PROXY STATEMENT

2013 ANNUAL MEETING OF STOCKHOLDERS

The Board of Directors (the "**Board**") of the Company requests your Proxy for the Annual Meeting of Stockholders that will be held Wednesday, May 22, 2013, at 9:00 a.m. Central Time, at Heritage Plaza, 1111 Bagby Street, First Floor, Houston, Texas 77002 in the plaza conference room. By granting the Proxy, you authorize the persons named on the Proxy to represent you and vote your shares at the Annual Meeting. Those persons will also be authorized to vote your shares to adjourn the Annual Meeting from time to time and to vote your shares at any adjournments or postponements of the Annual Meeting.

If you attend the Annual Meeting, you may vote in person. If you would like to attend the Annual Meeting and vote in person, you may contact us at (713) 783-8000 for directions to the Annual Meeting. If you are not present at the Annual Meeting, your shares may be voted only by a person to whom you have given a proper Proxy. You may revoke the Proxy in writing at any time before it is exercised at the Annual Meeting by delivering to the Secretary of the Company a written notice of the revocation, by submitting your vote electronically through the internet or by phone after the grant of the Proxy, or by signing and delivering to the Secretary of the Company a Proxy with a later date. Your attendance at the Annual Meeting will not revoke the Proxy unless you give written notice of revocation to the Secretary of the Company before the Proxy is exercised or unless you vote your shares in person at the Annual Meeting.

STOCKHOLDERS OF RECORD AND BENEFICIAL OWNERS

Most of the Company's stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholders of Record. If your shares are registered directly in your name with the Company's transfer agent, you are considered the stockholder of record with respect to those shares, and this proxy statement (the "**Proxy Statement**") is being sent directly to you by our agent. As a stockholder of record, you have the right to vote by proxy or to vote in person at the Annual Meeting. The proxy materials include a proxy card or a voting instruction card for the Annual Meeting.

Beneficial Owners. If your shares are held in a brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name," and this Proxy Statement will be forwarded to you by your broker or nominee. The broker or nominee is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker how to vote. The proxy materials include a proxy card or a voting instruction card for the Annual Meeting.

QUORUM AND VOTING

Voting Stock. The Company's common stock, par value \$0.01 per share, is the only class of securities that entitles holders to vote generally at meetings of the Company's stockholders. Each share of common stock outstanding on the record date is entitled to one vote.

Table of Contents

Record Date. The record date for stockholders entitled to notice of and to vote at the Annual Meeting was the close of business on April 17, 2013. As of the record date, _____ shares of common stock were outstanding and entitled to be voted at the Annual Meeting.

Quorum and Adjournments. The presence, in person or by Proxy, of the holders of a majority of the outstanding shares entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting.

If a quorum is not present, the chairman of the Annual Meeting may adjourn the Annual Meeting from time to time to reconvene at the same or some other place. Notice need not be given of any such adjourned meeting if the date, time and place, if any, thereof, and the means of remote communication, if any, by which stockholders and proxyholders may be deemed to be present in person and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken. At any adjourned Annual Meeting at which a quorum is present, any business may be transacted that might have been transacted at the Annual Meeting as originally notified. If the adjournment is for more than thirty days, notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. If after the adjournment a new record date for stockholders entitled to vote is fixed for the adjourned meeting, the Board shall fix a new record date for notice of such adjourned meeting, and shall give notice of the adjourned meeting to each stockholder of record entitled to vote at such adjourned meeting as of the record date fixed for notice of such adjourned meeting.

Vote Required. The Class I director will be elected by the affirmative vote of the holders of a plurality of the shares present in person or by proxy at the Annual Meeting and entitled to be voted at the Annual Meeting. The approval of the proposed amendment to the Certificate of Incorporation to add the Director Exculpation Provision will require the affirmative vote of the holders of a majority of the outstanding shares entitled to be voted at the Annual Meeting. The ratification of the selection of the Company's auditors will require the affirmative vote of the holders of a majority of the shares present in person or by proxy at the Annual Meeting and entitled to be voted at the Annual Meeting. An automated system that Continental Stock Transfer & Trust Company ("*Continental*") administers will tabulate the votes.

Brokers who hold shares in street name for customers are required to vote shares in accordance with instructions received from the beneficial owners. Brokers are permitted to vote on discretionary items if they have not received instructions from the beneficial owners, but they are not permitted to vote (a "*broker non-vote*") on non-discretionary items absent instructions from the beneficial owner. Brokers do not have discretionary voting authority with respect to any matters to be voted on at the Annual Meeting except the ratification of the selection of the Company's auditors.

Abstentions and broker non-votes will count in determining whether a quorum is present at the Annual Meeting. For purposes of the election of the Class I director, withheld votes will be included in the number of shares voting and will have the effect of a vote against the election of the director; however, broker non-votes will not have any effect on the outcome of the director election. For purposes of voting on the approval of the proposed amendment to the Certificate of Incorporation to add the Director Exculpation Provision, abstentions and broker non-votes will be included in the number of shares voting and will have the effect of a vote against the proposal. For purposes of voting on the ratification of the selection of auditors, abstentions will be included in the number of shares voting and will have the effect of a vote against the proposal; however, broker non-votes will not have any effect on the outcome of voting for the proposal.

Default Voting. A Proxy that is properly completed and submitted will be voted at the Annual Meeting in accordance with the instructions on the Proxy. If you properly complete and submit a Proxy, but do not indicate any contrary voting instructions, your shares will be voted as follows:

FOR the election of the Class I director named in this Proxy Statement as the Board's nominee for election as director.

FOR amending the Certificate of Incorporation to add the Director Exculpation Provision.

FOR the ratification of the selection of BDO USA, LLP as the Company's auditors for 2013.

If any other business properly comes before the stockholders for a vote at the meeting, your shares will be voted in accordance with the discretion of the holders of the Proxy. The Board knows of no matters, other than those previously stated, to be presented for consideration at the Annual Meeting.

ITEM ONE. ELECTION OF DIRECTOR

Garcia for election as a Class I director of the Company to serve for a three year term to expire in 2016 and until either he is re-elected or his successor is elected and qualified. The Board has no reason to believe that Mr. Garcia will be unable or unwilling to serve if elected. If Mr. Garcia becomes unable or unwilling to accept nomination or election, the persons acting under the Proxy will vote for the election of a substitute nominee that the Board recommends.

Set forth below is biographical information about each of the Company's directors, nominee for director and officers.

A. *R. Sanchez, Jr.* has served as our Executive Chairman of the Board of Directors since November 2012. Mr. Sanchez, Jr. is the co-founder, Chief Executive Officer, and Chairman of the Board of Directors of Sanchez Oil & Gas Corporation ("**SOG**"), a private oil and natural gas company engaged in the exploration and development of oil and natural gas primarily in Texas and the onshore Gulf Coast areas on behalf of its affiliates. SOG is an affiliate of the Company. Mr. Sanchez, Jr. received his Bachelor of Arts and Doctor of Jurisprudence degrees from St. Mary's University in San Antonio, Texas. Mr. Sanchez, Jr. currently serves as director for the A. R. "Tony" and Maria J. Sanchez Family Foundation. He is also a director and stockholder of International Bancshares Corporation, a member of the Board of Visitors and Membership/Board Development Task Force at the University of Texas MD Anderson Cancer Center and a member of the Board of Trustees at Baylor College of Medicine. Because Mr. Sanchez, Jr. has close to 40 years of experience in the oil and natural gas industry as well as a comprehensive understanding of oil and gas operations, we believe that Mr. Sanchez, Jr. is qualified to serve as a director of the Company. Mr. Sanchez, Jr. is the father of Mr. Sanchez, III, our President and Chief Executive Officer and member of the Board.

Antonio R. Sanchez, III has served as our President and Chief Executive Officer since our formation in August 2011 and has been directly involved in the oil and gas industry for over 12 years. Mr. Sanchez, III served as our Chairman of the Board of Directors from August 2011 to November 2012 and continues to be a member of our Board. Mr. Sanchez, III is a member of our Nominating and Corporate Governance Committee. Mr. Sanchez, III is also the President of SOG, which he joined in October 2001, the President of SEP Management I, LLC ("**SEP Management**"), and a Managing Director of Sanchez Energy Partners I, LP ("**SEP I**"). Each of SOG, SEP Management and SEP I (together with their affiliates (other than the Company), the "**Sanchez Group**") are affiliates of the Company. In his capacities as an officer of these members of the Sanchez Group, Mr. Sanchez, III manages all aspects of their daily operations, including exploration, production, engineering and land management. From 1997 to 1999, Mr. Sanchez, III was an investment banker specializing in mergers and acquisitions with J.P. Morgan Securities Inc. From 1999 to 2001, Mr. Sanchez, III worked in a variety of positions, including sales and marketing, product development and investor relations, at Zix Corporation, a publicly traded encryption technology company listed on the Nasdaq Global Market. Mr. Sanchez, III has also been a member of the board of directors of Zix Corporation since May 2003. He earned a Bachelor of Business Administration from Georgetown University with a concentration in accounting and finance and a minor in economics and a Master of Business Administration from the Harvard Business School. Mr. Sanchez, III has significant experience managing oil and gas operations and being a member of the board of directors of a publicly traded company as well as extensive knowledge of the energy industry. For these reasons, we believe that Mr. Sanchez, III is qualified to serve as a director of the Company. Mr. Sanchez, III is the son of Mr. Sanchez, Jr., our Executive Chairman of the Board of Directors.

Gilbert A. Garcia has served as our director since December 2011 and is the Chair of our Audit Committee and a member of our Compensation Committee and our Nominating and Corporate Governance Committee. Mr. Garcia is the Managing Partner of Garcia Hamilton & Associates, L.P., an institutional asset management firm, which he joined in 2002 and where he supervises all facets of the firm's investment decisions. Prior to joining Garcia Hamilton & Associates, L.P., Mr. Garcia worked at two other institutional asset management firms, Smith Graham & Company, where Mr. Garcia was most recently the Chief Investment Officer, and Cisneros Asset Management, where he was most recently President. Mr. Garcia started his professional career with Salomon Brothers specializing in mortgage-backed securities. Mr. Garcia received his Bachelor of Arts in Economics from Yale University. We believe that Mr. Garcia is well qualified to serve as a member of our Board. In addition to his professional experience, Mr. Garcia also has extensive experience serving in leadership positions

of community organizations, including as the Chairman of the Metropolitan Transit Authority of Harris County, Texas. We believe that Mr. Garcia's executive experience, including through his service on community organizations, provides valuable financial and management experience that is critical to his ability to identify, understand and address the challenges and opportunities that we face as a public company.

Greg Colvin has served as our director since March 2012 and is the Chair of our Compensation Committee and our Nominating and Corporate Governance Committee and a member of our Audit Committee. Mr. Colvin is the Managing Partner, Chief Operating Officer and Head of Investor Relations of Sankofa Capital, an investment management firm, which he co-founded in December 2011. From 2007 until he co-founded Sankofa Capital, Mr. Colvin worked as a Managing Partner at Bluffview Capital, LP, where he originated and raised capital for private equity and hedge fund clients. From 1997 to 2006, Mr. Colvin was a Managing Director of the Private Funds Group at Donaldson, Lufkin & Jenrette Securities Corp and Credit Suisse LLC. Mr. Colvin started his professional career with Stephens Inc. specializing in placing primary and secondary fixed income products to institutional investors. Mr. Colvin received his Bachelor of Science in Business Administration from the University of Arkansas. Mr. Colvin currently serves on the advisory board of the Sam M. Walton College of Business at the University of Arkansas. We believe that Mr. Colvin is well qualified to serve as a member of our Board. In addition to his extensive experience in leadership positions at large financial institutions, Mr. Colvin has a substantive understanding of the upstream oil and gas industry and a financial background that gives him the ability to understand and analyze our business and our opportunities.

Alan G. Jackson has served as our director since November 2012 and is a member of our Audit Committee, our Compensation Committee and our Nominating and Corporate Governance Committee. Mr. Jackson is the Senior Commercial Producer at IBC Insurance Agency, Ltd. ("*IBC*"). Mr. Jackson is the former co-owner of Inscorp, Inc., a leading commercial insurance agent/brokerage in South Texas, which was acquired by IBC in 2009. Mr. Jackson received his Bachelor of Business Administration from Texas A&M University at Kingsville, Texas and is a graduate of the University of Texas, McCombs School of Business' Management Development Program. We believe that Mr. Jackson is well qualified to serve as a member of our Board because of his experience working with many land and mineral owners and their representative brokers, bankers and attorneys and with many oil and gas operators, non-operators, investors, service companies, and logistics carriers in the energy industry throughout South Texas, including the Eagle Ford Shale.

Michael G. Long has served as our Senior Vice President, Chief Financial Officer and Secretary since our formation in August 2011. Mr. Long is also the Senior Vice President, Chief Financial Officer and Secretary of SOG, which he joined in June 2008. Mr. Long has more than 30 years of experience in the energy industry and has served in various senior positions with private and public oil and gas companies. Prior to joining SOG, Mr. Long was the Chief Financial Officer and Executive Vice President for Edge Petroleum Corporation ("*Edge*"), an oil and gas exploration company, for 12 years until May 2008. EXECUTIVE COMPENSATION

As an "emerging growth company" under applicable Securities and Exchange Commission ("*SEC*") rules, we are subject to reduced public company reporting requirements with respect to our executive compensation disclosure. All of our executive officers are also employees of SOG and are compensated by SOG, subject to reimbursement by us to the extent provided for in the services agreement. Please read "Transactions with Related Persons." With respect to our executive officers' compensation for which the costs are allocated to us pursuant to the services agreement, SOG has responsibility and authority for such compensation, and our Board and/or Audit Committee are solely able to review, verify and dispute the reasonableness of such allocated costs pursuant to procedures set forth in the services agreement. Our Compensation Committee may assist the Board or the Audit Committee in reviewing the reasonableness of the compensation for which the costs are allocated to the Company pursuant to the services agreement. With the exception of grants under the Company's Amended and Restated 2011 Long Term Incentive Plan (the "*Plan*"), the amounts reflected in the 2012 and 2011 Summary Compensation Table below were subject to approvals by our Board solely to the extent of their ability to review, verify and dispute the reasonableness of such amounts under the services agreement (with the assistance of our Compensation Committee with respect to a review for reasonableness under the terms of the services agreement). The Board reviewed and verified the reasonableness of the amounts reflected in the 2012 and 2011 Summary Compensation Table below that were allocated to the Company by SOG pursuant to the services agreement. Awards under our Plan are made by our Board or Compensation Committee.

Historically, SOG has relied on energy industry compensation studies performed annually by Effective Compensation, Incorporated to assess and benchmark its compensation and benefits policies and practices with those of its peers. However, because it is a private company, all of SOG's compensation decisions, including those for our executive officers, are made at the discretion of its managers. For our Board's review and verification of the allocated portion of our executive officers' compensation for fiscal 2012 (with the assistance of our Compensation Committee with respect to a review for reasonableness under the terms of the services agreement), our Board and our Compensation Committee also relied on the 2012 energy industry compensation study performed by Effective Compensation, Incorporated.

Edgar Filing: Sanchez Energy Corp - Form PRE 14A

Table of Contents

We had only two executive officers in 2011, Antonio R. Sanchez, III (our principal executive officer) and Michael G. Long (our principal financial officer) (together, the "**2011 named executive officers**"). Compensation paid or awarded by us in 2011, as reflected in the 2012 and 2011 Summary Compensation Table below, reflects only the portion of compensation expense that was allocated to us pursuant to SOG's allocation methodology. As described below, the allocation methodology followed by SOG for fiscal 2011 differs from the allocation methodology that SOG followed in fiscal 2012 and that it currently follows due to the fact that we entered into a services agreement with SOG at the end of fiscal 2011, and this services agreement currently governs SOG's allocation of costs to us.

For fiscal 2011, since we acquired assets from SEP I in connection with our formation, SOG allocated certain compensation costs for our 2011 named executive officers to us based on the relative capital spending levels of SEP I on the assets that it contributed to us in connection with our formation as compared to the assets that it retained. Mr. Long's compensation amounts for fiscal 2011 in the 2012 and 2011 Summary Compensation Table below reflect this allocation methodology. For fiscal 2011, SOG did not allocate any compensation costs to us for Mr. Sanchez, III other than his bonus because of Mr. Sanchez, III's significant contributions to the growth and development of members of the Sanchez Group, which contributions were in addition to his leadership of us. SOG did allocate the costs of both Messrs. Sanchez, III's and Long's bonuses for fiscal 2011 to us in light of the direct benefits to us of their leadership roles in the successful completion of our initial public offering (the "**IPO**").

For fiscal 2012, pursuant to the terms of the services agreement, SOG allocated to us the costs related to the salaries, benefits, bonuses and any other amounts paid to A. R. Sanchez, Jr., Mr. Sanchez, III and Mr. Long (together, the "**2012 named executive officers**") based on the proportion of time that the 2012 named executive officers spent working on our matters relative to those of members of the Sanchez Group. SOG will use this allocation methodology for all future periods. While the exact proportion of time that our executive officers spend working on our matters relative to those of members of the Sanchez Group will vary from year to year, we expect that each of our executive officers will spend approximately 75%-90% of their time working on our matters and we expect the costs that SOG charges to us to reflect this allocation of time.

Because Mr. Sanchez, Jr. was appointed our Executive Chairman of the Board of Directors on November 27, 2012, he did not receive a salary for fiscal 2012. However, Mr. Sanchez, Jr. did receive a bonus in fiscal 2012 in recognition of his past and continuing active service and value to the Company.

Table of Contents**2012 and 2011 Summary Compensation Table**

The following table shows information concerning the annual compensation for services provided to us by our 2012 named executive officers and 2011 named executive officers, as applicable, during the fiscal years ended December 31, 2012 and December 31, 2011.

2012 Director Compensation

We have not and do not expect to pay our directors who are also our officers any additional amounts for their service to us in their capacities as directors. Our current compensation package for our non-employee directors consists of both cash and equity compensation.

After a review of non-employee director compensation paid by our peer group, the Board approved the following cash compensation for our non-employee directors:

an annual cash retainer fee of \$60,000;

cash payments of \$1,000 for each Board and/or committee meeting attended via teleconference and cash payments of \$1,500 for each Board and/or committee meeting attended in person; and

a committee chair fee for the chair of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee of \$15,000, \$8,750 and \$8,750, respectively.

Each director is reimbursed for travel and miscellaneous expenses to attend meetings of our Board or its committees.

Each director received the prorated amounts of the annual cash retainer fee and committee chair fee, as applicable, for the period of fiscal 2012 during which such director served as a member of the Board and, as applicable, as a committee chair. Accordingly, each director received the cash payment of \$1,000 or \$1,500 for only the Board meetings and committee meetings, as applicable, that such director attended. Mr. Garcia, who became a member of our Board and the chair of the Audit Committee on December 13, 2011, also received in fiscal 2012 the prorated amounts of the annual cash retainer fee and committee chair fee for his service as chair of the Audit Committee for the last nineteen days of fiscal 2011.

In connection with their appointments as directors, we awarded 8,600 shares of restricted stock to each of Messrs. Garcia, Colvin and Jackson in January 2012, May 2012 and November 2012, respectively. Each of these grants will vest on the one year anniversary of its date of grant. Notwithstanding the one-year vesting period for the directors' restricted stock, upon the occurrence of a Change of Control, the shares of restricted stock will vest automatically. In addition, in the event of the respective director's death, the Committee may, but is not obligated to, accelerate the vesting of any or all of his shares of restricted stock.

The following table provides information concerning the compensation of our non-employee directors for the fiscal year ended December 31, 2012.

CORPORATE GOVERNANCE

Board Composition

Our certificate of incorporation and by-laws provide that the number of our directors shall be fixed from time to time pursuant to a resolution adopted by our Board. We currently have five directors: Messrs. Sanchez, Jr., Sanchez, III, Garcia, Colvin and Jackson.

The directors are divided into three classes serving staggered three-year terms. Each year, the directors of one class stand for re-election as their terms of office expire. Mr. Garcia is designated as a Class I director, and his term of office expires on the date of the Company's 2013 annual meeting of stockholders. Messrs. Colvin and Jackson are designated as Class II directors, and their terms of office expire on the date of the Company's 2014 annual meeting of stockholders. Messrs. Sanchez, Jr. and Sanchez, III are designated as Class III directors, and their terms of office expire on the date of the Company's 2015 annual meeting of stockholders.

Board Leadership Structure

The Board recognizes that one of its key responsibilities is to evaluate and determine its optimal leadership structure so as to provide independent oversight of management. The Board understands that the optimal Board leadership structure may vary as circumstances warrant. Consistent with this understanding, non-management directors consider the Board's leadership structure on an annual basis.

In November 2012, Mr. Sanchez, Jr. became the Executive Chairman of our Board, and Mr. Sanchez, III continued as our Chief Executive Officer. Our Board believes that this leadership structure, which separates the Chairman and Chief Executive Officer roles, is appropriate at this time in light of the needs of our business. As Executive Chairman, Mr. Sanchez, Jr. remains involved in key matters, such as major transactions, broader business relationships (including relationships with landowners that are critical to the Company's growth), as well as continuing to advise our executive officers on issues of business strategy and operations. Since our Board consists of only five directors, three of whom are independent, we do not presently have a lead independent director.

Director Independence

Our Board has determined that Messrs. Garcia, Colvin and Jackson are "independent directors" as defined by the rules of the New York Stock Exchange ("*NYSE*") and, for purposes of our Audit Committee, Rule 10A-3 of the Securities Exchange Act of 1934, as amended ("*Exchange Act*").

Board's Role in Risk Oversight

Management, which is responsible for day-to-day risk management, conducts a risk assessment of our business annually. The risk assessment process is global in nature and identifies and assesses our risks, as well as steps to mitigate and manage the risks, which may be financial, operational or strategic in nature.

The results of each risk assessment are reviewed with the Audit Committee. The centerpiece of the assessment is a discussion of our key risks, which includes a review of the potential magnitude and likelihood of each risk, the personnel responsible for managing each risk and management's initiatives to manage and mitigate each risk. Because overseeing risk is an ongoing process and inherent in our strategic decisions, the Board also discusses risk throughout the year at other meetings in relation to specific proposed actions.

The Board currently considers specific risk topics, including risks associated with our strategic plan, our exploratory drilling program, our capital structure and other operational activities. Further, the

Table of Contents

Board is routinely informed by management of developments that could affect our risk profile or other aspects of our business.

Meetings of the Board and Committees of the Board

The Board held six meetings in fiscal 2012, five of which were regularly scheduled meetings and one of which was a special meeting, and took action by unanimous written consent sixteen times, which number of unanimous written consents includes unanimous written consents of pricing committees of the Board. The Board's independent directors met in executive session one time during 2012.

As described below, we recently formed a Compensation Committee and a Nominating and Corporate Governance Committee, in addition to our previously standing Audit Committee. The Audit Committee held four meetings in fiscal 2012, four of which were regularly scheduled meetings and none of which were special meetings, and took action by unanimous written consent one time. The Compensation Committee held one meeting in fiscal 2012, which meeting was a regularly scheduled meeting, and took action by unanimous written consent one time. The Nominating and Corporate Governance Committee did not hold any meetings in fiscal 2012 and took action by unanimous written consent one time. The members and functions of our Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee are described below.

During 2012, each of our directors attended all of the meetings of the Board and all of the meetings of the committees of the Board on which that director served. While we do not have a formal policy with respect to director attendance at the annual meetings of our stockholders, we generally expect that our directors will attend the annual meetings. Two of the three persons that were members of our Board at the time of the annual meeting of the stockholders for fiscal 2012 attended the annual meeting.

Stockholders and other interested parties may communicate directly with the full Board by sending a written communication in an envelope addressed to: Sanchez Energy Corporation, Board of Directors, c/o Secretary, 1111 Bagby, Suite 1800, Houston, Texas 77002.

Committees of the Board of Directors

In June 2012, we ceased to be a "controlled company" for purposes of the exemptions from the NYSE corporate governance standards for such companies and formed a Compensation Committee and a Nominating and Corporate Governance Committee, in addition to our previously standing Audit Committee. We may have such other committees as the Board shall determine from time to time.

Our Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee have the respective compositions and responsibilities described below.

Audit Committee

Our Audit Committee currently consists of a total of three directors, Messrs. Garcia (Chair), Colvin and Jackson, each of whom the Board has determined to be an "independent director" as defined by the NYSE rules and Rule 10A-3 of the Exchange Act. The Board has determined that each member of the Audit Committee is "financially literate" as required by the NYSE rules. Additionally, the Board has determined that Mr. Garcia is an "Audit Committee Financial Expert" as defined by the

Exchange Act. Stockholders should understand that this designation is a disclosure requirement of the SEC related to Mr. Garcia's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose upon Mr. Garcia any duties, obligations or liability that are greater than are generally imposed on him as a member of the Audit Committee and the Board, and his designation as an audit committee financial expert pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the Audit Committee or the Board.

Our Audit Committee is authorized to:

- approve and retain the independent auditors to conduct the annual audit of our books and records;
- review the proposed scope and results of the audit;
- review and pre-approve the independent auditors' audit and non-audit services rendered;
- approve the audit fees to be paid;
- review accounting and financial controls with the independent auditors and our financial and accounting staff;
- review and approve transactions between us and our directors, officers and affiliates;
- recognize and prevent prohibited non-audit services;
- establish procedures for complaints received by us, including regarding accounting matters;
- review our policies and practices with respect to risk assessment and risk management;
- approve any off-balance sheet financial activities;
- oversee internal audit functions; and
- prepare the report of the Audit Committee that SEC rules require to be included in this Proxy Statement.

In addition, our Audit Committee (in lieu of the full Board) may review the reasonableness of the costs that SOG allocates to us pursuant to the services agreement.

The Audit Committee's responsibilities are set forth in its amended and restated charter which was approved by the Board on January 18, 2013 and is reviewed annually. The charter is available on our website at www.sanchezenergycorp.com. The information on our website is not incorporated by reference into this Proxy Statement.

Compensation Committee

Our Compensation Committee currently consists of a total of three directors, Messrs. Colvin (Chair), Garcia and Jackson, each of whom the Board has determined to be an "independent director" as defined by the NYSE rules.

Edgar Filing: Sanchez Energy Corp - Form PRE 14A

Our Compensation Committee is authorized to:

review and approve the Company's goals and objectives relative to the compensation of the Company's Chief Executive Officer (collectively, the "**Performance Goals**"), annually evaluate the CEO's performance in light of the Performance Goals and, based on this evaluation, determine the CEO's compensation; provided, however, that, for any compensation for which the costs are allocated to the Company pursuant to the services agreement with SOG, the Compensation Committee assists the Board or the Audit Committee in reviewing the reasonableness of the allocated costs;

review and approve the compensation of the other executive officers; provided, however, that, for any compensation for which the costs are allocated to the Company pursuant to the services agreement with SOG, the Compensation Committee assists the Board or the Audit Committee in reviewing the reasonableness of the allocated costs;

administer the Company's equity-based compensation plan, including the grant of stock options and other equity awards under such plan;

review and make recommendations to the Board with respect to director compensation; and

in consultation with senior management, recommend to the Board for approval the Company's general compensation philosophy and objectives.

For a description of the services agreement with SOG, please read "Transactions with Related Persons."

The Compensation Committee is delegated all authority of the Board as may be required or advisable to fulfill the purposes of the Compensation Committee. The Compensation Committee may form and delegate some or all of its authority to subcommittees when it deems appropriate. Meetings may, at the discretion of the Compensation Committee, include members of the Company's management, other members of the Board, consultants or advisors, and such other persons as the Compensation Committee may determine.

The Compensation Committee's responsibilities are set forth in its charter which was approved by the Board on June 18, 2012 and is reviewed annually. The charter is available on our website at www.sanchezenergycorp.com. The information on our website is not incorporated by reference into this Proxy Statement.

Compensation Committee Interlocks and Insider Participation

Our Compensation Committee was established by the Board on June 18, 2012 and currently consists of Messrs. Colvin, Garcia and Jackson. The relationships of Mr. Jackson requiring disclosure pursuant to Item 404 of Regulation S-K ("*Item 404*") under the Exchange Act are described below under "Transactions with Related Persons."

As described above, the compensation decisions regarding our executive officers, other than awards under our Plan, are made by SOG, subject to the ability of our Board and/or Audit Committee to review, verify and dispute the reasonableness of such compensation pursuant to procedures set forth in the services agreement. The Compensation Committee may assist the Board or the Audit Committee in reviewing the reasonableness of the compensation for which the costs are allocated to the Company pursuant to the services agreement with SOG.

None of our executive officers serves, or has served, during the last completed fiscal year, on the compensation committee or board of directors of any other company that has one or more executive officers serving on our Compensation Committee or Board.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee currently consists of a total of four directors, Messrs. Colvin (Chair), Garcia and Jackson, each of whom the Board has determined to be an "independent director" as defined by the NYSE rules, and one non-independent director, Mr. Sanchez, III. As required by the NYSE's transition rules for a company that has ceased to qualify as controlled company, we expect to have a fully independent Nominating and Corporate Governance Committee by June 19, 2013, the one year anniversary of the date that the Company ceased to qualify as a controlled company.

Table of Contents

Our Nominating and Corporate Governance Committee assists our Board in evaluating potential new members of the Board, recommends committee members and structure, and advises the Board about corporate governance practices. The Nominating and Corporate Governance Committee recommends to the entire Board candidates for nomination to the Board. The Nominating and Corporate Governance Committee may also solicit ideas for possible candidates from a number of sources, including our executives, individuals personally known to members of the Board and executive search firms.

In evaluating candidates for director, the Nominating and Corporate Governance Committee seeks directors who will best represent the long-term interests of our stockholders. The Nominating and Corporate Governance Committee's view is that all directors should possess the highest personal and professional ethics, integrity and values. In evaluating the suitability of the candidates, the Nominating and Corporate Governance Committee takes into consideration such factors as it deems appropriate. These factors may include, among other things, issues of character, judgment, independence, age, expertise, diversity of experience, absence of conflicts of interest, length of service and other commitments. The Nominating and Corporate Governance Committee evaluates these factors, among others, and considers each individual candidate in the context of the current perceived needs of our Board as a whole and of any committees of the Board. Although we do not have a formal diversity policy, the Nominating and Corporate Governance Committee does consider diversity in evaluating candidates for Board membership. The Nominating and Corporate Governance Committee's objective in choosing candidates is to assemble membership for our Board as a whole as well as any committees of the Board that represents diverse viewpoints that will guide the Company effectively in pursuit of its strategic goals.

Although the Nominating and Corporate Governance Committee does not have a formal policy with regard to the consideration of any director candidates recommended by stockholders, the Nominating and Corporate Governance Committee will consider recommendations from stockholders of potential candidates for service on the Board. See "Stockholder Proposals" below for a description of the process by which stockholders may nominate directors for consideration by the Nominating and Corporate Governance Committee.

Because the Nominating and Corporate Governance Committee was formed in June 2012, the entire Board took action by unanimous written consent to appoint Mr. Colvin as a director in March 2012. The Nominating and Corporate Governance Committee took action by unanimous written consent in November 2012 to recommend that the Board appoint Mr. Sanchez, Jr. as Executive Chairman of the Board and Mr. Jackson as a director, and the entire Board appointed such persons by unanimous written consent in November 2012.

The Nominating and Corporate Governance Committee's responsibilities are set forth in its charter which was approved by the Board on June 18, 2012 and is reviewed annually. The charter is available on our website at www.sanchezenergycorp.com. The information on our website is not incorporated by reference into this Proxy Statement.

TRANSACTIONS WITH RELATED PERSONS

A "related person" means:

any person who is, or at any time during the applicable period was, one of our executive officers or one of our directors or is currently one of our nominees for director;

any person who is known by us to be the beneficial owner of more than 5% of our common stock;

any immediate family member of any of the foregoing persons, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law of a director, director nominee, executive officer or a beneficial owner of more than 5% of our common stock, and any person (other than a tenant or employee) sharing the household of such director, director nominee, executive officer or beneficial owner of more than 5% of our common stock;

any entity in which any of the foregoing persons serves as an executive officer or principal or in a similar position, or, in the case of a partnership, serves as a general partner or holds any position other than that of a limited partner;

In connection with the completion of our IPO, our Board adopted a written related party transactions policy for purposes of identifying, reviewing, assessing and approving Related Party Transactions. Pursuant to our related party transactions policy, the Audit Committee reviews all material facts of all Related Party Transactions and either approves or disapproves entry into the Related Party Transaction, subject to certain limited exceptions. In determining whether the Related Party Transaction is fair to the Company, the Audit Committee takes into account, among other factors, the following:

whether there is an appropriate business justification for the transaction;

the benefits that accrue to the Company as a result of the transaction;

whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances;

the impact of the transaction on a director's independence (in the event the related person is a director, an immediate family member of a director or an entity in which a director is a partner, shareholder or executive officer);

the extent of the related person's interest in the transaction;

the availability of other sources for comparable products or services;

whether it is a single transaction or a series of ongoing, related transactions; and

Table of Contents

whether entering into the transaction would be consistent with the Code of Business Conduct and Ethics.

Our related party transaction policy also requires that all Related Party Transactions required to be disclosed in our filings with the SEC be so disclosed in accordance with applicable laws, rules and regulations. There were no Related Party Transactions since the beginning of our last fiscal year that are required to be reported in "Transactions with Related Persons" where the procedures described above did not require review, approval or ratification or where these procedures were not followed.

Mr. Jackson, a member of our Board, is an employee of IBC, which provides insurance brokerage services on a commission basis to the Company and its affiliates. Glen S. Jackson, a brother of Mr. Jackson, is also an employee of IBC. Mr. Sanchez, Jr., our Executive Chairman of the Board, is a director of International Bancshares Corporation, the parent of IBC, and also a beneficial owner of International Bancshares Corporation's common stock. Both Alan G. Jackson and Glen S. Jackson received in fiscal 2012 a portion of the commissions paid to IBC by the Company and its affiliates. In connection with his appointment to the Board, Alan G. Jackson agreed to forgo all amounts that would otherwise become due to him related to payments by the Company and its affiliates to IBC after October 31, 2012. For the fiscal year ended December 31, 2012, the Company and its affiliates paid IBC commissions of approximately \$209,634. Of this amount, Alan G. Jackson received approximately \$37,240 and Glen S. Jackson received approximately \$15,353.

The description below of agreements with various members of the Sanchez Group and our directors and executive officers is a summary and, with respect to each such agreement, is qualified by reference to the terms of the agreement, each of which was filed as an exhibit to our Annual Report on Form 10-K for the fiscal year ended December 31, 2012. We encourage you to read the full text of these agreements. These agreements have been negotiated among affiliated parties and, consequently, are not the result of arms' length negotiations. The prices and other terms of these agreements may be less favorable to us than those we could have obtained in arm's-length negotiations with unaffiliated third parties for similar services or under similar agreements.

Concurrently with the closing of our IPO, we entered into a services agreement with SOG pursuant to which specified employees of SOG, including our executive officers, provide certain services to us with respect to our business under the direction, supervision and control of SOG. We reimburse SOG for the provision of services to us, including those provided by our executive officers, at a price equal to SOG's cost of providing such services, including all direct costs and indirect administrative and overhead costs (including the allocable portion of salary, bonus, incentive compensation and other amounts paid to persons that provide the services on SOG's behalf) allocated in accordance with SOG's regular and consistent accounting practices, including for any such costs arising from amounts paid directly by other members of the Sanchez Group on SOG's behalf or borrowed by SOG from other members of the Sanchez Group, in each case in connection with the performance by SOG of services on our behalf. We also reimburse SOG for sales, use or other taxes, or other fees or assessments imposed by law in connection with the provision of services to us (other than income, franchise or margin taxes measured by SOG's net income or margin and other than any gross receipts or other privilege taxes imposed on SOG) and for any costs and expenses arising from or related to the engagement or retention of third party service providers. For the year ended December 31, 2012, we reimbursed SOG approximately \$11.7 million for administrative and overhead expenses, including incremental costs and expenses we incurred as a result of being a publicly traded corporation.

In connection with the services agreement, we entered into a licensing agreement with SOG pursuant to which it granted to us a license to the unrestricted proprietary seismic, geological and geophysical information related to our properties owned by SOG, and all such information related to our properties not otherwise licensed to us is to be interpreted and used by SOG for our benefit under the licensing agreement. In addition, also in connection with the services agreement, SOG entered into

a contract operating agreement under which it agreed to develop, manage and operate our properties or engage a responsible unaffiliated industry operator and joint owner for such development, management and operation. No costs, fees or other expenses are payable by us under these agreements to the extent that they are included in the fee payable to SOG under the services agreement. The licensing agreement and contract operating agreement terminate concurrently with the termination or expiration of the services agreement.

Under the services agreement, we are entitled to indemnification for certain liabilities, and are required to indemnify SOG and its affiliates for certain liabilities. SOG is required to indemnify us for third party infringement or misappropriation claims relating to the services performed by SOG or the data or other information provided to us or used by SOG in connection with the services, the licensing agreement or our operations based on the services provided by SOG. We, on the other hand, are otherwise required to indemnify SOG and its affiliates from liabilities relating to the services or products provided to us by SOG or our agreements with SOG, to the extent not directly caused by the gross negligence or willful misconduct of SOG or its affiliates. The initial term of the services agreement is five years. The term automatically extends for additional 12-month periods unless either party provides 180 days written notice otherwise prior to the expiration of the applicable 12-month period. Either party may terminate the agreement at any time upon 180 days written notice.

In connection with our Contribution, Conveyance and Assumption Agreement with SEP I, pursuant to which SEP I contributed 100% of its limited liability company interests in SEP Holdings III, LLC to us in exchange for a cash payment of \$50 million and the issuance by us of 22,090,909 shares of our common stock, and the closing of our IPO, we entered into a registration rights agreement with SEP I. Following the distributions in June 2012 and September 2012 of substantially all of our common stock that it held, SEP I assigned the rights under the registration rights agreement related to the shares that it distributed, to the extent that the shares constituted "Registrable Securities" (as defined in the registration rights agreement), including with respect to the shares distributed to SEP Management, SOG, San Juan and Sanexco. As an original party to the registration rights agreement, SEP I remains entitled to the benefits of this agreement to the extent that it continues to hold Registrable Securities. Under the registration rights agreement, persons holding Registrable Securities have certain demand, piggyback and Form S-3 registration rights relating to the resale of Registrable Securities pursuant to which we are required to use our best efforts to effect the registration of such Registrable Securities on the applicable form or to include such Registrable Securities in such registration or offering on the same terms and conditions as such other securities being registered, as applicable. These registration rights are subject to conditions and limitations, including the total number of demand registrations that we are required to effect, the right of the managing underwriter or underwriters to limit the number of shares to be included in a registration and our right to delay or withdraw a registration statement under specified circumstances. We are to pay all expenses relating to any demand, piggyback or Form S-3 registration, except for any underwriter or brokers' discounts or commissions. We also agreed to indemnify the holders of Registrable Securities with respect to certain liabilities under the securities laws in connection with registrations pursuant to the registration rights agreement.

In connection with the appointment of our executive officers and directors, we entered into indemnification agreements with each of our directors and executive officers. These indemnification agreements require us to, among other things, indemnify these individuals against certain liabilities that may arise in connection with their status or service as one of our directors or executive officers or in their capacity at other specified entities at which they serve at our request and to advance their expenses incurred as a result of any proceeding for which they may be entitled to indemnification. These indemnification agreements are intended to provide indemnification rights to the fullest extent permitted under the Delaware General Corporation Law (the "**DGCL**") and are in addition to any other rights these individuals may have under our organizational documents or applicable law.

**ITEM TWO. APPROVAL OF AN AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO
ADD THE DIRECTOR EXCULPATION PROVISION**

Section 102(b)(7) of the DGCL permits a Delaware corporation to include in its certificate of incorporation a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages resulting from certain breaches of the director's fiduciary duties to the corporation. The Board has adopted a resolution to amend the Certificate of Incorporation to provide for the elimination of personal liability of a director to the Company and its stockholders for monetary damages to the fullest extent permitted by law. To be effective, the amendment must be adopted by the stockholders in the manner described in this Proxy Statement. The amendment would add Article X to the Certificate of Incorporation. The text of the proposed Article X is attached as *Appendix A* to this Proxy Statement.

Background and Reasons for the Proposed Amendment

In order for a corporation to function properly, the directors of the corporation must be able to exercise independent business judgment without the fear of being second-guessed by courts and held liable for mistakes of judgment or ordinary negligence. The risk of investigations, claims, actions, suits or proceedings (including derivative actions) seeking to impose liability on directors of corporations is not uncommon. In this environment, an individual may conclude that the potential exposure to the costs and risks of proceedings in which the individual may become involved as a director exceed any benefit to the individual from serving as a director. The Board believes that, for this reason, provisions similar to the Director Exculpation Provision are routinely included in the certificates of incorporation of publicly traded Delaware corporations.

As protection against unwarranted litigation expenses and unforeseen liabilities, the DGCL allows Delaware corporations to eliminate or limit directors' personal monetary liability for certain breaches of fiduciary duties by including such a provision in their certificate of incorporation. Under Delaware law, such a provision may provide that a director is not personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for:

any breach of the director's duty of loyalty to the corporation or its stockholders;

acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

any transaction from which the director derives an improper personal benefit; or

unlawful dividends or unlawful stock repurchases or redemptions under Section 174 of the DGCL.

The Board believes that amending the Certificate of Incorporation to add the Director Exculpation Provision would reduce the costs and risks related to serving as a director of the Company and increase the Company's ability to continue to attract and retain qualified individuals to serve as directors.

Material Effects of Proposed Amendment

The Director Exculpation Provision would protect the Company's directors against personal liability to the Company and its stockholders for monetary damages for certain breaches of fiduciary duty. However, as indicated above, directors would remain liable for breaches of their duty of loyalty to the Company and its stockholders, for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, and for transactions from which a director derives an improper personal benefit. Also, the Director Exculpation Provision would not absolve directors of liability under Section 174 of the DGCL, which imposes liability on directors for unlawful dividends, stock repurchases or redemptions. Finally, the Director Exculpation Provision would not eliminate or

Table of Contents

limit the liability of directors arising in causes of action brought under federal laws, including federal securities laws.

While the Director Exculpation Provision would protect directors from awards of monetary damages for certain breaches of fiduciary duty, it would not eliminate a director's fiduciary duty. In other words, a director is still required to exercise appropriate diligence, act in good faith and otherwise comply with the standards of Delaware corporation law in carrying out the director's duties. Accordingly, the Director Exculpation Provision would have no effect on the availability of equitable remedies such as an injunction or rescission based on a director's breach of fiduciary duty.

Also, under Section 102(b)(7) of the DGCL, the Director Exculpation Provision would not eliminate or limit the liability of a director for any act or omission occurring prior to the amendment becoming effective, so directors would remain potentially liable for monetary damages in connection with any acts or omissions occurring prior to the effectiveness of the amendment. The Director Exculpation Provision would provide that any repeal or modification of the Director Exculpation Provision would be prospective only and would not adversely affect any limitation on the personal liability of a director of the Company existing at the time of any such repeal or modification.

The Director Exculpation Provision does not limit director liability for a director's actions or omissions in a capacity other than as a director. For example, the Director Exculpation Provision does not apply to officers, employees or agents, except to the extent that a director acting as in his capacity as a director also happens to be an officer, employee or agent. However, a director who is also an officer is not exempted from liability for actions taken by the director in his capacity as an officer.

If the stockholders approve the amendment to the Certificate of Incorporation to add the Director Exculpation Provision, the amendment will become effective upon the filing of a certificate of amendment to the Certificate of Incorporation with the Secretary of State of the State of Delaware. Under the DGCL, stockholders will not be entitled to dissenter's rights with respect to the proposed amendment to the Certificate of Incorporation to add the Director Exculpation Provision.

The Board unanimously recommends that stockholders vote FOR amending the Certificate of Incorporation to add a director exculpation provision.

Table of Contents**ITEM THREE. RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS**

The Audit Committee of the Board has selected BDO USA, LLP as the independent auditors of the Company for 2013. BDO USA, LLP has audited the Company's consolidated financial statements since its inception on August 22, 2011.

The Board is submitting the selection of BDO USA, LLP for ratification at the Annual Meeting. The submission of this matter for approval by stockholders is not legally required, but the Board and the Audit Committee believe the submission provides an opportunity for stockholders through their vote to communicate with the Board and the Audit Committee about an important aspect of corporate governance. If the stockholders do not ratify the selection of BDO USA, LLP, the Audit Committee will reconsider the selection of that firm as the Company's auditors.

The Audit Committee has the sole authority and responsibility to retain, evaluate and replace the Company's auditors. The stockholders' ratification of the appointment of BDO USA, LLP does not limit the authority of the Audit Committee to change auditors at any time.

For the year ended December 31, 2012, these fees were for consultation concerning our long-term incentive plan. There were no audit-related fees incurred during the year ended December 31, 2011.
- (3) Tax fees include fees for professional services performed by our principal accountant for tax compliance, including the preparation of tax returns, and tax advice and tax planning.

The charter of the Audit Committee requires that the Audit Committee review and pre-approve the plan and scope of BDO USA, LLP's audit, tax and other services. After December 19, 2011, the date of the Company's IPO, the Audit Committee pre-approved 100% of the services described above under the captions "Audit Fees," "Audit-Related Fees" and "Tax Fees."

The Company expects that representatives of BDO USA, LLP will be present at the Annual Meeting to respond to appropriate questions and to make a statement if they desire to do so.

The Board unanimously recommends that stockholders vote FOR the ratification of the selection of BDO USA, LLP as the auditors of the Company for 2013.

APPENDIX A

PROPOSED ARTICLE X TO THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION OF SANCHEZ ENERGY CORPORATION

**ARTICLE X
LIMITATION OF DIRECTOR LIABILITY**

To the fullest extent that the DGCL or any other law of the State of Delaware as the same exists or is hereafter amended permits the limitation or elimination of the liability of directors, no person who is or was a director of the Corporation shall be personally liable to the Corporation or any of its stockholders for monetary damages for breach of fiduciary duty as a director. Any repeal or amendment of this Article X by the stockholders of the Corporation or by changes in law, or the adoption of any other provision of this Certificate inconsistent with this Article X will, unless otherwise required by law, be prospective only (except to the extent such amendment or change in law permits the Corporation to further limit or eliminate the liability of directors) and shall not adversely affect any right or protection of a director of the Corporation existing at the time of such repeal or amendment or adoption of such inconsistent provision with respect to acts or omissions occurring prior to such repeal or amendment or adoption of such inconsistent provision.
