## INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

### What is the purpose of the Annual Meeting?

At the Annual Meeting, shareholders will consider and vote on the following matters:

1. Election of Directors. To elect six directors, to hold office until the 2005 Annual Meeting of Shareholders or until their successors are elected and qualified (Proposal No. 1);
2. Ratification of Appointment of Independent Auditors. To ratify the appointment of KPMG LLP as the Company's independent auditors for the year ending December 31, 2004 (Proposal No. 2);
3. Ratification of Amendment to Advanced Power Technology, Inc. Stock Option Plan. To ratify an amendment to the 1995 Stock Option Plan to increase the share reserve from 2,250,000 to 2,400,000.
4. Other Business. To transact such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

### Who can vote?

The close of business on March 25, 2004 has been fixed as the record date (Record Date) for determining the holders of shares of the Company's Common Stock entitled to notice of and to vote at the Annual Meeting. As of the close of business on the Record Date, there were 10,520,056 shares of Common Stock outstanding and entitled to vote at the Annual Meeting.

### How many votes do I have?

Each share of our Common Stock that you owned on the Record Date entitles you to one vote on each matter that is voted on.

3

---

### Is my vote important?

Your vote is important regardless of how many shares you own. Please take the time to vote. Take a moment to read the instructions below. Choose the method of voting that is easiest and most convenient for you and cast your vote as soon as possible.

### How can I vote?

You can vote in one of four ways. You can vote by mail, you can authorize the voting of your shares over the Internet, you can authorize the voting of your shares by telephone or you can vote in person at the meeting.

*You may vote by mail.* You may vote by mail by completing and signing the proxy card that accompanies this Proxy Statement and promptly mailing it in the enclosed postage-prepaid envelope. You do not need to put a stamp on the enclosed envelope if you mail it in the United States of America. The shares you own will be voted according to the instructions on the proxy card you mail. If you return the proxy card, but do not give any instructions on a particular matter described in this Proxy Statement, the shares you own will be voted in accordance with the recommendations of the Board of Directors. The Board of Directors recommends that you vote FOR Proposal 1, FOR Proposal 2, and FOR Proposal 3.

## Edgar Filing: ADVANCED POWER TECHNOLOGY INC - Form DEF 14A

*You may vote over the Internet.* If you have Internet access, you may authorize the voting of your shares from any location in the world by following the "Vote-by-Internet" instructions set forth on the enclosed proxy card.

*You may vote by telephone.* You may authorize the voting of your shares by following the "Vote-by-Telephone" instructions set forth on the enclosed proxy card.

*You may vote in person.* If you attend the meeting, you may vote by delivering your completed proxy card in person or you may vote by completing a ballot. Ballots will be available at the meeting.

### **Can I change my vote after I have mailed my proxy card or after I have authorized the voting of my shares over the Internet or by telephone?**

You may revoke your proxy and change your vote at any time before the polls close at the Annual Meeting by doing any one of the following things:

delivering to the Company (to the attention of Greg M. Haugen, the Company's Secretary) a written notice of revocation or a duly executed proxy bearing a later date, or

attending the Annual Meeting and voting in person.

Your attendance at the meeting alone will not revoke your proxy.

### **Can I vote if my shares are held in "street name"?**

If the shares you own are held in "street name" by a bank or brokerage firm, your bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your bank or brokerage firm provides you. Many banks and brokerage firms also offer the option of voting over the Internet or by telephone, instructions for which would be provided by your bank or brokerage firm on your vote instruction form. Under the rules of the NASDAQ, if you do not give instructions to your bank or brokerage firm, it will still be able to vote your shares with respect to certain "discretionary" items, but will not be allowed to vote your shares with respect to certain "non-discretionary" items. In the case of non-discretionary items, the shares will be treated as "broker non-votes."

4

---

Proposal 1, Election of Directors, and Proposal 2, Ratification of Appointment of Independent Auditors, are discretionary items. Proposal 3, Ratification of Amendment to Advanced Power Technology, Inc. Stock Option Plan, is a non-discretionary item.

### **What constitutes a quorum?**

In order for business to be conducted at the meeting, a quorum must be present. A quorum consists of the holders of a majority of the shares of Common Stock issued, outstanding and entitled to vote at the meeting. Based on the Record Date for the 2004 Annual Meeting at least 5,260,029 shares must be represented. If a quorum is not present, the meeting will be adjourned until a quorum is obtained.

Shares of Common Stock represented in person or by proxy (including "broker non-votes" and shares that abstain or do not vote with respect to one or more of the matters to be voted upon) will be counted for the purpose of determining whether a quorum exists. "Broker non-votes" are shares that are held in "street name" by a bank or brokerage firm that indicates on its proxy that it does not have discretionary authority to vote on a particular matter.

### **What vote is required for each item?**

*Election of directors.* Directors are elected by a plurality of the votes cast. That is, the six directors receiving the highest number of votes are elected, regardless of whether that number represents a majority of the votes cast.

## Edgar Filing: ADVANCED POWER TECHNOLOGY INC - Form DEF 14A

*Ratification of Appointment of Independent Auditors.*  The ratification of the appointment of the independent auditors will require the affirmative vote of a majority of the shares of Common Stock present or represented and entitled to vote at the Annual Meeting.

*Ratification of Amendment to Advanced Power Technology, Inc. Stock Option Plan.*  The ratification of the amendment to the 1995 Stock Option Plan will require the affirmative vote of a majority of the total number of votes cast at the meeting.

*Other matters.*  The affirmative vote of a majority of the total number of votes cast at the meeting is needed to approve other matters to be voted on at the meeting.

### **How will votes be counted?**

Each share of Common Stock will be counted as one vote according to the instructions contained on a proper proxy card, whether executed by you directly or through Internet or telephonic authorization, or on a ballot voted in person at the meeting. Shares will not be voted in favor of a matter, and will not be counted as voting on a matter, if they either (1) abstain from voting on a particular matter, or (2) are broker non-votes. Accordingly, abstentions and broker non-votes will have no effect on the voting on a matter that requires the affirmative vote of a certain percentage of the votes cast or shares voting on a matter. However, because shares that abstain and shares represented by broker non-votes are nonetheless considered outstanding shares, abstentions and broker non-votes will have the same effect as a vote against a proposal which requires the affirmative vote of a majority of the shares of Common Stock outstanding.

### **Who will count the votes?**

The votes will be counted, tabulated and certified by our transfer agent and registrar, Computershare Investor Services. A representative of Computershare Investor Services will serve as the inspector of elections at the meeting.

5

---

### **Will my vote be kept confidential?**

Yes, your vote will be kept confidential and we will not disclose your vote, unless (1) we are required to do so by law (including in connection with the pursuit or defense of a legal or administrative action or proceeding), or (2) there is a contested election for the Board of Directors. The inspector of elections will forward any written comments that you make on the proxy card to management without providing your name, unless you expressly request disclosure on your proxy card.

### **How does the Board of Directors recommend that I vote on the proposals?**

The Board of Directors recommends that you vote:

FOR Proposal 1. To elect six directors, to hold office until the 2005 Annual Meeting of Shareholders or until their successors are elected and qualified.

FOR Proposal 2. To ratify the appointment of KPMG LLP as the Company's independent auditor for the year ending December 31, 2004.

FOR Proposal 3. To ratify an amendment to the Advanced Power Technology, Inc. Stock Option Plan to increase the share reserve from 2,250,000 to 2,400,000.

### **Will any other business be conducted at the meeting or will other matters be voted on?**

The Board of Directors does not know of any other matters that may come before the meeting. If any matter properly comes before the meeting, the persons named in the proxy card that accompanies this Proxy Statement, whether executed by you directly or through Internet or telephonic authorization, will exercise their judgment in deciding how to vote, or otherwise act, at the meeting with respect to that matter or proposal.

### **Where can I find the voting results?**

## Edgar Filing: ADVANCED POWER TECHNOLOGY INC - Form DEF 14A

We will report the voting results in our quarterly report on Form 10-Q for the second quarter of fiscal 2004, which we expect to file with the Securities and Exchange Commission in July 2004.

### **How and when may I submit a shareholder proposal for the 2005 Annual Meeting?**

If you are interested in submitting a proposal for inclusion in the Proxy Statement for the 2005 Annual Meeting, you need to follow the procedures outlined in Rule 14a-8 of the Securities Exchange Act of 1934. To be eligible for inclusion, we must receive your shareholder proposal intended for inclusion in the Proxy Statement for the 2005 Annual Meeting of shareholders at our principal corporate offices in Bend, Oregon as set forth below before the final applicable deadline of January 1, 2005.

Any proposals or notices should be sent to:

Advanced Power Technology, Inc.  
Attention: Corporate Secretary  
405 SW Columbia Street  
Bend, Oregon 97702

### **What are the costs of soliciting these proxies?**

This solicitation of proxies is being made by and paid for by the Company. Besides this solicitation by mail, our directors, officers and other employees may solicit proxies. Such persons will not receive any additional compensation for assisting in the solicitation. We will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners. We will

6

---

reimburse such persons and our transfer agent for their reasonable out-of-pocket expenses in forwarding such material.

### **How can I obtain an Annual Report on Form 10-K?**

Our Form 10-K is available on our website at [www.advancedpower.com](http://www.advancedpower.com). A copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2003, as filed with the Securities and Exchange Commission, except for exhibits, will be furnished without charge to any shareholder upon written or oral request to Advanced Power Technology, Inc., Attention of Investor Relations, 405 S.W. Columbia Street, Bend, Oregon, 97702; telephone: 541-382-8028.

### **Whom should I contact if I have any questions?**

If you have any questions about the Annual Meeting or your ownership of our Common Stock, please contact Greg Haugen, Vice President of Finance and Administration, CFO, Secretary, at the address and telephone number listed above.

### **Householding of Annual Meeting Materials**

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" Proxy Statements and annual reports. This means that only one copy of our Proxy Statement and annual report to shareholders may have been sent to multiple shareholders in your household. We will promptly deliver a separate copy of either document to you if you contact us at the address and telephone number listed above. If you want to receive separate copies of the Proxy Statement or annual report to shareholders in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker, or other nominee record holder.

### **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934, as amended (Exchange Act) requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities (Reporting Persons), to file initial reports of ownership and changes in beneficial ownership of Common Stock and other equity securities of the Company with the Securities and Exchange Commission and the NASDAQ Stock Market, Inc. Copies of these reports are also required to be delivered to the Company.

## Edgar Filing: ADVANCED POWER TECHNOLOGY INC - Form DEF 14A

To our knowledge, based solely on review of the copies of such reports furnished to the Company and written representations from certain Reporting Persons, during the year ended December 31, 2003, all of the Reporting Persons complied with applicable Exchange Act filing requirements.

As such, beneficial shares in the table above include those shares covered by stock options that may be exercised within 60 days of March 1, 2004. - (4) The percent ownership for each shareholder on March 1, 2004 is calculated by dividing (1) the total number of shares beneficially owned by the shareholder plus any shares acquirable within 60 days after March 1, 2004 by (2) 10,509,632 shares, the number of shares of our Common Stock outstanding on March 1, 2004.

- (7) The information as to beneficial ownership is based on a Schedule 13G filed with the Securities and Exchange Commission by Third Avenue Management LLC on January 9, 2004, reflecting its beneficial ownership of Common Stock as of December 31, 2003. The Schedule 13G states Third Avenue Management LLC has sole voting power with respect to 821,600 shares of Common Stock and sole dispositive power with respect to 1,099,400 shares of Common Stock.
- (8) The information as to beneficial ownership is based on a Schedule 13G filed with the Securities and Exchange Commission by T. Rowe Price Associates Inc. (Price Associates) on February 13, 2004. securities. For purposes of the reporting requirements of the Securities Exchange Act of 1934, Price Associates is deemed to be a beneficial owner of such securities; however, Price Associates expressly disclaims that it is, in fact, the beneficial owner of such securities. T. Rowe Price Small-Cap Fund, Inc. reports sole voting power with respect to 850,000 shares of Common Stock and sole dispositive power with respect to 850,000 shares of Common Stock.

- (9) The information as to beneficial ownership is based on a Schedule 13G filed with the Securities and Exchange Commission by Dimensional Fund Advisors, Inc. on February 6, 2004, reflecting its beneficial ownership of Common Stock as of December 31, 2003. Management proposes, subject to shareholder approval, an increase in the share reserve under the 1995 Stock Option Plan by 150,000 shares to a total of 2,400,000 shares in contemplation of using these shares to grant options over the next year. The 1995 Stock Option Plan is due to expire in 2005. We expect that this increase will be adequate to meet the requirements until a new plan is implemented in 2005.

The required Registration Statement on Form S-8 will be filed to register the 150,000 shares under the Securities Act of 1933.

**The Board of Directors Recommends a vote FOR the Ratification of the Amendment.**

### **Report of the Audit Committee of the Board of Directors**

The Audit Committee of the Board of Directors is responsible for providing independent, objective oversight of Advanced Power Technology, Inc's accounting functions and internal controls. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. The Audit Committee oversees the financial reporting process on behalf of the Board of Directors, reviews the financial disclosures, and meets privately, outside the presence of management, with the independent auditors to discuss financial reporting and internal accounting control policies and procedures. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures made. The Audit Committee reports on these meetings to the Board of Directors. The Audit Committee also selects and appoints the independent auditors, reviews the performance of the independent auditors in the annual audit and in any other assignments, and reviews the independent auditors' fees. The Audit Committee operates under a written charter adopted by the Board of Directors that is attached as Appendix A to this Proxy Statement.

During 2003, the Audit Committee of the Board of Directors consisted of James E. Petersen, Robert C. Pearson and Alfred J. Stein. The Audit Committee reviewed and discussed the Company's audited financial statements for the fiscal year ended December 31, 2003 with the Company's management and with the independent auditors, KPMG LLP. In addition, the Audit Committee discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit. The Audit Committee also discussed with KPMG LLP the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and considered the compatibility of the non-audit services provided by the auditors

14

---

(which are described below) with the auditors' independence. The Audit Committee will consider at least annually whether the provision of non-audit services by KPMG LLP is compatible with maintaining auditor independence.

Based on its review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2003 for filing with the Securities and Exchange Commission. The Audit Committee of the Board of Directors also has appointed, subject to ratification by the shareholders, the selection of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2004.

**Report of the Compensation Committee**

*Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Exchange Act, that might incorporate future filings, including this Proxy Statement, in whole or in part, the following report and the performance graph which follows shall not be deemed to be incorporated by reference into any such filings.*

We have a compensation committee of the Board of Directors (Compensation Committee) which has the authority and responsibility to approve the overall compensation strategy, administer our

19

incentive bonus compensation plan, and review and make recommendations to the Board of Directors with respect to executive compensation. The Compensation Committee shall be comprised solely of independent, non-employee Board of Director members. Notwithstanding the foregoing, if the Compensation Committee is comprised of at least three members, one director who is not independent and is not a current officer or employee or a family member of an officer or employee may be appointed to the Compensation Committee if the Board of Directors, under exceptional and limited circumstances, determines that such individual's membership on the Compensation Committee is required by the best interests of the Company and its shareholders, and the Board of Directors discloses, in the Proxy Statement for the next Annual Meeting subsequent to such determination (or, if the Company does not file a proxy, in its form 10-k or 20-f), the nature of the relationship and the reasons for the determination. A member appointed under the exception in the preceding sentence may not serve longer than two years.

*General Compensation Policy*

The overall policy is to offer our executive officers competitive compensation opportunities. The Compensation Committee utilizes competitive data and summaries from various industry, peer group and national surveys as well as reports of independent compensation consultants to develop compensation recommendations competitive with other companies in the semiconductor industry. The Compensation Committee's objectives are to:

create a performance oriented environment with variable compensation based upon the achievement of annual and longer-term business results;

focus management on maximizing shareholder value; and

provide compensation opportunities dependent upon the Company's performance relative to its competitors and changes in its own performance over time.

The Compensation Committee is authorized to establish and maintain compensation guidelines for salaries and merit pay increases throughout the Company. The Compensation Committee also makes specific recommendations to the Board of Directors concerning the compensation of our executive officers, including the Chief Executive Officer. The Compensation Committee also administers our 1995 Stock Option Plan.

*Setting Executive Compensation*

The primary factors considered in establishing the components of each executive officer's current compensation package are summarized below. The Compensation Committee may in its discretion apply entirely different factors, such as different measures of financial performance for future fiscal years.

*Base Salary.* The base salary for each executive officer is set on the basis of individual performance, the salary levels in effect for comparable positions with other companies in our industry, and internal comparability considerations. Generally, company performance and profitability are not taken into account in establishing base salary. A number of adjustments may be made to the surveyed compensation data for our industry to reflect differences in management style, organizational structure and corporate culture, geographic location, product development status, and market capitalization between us and the surveyed entities.

*Long-Term Stock-Based Incentive Compensation*

Due to the fact that the executive officers who participated in the 1995 and 1998 management buyout collectively own a significant percentage of the Company's outstanding shares of Common

20

---

Stock, they have not participated in the Company's long-term stock-based incentive compensation programs since January 1997.

*CEO Compensation*

The Compensation Committee establishes Mr. Sireta's base salary with the objective of maintaining the competitiveness of Mr. Sireta's base salary with salaries paid to similarly situated chief executive officers. With respect to Mr. Sireta's base salary, it is the Compensation Committee's intent to provide him with a level of stability and certainty each year and not have this particular component of compensation affected to any significant degree by Company performance factors.

*Compliance with Internal Revenue Code Section 162(m)*

Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to publicly held companies for compensation exceeding \$1 million paid to certain executive officers. The limitation applies only to compensation that is not considered to be performance-based. The non-performance-based compensation paid to our executive officers has historically not exceed the \$1 million limit per officer. The Compensation Committee is aware of the limitations imposed by Section 162(m), and its exemptions, and will address the issue of deductibility when and if circumstances warrant.

*Compensation Committee Interlocks and Insider Participation*

No member of our Compensation Committee was at any time during the year ended December 31, 2003 an officer or employee of the Company. No member of our Compensation Committee serves as a member of the Board of Directors or Compensation Committee of any entity that has any executive officer serving as a member of our Board of Directors or Compensation Committee.

Douglas S. Schatz  
Alfred J. Stein

#### I. PURPOSE, RESPONSIBILITIES, AND STRUCTURE OF THE AUDIT COMMITTEE

A. **Purpose.** The purpose of the Audit Committee (the "Committee") of the Board of Directors (the "Board") of Advanced Power Technology, Inc. (the "Company") is to oversee the accounting and financial reporting processes of the Company and the audits of the financial status of the Company, and to otherwise assist the Board in achieving its oversight responsibilities with respect to the Company and its listing on the Nasdaq National Market. The Committee shall be governed by this Charter and such requirements of the National Association of Securities Dealers, Inc. ("NASD") and the U.S. Securities and Exchange Commission ("SEC") as may be applicable to the Company from time to time.

B. **Responsibilities.** In fulfilling its purpose, the Committee shall (i) review the Company's annual audited or quarterly financial statements prior to release to any governmental body or the public, including any certification, report, opinion, or review rendered by the Company's independent accountants and auditors; (ii) at the request of the Board, review the Company's other financial statements, reports and information submitted to any governmental body or the public; (iii) be directly responsible for the appointment, compensation, retention and oversight of the work of any registered public accounting firm engaged (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company, and each such registered public accounting firm must report directly to the Committee; (iv) establish procedures for: (a) the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, and (b) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters; (v) have the authority to engage independent counsel and other advisors as it determines necessary to carry out its duties; (vi) in its capacity as a Committee of the Board of Directors, determine appropriate funding for payment of: (a) compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company, (b) compensation to any advisors employed by the Audit Committee, and (c) ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties; and (vii) perform such other duties and tasks as shall be requested by the

Board in furtherance of the foregoing.

C. **Structure.** The Committee shall be composed of not less than three members. The members of the Committee must meet the following criteria: (i) a member of the Committee may not, other than in his or her capacity as a member of the Committee, the Board, or any Board Committee: (a) accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the Company or any subsidiary thereof, provided that, unless the rules of the national securities exchange or national securities association provide otherwise, compensatory fees do not include the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the Company (provided that such compensation is not contingent in any way on continued service), or (b) be an affiliated person of the Company or any subsidiary thereof; (ii) subject to the exception set forth below, each must be an Independent Director, as defined below; (iii) each member must not have participated in the preparation of the financial statements of the Company or any current subsidiary of

Notwithstanding the foregoing, one of the members of the Committee need not be an Independent Director if that person meets the following criteria: (i) the person may not, other than in his or her capacity as a member of the Audit Committee, the Board of Directors or any other Board Committee: (a) accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the Company or any subsidiary thereof, provided that, unless the rules of the national securities exchange or national securities association provide otherwise, compensatory fees do not include the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the Company (provided that such compensation is not contingent in any way on continued service), or (b) be an affiliated person of the Company or any subsidiary thereof; (ii) is not a current officer or employee or a Family Member of such employee; (iii) the Board, under exceptional and limited circumstances, determines that membership on the Committee by the individual is required by the best interests of the Company and its shareholders, and (iv) the Board discloses in the next annual Proxy Statement or report subsequent to such determination the nature of the relationship and the reasons for that determination. A member of the Committee appointed under the foregoing exception may not serve longer than two years and may not chair the Committee.

For purposes of this Charter, the term "Family Member" means a person's spouse, parents, children and siblings, whether by blood, marriage or adoption or anyone residing in such person's home.

For purposes of this Charter, an "Independent Director" is defined as a person who does not have a relationship with the Company that, in the opinion of the Board, interferes with the exercise of independent judgment in carrying out the responsibilities of a member of the Committee. The following persons will not be considered independent:

- (i) A director who is, or in any of the past three years has been, employed by the Company or any of its affiliates;
- (ii) A director who accepted, or who has a Family Member who accepted, any payments from the Company or any of its affiliates in excess of US \$60,000 during the current or any of the past three fiscal years (other than compensation for Board or Board Committee service, payments arising solely from investments in the Company's securities, compensation paid to an immediate family member who is a non-executive employee of the Company or any of its affiliates, benefits under a tax-qualified retirement plan, or non-discretionary compensation, or loans permitted under Section 13(k) of the Act. Provided, however, that Committee members are subject to additional, more stringent requirements as set forth above;
- (iii) A director who is a Family Member of an individual who is, or has been in any of the past three years, employed by the Company or any of its affiliates as an executive officer;
- (iv) A director who is, or has a Family Member who is, a partner in, or a controlling shareholder or an executive officer of, any organization to which the Company made, or from which the Company received, payments for property or services in the current or any of the past three fiscal years (other than those arising solely from investments in the Company's securities or

payments under non-discretionary charitable contribution matching programs) that exceed 5%

of the recipient organization's consolidated gross revenues for that year, or U.S. \$200,000, whichever is greater. Provided, however, that Committee members are subject to additional, more stringent requirements as set forth above;

(v)

A director who is, or has a Family Member who is, employed as an executive officer of another entity where at any time during the past three years any of the executive officers of the Company serve on the compensation committee of such other entity; and

(vi)

A director who is, or has a Family Member who is, a current partner of the Company's outside auditor, or was a partner or employee of the Company's outside auditor who worked on the Company's audit at any time during any of the past three years.

## II. PROCEDURES OF THE COMMITTEE

The Committee shall adhere to the following procedures in order to carry out its purpose and responsibilities.

A. **Review of Financial Statements.** Prior to the release of the Company's annual audited and quarterly financial statements, the Committee shall meet with representatives of the Company's independent accountants and auditors. Company management shall attend this meeting.

B. **Meetings with Members of the Independent Auditors.** The Committee also shall meet with representatives of the Company's independent auditors without the presence of Company management in order to ask questions of the representatives regarding the financial statements and reports, the scope of the auditors' examination of the Company's books and records, the auditors' evaluation of the Company's financial, accounting and auditing personnel, and the cooperation that the auditors received during the course of the audit. The Committee shall also direct the special attention of the auditors to specific matters or areas deemed by the Committee or auditors to be of special significance and authorize, where appropriate, the auditors to perform such supplemental reviews as the Committee deems desirable.

C. **Relationships between the Company and the Auditors.** Not less than annually, the Committee shall receive from the independent auditors a formal written statement delineating all relationships between the auditors and the Company. The Committee will be responsible for actively engaging in a dialogue with the auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditors and for taking, or recommending that the full Board take, appropriate action to oversee the independence of the auditors.

D. **Appointment and Meetings With Independent Accountants.** The Committee shall select the independent accountants on an annual basis and shall be directly responsible for the appointment, compensation, retention and oversight of the work of any registered public accounting firm engaged (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company, and each such registered public accounting firm must report directly to the Committee. The Committee will take all steps reasonably necessary to make clear to the independent accountants and auditors that they ultimately are responsible to the Board and the Committee as representatives of the shareholders.

On an annual basis, the Committee will review with management and the independent accountants and auditors their qualitative judgments about the appropriateness and acceptability of accounting principles and financial disclosure practices used or proposed, including the degree of aggressiveness or conservatism of the Company's accounting principles and underlying estimates.

On an annual basis, the Committee will receive and consider recommendations from the Company's independent accountants and internal auditors regarding internal controls, information

technology controls, security and other matters relating to the Company and review the correction of controls and processes deemed to need improvement. The Committee shall ask management and the independent auditors about significant risks or exposures and assess the steps the Company has taken to minimize such risks. Included in this inquiry shall be a review of all accounting and human resources and succession planning.

**E. Reports.** The Committee shall (i) prepare minutes of all Committee minutes and distribute copies thereof to the Board; and (ii) prepare an annual report to the Board specifying the actions the Committee took during the preceding year to satisfy its responsibilities hereunder. Specifically, the report shall disclose whether the Committee has reviewed and discussed the annual financial statements with management, discussed the required items with the independent accountants and auditors, and received the written report from the auditors regarding their independence.

**F. Complaints.** The Committee shall establish procedures for the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, and provide a means for the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters. The Committee shall periodically review such procedures and make any revisions to such procedures that it determines are necessary.

**G. Advisors.** The Committee may engage such independent counsel and other advisors as it determines necessary to carry out its duties.

**H. Funding.** The Company will provide for appropriate funding as determined by the Committee, in its capacity as a committee of the Board of Directors, for payment of: (i) compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company; (ii) compensation to any advisors employed by the Committee; (iii) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.
