**INTRODUCTION**

A notice of the annual meeting of shareholders of Five Star Quality Care, Inc., a Maryland corporation, or the company, is on the preceding page and a form of proxy solicited by our Board of Directors, or our Board, accompanies this proxy statement. This proxy statement and a form of proxy, together with our annual report to shareholders for the year ended December 31, 2009, are first being made available, and a Notice Regarding the Availability of Proxy Materials, or the Notice of Internet Availability, is first being mailed, to shareholders on or about February 22, 2010.

The annual meeting record date is February 21, 2010. Only shareholders of record on February 21, 2010, are entitled to notice of, and to vote at, the meeting and at any postponement or adjournment thereof. We had 35,668,814 shares of common stock, \$.01 par value per share, or common shares, outstanding on the record date and entitled to vote at the meeting. Our common shares are listed on the NYSE Amex LLC, or NYSE Amex. The holders of our outstanding common shares are entitled to one vote per common share.

A quorum of shareholders is required for shareholders to take action at the meeting. The presence, in person or by proxy, of holders of common shares entitled to cast one-third of the votes entitled to be cast at the meeting shall constitute a quorum. Common shares represented by valid proxies will count for the purpose of determining the presence of a quorum for the meeting. Abstentions and broker non-votes, if any, will be treated as shares present for purposes of determining whether a quorum is present. Failure of a quorum to be present at the meeting will necessitate adjournment of the meeting and will subject us to additional expense. Under our bylaws, the chairperson of the meeting may adjourn the meeting if less than a quorum is present at the meeting.

The affirmative vote of a majority of the votes cast at the meeting will be necessary to elect the nominee for Independent Director described in proposal 1. The affirmative vote of a majority of the votes cast at the meeting will be necessary to approve proposal 2.

The individuals named as proxies on a properly completed proxy will vote in accordance with your directions as indicated thereon. If you properly complete your proxy and give no voting instructions, your shares will be voted "FOR" the nominee for Independent Director in proposal 1 and "FOR" proposal 2.

## Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

Shareholders of record may authorize a proxy to vote their shares over the internet or by telephone in the manner provided on the website indicated in the Notice of Internet Availability they received in the mail, or, if they requested and received paper or email copies of proxy materials, by completing and returning the proxy card, or by attending the meeting and voting in person. Proxies submitted by mail, over the internet or by telephone must be received by 11:59 p.m. eastern daylight time on May 9, 2010.

Broker non-votes occur in respect of shares held in street name when the broker indicates that voting instructions for a particular matter have not been received from the beneficial owners or other persons entitled to vote those shares and the broker does not have discretionary voting authority to vote those shares on that particular matter. Abstentions and broker non-votes will have no effect on the outcome of proposals 1 and 2. A proxy marked "WITHHOLD" will have the same effect as an abstention.

The record date for the meeting will apply to any adjournment or postponement of the meeting unless our Board fixes a new record date for the adjourned or postponed meeting. If we adjourn the annual meeting, we will announce the time and place of the adjourned meeting at the original meeting, but we do not intend to deliver another notice of the meeting unless we fix a new record date for the adjourned meeting. At any subsequent reconvening of the annual meeting, all proxies will be voted in the same manner as they would have been at the original convening of the meeting (except for any proxies which have been effectively revoked or withdrawn).

**IMPORTANT: If your shares are held in the name of a brokerage firm, bank, nominee or other institution, you should provide instructions to your broker, bank, nominee or other institution on how to vote your shares. Please contact the person responsible for your account and give instructions for a proxy to be completed for your shares. ### PROPOSAL 1 ELECTION OF ONE INDEPENDENT DIRECTOR

The number of our Directors is currently fixed at five, and our Board is currently divided into three groups, with two Directors in Group I, two Directors in Group II and one Director in Group III. Directors in each group are elected for three year terms and serve until their successors are duly elected and qualified.

Our current Directors are Bruce M. Gans, M.D. in Group III with a term of office expiring at the meeting to which this proxy statement relates, Barbara D. Gilmore and Barry M. Portnoy in Group I with a term of office expiring at our 2011 annual meeting of shareholders, and Arthur G. Koumantzelis and Gerard M. Martin in Group II with a term of office expiring at our 2012 annual meeting of shareholders. The term of the Group III Director elected at the meeting will expire at our 2013 annual meeting of shareholders.

Our Directors are categorized as Independent Directors and Managing Directors. Our Independent Directors are Directors who: are not employees of ours or Reit Management & Research LLC, or RMR, our business management and shared services provider; are not involved in our day to day activities; and qualify as independent under applicable rules of the NYSE Amex and the Securities and Exchange Commission, or SEC. Our Managing Directors are Directors who: are not Independent Directors; and have been employees of ours or RMR or have been involved in our day to day activities for at least one year prior to their election. Our Board is currently composed of three Independent Directors and two Managing Directors. Ms. Gilmore, Dr. Gans and Mr. Koumantzelis are our Independent Directors, and Messrs. Portnoy and Martin are our Managing Directors. Biographical information relating to our Directors and other information relating to our Board appears elsewhere in this proxy statement.

Our Board has nominated Dr. Gans for election as the Independent Director in Group III, whose nomination was recommended to our Board by our Nominating and Governance Committee. The term of the Independent Director in Group III elected at the meeting will expire at our 2013 annual meeting

of shareholders. The persons named in the accompanying proxy intend to exercise properly executed and delivered proxies "FOR" the election of Dr. Gans, except to the extent that properly completed proxies indicate that the votes should be cast against Dr. Gans' election or withheld for Dr. Gans.

Dr. Gans has agreed to serve as the Independent Director in Group III if elected. However, if Dr. Gans becomes unable or unwilling to accept election to our Board, the proxies will be voted for a substitute nominee designated by our Board. Our Board has no reason to believe that Dr. Gans will be unable to serve.

The affirmative vote of a majority of the votes cast at the meeting will be necessary to elect the nominee for Director described in proposal 1.

**Our Board requests you vote "FOR" the election of Dr. Gans as the Independent Director in Group III.**

**PROPOSAL 2**  
**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED**  
**PUBLIC ACCOUNTING FIRM**

On February 8, 2010, our Audit Committee voted to appoint Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2010 (our fiscal year being a calendar year). Ernst & Young LLP acted as our independent registered public accounting firm for 2008 and 2009. A representative of Ernst & Young LLP is expected to be present at the meeting, with the opportunity to make a statement if he or she desires to do so. This representative will be available to respond to appropriate questions from shareholders who are present at the meeting. Proposal 2 is non-binding. If the appointment is not ratified, our Audit Committee will consider whether it is appropriate to appoint another independent registered public accounting firm. If the appointment is ratified, our Audit Committee in its discretion may appoint a different independent registered public accounting firm at any time if it determines that such a change would be advisable.

The fees for services provided by Ernst & Young LLP to us for the last two fiscal years were as follows:

	2008	2009
Audit Fees	\$ 862,000	\$ 840,000
Audit Related Fees		17,000
Tax Fees	40,000	40,375
<i>Subtotal</i>	\$ 902,000	\$ 897,375
All Other Fees		

Ernst & Young LLP		
Total Fees	\$ 902,000	\$ 897,375

Our Audit Committee has established policies and procedures which are intended to control the services provided by our independent registered public accounting firm and to monitor their continuing independence. Under these policies, no services may be undertaken by our independent registered public accounting firm unless the engagement is specifically approved by our Audit Committee or the services are included within a category which has been pre-approved by our Audit Committee. The maximum charge for services is established by our Audit Committee when the specific engagement or the category of services is approved or pre-approved. In certain circumstances, our management is

required to notify our Audit Committee when pre-approved services are undertaken and the Committee or its Chair may approve amendments or modifications to the engagement or the maximum fees. Our Director of Internal Audit is responsible to report to our Audit Committee regarding compliance with these policies and procedures.

Our Audit Committee will not approve engagements of our independent registered public accounting firm to perform non-audit services for us if doing so will cause our independent registered public accounting firm to cease to be independent within the meaning of applicable SEC or NYSE Amex rules. In other circumstances, our Audit Committee considers, among other things, whether our independent registered public accounting firm is able to provide the required services in a more or less effective and efficient manner than other available service providers and whether the services are consistent with the Public Company Accounting Oversight Board Rules.

All services for which we engaged our independent registered public accounting firm in 2008 and 2009 were approved by our Audit Committee. The total fees for audit and non-audit services provided by Ernst & Young LLP in 2008 and 2009 are set forth above. The audit related fees in 2009 were for a special report required by the terms of one of our leases and the tax fees in 2008 and 2009 were for services involved in reviewing our tax reporting and tax compliance procedures. Our Audit Committee approved the engagement of Ernst & Young LLP to provide these non-audit services because it determined that Ernst & Young LLP's providing these services would not compromise its independence and that its familiarity with our record keeping and accounting systems would permit it to provide these services with equal or higher quality, more quickly and at a lower cost than we could obtain these services from other providers.

The affirmative vote of a majority of the votes cast at the meeting will be necessary for the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2010.

**Our Board requests you vote "FOR" the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2010.**

#### **SOLICITATION OF PROXIES**

Proxies may be solicited, without additional compensation, by our Directors, officers and employees and by RMR and its directors, officers and employees by mail, telephone or other electronic means or in person. We are paying the cost of this solicitation, including the preparation, printing, mailing and website hosting of proxy materials. We will request banks, brokers and other custodians, nominees and fiduciaries to forward proxy materials to the beneficial owners of our common shares and to obtain their voting instructions. We will reimburse those firms for their expenses. In addition, we have retained Innisfree M&A Incorporated, or Innisfree, to assist in the solicitation of proxies for a fee of \$15,000 plus reimbursement for out of pocket expenses. We have agreed to indemnify Innisfree against certain liabilities arising out of our agreement with Innisfree.

## BOARD OF DIRECTORS

Our business is conducted under the general direction of our Board as provided by our charter, our bylaws and the laws of the State of Maryland, the state in which we were reincorporated on September 17, 2001.

Three of our Directors, Bruce M. Gans, M.D., Barbara D. Gilmore and Arthur G. Koumantzelis, are our Independent Directors within the meaning of our bylaws. Two of our Directors, Messrs. Portnoy and Martin, are our Managing Directors.

Our bylaws require that a majority of our Board be Independent Directors. In determining the status of those Directors who qualify as Independent Directors, each year our Board affirmatively determines whether the Directors have a direct or indirect material relationship with us, including our subsidiaries, other than serving as our Directors. When assessing a Director's relationship with us, our Board considers all relevant facts and circumstances, not merely from the Director's standpoint, but also from that of the persons or organizations with which the Director has an affiliation.

Our Board has determined that Dr. Gans, Ms. Gilmore and Mr. Koumantzelis currently qualify as independent directors under applicable NYSE Amex rules and are Independent Directors under our bylaws. In making these determinations, our Board considered the fact that Mr. Koumantzelis served on the board of SNH, our landlord for 190 of our 219 senior living communities, from 1999 until October 2003, and that Dr. Gans served on the board of SNH from 1999 to 2001. Our Board also considered each of these three Independent Directors' service in other enterprises and on the boards of other publicly traded companies to which RMR and its affiliates provide management services. Our Board has concluded that none of these Directors possessed or currently possesses any relationship that could impair his or her judgment in connection with his or her duties and responsibilities as a Director or that could otherwise be a direct or indirect material relationship under applicable NYSE Amex standards.

During 2009, our Board held ten meetings, our Audit Committee held seven meetings, our Compensation Committee held five meetings, our Nominating and Governance Committee held one meeting, our Quality of Care Committee held four meetings and a Special Committee of our Board formed in connection with the Lease Realignment Agreement with SNH, as more fully described below in the section entitled *Related Person Transactions and Company Review of Such Transactions*, held two meetings. During 2009, each Director attended 75% or more of the total number of meetings of our Board and any committee of which he or she was a member during the time in which he or she served on our Board or such committee. All of our Directors attended last year's annual meeting of shareholders.

Pursuant to our Governance Guidelines, our Independent Directors meet at least once each year without management. The presiding Director at these meetings is the Chair of our Audit Committee, unless the Independent Directors in attendance select another Independent Director to preside.

## BOARD COMMITTEES

We have a standing Audit Committee, Compensation Committee, Nominating and Governance Committee and Quality of Care Committee, each of which has a written charter. With the exception of the Quality of Care Committee, each of the above committees is currently comprised of Dr. Gans, Ms. Gilmore and Mr. Koumantzelis, who are independent under applicable NYSE Amex listing standards and each committee's respective charter, and, in the case of our Audit Committee, the applicable independence requirements of the SEC. Dr. Gans, Ms. Gilmore and Mr. Martin currently constitute our Quality of Care Committee. Our Audit Committee, Compensation Committee, Nominating and Governance Committee and Quality of Care Committee are delegated the powers of our Board necessary to carry out their responsibilities.

Our Audit Committee was established in accordance with section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended, or the Exchange Act. The primary function of our Audit Committee is to assist our Board in fulfilling its responsibilities for oversight of: (1) the integrity of our financial statements; (2) our compliance with legal and regulatory requirements; (3) our independent registered public accounting firm's qualifications and independence; and (4) the performance of our internal audit function and independent registered public accounting firm. Our Board has determined that Mr. Koumantzelis is our Audit Committee financial expert and is "independent" as defined by the rules of the SEC and the NYSE Amex. Our Board's determination that Mr. Koumantzelis is our Audit Committee financial expert was based on his experience as: (i) a member of the audit committees of other publicly owned companies; (ii) the chief financial officer of a company which was required to file reports with the SEC; and (iii) a certified public accountant who was responsible for auditing companies which filed SEC reports. Under its charter, our Audit Committee has the final authority and responsibility to select our independent registered public accounting firm.

Our Compensation Committee's primary responsibilities include: (1) reviewing and approving the compensation paid by us to our President and Chief Executive Officer and, for periods subsequent to February 8, 2010, the compensation paid by us to our Treasurer and Chief Financial Officer; (2) evaluating the performance of our Director of Internal Audit and determining the compensation paid by us to our Director of Internal Audit; (3) recommending to our Board the cash compensation paid by us to individuals who serve as our executive officers other than our Chief Executive Officer; (4) recommending to our Board the compensation paid to other officers and key employees of ours; (5) reviewing, evaluating and approving our business management and shared services agreement with RMR and payments made under that agreement; and (6) administering and making grants under our equity compensation plan.

The responsibilities of our Nominating and Governance Committee include: (1) identification of individuals qualified to become members of our Board and recommending to our Board the Director nominees for each annual meeting of shareholders or when Board vacancies occur; (2) development, and recommendation to our Board, of governance guidelines; and (3) evaluation of the performance of our Board.

The primary function of our Quality of Care Committee is to review the quality of healthcare and senior living services we provide to our customers.

The charter of each of our standing committees provides that the committee may form and delegate authority to subcommittees of one or more members when appropriate. Subcommittees are subject to the provisions of the applicable committee's charter.

**SELECTION OF CANDIDATES FOR DIRECTORS;  
SHAREHOLDER RECOMMENDATIONS, NOMINATIONS AND OTHER PROPOSALS**

Our Board has established Governance Guidelines which, together with our bylaws, set forth the qualifications for service on our Board. Our Governance Guidelines may be changed from time to time by our Board upon the recommendation of our Nominating and Governance Committee. Our Board makes nominations of persons to be elected by shareholders as Directors. Our Board also elects Directors to fill Board vacancies which may occur from time to time. In both these circumstances, our Board will act upon recommendations made by our Nominating and Governance Committee.

In considering candidates to serve as Directors, our Nominating and Governance Committee seeks individuals who have qualities which the Committee believes may be effective in serving our long term best interests. Among the characteristics which the Committee considers are the following: their integrity, experience, achievements, judgment, intelligence, personal character, ability to make independent analytical inquiries, willingness to devote adequate time to Board duties, likelihood that they will be able to serve on our Board for a sustained period and other matters that our Nominating and Governance Committee deems appropriate. In connection with the selection of nominees for Directors, due consideration is given to our Board's overall balance of diversity of perspectives, backgrounds and experiences. Also, depending on whether the position to be filled is that of an Independent Director or a Managing Director, the qualifications of the candidate to meet the criteria for each such category of Director is considered. In seeking candidates for Directors who have not previously served as our Director, the Nominating and Governance Committee may use the business, professional and personal contacts of its members, it may accept recommendations from other Board members, and, if it considers it appropriate, the Nominating and Governance Committee may engage a professional search firm.

In 2009, we did not pay any third party to identify or to assist in the evaluation of any candidate for election to our Board. We did not receive any shareholder recommendations or nominations for our Board for the 2010 annual meeting of shareholders, except the nomination made by our Board and recommendation by our Nominating and Governance Committee, each of which includes Board members who are shareholders of record.

*Shareholder recommendations for nominees.* A responsibility of our Nominating and Governance Committee is to consider candidates for election as Directors who are properly recommended by shareholders. To be considered by our Nominating and Governance Committee, a shareholder recommendation for a nominee must be made: (i) by a shareholder who is entitled under our bylaws and applicable state and federal laws to nominate the nominee at the meeting and (ii) by written notice to the Chair of our Nominating and Governance Committee and our Secretary given within the 30 day period ending on the last date on which shareholders may give a timely notice of nomination for such meeting under our bylaws and applicable state and federal laws, which notice must be accompanied by the information and documents with respect to the recommended nominee which the recommending shareholder would have been required to provide in order to nominate such nominee for election at the shareholders meeting in accordance with our bylaws, including those described below, and applicable state and federal laws. Our Nominating and Governance Committee may request additional information about the shareholder recommended nominee or about the shareholder recommending the nominee. Shareholder recommendations which meet the requirements set forth above will be considered using the same criteria as other candidates considered by our Nominating and Governance Committee.

## Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

The preceding paragraph applies only to shareholder recommendations for nominees. A shareholder nomination must be made in accordance with the provisions of our bylaws, including the procedures discussed below.

*Shareholder nominations and other proposals at annual meetings.* Our bylaws require compliance with certain procedures for a shareholder properly to propose a nominee for election to our Board or other business. If a shareholder who is entitled to do so under our bylaws wishes to propose a person for election to our Board or other business, that shareholder must provide a written notice to our Secretary. The shareholder giving notice must: (i) have continuously held at least \$2,000 in market value (as determined under our bylaws), or 1%, of our shares entitled to vote at the meeting on the election or the proposal of other business, as the case may be, for at least one year from the date the shareholder gives its advance notice and continuously hold such shares through and including the time of the meeting (including any adjournment or postponement of the meeting); (ii) be a shareholder of record at the time of giving notice through and including the time of the meeting (including any adjournment or postponement of the meeting); (iii) be entitled to make nominations or propose other business and to vote at the meeting on the election or proposal of other business, as the case may be; and (iv) have complied in all respects with the advance notice provisions for shareholder nominations and proposals of other business set forth in our bylaws.

The notice must set forth detailed specified information about the nominee and the nominee's affiliates and associates, the shareholder making the nomination and affiliates and associates of that shareholder, and provide to the extent known by the shareholder giving the notice, the name and address of any other shareholder supporting the shareholder's nomination or proposal. With respect to nominations, the notice must state whether the nominee is proposed for nomination as an Independent Director or a Managing Director. In addition, at the same time as or prior to the submission of a shareholder nomination or proposal for consideration at a meeting of our shareholders that, if elected or approved and implemented by us, would cause us to be in breach of any covenant in or in default under any debt instrument or agreement or other material agreement of ours or any subsidiary of ours, the shareholder must submit to our Secretary: (i) evidence satisfactory to our Board of the lender's or contracting party's willingness to waive the breach of covenant or default or (ii) a detailed plan for repayment of the applicable indebtedness or curing the contractual breach or default and satisfying any resulting damage, specifically identifying the actions to be taken or the source of funds, which plan must be satisfactory to our Board in its discretion, and evidence of the availability to us of substitute credit or contractual arrangements similar to the credit or contractual arrangements which are implicated by the shareholder nomination or other proposal that are at least as favorable to us, as determined by our Board in its discretion. Additionally, if: (i) the submission of a shareholder nomination or proposal of other business to be considered at a shareholders meeting could not be considered or, if elected or approved and implemented by us without our or any subsidiary of ours, or the proponent shareholder, the nominee, the holder of proxies or their respective affiliates or associates filing with or otherwise notifying or obtaining the consent, approval or other action of any governmental or regulatory body, or a governmental action; or (ii) such shareholder's ownership of our shares or any solicitation of proxies or votes or holding or exercising proxies by such shareholder, the nominee or their respective affiliates or associates would require governmental action, then, at the same time as the submission of the shareholder nomination or proposal of other business, the proponent shareholder shall submit to us: (x) evidence satisfactory to our Board that any and all governmental action has been given or obtained, including, without limitation, such evidence as our Board may require so that any nominee may be determined to satisfy any suitability or other

requirements or (y) if such evidence was not obtainable from a governmental or regulatory body by such time despite the shareholder's diligent and best efforts, a detailed plan for making or obtaining the governmental action prior to the election of the nominee or the implementation of the proposal for other business, which plan must be satisfactory to our Board in its discretion.

Under our bylaws, in order for a shareholder's notice of nominations for Director or other business to be properly brought before an annual meeting of shareholders, the shareholder must deliver the notice to our Secretary at our principal executive offices not later than 5:00 p.m. (Eastern Time) on the 120th day, and not earlier than 5:00 p.m. (Eastern Time) on the 150th day, prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting. If the annual meeting is called for a date that is more than 30 days earlier or later than the first anniversary of the date of the preceding year's annual meeting, then a shareholder's notice must be so delivered not later than 5:00 p.m. (Eastern Time) on the tenth day following the earlier of the day on which (i) notice of the date of the annual meeting is mailed or otherwise made available or (ii) public announcement of the date of the annual meeting is first made by us. In addition, no shareholder may give notice to nominate or propose other business unless the shareholder holds a certificate for all our shares of common stock owned by such shareholder during all times described in the first paragraph of this section *Shareholder nominations and other proposals at annual meetings*, and a copy of each certificate held by the shareholder must accompany the shareholder's notice. Also, we may request that any shareholder proposing a nominee for election to our Board or other business at a meeting of our shareholders provide us, within three business days of such request, with written verification of the information submitted by the shareholder as well as other information.

The foregoing description of the procedures for a shareholder to propose a nomination for election to our Board or other business for consideration at an annual meeting is only a summary and is not complete. Copies of our bylaws, including the provisions which concern the requirements for shareholder nominations and other proposals, may be obtained by writing to our Secretary at Five Star Quality Care, Inc., 400 Centre Street, Newton, Massachusetts 02458. Any shareholder considering making a nomination or other proposals should carefully review and comply with those provisions. Under our bylaws, a shareholder is obligated to indemnify us for costs and expenses we incur arising from the shareholder's breach or failure to fully comply with any covenant, condition or provision of our charter or bylaws, including costs and expenses we may incur as a result of the shareholder's failure to comply with the requirements to make nominations and proposals.

*2011 Annual Meeting Deadlines.* Shareholder proposals intended to be presented pursuant to Rule 14a-8 under the Exchange Act at our 2011 annual meeting of shareholders must be received at our principal executive offices on or before October 25, 2010 in order to be considered for inclusion in our proxy statement for our 2011 annual meeting of shareholders. Our bylaws currently require that shareholder nominations and proposals made outside of Rule 14a-8 under the Exchange Act must be submitted, in accordance with the requirements of our bylaws, not later than October 25, 2010 (which is also the date, after which, shareholder nominations and proposals made outside of Rule 14a-8 under the Exchange Act would be considered "untimely" within the meaning of Rule 14a-4(c) under the Exchange Act) and not earlier than September 25, 2010.

## COMPENSATION DISCUSSION AND ANALYSIS

There were several changes in our executive officers during 2008 and 2009. On May 1, 2008, Everett W. Benton resigned as our President and Chief Executive Officer and was replaced by Bruce J. Mackey Jr., who previously was our Treasurer and Chief Financial Officer. Also on May 1, 2008, Francis R. Murphy III was appointed as our Treasurer and Chief Financial Officer. Prior to his appointment, Mr. Murphy was our Director of Financial Services. Effective December 31, 2009, Mr. Murphy resigned as our Treasurer and Chief Financial Officer and was replaced by Paul V. Hoagland. Additional biographical information about our executive officers appears elsewhere in this proxy statement.

### *Compensation philosophy and process*

Individual performance is an important factor in determining each element of compensation. Our Compensation Committee determines the total compensation of our Chief Executive Officer and the amount of share grants to all of the executive officers. Our Compensation Committee recommends to our Board and the Board determines all compensation, other than share grants, for our executive officers other than our Chief Executive Officer. There is no formulaic approach to the determinations of an executive officer's compensation as it is in the sole discretion of our Compensation Committee and our Board and determinations of an executive officer's compensation are not made as a result of benchmarking compensation against that of other companies. We believe it is important to align the interests of our executive officers with those of our shareholders and therefore have determined that a substantial portion of an executive officer's annual compensation will be paid in the form of restricted share awards that vest over a period of at least four years. We also believe that performance and retention of our executive officers is improved by paying a substantial portion of each executive officer's cash compensation as an annual bonus. We currently limit the annual base salaries of our executive officers and utilize changes in annual cash bonus amounts as the primary mechanism for effecting annual compensation adjustments for our executive officers.

In making their discretionary compensation determinations each year, our Compensation Committee's and Board's qualitative and subjective considerations of an executive's performance generally include, but are not limited to, the executive officer's:

accomplishments achieved during the year and as compared to expected accomplishments;

ability to identify areas for the company's improvement and to achieve benefits from those improvements;

quality of decisions made;

ability to lead employees both in routine activities and in special projects;

change in performance as compared to the prior year;

perceived potential for future development and for assuming additional or alternative duties in the future;

background, training, education and experience;

role with us and the compensation paid to individuals in similar roles in companies that have characteristics similar to ours;

## Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

specific areas of expertise and value to us, and the likelihood we could find a suitable replacement on a timely and cost effective basis; and

compensation compared to that of other individuals within our company and the relative responsibilities, titles, roles, experiences and capabilities of such other individuals.

In addition to the consideration of the various factors described in the preceding paragraphs, our Compensation Committee and our Board consider data regarding historical pay and available compensation data for public companies that are engaged in our industry, in related industries, or that possess size or other characteristics which are similar to ours. In order to obtain a general understanding of current trends in compensation practices and ranges of amounts being awarded by other public companies, our management engaged a third party compensation consultant solely to provide comparative data regarding compensation paid by a group of public companies in our industry<sup>(2)</sup>.

In September 2009, Ms. Gilmore, the Chair of our Compensation Committee, met with Mr. Portnoy, our Managing Director who is not also an executive officer of us, and the chairs of the compensation committees of other public companies for which RMR provides services. The purpose of this meeting as it concerns our compensation matters was to discuss compensation philosophy regarding, and to provide a comparative understanding of, potential share grants to be made by us and to hear and consider recommendations from RMR concerning potential share grants. Subsequent to this meeting, the members of our Compensation Committee held a meeting at which Ms. Gilmore provided a report of the information discussed at the meeting in which she participated with Mr. Portnoy and those other compensation committee chairs and made recommendations to our Compensation Committee for the general level of share grants to be awarded in 2009 to our executive officers and others who provide services to us. At a Compensation Committee meeting in November 2009 our Compensation Committee considered these recommendations, recommendations provided by management and other factors such as (1) the amounts and value of historical share awards made to each executive officer, (2) the amounts of share awards granted to persons with similar levels of responsibility, (3) the then current market prices of our shares, (4) the performance of each executive officer throughout 2009, (5) each executive officer's expected future contributions to us, (6) each executive officer's relative mix of cash and noncash compensation, (7) the data about executive compensation trends and amounts that was prepared for our management by an independent compensation consulting firm, and (8) our financial position and operating performance throughout 2009. There was no formulaic approach to the use of these various factors in determining the amount of the share awards to each executive officer. The share amounts are determined on a subjective basis using the various factors at our Compensation Committee's sole discretion. Our Compensation Committee did not engage a compensation consultant to participate in the determination or recommendation of the amounts or form of compensation for our executive officers. Mr. Mackey participated in the Compensation Committee meeting with regard to consideration of compensation generally and to our other officers, but he left that meeting and did not participate in the Compensation Committee's determination and recommendation of his compensation.

*Compensation components*

The mix of base salary, cash bonus and equity compensation that we pay to our executive officers varies depending on the executive officer's position and responsibilities with us. Our Compensation Committee does not follow a set formula or specific guidelines in determining how to allocate among the compensation components.

The components of the compensation packages of our executive officers are as follows:

*Base salary*

Base salaries are reviewed annually and adjusted, if appropriate, on a subjective basis based upon consideration of a number of factors including, but not limited to, the following for each executive officer: (1) accomplishments achieved during the year as compared to expected accomplishments, (2) ability to identify areas for the company's improvement and to achieve benefits from those improvements, (3) quality of decisions made, (4) ability to lead employees both in routine activities and in special projects, (5) change in performance as compared to the prior year, (6) perceived potential for future development and for assuming additional or alternative duties in the future, (7) the executive officer's background, training, education and experience, (8) the executive officer's role with us and the compensation paid to individuals in similar roles in companies that have characteristics similar to ours, (9) the market demand for specific expertise possessed by the executive officer, the executive officer's value to us and the likelihood we could find a suitable replacement on a timely and cost effective basis, (10) a comparison of the executive officer's pay to that of other individuals within our company and the relative responsibilities, titles, roles, experiences and capabilities of such other individuals, (11) the data about executive compensation trends and amounts that was prepared for our management by an independent compensation consulting firm, and (12) our financial position and operating performance throughout 2009. Currently, we limit the annual base salaries of our executive officers to \$300,000. Subject to the limits we have on annual base salaries, we also adjust base salaries, as warranted, for promotions and other changes in the executive officer's role which may occur from time to time. In 2009, the annual base salaries for all the persons listed in the summary compensation table found elsewhere in this proxy statement, or our named executive officers, other than Mr. Mackey and Ms. Esposito, were increased.

*Annual bonus and equity incentive plan*

Each of our executive officers, including our Chief Executive Officer, is eligible to receive an annual cash bonus and share award. There is no formulaic approach used in determining the amount of these annual cash and share awards. The cash bonus and share awards are determined on a subjective basis by our Compensation Committee and Board, as the case may be, based upon consideration of a number of factors including, but not limited to, the following for each executive officer: (1) accomplishments achieved during the year as compared to expected accomplishments, (2) ability to identify areas for the company's improvement and to achieve benefits from those improvements, (3) quality of decisions made, (4) ability to lead employees both in daily routine activities and in special projects, (5) change in performance as compared to the prior year, (6) perceived potential for future development and for assuming additional or alternative duties in the future, (7) the market demand for specific expertise possessed by the executive officer, the executive officer's value to us and the likelihood we could find a suitable replacement on a timely and cost effective basis, (8) a comparison of the executive officer's pay to that of other individuals within our company and the relative

responsibilities, titles, roles, experiences and capabilities of such other individuals, (9) the amounts and value of historical share awards made to each executive officer, (10) the amounts of share awards granted to persons with similar levels of responsibility, (11) the then current market prices of our shares, (12) each executive officer's relative mix of cash and noncash compensation, (13) the data about executive compensation trends and amounts that was prepared for our management by an independent compensation consulting firm, and (14) our financial position and operating performance throughout 2009. We currently limit the annual base salaries of our executive officers and utilize changes in annual cash bonus amounts as the primary mechanism for effecting annual compensation adjustments for our executive officers. For 2009, the increases in the annual cash bonus amounts paid to our executive officers reflect this interplay between the annual base salary limitation and annual cash bonus amounts, within the context of the other factors described above that are taken into account in determining annual cash bonus amounts.

Mr. Mackey's annual bonus is determined on a subjective basis by our Compensation Committee, composed solely of Independent Directors, who base their decision upon their consideration and evaluation of his performance during the year. Considerations may include, but may not be limited to, our financial performance, our growth and our success in achieving strategic initiatives and objectives. For 2009, our Compensation Committee awarded Mr. Mackey a bonus of \$450,000 in cash and 60,000 common shares that will vest in five equal annual installments beginning on the grant date. The shares awarded had a value at the grant date of \$185,400 of which the vested portion was \$37,080 as of the grant date. In making this cash bonus and this share award, our Compensation Committee considered Mr. Mackey's performance in leading the company through the difficult economic conditions existing throughout 2009 in the United States, including but not limited to his continuing the integration of the communities we acquired in 2008 and 2009 with our existing communities, managing capital and operating expenditures in relation to the prevailing business levels in order to conserve liquidity and increase our cash balance, maintaining the rates we charge our residents and reducing some of our operating expenses, developing new and enhancing existing marketing programs and leveraging our competitive strengths to maintain business in a down economy and to position the company for growth when the economy recovers. Our Compensation Committee determined that the share award would vest over time to ensure a continuing commonality of interest between Mr. Mackey and our shareholders and to provide Mr. Mackey with an incentive to remain with us to earn the unvested portion of the award.

Annual cash bonuses for our other executive officers were recommended by our Compensation Committee and approved by our Board based upon the consideration and evaluation of each executive's performance and level of total compensation. These considerations included, but were not limited to, our financial and operating performance during 2009 and each executive officer's level of total compensation.

Messrs. Mackey and Murphy were also officers of RMR throughout all of 2009. Because at least 80% of Messrs. Mackey's and Murphy's business time during 2009 was devoted to services to us, 80% of Messrs. Mackey's and Murphy's total cash compensation (that is, the combined cash compensation paid by us and RMR, including base salary and cash bonus) was paid by us and the remainder was paid by RMR.

No target cash bonus for 2010 has been established for our executive officers.

## Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

We made equity awards under our 2001 Stock Option and Stock Incentive Plan, as amended, or Stock Plan, to our executive officers and others based upon factors that our Compensation Committee considered relevant to align the interests of the persons to whom awards were made with our business objectives, which primarily relate to increasing, on a long term basis, the value of the company and our shares by improving our prospects, our competitive position within our industry, and our profitability and cash generation from operations. In addition to the award of common shares made to Mr. Mackey during 2009, our Compensation Committee awarded common shares to each of our other executive officers who were in our employ at the grant date except for Mr. Murphy. These awards ranged in size and value from 10,000 shares, having a grant date value of \$30,900, to 30,000 shares, having a grant date value of \$92,700. Our Compensation Committee considered the factors in the determination of annual bonus and share award enumerated above and determined to award no shares to Mr. Murphy in 2009. In each case, the Compensation Committee determined that the share awards would vest in five equal annual installments beginning on the date of the grant to ensure a continuing commonality of interest between the recipients and our shareholders and to provide our executives with an incentive to remain with us to earn the unvested portion of the award.

### *Separation Agreement*

On December 31, 2009, we entered into a separation agreement, or the separation agreement, with Mr. Murphy, who resigned as our Treasurer and Chief Financial Officer, effective December 31, 2009. Pursuant to the separation agreement, which became effective on January 8, 2010, we agreed to pay Mr. Murphy severance of \$200,000, which was paid on January 8, 2010. In connection with the separation agreement, we also entered into an accelerated vesting agreement providing that the restricted stock Mr. Murphy was previously awarded under various restricted share agreements with us vested immediately, subject to certain terms and conditions.

### *Perquisites and other benefits*

Our executive officers are entitled to participate in our benefit plans on the same terms as our other employees. These plans include medical, dental and life insurance plans and a defined contribution retirement plan.

### *All other payments*

The summary compensation table below includes amounts described as "All Other Compensation". These payments are matching contribution payments to our 401(k) plan.

### POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

In the past, we have entered arrangements with former executive officers of ours in connection with the termination of their employment with us, providing for the acceleration of vesting of unrestricted shares previously granted to the former officer under our 2001 equity compensation plan and, in certain instances, payments for future services to us as a consultant or part time employee and continuation of health care and other benefits. On December 31, 2009, we entered into a separation agreement, or the separation agreement, with Mr. Murphy, who resigned as our Treasurer and Chief Financial Officer, effective December 31, 2009. Pursuant to the separation agreement, which became effective on January 8, 2010, we agreed to pay Mr. Murphy severance of \$200,000, which was paid on January 8, 2010. In connection with the separation agreement, we also entered into an accelerated vesting agreement providing that the restricted stock Mr. Murphy was previously awarded under various restricted share agreements with us vested immediately, subject to certain terms and conditions.

Although we have no formal policy, plan or arrangement for payments to our executive officers in connection with their termination of employment with us, we may in the future provide on a discretionary basis for similar payments and other matters depending on various factors we then consider relevant and if we believe it is in the company's best interests to do so.

Our Managing Directors do not receive cash fees for their services as Directors.

Each Independent Director receives an annual fee of \$30,000 for services as a Director, plus a fee of \$500 for each meeting attended. Up to two \$500 fees are paid if a Board meeting and one or more Board committee meetings are held on the same date. The Chairs of our Quality of Care, Audit Committee, Compensation Committee and Nominating and Governance Committee receive an additional \$12,500, \$10,000, \$3,500 and \$3,500, respectively, each year. Ms. Gilmore received \$12,500 in 2009 for serving as the chair of our Special Committee formed in connection with the Lease Realignment Agreement with SNH. In addition, each Director received a grant of 7,500 of our common shares in 2009. We generally reimburse all our Directors for travel expenses incurred in connection with their duties as Directors.

Our Board believes it is important to align the interests of Directors with those of our shareholders and for Directors to hold equity ownership positions in us. Accordingly, our Board believes that a portion of each Director's compensation should be paid in shares. In determining the amount and composition of such compensation, our Board considers the total compensation of our Directors and Directors of other comparable enterprises, both with respect to size and industry.

In 2009 our Board reviewed the compensation paid to our Directors and determined both the amount of such compensation and the allocation of such compensation between equity based awards and cash. Our Managing Directors do not receive any cash compensation for their services as Directors, but they do receive common share grants equal to the share grants awarded to our Independent Directors.

**AUDIT COMMITTEE REPORT**

In the course of our oversight of the company's financial reporting process, we have: (i) reviewed and discussed with management the audited financial statements for the year ended December 31, 2009; (ii) discussed with Ernst & Young LLP, the company's independent registered public accounting firm, the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU section 380), as adopted, amended, supplemented or superseded by the rules of the Public Company Accounting Oversight Board; (iii) received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent

accountant's communications with the audit committee concerning independence; (iv) discussed with the independent registered public accounting firm its independence; and (v) considered whether the provision of non-audit services by the independent registered public accounting firm is compatible with maintaining its independence and concluded that it is compatible at this time.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in the company's Annual Report on Form 10-K for the year ended December 31, 2009, for filing with the SEC.

Our charter places restrictions on the ability of any person or group to acquire beneficial ownership of more than 9.8% of any class of our equity shares. Additionally, the terms of our leases with SNH and our agreement with RMR contain provisions whereby our rights under these agreements may be cancelled by SNH and RMR, respectively, upon the acquisition by any person or group of more than 9.8% of our voting stock or upon other change in control events, as defined. If the violation of these ownership limitations causes a lease or contract default,

## Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

shareholders causing the default may become liable to us or to other shareholders for damages. In addition, in order to help us preserve the tax treatment of our net operating losses and other tax benefits, our bylaws generally provide that transfers of our shares to a person, entity or group which is then, or would become as a result, an owner of 5% or more of our outstanding shares would be void in total for transferees then already owning 5% or more of our shares and, for transferees that would otherwise become owners of 5% or more of our shares, to the extent the transfer would so result in such level of ownership by the proposed transferee. The percentages indicated are based upon the number of shares shown divided by the 35,668,814 of our common shares outstanding as of February 21, 2010.

This information is as of December 31, 2009 and is based solely on a Schedule 13G/A filed with the SEC on January 20, 2010. Based on the information provided in that Schedule 13G/A, the address of SNH is 400 Centre Street, Newton, Massachusetts 02458. In that Schedule 13G/A, RMR and Reit Management & Research Trust, or RMR Trust, reported that they do not hold any of our common shares, but RMR, as manager of SNH, and RMR Trust, as the sole member of RMR, may, under applicable regulatory definitions, be deemed to beneficially own (and have shared voting and dispositive power over) the 3,235,000 shares beneficially owned by SNH. In that same Schedule 13G/A, RMR and RMR Trust each disclaimed such beneficial ownership. In addition, in that same Schedule 13G/A, Mr. Barry Portnoy reported that he beneficially owns 168,122 of our common shares, and Mr. Adam D. Portnoy reported that he beneficially owns 32,000 of our common shares. In that same Schedule 13G/A, Mr. Barry Portnoy and Mr. Adam Portnoy reported that in their respective positions as the Chairman and a director of RMR and the Chairman, majority beneficial owner and a trustee of RMR Trust, and as the President and Chief Executive Officer and a director of RMR, and the President and Chief Executive Officer, a beneficial owner and a trustee of RMR Trust, they may also be deemed to beneficially own (and have shared voting and dispositive power over) the 3,235,000 shares beneficially owned by SNH. In that same Schedule 13G/A, Mr. Barry Portnoy and Mr. Adam Portnoy each disclaimed such beneficial ownership. None of the 3,235,000 shares beneficially owned by SNH are included in the shares listed as beneficially owned by Mr. Barry Portnoy in the above table.

### RELATED PERSON TRANSACTIONS AND COMPANY REVIEW OF SUCH TRANSACTIONS

We have adopted written Governance Guidelines which address, among other things, the consideration and approval of any related person transactions. Under these Governance Guidelines, we may not enter into any transaction in which any Director or executive officer, any member of the immediate family of any Director or executive officer or any other related person, has or will have a direct or indirect material interest unless that transaction has been disclosed or made known to our Board and our Board reviews, authorizes, approves or ratifies the transaction by the affirmative vote of a majority of the disinterested Directors, even if the disinterested Directors constitute less than a quorum. If there are no disinterested Directors, the transaction shall be reviewed, authorized and approved or ratified by both (1) the affirmative vote of a majority of our entire Board and (2) the affirmative vote of a majority of our Independent Directors. The Governance Guidelines further provide that, in determining whether to approve or ratify a transaction, our Board, or disinterested or Independent Directors, as the case may be, shall act in accordance with any applicable provisions of our charter, consider all of the relevant facts and circumstances, and approve only those transactions that are fair and reasonable to us. All related person transactions described below were reviewed and approved or ratified by a majority of the disinterested Directors or otherwise in accordance with our policies described above.

We were a 100% owned subsidiary of SNH before December 31, 2001. On December 31, 2001, SNH distributed substantially all of our then outstanding shares to its shareholders. At the time of our spin off, all of the persons serving as our Directors were trustees of SNH. In order to effect this spin off and to govern relations after the spin off, we entered into agreements with SNH and others. Since then we have entered into various leases and other agreements which confirm and modify these undertakings. Among other matters, these agreements provide that:

so long as SNH remains a REIT, we may not waive the share ownership restrictions in our charter on the ability of any person or group to acquire more than 9.8% of any class of our equity shares without the consent of SNH;

so long as we are a tenant of SNH, we will not permit nor take any action that, in the reasonable judgment of SNH, might jeopardize the tax status of SNH as a REIT;

SNH has the option to cancel all of our rights under the leases we have with SNH upon the acquisition by a person or group of more than 9.8% of our voting stock and upon other change in control events affecting us, as defined in those documents including, in certain of the SNH leases, the adoption of any shareholder proposal (other than a precatory proposal) or the

## Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

election to our Board of any individual if such proposal or individual was not approved, nominated or appointed, as the case may be, by vote of a majority of our Directors in office immediately prior to the making of such proposal or the nomination or appointment of such individual;

the resolution of certain disputes, claims and controversies arising from our leases with SNH may be referred to binding arbitration proceedings; and

so long as we have a business management agreement with RMR we will not acquire or finance any real estate without first giving SNH or any other publicly owned REIT or other entity managed by RMR, the opportunity to acquire or finance real estate investments of the type in which SNH or any other publicly owned REIT or other entity managed by RMR, respectively, invests.

SNH is our largest landlord and beneficially owns more than 9% of our common shares. RMR provides management services to us and SNH. One of our Managing Directors, Barry Portnoy, is currently a Managing Trustee of SNH. Because of these and other relationships, we and SNH may be considered related persons. As of December 31, 2009, we leased 190 of our 219 senior living communities, including two that we report as discontinued operations, and two rehabilitation hospitals from SNH. Under our leases with SNH, we pay SNH rent based on minimum annual rent plus percentage rent based on increases in gross revenues at certain properties. During 2009, our rent expense under our leases with SNH was \$178.0 million, net of \$0.9 million amortization of a lease inducement from SNH. Our total minimum annual rent payable to SNH under our leases with SNH as of December 31, 2009 was \$184.4 million, excluding percentage rent based on increases in gross revenues at certain properties.

Since January 1, 2009, we have had several transactions with SNH, including:

In August 2009, we entered into the Lease Realignment Agreement with SNH. The Lease Realignment Agreement was entered into to assist SNH in obtaining a \$512.9 million mortgage financing, or the Loan, from the Federal National Mortgage Association, or FNMA, which is secured by 28 properties owned by SNH and leased to us, or the Properties. The Properties consist of senior living communities with 5,618 living units located in 16 states. In connection with the Loan, we realigned our leases with SNH. Lease No. 1 expires in 2024 and now includes 89 properties (including ten communities acquired by SNH and excluding one community sold by SNH in the fourth quarter of 2009 and including two communities that we report as discontinued operations), including independent living communities, assisted living communities and skilled nursing facilities. Lease No. 2 expires in 2026 and now includes 49 properties (excluding one community sold by SNH in the fourth quarter of 2009), including independent living communities, assisted living communities, skilled nursing facilities and two rehabilitation hospitals. Lease No. 3 expires in 2028 and now includes the 28 Properties, including independent living communities and assisted living communities. Lease No. 4 expires in 2017 and now includes 26 properties (including one community acquired by SNH in the fourth quarter of 2009), including independent living communities, assisted living communities and skilled nursing facilities. In connection with the Lease Realignment Agreement and the Loan, we reached an accommodation with SNH whereby we sold certain of our personal property at the Properties to SNH, we encumbered certain of our assets (e.g., accounts receivable) arising from our operation of the Properties for the benefit of FNMA, we sold 3,200,000 of our common shares to SNH, we

## Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

agreed to certain reporting and other operating obligations required by FNMA and we were compensated by SNH by receiving a \$2.0 million annual rent reduction for the fixed term of Lease No. 2 and a cash payment of \$18.6 million. In addition, SNH reimbursed us for our out of pocket expenses incurred in connection with the negotiation and closing of the Loan. We also granted SNH certain registration rights with regard to our common shares sold to SNH in connection with the Loan.

In October 2009, we commenced leasing from SNH a senior living community with a total of 259 independent, assisted living and skilled nursing units which SNH purchased from an unrelated party, and we paid \$750,000 for certain of the non-real estate assets. Our rent payable to SNH for this community is \$1.8 million per year. Percentage rent, based on increases in gross revenues at this community, will commence in 2011. We added this community to Lease No. 4 with SNH, which has a current term expiring in 2017.

At our request, also in October 2009, SNH sold a skilled nursing facility with a total of 62 beds, which we leased, to an unaffiliated party for net proceeds of approximately \$473,000 and our annual rent payable to SNH under Lease No. 1 decreased by approximately \$47,300.

At our request, in November 2009, SNH sold a skilled nursing facility with a total of 74 beds, which we leased, to an unaffiliated party for net proceeds of approximately \$1.2 million and our annual rent payable to SNH under Lease No. 2 decreased by approximately \$124,700.

Also in November 2009, we commenced leasing from SNH nine senior living communities with a total of 640 independent and assisted living units which SNH purchased from an unrelated party. Our rent payable to SNH for these communities is \$8.1 million per year. Percentage rent, based on increases in gross revenues at these communities, will commence in 2011. We added these communities to Lease No. 1 with SNH, which has a current term expiring in 2024.

In December 2009, we commenced leasing from SNH one senior living community with a total of 53 independent and assisted living units which SNH purchased from an unrelated party. Our rent payable to SNH for this community is \$436,000 per year. Percentage rent, based on increases in gross revenues at this community, will commence in 2011. We added this community to Lease No. 1 with SNH, which has a current term expiring in 2024.

During 2009, pursuant to the terms of our leases with SNH, SNH purchased approximately \$36.7 million of improvements made to our communities leased from SNH, and, as a result, the annual rent payable to SNH by us increased by approximately \$2.9 million.

RMR provides certain management, administrative and information system services to us under a business management and shared services agreement, or the business management agreement. The business management agreement provides for compensation to RMR at an annual rate equal to 0.6% of our total revenues from all sources reportable under generally accepted accounting principles in the United States. Also, RMR is compensated at a rate equal to 80% of the employment expenses of RMR's employees, other than its Chief Information Officer, actively engaged in servicing management information systems. The business management agreement is effective until December 31, 2010, and will be automatically renewed for successive one year terms thereafter unless we or RMR give notice of non-renewal before the end of an applicable term. We or RMR may terminate the business management agreement upon 60 days prior written notice. RMR may also terminate the business management agreement upon five business days notice if we undergo a change of control, as defined in

## Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

the business management agreement. Our Board has given our Compensation Committee, which is comprised exclusively of our Independent Directors, sole authority to act on our behalf with respect to this agreement. The charter of our Compensation Committee requires the Committee to review, evaluate and approve the business management agreement and evaluate RMR's performance under this agreement annually. Under the Committee's charter, the Committee must also annually evaluate and approve the compensation paid to RMR under the agreement. The aggregate fees paid by us to RMR for management, administrative and information system services for 2009 were \$10.5 million. We are generally responsible for all of our expenses and certain expenses incurred by RMR on our behalf. In addition, RMR also provides the internal audit function for us and for other publicly owned companies to which it provides management services. Our Audit Committee appoints our Director of Internal Audit and our Compensation Committee approves his salary. Our Compensation Committee also approves the allocated costs we pay with respect to our internal audit function. Our pro rata share of RMR's costs in providing that function was approximately \$220,000 for 2009. The business management agreement also includes arbitration provisions for the resolution of certain disputes, claims and controversies. A termination of our business management agreement is an event of default under our revolving credit facility, if not approved by a majority of our lenders.

The fact that RMR has responsibilities to other entities, including our largest landlord, SNH, could create conflicts; and in the event of such conflicts between SNH and us, our business management agreement with RMR allows RMR to act on behalf of SNH rather than on our behalf. The business management agreement includes restrictions on our ability to invest in or finance any real estate property of a type then owned or financed by a publicly owned entity managed by RMR. Under the business management agreement, RMR has agreed not to provide business management services to any other business or enterprise, other than SNH, that is directly competitive with our business.

RMR is beneficially owned by Barry Portnoy, one of our Managing Directors, and Adam Portnoy, his son, who is President and Chief Executive Officer and a director of RMR and a managing trustee of SNH. Barry Portnoy and Gerard Martin, our Managing Directors, are directors of RMR.

Our Chief Executive Officer and Chief Financial Officer are also officers and employees of RMR. These officers devote a substantial majority of their business time to our affairs and the remainder to RMR's business which is separate from our business. We believe the compensation we paid to these officers reasonably reflects their division of business time; however, periodically, these individuals may divide their business time differently than they do currently and their compensation from us may become disproportionate to this division.

An affiliated entity of RMR is the owner of the buildings in which our corporate headquarters and administrative offices are located. We lease those buildings under leases that expire in 2011. We incurred rent, which includes our proportional share of utilities and real estate taxes, under these leases during 2009 of \$1.1 million. These leases have been amended at various times to take into account our needs for increasing space.

One of our hospitals' outpatient clinics leases space from HRP, a REIT managed by RMR. We incurred rent, which includes our proportional share of utilities and real estate taxes, under this lease during 2009 of \$20,000.

In December 2006, we began leasing space for a regional office in Atlanta, Georgia from HRP. Our lease for this space expires in 2011. We incurred rent, which includes our proportional share of utilities and real estate taxes, under this lease during 2009 of \$66,000.

## Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

We understand that the other companies to which RMR provides management services also have certain other relationships with each other, such as lease arrangements for properties. In addition, officers of RMR serve as officers of those companies. We understand that further information regarding those relationships is provided in the applicable periodic reports and proxy statements filed by those other companies with the SEC. In addition, our Independent Directors also serve as directors or trustees of certain of those other companies, and directors and trustees of certain of those other companies serve as directors or trustees of the other companies. Mr. Barry Portnoy serves as a managing director or trustee of each of those other companies, including SNH.

We, RMR and other companies to which RMR provides management services formed Affiliates Insurance Company, or Affiliates Insurance, which is an insurance company, in the State of Indiana in November 2008. Affiliates Insurance received its certificate of authority to transact insurance business in the State of Indiana from the Indiana Department of Insurance in May 2009. All of our Directors currently serve on the board of directors of Affiliates Insurance. RMR, in addition to being a shareholder, entered a management agreement with Affiliates Insurance pursuant to which RMR provides Affiliates Insurance certain management and administrative services. In addition, Affiliates Insurance entered an investment advisory agreement with RMR Advisors pursuant to which RMR Advisors acts as Affiliates Insurance's investment advisor. The same persons who own and control RMR, including Barry Portnoy, one of our Managing Directors, and Adam Portnoy, his son, own and control RMR Advisors. Our Governance Guidelines provide that any material transaction between us and Affiliates Insurance shall be reviewed, authorized and approved or ratified by both the affirmative vote of a majority of our entire Board and the affirmative vote of a majority of our Independent Directors. As of the date of this proxy statement, we have invested \$5.2 million in Affiliates Insurance. On December 16, 2009, GOV purchased 20,000 shares of Affiliates Insurance from Affiliates Insurance, which represented a 14.29% interest in Affiliates Insurance. In connection with that purchase by GOV, we, the other previous shareholders of Affiliates Insurance, Affiliates Insurance and GOV entered an amended and restated shareholders agreement. The amended and restated shareholders agreement also includes arbitration provisions for the resolution of certain disputes, claims and controversies. We and the other shareholders of Affiliates Insurance each currently own approximately 14.29% of Affiliates Insurance. We may invest additional amounts in Affiliates Insurance in the future if the expansion of this insurance business requires additional capital, but we are not obligated to do so. Over time we expect to obtain some or all of our insurance coverage from Affiliates Insurance. By participating in this insurance business with RMR and the other companies to which RMR provides management services, we expect that we may benefit financially by possibly reducing our insurance expenses and/or by realizing our pro-rata share of any profits of this insurance business. All transactions between us and Affiliates Insurance have been approved pursuant to our Governance Guidelines.

The foregoing descriptions of our agreements with SNH, HRP, Affiliates Insurance and RMR are summaries and are qualified in their entirety by the terms of the agreements. A further description of the terms of those agreements is included in our annual report to shareholders and our Annual Report on Form 10-K filed with the SEC, in each case for the year ended December 31, 2009. In addition, copies of those agreements are filed with the SEC and may be obtained from the SEC's website at [www.sec.gov](http://www.sec.gov).

We believe that our agreements with SNH, HRP, Affiliates Insurance and RMR are on reasonable commercial terms. We also believe that our relationships with SNH, Affiliates Insurance and RMR benefit us and, in fact, provide us competitive advantages in operating and growing our businesses.

Nonetheless, because of our various relationships with SNH, HRP, Affiliates Insurance and RMR it is possible that some investors may assert otherwise.
