, may be viewed at the website of Seymour Pierce, the U.K. nominated adviser of FTS, at http://www.seymourpierce.com/client_list.asp. Proposed Resolution

It is proposed that at the Meeting the following resolutions be adopted:

(A)

"**RESOLVED**, that the amendment to the debentures of Formula Vision Technologies (F.V.T.) Ltd., in accordance with the First Alternative as described in the Company's Proxy Statement relating to the Meeting, be, and it hereby is, approved in all respects."

(B)

"**RESOLVED**, that, the amendment to the debentures of Formula Vision Technologies (F.V.T.) Ltd., in accordance with the Second Alternative as described in the Company's Proxy Statement relating to the Meeting, be, and it hereby is, approved in all respects."

It is hereby clarified that a shareholder vote is requested for both resolutions; to the extent that Resolution (A) is approved Resolution (B) will not be brought for voting. In the event that Resolution (A) is not approved, Resolution (B) shall be brought for voting and will be adopted, provided it obtained the required vote.

Required Vote

The affirmative vote of the holders of a majority of the Ordinary Shares present, in person or by proxy, and voting on this matter is required for the approval thereof. In addition, for this proposal to be approved, either (i) the Ordinary Shares voting in favor of the matter must include at least one-third of the shares voted by shareholders who do not have a personal interest in the matter or (ii) the total number of Ordinary Shares voted against the matter must not exceed 1% of the outstanding Ordinary Shares. This is because FimGold Limited Partnership, the Company's controlling shareholder, has a personal interest in the proposed transaction by virtue of owning approximately 24.2% of the outstanding share capital of Formula Vision. Additionally, three directors of the Company are also directors of Formula Vision.

All shareholders are asked to indicate on the enclosed proxy card whether or not they have a personal interest in the proposed transaction. Under the Companies Law, a personal interest of a shareholder (i) includes a personal interest

of any member of the shareholder's immediate family (or spouses thereof) or a personal interest of a company with respect to which the shareholder (or such a family member thereof) serves as a director or the chief executive officer, owns at least 5% of the shares or has the right to appoint a director or the chief executive officer and (ii) excludes an interest arising solely from the ownership of Ordinary Shares.

The Board of Directors recommends a vote FOR the approval of the amendment to the Debenture.

By Order of the Board of Directors,

Dan Goldstein

Chairman of the Board
