**PROXY STATEMENT
2005 ANNUAL MEETING OF STOCKHOLDERS
To Be Held On June 14, 2005**

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Cherokee Inc., a Delaware corporation ("Cherokee" or the "Company"), of proxies to be used at the 2005 Annual Meeting of Stockholders to be held at the Loews Santa Monica Beach Hotel, 1700 Ocean Avenue, Santa Monica, California, on June 14, 2005, at 10:00 a.m. (Pacific Time) and at any adjournments or postponements thereof. A form of the proxy is enclosed for use at the annual meeting. Stockholders are being asked to vote upon the election of five directors to the Board of Directors, and to transact such other business as may properly come before the annual meeting. The approximate date on which this Proxy Statement and form of proxy are being mailed to the stockholders is May 3, 2005.

Record Date, Outstanding Shares and Voting

The Company's Board of Directors has fixed April 15, 2005 as the record date to determine stockholders entitled to notice of and to vote at the annual meeting. As of the record date, there were 8,722,565 shares of common stock outstanding. Each stockholder of record at the close of business on April 15, 2005 is entitled to one vote for each share of common stock then held on each matter to come before the annual meeting, or any adjournments or postponements thereof.

Quorum and Voting Requirements

A majority of the votes eligible to be cast at the annual meeting by holders of common stock, or 4,361,283 votes, represented in person or by proxy at the annual meeting is required for a quorum. Under Delaware law, shares represented by proxies that reflect abstentions or "broker non-votes" will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Broker non-votes are shares held by a broker or nominee which are represented at the meeting but with respect to which such broker or nominee is not empowered to vote on a particular proposal. Under the rules that govern brokers, brokers who have record ownership of shares have the authority to vote on certain "routine" matters even when they have not received instructions from the beneficial owners of such shares. Brokers that do not receive instructions are entitled to vote on the election of directors. Directors will be elected by a favorable vote of a plurality of the shares of common stock present and entitled to vote, in person or by proxy, at the annual meeting. The nominees receiving the five highest number of votes will become directors. Abstentions will not affect whether the election of any nominee to the Board of Directors is approved at the annual meeting. No other proposals are expected to be presented at the annual meeting. The Company's Certificate of Incorporation does not provide for cumulative voting.

Voting and Revocation of Proxies

If no instructions are given on the proxy, all shares represented by valid proxies received pursuant to this solicitation and not revoked before they are voted will be voted FOR the directors nominated by the Board of Directors, and as recommended by the Board of Directors with regard to all other matters or if no such recommendation is given, in the discretion of the proxy holder. Proxies marked

"withhold" and/or "abstain" will be counted towards the quorum requirement but will not be voted for the election of the Board of Directors' director nominees.

A proxy may be revoked at any time before it is exercised by giving written notice of revocation to the Secretary of the Company or by submitting, prior to the time of the meeting, a properly executed proxy bearing a later date. Stockholders having executed and returned a proxy, who attend the meeting and desire to vote in person, are required to so notify the Secretary of the Company prior to the beginning of the annual meeting.

Security Ownership of Principal Stockholders

The following table sets forth information regarding the beneficial ownership of common stock as of April 15, 2005 by each person believed to own beneficially five percent or more of the Company's common stock. Meetings and Committees of the Board of Directors

The business affairs of the Company are managed under the direction of the Board of Directors, although the Board of Directors is not involved in day-to-day operations. During the fiscal year ended January 29, 2005 ("fiscal 2005") the Board of Directors met four times and took action on eight occasions. Each director attended at least 80% of all Board of Directors and applicable committee meetings during fiscal 2005. The Company encourages all of its directors to attend annual meetings of stockholders. All directors attended the 2004 annual meeting of stockholders.

The Board of Directors does not currently provide a process for stockholders to send communications directly to the Board of Directors. However, communications may be sent by stockholders to the Secretary c/o Cherokee Inc., 6835 Valjean Avenue, Van Nuys, California 91406, who will forward any received communications to the Board of Directors.

Audit Committee

The primary functions of the Company's Audit Committee are to select, evaluate and, where appropriate, replace a firm of independent certified public accountants to conduct, among other things, the annual audit of the Company's books and records; to review with the independent accountants the scope and results of the annual audit and quarterly reviews prior to the filing of a report on Form 10-K or 10-Q with the Securities and Exchange Commission; to meet with the independent accountants and

management in connection with each annual audit to discuss the scope of the audit and the procedures to be followed; to review and discuss the Company's financial statements with the Company's management; to consult with the independent accountants and management with regard to the adequacy of the Company's system of internal accounting and financial controls; to discuss with management and the independent accountants the Company's practices with respect to risk assessment, risk management and critical accounting policies; to receive from the independent auditors the report required by Independence Standards Board Standard No. 1 as in effect at that time and discuss it with the independent auditors; to review and reassess annually the adequacy of its charter; to prepare a report each year for inclusion in the Company's annual Proxy Statement; and to preapprove all auditing services and permitted non-audit services to be performed for the Company by its independent accountants. The Cherokee Board of Directors has adopted a written charter for the Audit Committee, which was attached to the 2004 Proxy as Annex A. In addition, the Board of Directors has determined that all of the members of the Audit Committee are "independent," as defined by the rules of The Nasdaq Stock Market, Inc. and Rule 10A-3 of the Exchange Act.

Representatives of the Company's independent public accountants are invited to attend meetings of the Audit Committee and certain members of management may also be invited to attend. In fiscal 2005, the Audit Committee consisted of three non-employee directors: Mr. Hull, Mr. Mullen and Mr. Ravich, and Mr. Ravich is the Company's designated Audit Committee Financial Expert. The Audit Committee met five times during fiscal 2005. Two members of the Audit Committee attended all of the Audit Committee meetings, and one member attended four of the five meetings in fiscal 2005.

Any stockholder or employee may submit at any time a complaint or concern to the Audit Committee regarding any questionable accounting, internal accounting controls or auditing matters concerning the Company by writing c/o Keith Hull, Cherokee Inc. 6835 Valjean Avenue, Van Nuys, California 91406.

Compensation Committee

The Company's compensation program for executive officers is administered by the Compensation Committee of the Board of Directors. The Compensation Committee is responsible for setting and administering executive officer salaries and the annual bonus and long-term incentive plans that govern the compensation paid to the Company's executives. The Compensation Committee consists of Mr. Ravich, Mr. Ewing and Mr. Hull, all of whom are non-employee directors and outside directors within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934, as amended, and Section 162(m) of the Internal Revenue Code, respectively. The Board of Directors has determined that all of the members of the Compensation Committee are "independent," in accordance with Rule 4350(c) rules of The Nasdaq Stock Market, Inc. The Compensation Committee met once during fiscal 2005 and took action on five occasions during fiscal 2005.

Compensation Committee Interlocks and Insider Participation

Except for Mr. Margolis, who is a director and Chief Executive Officer of the Company, as well as the sole shareholder of Wilstar, none of the executive officers of the Company has served on the Board of Directors or on the Compensation Committee of any other entity, any of whose officers served either on the Board of Directors or on the Compensation Committee of the Company.

Nominating Committee

The Company does not have a standing nominating committee, which the Board of Directors determined is not necessary given the relatively small size of the Company's Board of Directors and management team, limited scope of operations and simplicity of the Company's business. In accordance with the Nasdaq rules, commencing in fiscal year 2004, only the members of the Board of Directors

who qualify as "independent directors" within the meaning of Rule 4200(a)(15) of the Nasdaq Rules will perform the functions of the nominating committee. These functions include reviewing and recommending to the full Board of Directors issues relating to the Board's composition and structure; establishing criteria for membership and evaluating corporate policies relating to the recruitment of Board members; and making recommendations regarding proposals submitted by stockholders. The independent directors will evaluate nominees recommended by stockholders in the same manner as they evaluate other nominees. The independent directors will review each potential candidate's qualifications, including the following criteria: personal and professional integrity, ethics and values; experience in corporate management, such as serving as an officer or former officer of a publicly held company; experience in the Company's industry and with relevant social policy concerns; experience as a board member of another publicly held company; academic expertise in an area of the Company's operations; and practical and mature business judgment.

All of the nominees for director being voted upon at the Annual Meeting are directors standing for re-election.

Code of Business Conduct and Ethics

The Company has adopted a Code of Business Conduct and Ethics that applies to the Company's directors, officers (including the Chief Executive Officer, Chief Financial Officer, Controller and persons performing similar functions), employees, agents and consultants. This Code satisfies the requirements of a "code of business conduct and ethics" under Rule 4350-7 of the Nasdaq Rules and a "code of ethics" within the meaning of Section 406 of the Sarbanes-Oxley Act of 2002 and applicable SEC rules.

Directors' Remuneration and Stock Options

For their services on the Board of Directors during fiscal 2005, each non-employee director was paid a retainer fee of \$25,000 per annum. The fees are paid in quarterly increments. On February 6, 2003, the directors voted to start paying committee members fees for their service on committees. Therefore, beginning in fiscal year 2004, in addition to the general retainer for board service, each Audit Committee member received \$5,000 and each Compensation Committee member received \$2,500 per each formal meeting. Each Audit Committee member also received an additional retainer fee of \$15,000 per annum, bringing the aggregate retainer for such individuals for board and Audit Committee service to \$40,000 per annum. These same costs were incurred during fiscal 2005.

In addition, during fiscal 2005 none of the current directors exercised any stock options to purchase common stock of Cherokee Inc.

Under the 2003 plan, in the event of a liquidation, merger, reorganization, or consolidation of the Company with any other corporation in which the Company is not the surviving corporation or the Company becomes a wholly-owned subsidiary of another corporation (the "Corporate Transaction Triggers"), each option granted under the plan, to the extent not fully exercised, will be cancelled unless the surviving corporation in any such merger, reorganization or consolidation elects to assume the options or to grant substitute options in place thereof. Notwithstanding the foregoing, vested options will remain exercisable until the date of any such liquidation, merger, reorganization, or consolidation and any unvested options will become exercisable for a ten-day period ending on the fifth day immediately preceding any such liquidation, merger, reorganization or consolidation. Under the plan, the plan administrator has the power to provide in the terms of each individual option agreement the vesting and exercisability of the options. Such individual option agreements have typically provided that in addition to the Corporate Transaction Triggers, in the event of the acquisition by another corporation or person of all or substantially all of the Company's assets or 80% or more of the Company's then outstanding voting stock in which the Company is not the surviving corporation or the Company becomes a wholly owned subsidiary of another corporation, the options granted thereunder, to the extent not fully exercised, will be cancelled unless the surviving corporation in any such acquisition elects to assume the options or to grant substitute options in place thereof. Notwithstanding the foregoing, vested options will remain exercisable until the date of any such acquisition and any unvested options will become exercisable for a ten-day period ending on the fifth day immediately preceding any such acquisition. The Company's plan administrator recently determined that should the Company be acquired as a result of its hiring UBS to explore the Company's strategic options and enhance shareholder value, all stock options previously granted under the 2003 Plan would automatically vest and become exercisable in connection with the acquisition.
- (2) The dollar gains under these columns result from calculations assuming 5% and 10% growth rates as set by the Securities and Exchange Commission and are not intended to forecast future price appreciations of the Company's common stock. The actual value, if any, the Named Executive Officer may realize will depend on the excess of the stock price over the exercise price on the date the option is exercised, so that there is no assurance the value realized by the Named Executive Officer will be at or near the value shown.
- (3) The total 50,000 options granted to our CFO during fiscal 2005 are comprised of (i) 20,310 options from our 1995 Plan granted in February 2004 which have an exercise price of \$20.61 per share and expire in February 2014, and (ii) 29,690 options from our 2003 Plan granted in April 2004 which have an exercise price of \$23.12 per share and expire in April 2011.

Employment and Management Agreements

Management Agreement

The Company obtains the management services of Mr. Margolis as the Company's Chairman of the Board and Chief Executive Officer pursuant to a management agreement with The Newstar Group, Inc. d/b/a The Wilstar Group ("Wilstar"), which was entered into as of November 29, 1999. The current management agreement replaced a similar management agreement with Wilstar that was entered into on May 4, 1995. Robert Margolis is currently the sole stockholder of Wilstar. On January 3, 2001, in accordance with the terms of the management agreement, Wilstar assigned the current management agreement to Mr. Margolis. The principal terms of the current management agreement are set forth below:

Base Compensation and Performance Bonuses. The management agreement provides for payment of base compensation that initially was set in 1999 and is subject to automatic annual cost of living increases. Pursuant to the management agreement, Mr. Margolis was paid \$734,000 as base compensation for services rendered under the management agreement in fiscal 2005.

The management agreement also provides for payment of an annual performance bonus for each fiscal year in which the Company's EBITDA is no less than \$5.0 million equal to (x) 10% of the Company's EBITDA for such fiscal year in excess of \$2.5 million up to \$10.0 million, plus (y) 15% of the Company's EBITDA for such fiscal year in excess of \$10.0 million. For purposes of making such calculations, EBITDA will be determined based upon the financial statements which have been prepared in accordance with U.S. generally accepted accounting principles and is reduced by all accrued compensation expenses attributable to any compensation paid or payable to Mr. Margolis under the management agreement, including base compensation and performance bonuses payable to Mr. Margolis.

Initial Term and Extensions. The initial term of the management agreement was until February 2, 2002. However, if the Company's consolidated pre-tax earnings, as set forth in its audited financial statements for any of its fiscal years during the term of the management agreement, commencing with fiscal 2000: (a) are no less than 80% of the consolidated pre-tax earnings contained in the budget submitted to and approved by the Compensation Committee for such fiscal year, and (b) are also no less than the consolidated pre-tax earnings for the immediately preceding fiscal year, then the termination date of the management agreement will automatically be extended an additional year.

There may be any number of such extensions if the foregoing tests are met on multiple occasions. During fiscal 2005, fiscal 2004, fiscal 2003, fiscal 2002, fiscal 2001 and fiscal 2000 the foregoing tests were met and therefore the term of the management agreement has been extended to February 1, 2008.

Composition of the Board of Directors. The management agreement provides that if the Company's board is comprised of five directors, the Company will use its commercially reasonable best efforts to ensure (a) that one director is nominated by Mr. Margolis (the "Wilstar Director"); (b) that one director (the "Investor Director") is nominated by the members of the group, other than Mr. Margolis, that filed a Schedule 13-D, dated April 24, 1995, with respect to the purchase of the Company's common stock (collectively, the "Outside Investors"); and (c) that three directors are nominated by the non-Wilstar non-Investor Directors (the "Other Directors"). If there are seven directors, the Company will use its commercially reasonable best efforts to ensure that a second Investor Director is nominated by Outside Investors and four directors are nominated by the Other Directors. If there are nine directors, the Company will use its commercially reasonable best efforts to ensure that, in addition to the Wilstar Director and the Investor Directors described above, one director is nominated by Mr. Margolis and the Outside Investors together (the "Wilstar/Investor Director") and five directors are nominated by the Other Directors. If the Board of Directors is expanded, the Company will use its commercially reasonable best efforts to ensure that Mr. Margolis is able to maintain his proportionate representation. The management agreement also provides that the Company will use its commercially reasonable best efforts to ensure that the Board of Directors will have an audit and a compensation committee, each of which will be comprised of three members, one of whom shall be an Investor Director and two of whom shall be selected by the entire Board of Directors from all of the remaining directors, other than the Wilstar Director.

In addition to the events of termination described below under the title "Events of Termination," Mr. Margolis may elect to treat the following events relating to the composition of the Board of Directors as a breach of the management agreement by the Company:

the size of the Board of Directors is increased or decreased without Mr. Margolis' maintaining or increasing his proportionate representation;

the Wilstar Director, the Investor Directors or the Wilstar/Investor Director, as applicable, are not elected to the Board of Directors or are not put on the slate of directors recommended to the Company's stockholders or any such director is removed from the Board of Directors without Mr. Margolis' prior approval; or

without Mr. Margolis' consent, he is not elected Chairman of the Board.

Mr. Margolis has waived any rights under the management agreement with respect to the nomination, election or appointment of an Investor Director on the Board of Directors or on the audit or compensation committees until the 2006 annual meeting of stockholders.

Events of Termination. Mr. Margolis may terminate the management agreement if the Company materially breaches any of the terms and conditions of the management agreement or fails to perform its material obligations thereunder. Unless initiated or consented to by Mr. Margolis, the occurrence of any of the following will be deemed to be a material breach of the management agreement:

the assignment to Mr. Margolis of any duties materially inconsistent with, or the diminution of Mr. Margolis' positions, titles, offices, duties and responsibilities with the Company or any removal of Mr. Margolis from, or any failure to re-elect Mr. Margolis to, any titles, offices or positions held by Mr. Margolis under the Revised Management Agreement, including the failure of the Board of Directors to elect Mr. Margolis or his designee as Chairman of the Board or the failure to elect, or the removal of, any Wilstar or Outside Investor nominee as director from the slate of directors recommended to the Company's stockholders by the Board of Directors;

Edgar Filing: CHEROKEE INC - Form DEF 14A

except as in accordance with the management agreement, a reduction by the Company in the base compensation or any other compensation provided for in the management agreement;

a change or relocation of Mr. Margolis' offices at the Company that materially and adversely affects Mr. Margolis' working environment; or

any other substantial, material and adverse changes in Mr. Margolis' working conditions imposed by the Company.

The Board of Directors may terminate the management agreement at any time without cause. If appropriate, the Board of Directors may also terminate the management agreement "for cause." "For cause" is limited to the willful misfeasance or gross negligence on the part of Mr. Margolis in connection with the performance of his duties pursuant to the management agreement, which willful misfeasance or gross negligence directly causes material harm to the assets, business or operations of the Company. The management agreement will terminate immediately upon Mr. Margolis' death and may be terminated by the Board of Directors if Mr. Margolis fails to render services to the Company for a substantially continuous period of six months because of Mr. Margolis' physical or mental disability during such period.

Payments to Mr. Margolis if the Management Agreement Is Terminated. If the management agreement is terminated for any reason by either the Company or Mr. Margolis, the Company will:

pay Mr. Margolis' base compensation through the date of termination;

reimburse Mr. Margolis for all expenses incurred through the date of termination;

provide ongoing indemnification for Mr. Margolis and ongoing insurance coverage comparable to the insurance offered to other terminated directors, officers or employees of the Company; and

pay Mr. Margolis any unpaid performance bonuses earned during the fiscal year in which the management agreement is terminated; unpaid performance bonuses will be calculated using the results of the whole fiscal year during which the management agreement is terminated, but will be pro rated for the number of full months occurring in such fiscal year prior to the date of termination.

In addition to the payments and other compensation described above, if the Company terminates the management agreement without cause or Mr. Margolis terminates the management agreement after the Company materially breaches any of the terms and conditions thereof or fails to perform its material obligations there under, the Company will pay Mr. Margolis, within 60 calendar days after the date of termination, a lump sum in cash equal to three times the sum of (a) Mr. Margolis' base compensation at the rate in effect at the date of the termination and (b) the "Previous Performance Bonus." The "Previous Performance Bonus" means an amount equal to the performance bonus received by Mr. Margolis under Section 3.3 of the management agreement in the Company's last full fiscal year ending prior to the date of termination. Mr. Margolis' annual base compensation in fiscal 2005 was \$734,000 and his performance bonus for fiscal 2005 was approximately \$3.5 million and, based on those amounts, the lump sum payment referenced above would be approximately \$12.6 million.

Cap on Payments Contingent on a Change in Control. If any payments to Mr. Margolis under the management agreement are determined to result in the non-deductibility of some or all of such payments under Section 280G of the Code, the payments to Mr. Margolis will be reduced to the maximum amount that is payable without causing such payments to be nondeductible by the Company.

Other Compensation Arrangements

For fiscal 2005, a bonus pool equal to approximately 4% of the Company's EBITDA in excess of \$2.5 million was established and all of the Company's employees participated in the bonus pool. Mr. Siegel was entitled to 25% of the bonus pool, and the Chief Executive Officer allocated the remainder of the bonus pool among the fifteen other employees based upon their individual performance during fiscal 2005. This approach is designed to motivate the Company's employees to meet the business and financial objectives of the Company because the bonuses are tied to the profitability of the Company.

There are no other compensation arrangements with current employees.

Certain Relationships and Related Transactions

On November 7, 1997, the Company entered into an Agreement of Purchase and Sale of Trademarks and Licenses with Sideout Sport Inc., pursuant to which the Company agreed to purchase all of Sideout Sport Inc.'s trademarks, copyrights, trade secrets and associated license agreements. Steven Ascher, a former Executive Vice President of the Company, beneficially owns 37.2% of Sideout Sport Inc. Mr. Ascher's father and father-in-law beneficially own 8.9% and 5.0%, respectively, of Sideout Sport Inc. Pursuant to the agreement with Sideout, the Company paid \$1.5 million at the closing of the acquisition and agreed to pay an additional \$500,000 upon release of liens on the assets that were purchased. Most of the liens have since been released and \$495,000 of the \$500,000 holdback has been paid. Under the terms of the agreement with Sideout, the Company also agreed to pay Sideout Sport Inc., on a quarterly basis, contingent payments of 40% of the first \$10.0 million, 10% of the next \$5.0 million and 5% of the next \$20.0 million, of royalties and license fees received by the Company through licensing of the Sideout trademarks. Upon the earlier of such time as the Company has paid Sideout Sport Inc. total contingent payments of \$5.5 million or October 22, 2004, the Company will have no further obligation to pay Sideout Sport Inc. During fiscal 2005, the Company made payments of \$163,000 to Sideout Sport Inc. and since January 1999, the Company has paid in total over \$4.8 million in contingent payments to Sideout Sport Inc. The Company made its last contingent payment due under this agreement in the third quarter ended October 30, 2004.

For information with respect to other transactions and relationships between the Company and certain executive officers, directors and related parties, see "Compensation Committee Interlocks and Insider Participation" above and "Employment and Management Agreements" above.

Equity Compensation Plan Information

The Company currently maintains two compensation plans, the Cherokee 1995 Incentive Stock Option Plan, and the 2003 Incentive Award Plan. Both of these stock option award plans provide for the issuance of common stock to officers and other employees and directors, and has previously been approved by the Company's stockholders. The following table sets forth the information regarding

Edgar Filing: CHEROKEE INC - Form DEF 14A

(1) Unless sooner terminated by the Board in its sole discretion, the Cherokee Inc. 1995 Incentive Stock Option Plan will expire on July 24, 2005. In the event that any outstanding option under the plan expires or is terminated, the shares of common stock allocable to the unexercised portion of the option shall again be available for options under the plan as if no option had been granted with respect to such shares.

(2) Of the total 145,310 shares shown available for grant as of January 29, 2005 under the 2003 Incentive Award Plan, it is possible that a portion of these stock options will be granted before June 30, 2005 to employees for performance during fiscal 2005. It is expected that such options would: (i) have an exercise price equal to the closing price of the stock on the day of the grant, (ii) vest ratably over three years, and (iii) expire in seven years from the date of grant. In the event that any outstanding option under the plan expires or is terminated, the shares of common stock allocable to the unexercised portion of the option shall again be available for options under the plan as if no option had been granted with respect to such shares.

Compensation Committee Report

The following Report of the Compensation Committee of the Board of Directors covering fiscal 2005 and the performance graph that follows are included herein pursuant to Item 402 of Regulation S-K. Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act or the Exchange Act, the information contained in this report and the performance graph that follows shall not be deemed "soliciting material" or to be "filed" with the Securities and Exchange Commission, nor shall such information be incorporated by reference, in whole or in part, into any future filing under the Securities Act or Exchange Act, and such information shall be entitled to the benefits provided in Item 402(a)(9) of Regulation S-K.

General. The Compensation Committee of the Board of Directors is currently composed of three non-employee directors of the board, Mr. Ewing, Mr. Ravich and Mr. Hull. The Compensation Committee reviews the performance of the Chief Executive Officer whose services are provided pursuant to the management agreement with Mr. Margolis, and when appropriate makes recommendations to the Board of Directors as to the terms of the management agreement. As appropriate, the Compensation Committee reviews and approves the recommendations of the Chief Executive Officer regarding compensation for other executive officers, including salary and cash bonus levels and the stock option grants under the Company's 1995 Incentive Stock Option Plan, as amended, and the 2003 Incentive Award Plan. During fiscal 2005, the Company had six executive officers and sixteen total employees.

Compensation Policies. The Company's executive compensation policies are designed to attract, reward and retain executive officers who contribute to the Company's success, to provide economic incentives for executive officers to achieve the Company's business and financial objectives by linking the executive officers' compensation to the performance of the Company, to strengthen the relationship between executive pay and stockholder value and to reward individual performance. The Company uses a combination of base salary, cash bonuses and stock options to achieve these objectives.

In carrying out these above listed objectives, the Compensation Committee considers, among others, the following factors concerning the individual performance of executive officers: (1) their ability to perform their given tasks; (2) knowledge of their jobs; and (3) their ability to work with others toward the achievement of the Company's goals. The Compensation Committee also evaluates corporate performance by looking at factors such as the Company's performance relative to the business environment and the success of the Company in meeting its business and financial objectives. In reviewing the above listed factors regarding both individual and corporate performance, the Compensation Committee relies on its subjective evaluations of such factors.

Section 162(m) of the Internal Revenue Code limits the deductibility of certain otherwise deductible compensation in excess of \$1.0 million paid to the Chief Executive Officer and the next four most highly compensated executive officers. It is the policy of the Compensation Committee to attempt to have all executive compensation treated as tax-deductible compensation wherever, in the judgment of the Compensation Committee, to do so would be consistent with the objectives of the compensation plan under which the compensation is paid. However, this policy does not rule out the ability to make awards or to approve compensation that may not qualify for the compensation deduction. The Compensation Committee may elect to approve awards or grant compensation to executive officers which are not deductible by the Company under Section 162(m) of the Internal Revenue Code.

Components of Compensation. The annual base compensation and performance bonuses payable to Mr. Margolis for providing his executive management services as the Company's Chairman of the Board and Chief Executive Officer are governed by the management agreement. See "Employment and Management Agreements Management Agreement" above. The Company seeks to pay its other executive officers salaries that are commensurate with their qualifications, duties and responsibilities. In reviewing and approving the Chief Executive Officer's recommendations regarding the annual salaries of the other executive officers, the Compensation Committee considers the individual and corporate performance factors outlined above, and puts particular emphasis on the success of the Company in meeting its business and financial objectives and the overall contribution of each executive officer in helping to meet those objectives.

For fiscal 2005, a bonus pool equal to approximately 4% of the Company's EBITDA in excess of \$2.5 million was established and all of the Company's employees participated in the bonus pool. Mr. Siegel was entitled to 25% of the bonus pool, and the Chief Executive Officer allocated the remainder of the bonus pool among the fifteen other employees based upon their individual performance during fiscal 2005. This approach is designed to motivate the Company's employees to meet the business and financial objectives of the Company because the bonuses are tied to the profitability of the Company.

The Company's 1995 Incentive Stock Option Plan and the 2003 Incentive Award Plan authorize the Compensation Committee to grant employees stock options. Stock options are granted under the plan with exercise prices equal to or above the market price of the Company's common stock on the date of grant and generally vest in annual installments over two or three years. Since stock options have value only if the price of the Company's common stock increases over the exercise/grant price, the Compensation Committee believes that stock option grants to executive officers provide incentives for executive officers to build stockholder value and thereby align the interests of the executive officers with the stockholders. The Compensation Committee also believes that these grants, which may vest

over a period of two or more years, provide incentives for executive officers to remain with the Company. In determining the numbers of options granted in any fiscal year, the Compensation Committee considers such factors as the seniority of the executive officer, the contribution that the executive officer is expected to make to the Company and the size of prior grants to the executive officer. The remaining shares available for award under the 1995 Plan were fully awarded on February 20, 2004, concurrent with the hiring of our Chief Financial Officer, Russell J. Riopelle.

Of the 250,000 shares initially available for award under the 2003 Incentive Award Plan, a total of 104,690 shares were granted on April 7, 2004, leaving 145,310 shares available for future award. This grant vests ratably over three years from the date of grant. There has not yet been a grant of options to employees for performance pertaining to fiscal 2005, but such grant may be determined in the future.

Compensation of the Chief Executive Officer. Compensation in return for the services of Mr. Margolis as Chief Executive Officer of the Company is governed by the terms of the management agreement.

The management agreement was approved by both the Compensation Committee and the disinterested members of the Board of Directors. The provisions of the management agreement regarding the annual cash performance bonus and the performance goals related thereto were submitted to and approved by the stockholders of the Company in January 2000. The material terms of such management agreement are summarized above under the section "Employment and Management AgreementsManagement Agreement." The terms of the management agreement resulted from several months of negotiations between Wilstar and the Company. The primary basis for the Compensation Committee's determination to approve the terms of the management agreement was to retain the services of Mr. Margolis as Chairman of the Board and Chief Executive Officer of the Company and to provide a strong incentive for him to continue to increase the long-term value of the Company for its stockholders. Under Mr. Margolis' leadership, the Company's revenues have grown from approximately \$8.7 million in the fiscal year ended May 31, 1997 to approximately \$38.9 million in fiscal 2005, an increase of over 447% during that time period. Mr. Margolis' performance is further highlighted by the performance graph on the next page, which compares the Company's stock performance with the stock performance of other companies, as measured by broad market indices. Mr. Margolis was Chief Executive Officer of the Company during the entire period covered by the performance graph.

Under the management agreement, Mr. Margolis' base compensation was \$734,000 in fiscal 2005. The performance goals under the management agreement were achieved in fiscal 2005 and, as a result, Mr. Margolis earned a cash bonus from the Company of \$3.5 million for fiscal 2005.

Common Stock Performance

Due to the nature of the Company's business being that of a licensor of its *Cherokee*, *Sideout* and *Carole Little* brands to retailers and wholesalers, which in turn put those brands on various products including but not limited to footwear, apparel, accessories, watches, eyewear, home textile products and sporting goods, the Company does not believe that a comparable peer group of publicly-traded licensing companies exists; hence, the Company's return on investment was compared to the S&P 100-LTD and NASDAQ INDEX COMPOSITE.

The graph below compares the cumulative total shareholder return on the Company's common stock with the cumulative total return on the NASDAQ INDEX COMPOSITE and the S&P 100-LTD for the period commencing January 28, 2000 and ending on January 28, 2005. The data set forth below assumes the value of an investment in the Company's common stock and each Index was \$100 on January 28, 2000. The data set forth below also assumes the reinvestment of all dividends.

COMPLIANCE WITH SECTION 16(A) OF THE EXCHANGE ACT

Section 16(a) of the Exchange Act requires the Company's directors and executive officers and persons who own more than ten percent of a registered class of the Company's equity securities to file various reports with the Securities and Exchange Commission and the National Association of Securities Dealers concerning their holdings of, and transactions in, securities of the Company. The Securities and Exchange Commission rules also require that copies of these filings be furnished to the Company.

To the Company's knowledge, based solely on its review of copies of such reports received or written representations from certain reporting persons that no other reports were required during fiscal 2004, all Section 16(a) filing requirements applicable to its officers, directors and ten percent stockholders were met during fiscal 2005.

AUDIT COMMITTEE REPORT

The following Report of the Audit Committee of the Company's Board of Directors is included herein pursuant to Item 306 of Regulation S-K. Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act or the Exchange Act, the information contained in this report shall not be deemed "soliciting material" or to be "filed" with the Securities and Exchange Commission, nor shall such information be incorporated by reference, in whole or in part, into any future filing under the Securities Act or Exchange Act, and such information shall be entitled to the benefits provided in Item 306(c) of Regulation S-K.

The Audit Committee of the Company's Board of Directors is comprised of independent directors as required by the listing standards of The Nasdaq Stock Market, Inc. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors.

The role of the Audit Committee is to oversee the Company's financial reporting process on behalf of the Board of Directors. Management of the Company has the primary responsibility for the Company's financial statements as well as the Company's financial reporting process, accounting principles and internal controls. The Company's independent public accountants are responsible for performing an audit of the Company's financial statements and expressing an opinion as to the conformity of such financial statements with generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed the audited financial statements of the Company as of and for the year ended January 29, 2005 with management and the Company's independent public accountants. The Audit Committee has discussed with the Company's independent public accountants the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as currently in effect. In addition, the Audit Committee has received the written disclosures and the letter from the Company's independent public accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as currently in effect, and it has discussed with the Company's independent public accountants their independence from the Company. The Audit Committee has considered whether the independent accountants' provision of non-audit services to the Company is compatible with maintaining the independent public accountants' independence.

The members of the Audit Committee are not engaged in the accounting or auditing profession. In the performance of their oversight function, the members of the Audit Committee necessarily relied upon the information, opinions, reports and statements presented to them by management of the Company and by the Company's independent public accountants. As a result, the Audit Committee's oversight and the review and discussions referred to above do not assure that management has maintained adequate financial reporting processes, principles and internal controls, that the Company's financial statements are accurate, that the audit of such financial statements has been conducted in

accordance with generally accepted auditing standards or that the Company's independent public accountants meet the applicable standards for independent public accountants independence.

Based on the reports and discussions described above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended January 29, 2005, for filing with the Securities and Exchange Commission.

Respectfully submitted,

Audit Committee

 Mr. David Mullen
