PROXY STATEMENT

2015 ANNUAL MEETING OF STOCKHOLDERS

The Board of Directors (the "**Board**") of Sanchez Energy Corporation (the "**Company**," "**we**," "**us**" or "**our**") requests your Proxy ("**Proxy**") for the Annual Meeting of Stockholders (the "**Annual Meeting**") that will be held on Thursday, May 21, 2015, at 9:00 a.m., Central Time, at the Four Seasons Hotel Houston at 1300 Lamar Street, Houston, Texas 77010 in the Austin Room. By granting the Proxy, you authorize the persons named on the Proxy to represent you and vote your shares at the Annual Meeting. Those persons will also be authorized to vote your shares, to adjourn the Annual Meeting from time to time and to vote your shares at any adjournments or postponements of the Annual Meeting.

If you attend the Annual Meeting, you may vote in person. If you would like to attend the Annual Meeting and vote in person, you may contact us at (713) 783-8000 for directions to the Annual Meeting. If you are not present at the Annual Meeting, your shares may be voted only by a person to whom you have given a proper Proxy. You may revoke the Proxy in writing at any time before it is exercised at the Annual Meeting by delivering to the Secretary of the Company a written notice of the revocation, by submitting your vote electronically through the internet or by telephone after the grant of the Proxy, or by signing and delivering to the Secretary of the Company a Proxy with a later date. Your attendance at the Annual Meeting will not revoke the Proxy unless you give written notice of revocation to the Secretary of the Company before the Proxy is exercised or unless you vote your shares in person at the Annual Meeting.

STOCKHOLDERS OF RECORD AND BENEFICIAL OWNERS

Most of the Company's stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholders of Record. If your shares are registered directly in your name with the Company's transfer agent, you are considered the stockholder of record with respect to those shares, and this proxy statement (the "**Proxy Statement**") is being sent directly to you by our agent. As a stockholder of record, you have the right to vote by proxy or to vote in person at the Annual Meeting. The proxy materials include a proxy card or a voting instruction card for the Annual Meeting.

Beneficial Owners. If your shares are held in a brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name," and this Proxy Statement will be forwarded to you by your broker or nominee. The broker or nominee is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker or nominee how to vote. The proxy materials include a proxy card or a voting instruction card for the Annual Meeting.

QUORUM AND VOTING

Voting Stock. The Company's common stock, par value \$0.01 per share, is the only class of securities that entitles holders to vote generally at meetings of the Company's stockholders. Each share of common stock outstanding on the record date is entitled to one vote.

Table of Contents

Record Date. The record date for stockholders entitled to notice of and to vote at the Annual Meeting was the close of business on April 15, 2015. As of the record date, 61,080,669 shares of common stock were outstanding and entitled to be voted at the Annual Meeting.

Quorum and Adjournments. The presence, in person or by Proxy, of the holders of a majority of the outstanding shares entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting.

If a quorum is not present, the chairman of the Annual Meeting may adjourn the Annual Meeting from time to time to reconvene at the same or some other place. Notice need not be given of any such adjourned meeting if the date, time and place, if any, thereof, and the means of remote communication, if any, by which stockholders and proxyholders may be deemed to be present in person and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken. At any adjourned meeting of stockholders at which a quorum is present, any business may be transacted that might have been transacted at the meeting of stockholders as originally notified. If the adjournment is for more than 30 days, notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. If after the adjournment, a new record date for stockholders entitled to vote is fixed for the adjourned meeting, the Board shall fix a new record date for notice of such adjourned meeting, and shall give notice of the adjourned meeting to each stockholder of record entitled to vote at such adjourned meeting as of the record date fixed for notice of such adjourned meeting.

Vote Required. The Class III directors will be elected by the affirmative vote of the holders of a plurality of the shares present in person or by proxy at the Annual Meeting and entitled to be voted at the Annual Meeting. The vote to amend the Company's Amended and Restated 2011 Long Term Incentive Compensation Plan (the "*Plan*") to increase the number of shares available for incentive awards under the Plan by 4,000,000 shares of common stock (the "*Plan Amendment*"), the advisory vote to approve our executive compensation, the advisory vote on the frequency of future advisory votes on our executive compensation and ratification of the selection of the Company's auditors will require the affirmative vote of the holders of a majority of the shares present in person or by proxy at the Annual Meeting and entitled to be voted at the Annual Meeting. An automated system that Continental Stock Transfer & Trust Company ("*Continental*") administers will tabulate the votes.

Brokers who hold shares in street name for customers are required to vote shares in accordance with instructions received from the beneficial owners. Brokers are permitted to vote on discretionary items if they have not received instructions from the beneficial owners, but they are not permitted to vote (a "*broker non-vote*") on non-discretionary items absent instructions from the beneficial owner. Brokers do not have discretionary voting authority with respect to any matters to be voted on at the Annual Meeting except the ratification of the selection of the Company's auditors.

Abstentions and broker non-votes will count in determining whether a quorum is present at the Annual Meeting. For purposes of the election of the Class III directors, withheld votes will be included in the number of shares voting and will have the effect of a vote against the election of a director; however, broker non-votes will not have any effect on the outcome of the director elections. For purposes of voting on the Plan Amendment, the advisory vote to approve our executive compensation and the advisory vote on the frequency of future advisory votes on our executive compensation, abstentions will be included in the number of shares voting and will have the effect of a vote against the proposal; however, broker non-votes will not have any effect on the outcome of voting for these proposals. For purposes of voting on the ratification of the selection of the Company's auditors, abstentions will be included in the number of shares voting and will have the effect of a vote against the proposal.

Mr. Sanchez, Jr. is the father of Mr. Sanchez, III, our President and Chief Executive Officer and member of the Board.

Antonio R. Sanchez, III has served as our President and Chief Executive Officer since our formation in August 2011 and has been directly involved in the oil and gas industry for over 15 years. Mr. Garcia started his professional career with Salomon Brothers specializing in mortgage-backed securities. Mr. Garcia received his Bachelor of Arts degree in Economics from Yale University. We believe that Mr. Garcia is well qualified to serve as a member of our Board. With respect to our executive officers' compensation for which the costs are allocated to us pursuant to the services agreement, SOG has responsibility and authority for such compensation, and our Board and/or Audit Committee are solely able to review, verify and dispute the reasonableness of such allocated costs pursuant to procedures set forth in the services agreement. Our Compensation Committee may assist the Board or the Audit Committee in reviewing the reasonableness of the compensation for which the costs are allocated to the Company pursuant to the services agreement. With the exception of grants under the Plan, the amounts reflected in the "Summary Compensation Table" below were subject to approvals by our Board and/or Audit Committee solely to the extent of their ability to review, verify and dispute the reasonableness of such amounts under the services agreement (with the assistance, if so requested by our Board and/or Audit Committee, of our Compensation Committee with respect to a review for reasonableness under the terms of the services agreement). The Board and/or Audit Committee reviewed and verified the reasonableness of the amounts reflected in the "Summary Compensation Table" below that were allocated to the Company by SOG pursuant to the services agreement. Awards under our Plan are made by our Board or Compensation Committee.

For fiscal 2014, 2013 and 2012, pursuant to the terms of the services agreement, SOG allocated to us the costs related to the salaries, benefits, bonuses and any other amounts paid to our named executive officers based on the proportion of time that the named executive officers spent working on our matters relative to those of members of the Sanchez Group. While the exact proportion of time that our executive officers spend working on our matters relative to those of members of the Sanchez Group is expected to vary from year to year, we expect that each of our executive officers will spend approximately 75% - 90% of their time working on our matters and we expect the costs that SOG charges to us to reflect this allocation of time.

Compensation Highlights for 2014

In light of our strong performance highlighted above, the following is a summary of key compensation actions taken by SOG and/or the Company for the named executive officers with respect to our 2014 performance:

Cash Bonus Approved cash bonus awards for named executive officers based on the Company's and individuals' accomplishments.

Long-Term Equity Incentives Approved grants of restricted stock vesting over three years based on the Company's and individuals' accomplishments.

In addition to these compensation elements, the compensation program also includes other features that we believe are consistent with strong governance practices, including:

both SOG and we perform an annual risk assessment of our compensation program; and

our Compensation Committee has engaged an independent compensation consultant to advise it on executive compensation.

Our Compensation Philosophy

SOG designs our executive compensation to attract and retain individuals with the background and skills necessary to successfully execute our business model in a demanding environment, to motivate those individuals to reach near-term and long-term goals in a way that aligns their interest with that of our stockholders, and to reward success in reaching such goals. We use a program emphasizing variable annual cash compensation and long-term equity-based compensation to reward for Company and individual performance achievements. We believe this pay-for-performance approach generally aligns the interests of executive officers who provide services to us with that of our stockholders, and at the same time enables us to maintain a lower level of base salary overhead in the event our operating and financial performance fail to meet expectations.

Role of Compensation Consultants

Starting in late 2014, the Compensation Committee has engaged Meridian Compensation Partners, LLC ("*Meridian*") as its independent consultant with respect to compensation matters involving the Company's executive officers. Meridian reports directly to the Compensation Committee, which has authority under its charter to retain compensation consultants at the Company's expense, although its representatives may also meet with management from time to time. The Compensation Committee did not direct Meridian to perform its services in any particular manner or under any particular method. The Compensation Committee evaluates the compensation consultant annually to determine its independence, and the Compensation Committee has determined that no conflicts of interest exist with respect to Meridian's consulting services for 2014. Due to the limited time period that Meridian was engaged by the Compensation Committee in the 2014 year, the services that Meridian provided to the Compensation Committee were not a material factor in any compensation decisions made in the 2014 year. Going forward, the Compensation Committee expects that Meridian will assist it in creating a more formalized method of identifying appropriate peer groups and assessing whether the compensation program for our named executive officers is in line with that peer group.

Table of Contents

Use of Market Data and Peer Comparisons

As part of the compensation setting process for the 2014 year, SOG: (i) examined the compensation practices of our peer companies, (ii) reviewed compensation information from the oil and gas industry generally to the extent we compete for executive talent from a broader group than our general peer companies, (iii) reviewed and participated in relevant compensation surveys and (iv) relied on advice provided by our compensation consultant. However, SOG did not benchmark compensation to a specific peer group during the 2014 year, nor was a specific peer group compiled and used for any specific compensation decision. When we use the term "peer group" throughout the remainder of the compensation discussions, the term is used to refer generally to other companies that we estimate we are competing with for executive talent, rather than any specific group of companies that were used to benchmark compensation for the 2014 year.

Historically, SOG has relied on energy industry compensation studies performed annually by Effective Compensation, Incorporated ("*Effective*") to assess and benchmark its compensation and benefits policies and practices with those of its peers. For our Board's and Audit Committee's review and verification of the allocated portion of our executive officers' compensation for fiscal 2014 (with the assistance of our Compensation Committee with respect to a review for reasonableness under the terms of the services agreement), our Board and our Compensation Committee also relied on (i) the 2014 energy industry compensation study performed by Effective and (ii) the advice and recommendations of Meridian.

On a going forward basis, we expect that Meridian will assist the Compensation Committee with creating a more definitive peer group in order to compare our executive compensation program with that of appropriate competitors. The Compensation Committee does not currently expect to strictly benchmark our compensation program to any particular peer group, but it believes that targeting compensation within general ranges of the compensation levels at applicable peers will be beneficial to our ability to provide a competitive compensation program, and it will further assist us in recruiting and maintaining talented executive officers.

Role of Executive Officers

Our Executive Chairman of the Board and our President and Chief Executive Officer annually review the performance of our named executive officers and make recommendations to the Compensation Committee regarding compensation.

Elements of Executive Compensation

There are three primary elements of compensation that are used in our executive compensation program base salary, cash bonus and long-term equity incentive awards. Cash bonuses and equity incentive awards (as opposed to base salary) represent the performance driven elements of the compensation program. They are also flexible in application and can be tailored to meet our objectives for the applicable year, as we do not currently have any policies regarding the allocation of compensation between either long- or short-term compensation, or cash and non-cash compensation. The determination of specific individuals' cash bonuses will reflect their relative contribution to achieving or exceeding annual goals, and the determination of specific individuals' long-term incentive awards will be based on their expected contribution in respect of longer term performance objectives. Incentive compensation in respect of services provided to us will not be tied in any material way to the performance of entities other than us and our subsidiaries. Specifically, any performance metrics will not be tied to the performance of SOG or any other members of the Sanchez Group.

Although we bear an allocated portion of the costs of compensation and benefits provided to the SOG employees who serve as our named executive officers, we have no control over such costs, and we do not establish or direct the compensation policies or practices of SOG. Each of these executive

Table of Contents

officers continues to perform services for us, as well as for SOG and other members of the Sanchez Group.

Base Salary. We believe the base salaries for our named executive officers are generally competitive within our peer group, but are moderate relative to base salaries paid by companies with which we compete for similar executive talent across the broad spectrum of the energy industry. We do not expect automatic annual adjustments to be made to base salaries. SOG reviews the base salaries on an annual basis and may make adjustments as necessary to maintain a competitive executive compensation structure. As part of its review, SOG examines the compensation of executive officers in similar positions with similar responsibilities at peer companies identified by SOG or our Board or at companies within the oil and gas industry with which we generally compete for executive talent.

Bonus Awards. Annual bonus awards are discretionary and determined based on financial and individual performance. SOG reviews bonus awards for our named executive officers annually to determine award payments for the current fiscal year.

Long Term Incentive Compensation. We have adopted the Plan for our employees, officers, consultants and directors who perform services for us. Each of our named executive officers is eligible to participate in our Plan. The portion of that compensation to be granted under our Plan will be granted by our Board or Compensation Committee. Our Plan is administered by our Board or Compensation Committee.

Our Plan allows for the grant of restricted shares, phantom shares, share options, share appreciation rights and other share-based awards. The purpose of awards under our Plan is to provide additional incentive compensation to employees providing services to us, and to align the economic interests of such employees with the interests of our stockholders. Our Plan currently limits the number of shares that may be delivered under the Plan to 15% of the issued and outstanding shares of the Company's common stock. However, if the Company's stockholders vote to approve the Plan Amendment in Item Two, the number of shares that may be delivered under the Plan will be increased by 4,000,000 shares of the Company's common stock.

Neither the Board nor the Compensation Committee have adopted a formal policy regarding the timing of grants of equity-based awards, but Plan awards are generally approved and granted during the first quarter of each year. On occasion the Board or the Compensation Committee approves awards for newly hired employees, newly promoted employees, or other key employees during other times of the year. During the 2014 year, the named executive officers received their Plan awards during the first quarter of the 2014 year, and Mr. Heinson received his Plan awards in connection with his appointment as a named executive officer.

During the year ended December 31, 2014, our named executive officers were granted awards of restricted shares as indicated in the following table:

Award Recipient	Aggregate Number of Restricted Shares
Antonio R. Sanchez, III	250,000
A.R. Sanchez, Jr.	350,000
Michael G. Long	100,000
Christopher D. Heinson	60,000
Kirsten A. Hink	18,000

Our Board or Compensation Committee determines any awards made under our Plan. With regard to the awards made during 2014, the Board or the Compensation Committee took a number of factors into account, including:

our financial and operational performance for fiscal 2014 (including significant increases in proved reserves, average daily production and Adjusted EBITDA);

the significant number of completed transactions in fiscal 2014 (including two acquisitions, one public equity offering and two debt offerings);

the significant demand in Houston and worldwide for experienced oil and gas executives;

information gathered by the Board regarding compensation paid to executives at other public oil and gas production companies; and

the Board's impression of the performance of the individual executives.

For any subsequent year, the Board or the Compensation Committee, if applicable, may take similar factors into account, and may also consider other factors that it deems relevant at the time of determination.

The awards were made pursuant to our Plan and restricted stock agreements with each award recipient. The awards are subject to restrictions on transferability and a substantial risk of forfeiture and are intended to retain and motivate members of our management. Award recipients have all the rights of a stockholder in us with respect to the restricted shares, including the right to receive dividends thereon if and when distributions are made by us to our stockholders. With respect to any officers except Messrs. Sanchez, III, Sanchez, Jr. and Long, the restricted shares vest in substantially equal installments and the forfeiture restrictions will lapse on the first, second and third anniversaries of the date of grant, so long as the award recipient remains in our continuous service. With respect to Messrs. Sanchez, III and Sanchez, Jr., the restricted shares vest in substantially equal installments and the forfeiture restrictions will lapse on the first and second anniversaries of the date of grant, so long as Messrs. Sanchez, III and Sanchez, Jr. remain in our continuous service. Mr. Long plans to retire from the Company effective April 30, 2015. In connection with Mr. Long's upcoming resignation, the Company and Mr. Long entered into the Voluntary Retirement Agreement and General Release, dated March 10, 2015 (the "**Retirement Agreement**"). Pursuant to the Retirement Agreement, the Company agreed, among other things, to amend Mr. Long's outstanding awards of restricted stock to become fully vested upon his date of retirement.

With respect to any award recipient except Messrs. Sanchez, III and Sanchez, Jr., if an award recipient's service with us or our affiliates is terminated prior to full vesting of the restricted shares for any reason (except in connection with the occurrence of a Change in Control), then the award recipient will generally forfeit all unvested restricted shares. Upon the occurrence of a Change in Control, all unvested restricted shares will immediately become vested in full (including in the case of a termination in connection with the occurrence of a Change in Control). In addition to the immediate vesting in connection with a Change in Control discussed above, if Messrs. Sanchez, III's or Sanchez, Jr.'s service with us or one of our affiliates is terminated prior to full vesting of the restricted shares due to (i) a Qualifying Termination, (ii) Constructive Termination, or (iii) Messrs. Sanchez, III's or Sanchez, Jr.'s death or disability, in each case, all of Messrs. Sanchez, III's or Sanchez, Jr.'s respective unvested restricted shares will immediately become vested in full. For a more detailed description of the vesting schedules and applicable acceleration or forfeiture events applicable to the restricted stock awards, as well as a definition of all capitalized terms, see the section below titled "Potential Payments Upon Termination or Change in Control."

Notwithstanding the above, pursuant to the terms of the applicable restricted stock agreement, the Compensation Committee may, at its sole discretion, choose to accelerate the vesting of an award of

Table of Contents

restricted shares at any time. The restricted stock agreements also specifically provide that the Plan administrator retains the authority to accelerate the vesting of a Plan award upon a participant's death, but that decision will be made on a case by case basis.

Severance and Change in Control Benefits. In connection the Retirement Agreement entered into with Mr. Long in connection with his upcoming resignation, the Company agreed, among other things, to (i) pay Mr. Long a prorated bonus of approximately \$183,000 in a lump-sum cash payment, assuming Mr. Long retires on April 30, 2015 and (ii) amend Mr. Long's outstanding awards of restricted stock to become fully vested upon his date of retirement. In exchange, Mr. Long provided a customary general release of claims against the Company and its affiliates, including claims relating to severance, and agreed to customary confidentiality provisions along with a 12-month non-competition period. Mr. Long also agreed to serve as a consultant to the Company and its affiliates for a period of one year.

Other than the Retirement Agreement with Mr. Long discussed above and the Change in Control benefits provided under the Plan and the restricted stock agreements discussed in " Long Term Incentive Compensation" and "Potential Payments Upon Termination or Change in Control," we do not provide any other severance or change of control benefits to our executive officers.

Other Benefits. SOG does not maintain a defined benefit pension plan for its executive officers, because it believes such plans primarily reward longevity rather than performance. SOG provides a basic benefits package generally to all employees, which includes a 401(k) plan and health, disability and life insurance. SOG employees who provide services to us under the service agreement remain entitled to the same basic benefits from SOG.

Employment Agreements

Neither SOG nor the Company has entered into any employment agreements with any of our named executive officers.

Deductibility of Compensation

Compensation income attributable to the vesting of time-based restricted stock is not performance-based as defined in Section 162(m) of the Internal Revenue Code of 1986, as amended (the "*Code*"), and therefore the related compensation expense is not deductible under that section to the extent that, together with other compensation attributed to a covered executive officer (generally the Chief Executive Officer and our three most highly compensated officers other than the Chief Financial Officer) in the applicable year that is not performance-based, such income exceeds \$1,000,000. SOG has paid, and may continue to pay, non-deductible compensation in order to preserve its ability to structure the executive compensation program to meet the objectives discussed herein, including to reward individual and team performance.

Relation of Compensation Policies and Practices to Risk Management

SOG's compensation policies and practices are designed to provide rewards for short-term and long-term performance, both on an individual basis and at the entity level. In general, optimal financial and operational performance, particularly in a competitive business, requires some degree of risk-taking. Accordingly, the use of compensation as an incentive for performance can foster the potential for management and others to take unnecessary or excessive risks to reach performance thresholds that qualify them for additional compensation.

From a risk management perspective, our policy is to conduct our commercial activities within pre-defined risk parameters that are closely monitored and are structured in a manner intended to

Table of Contents

control and minimize the potential for unwarranted risk-taking. We also routinely monitor and measure the execution and performance of our projects and acquisitions relative to expectations.

SOG's compensation arrangements along with our Plan contain a number of design elements that serve to minimize the incentive for taking unwarranted risk to achieve short-term, unsustainable results. Those elements include delaying the rewards and subjecting such rewards to forfeiture for terminations related to violations of its risk management policies and practices or of our Code of Business Conduct and Ethics.

In combination with our risk-management practices, we do not believe that risks arising from SOG's compensation policies and practices for its employees are reasonably likely to have a material adverse effect on us.

Compensation Committee Report

The Compensation Committee of our Board of Directors has reviewed and discussed the Compensation Discussion and Analysis set forth above. Based on this review and discussion, the Compensation Committee of our Board of Directors has approved the Compensation Discussion and Analysis for inclusion in this Proxy Statement.

Potential Payments Upon Termination or Change in Control

Awards under our Plan will vest and/or become exercisable, as applicable, upon a "change of control" of us, as determined by the plan administrator. Under our Plan, a "change of control" will be deemed to have occurred upon one or more of the following events (i) any "person" or "group" within the meaning of those terms as used in Sections 13(d) and 14(d)(2) of the Securities Exchange Act of 1934, as amended (the "*Exchange Act*"), other than a Sanchez Group Member (as defined in the Plan), shall become the beneficial owner, by way of merger, consolidation, recapitalization, reorganization or otherwise, of 50% or more of the combined voting power of the equity interests in the Company; (ii) the shareholders of the Company approve and implement, in one or a series of transactions, a plan of complete liquidation of the Company; or (iii) the sale or other disposition by the Company of all or substantially all of its assets in one or more transactions to any person other than a Sanchez Group Member.

In addition to the "change of control" vesting noted above, the restricted stock granted from the Plan to each of Messrs. Sanchez, III and Sanchez, Jr., shall automatically vest upon the occurrence of the following events (each term of which is defined below): a Qualifying Termination, Constructive Termination or the executive's death or Disability. A "Qualifying Termination" is generally defined as a termination by the us or one of our affiliates, other than due to the executive's commission of, conviction for, or plea of guilty or nolo contendere to a felony, or other material act or omission involving dishonesty or fraud, or gross negligence or willful malfeasance. A "Constructive Termination" is generally defined with respect to Mr. Sanchez, III, as the assignment of a duty or duties to him by the Board that are not commensurate with the position of Chief Executive Officer, the Board's material

reduction in his duties or any reduction in his title or position as Chief Executive Officer; with respect to Mr. Sanchez, Jr., the definition generally relates to the termination of the services agreement, other than by SOG causing us to terminate the services agreement. A "Disability" is defined in the Plan generally as an illness or injury that lasts at least six months and is expected to be permanent and renders the executive unable to carry out his required duties.

Notwithstanding the three-year pro-rata vesting period for Mr. Heinson's and Ms. Hink's restricted stock and the full vesting of Mr. Long's restricted stock on April 30, 2015, in the event of Messrs. Long's or Heinson's or Ms. Hink's death prior to a vesting event, the Committee (as defined in the Plan) may, but is not obligated to, accelerate the vesting of any or all of the shares of restricted stock.

The following table quantifies our best estimates as to the amounts that each of our named executive officers would be entitled to receive upon a change of control event, or a termination event, as applicable, assuming that such event occurred on December 31, 2014 and using our closing stock price on such date of \$9.29. The precise amount that each of our named executive officers would receive cannot be determined with any certainty until a change of control or a termination event has occurred. Therefore, such amounts should be considered "forward-looking statements." We have assumed for purposes of the table below that a termination of employment due to their death would result in an acceleration event.

Name	Change of Control	Qualifying Termination, Constructive Termination, Death or Disability
Antonio R. Sanchez, III	\$ 3,251,500	\$ 3,251,500
A.R. Sanchez, Jr.	4,645,000	4,645,000
Michael G. Long	1,672,200	1,672,200
Christopher D. Heinson	557,400	557,400
Kirsten A. Hink	222,960	222,960

On March 10, 2015, we entered into the Retirement Agreement with Mr. Long in order to formalize the compensation that Mr. Long will be entitled to receive in connection with his retirement. Due to his position as a valued member of our management team, we also desired to enter into the Retirement Agreement in order to formalize a consulting arrangement with Mr. Long after his retirement and to receive a non-compete agreement from Mr. Long. The Retirement Agreement states that the Company shall, among other things, (i) pay Mr. Long a prorated bonus of approximately \$183,000 in a lump-sum cash payment, assuming Mr. Long retires on April 30, 2015 and (ii) amend Mr. Long's outstanding awards of restricted stock to become fully vested upon his date of retirement. In exchange, Mr. Long provided a customary general release of claims against the Company and its affiliates, including claims relating to severance, and agreed to customary confidentiality provisions along with a 12-month non-competition period. Mr. Long also agreed to serve as a consultant to the Company and its affiliates for a period of one year.

2014 Director Compensation

We have not and do not expect to pay our directors who are also our officers any additional amounts for their service to us in their capacities as directors. Our current compensation package for our non-employee directors consists of both cash and equity compensation.

Edgar Filing: Sanchez Energy Corp - Form DEF 14A

Table of Contents

After a review of non-employee director compensation paid by our peer group, the Board approved compensation for our non-employee directors for fiscal 2014 as follows:

an annual cash retainer fee of \$60,000;

cash payments of \$1,000 for each Board and/or committee meeting attended via teleconference and cash payments of \$1,500 for each Board and/or committee meeting attended in person;

a committee chair fee for each chair of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee of \$15,000, \$10,000 and \$7,500, respectively;

a grant of restricted stock awards under the Plan; and

reimbursed for travel and miscellaneous expenses incurred to attend meetings of our Board or its committees.

Each director received the prorated amounts of the annual cash retainer fee and committee chair fee, as applicable, for the period of fiscal 2014 during which such director served as a member of the Board and, as applicable, as a committee chair. Each director also received cash payment of \$1,000 or \$1,500, respectively, for the Board meetings and committee meetings that such director attended.

In connection with their service to the Company as directors, 10,000 shares of restricted stock under the Plan were granted to Messrs. Garcia, Colvin and Jackson in June 2014. Each of these grants will vest on the one year anniversary of its date of grant. Because Mr. Maher was appointed to the Board on November 4, 2014, he received a prorated number of shares of restricted stock under the Plan of 5,769 shares in November 2014; this grant will vest in June 2015 along with the other directors' awards.

Notwithstanding such vesting period for the directors' restricted stock, upon the occurrence of a Change of Control, the shares of restricted stock will vest automatically. Moreover, in the event of a director's death, disability, termination or removal, all unvested shares will be forfeited; however, in the event of the respective director's death, the Committee may, but is not obligated to, accelerate the vesting of any or all of his shares of restricted stock. Further, notwithstanding the above, pursuant to the terms of the applicable restricted stock agreement, the Compensation Committee may, at its sole discretion, choose to accelerate the vesting of an award of restricted shares at any time.

The following table provides information concerning the compensation of our non-employee directors for the fiscal year ended December 31, 2014.

Name	Fees Earned or Paid in		Stock Awards(2)	Total
	Cash(1)			
Gilbert A. Garcia	\$ 101,500	\$ 330,500	\$ 432,000	
Greg Colvin	\$ 96,500	\$ 330,500	\$ 427,000	
Alan G. Jackson	\$ 94,500	\$ 330,500	\$ 425,000	
Sean Maher	\$ 29,250	\$ 85,958	\$ 115,208	

(1) Includes annual cash retainer fee, Board and committee meeting fees and committee chair fees, as applicable, for each non-employee director earned during fiscal 2014.

(2) The amounts reported in the "Stock Awards" column reflect the aggregate grant date fair value of restricted stock awards granted under our Plan for fiscal 2014, computed in accordance with FASB ASC Topic 718. See Note 7, "Stock-Based Compensation," to the Consolidated Financial Statements included under "Item 8. Financial Statements and Supplementary Data" on the 2014 10-K for additional detail regarding assumptions. As of December 31, 2014, Messrs. Garcia, Colvin and Jackson had 10,000 shares of restricted stock outstanding and Mr. Maher had 5,769 shares of restricted stock outstanding.

Meetings may, at the discretion of the Compensation Committee, include members of the Company's management, other members of the Board, consultants or advisors, and such other persons as the Compensation Committee may determine.

The Compensation Committee's responsibilities are set forth in its charter which was approved by the Board on May 22, 2013 and is reviewed annually. Our Compensation Committee was established by the Board on June 18, 2012 and currently consists of Messrs. Colvin (Chairperson), Garcia, Jackson and Maher.

As described above, the compensation decisions regarding our executive officers, other than awards under our Plan, are made by SOG, subject to the ability of our Board and/or Audit Committee to review, verify and dispute the reasonableness of such compensation pursuant to procedures set forth in the services agreement. The Compensation Committee may assist the Board or the Audit Committee in reviewing the reasonableness of the compensation for which the costs are allocated to the Company pursuant to the services agreement with SOG.

CORPORATE GOVERNANCE

Board Composition

Our certificate of incorporation and by-laws provide that the number of our directors shall be fixed from time to time pursuant to a resolution adopted by our Board. We currently have six directors: Messrs. Sanchez, Jr., Sanchez, III, Garcia, Colvin, Jackson and Maher.

The Board currently consists of six members. The directors are divided into three classes serving staggered three-year terms. Each year, the directors of one class stand for re-election as their terms of office expire. Messrs. Garcia and Maher are designated as Class I directors, and their terms of office expire on the date of the Company's 2016 annual meeting of stockholders. Messrs. Colvin and Jackson are designated as Class II directors, and their terms of office expire on the date of the Company's 2017 annual meeting of stockholders. Messrs. Sanchez, Jr. and Sanchez, III are designated as Class III directors, and their terms of office expire on the date of the Company's 2015 annual meeting of stockholders.

Board Leadership Structure

The Board recognizes that one of its key responsibilities is to evaluate and determine its optimal leadership structure so as to provide independent oversight of management. The Board understands that the optimal Board leadership structure may vary as circumstances warrant. Consistent with this understanding, non-management directors consider the Board's leadership structure on an annual basis.

Our Board believes that our leadership structure, which separates the Chairman and Chief Executive Officer roles, is the appropriate structure for us at this time in light of the needs of our business. As Executive Chairman, Mr. Sanchez, Jr. remains involved in key matters, such as major transactions, broader business relationships (including relationships with landowners that are critical to the Company's growth), as well as continuing to advise our executive officers on issues of business strategy and operations.

Director Independence

Our Board has determined that Messrs. Garcia, Colvin, Jackson and Maher are "independent directors" as defined by the rules of the NYSE and, for purposes of our Audit Committee, Rule 10A-3 of the Exchange Act.

Executive Sessions of the Board

Our independent directors meet regularly in executive session without management to review the performance of management and our Company and any related matters. The Co-Chairperson of our Audit Committee, Mr. Garcia, serves as the Chairman presiding over such meetings. We expect our Board to have at least one executive session each year.

Board's Role in Risk Oversight

Management, which is responsible for day-to-day risk management, conducts a risk assessment of our business annually. The risk assessment process is global in nature and identifies and assesses our risks, as well as steps to mitigate and manage the risks, which may be financial, operational or strategic in nature.

Table of Contents

The results of each risk assessment are reviewed with the Audit Committee. The centerpiece of the assessment is a discussion of our key risks, which includes a review of the potential magnitude and likelihood of each risk, the personnel responsible for managing each risk and management's initiatives to manage and mitigate each risk. Because overseeing risk is an ongoing process and inherent in our strategic decisions, the Board also discusses risk throughout the year at other meetings in relation to specific proposed actions.

The Board currently considers specific risk topics, including risks associated with our strategic plan, our exploratory drilling program, our capital structure and other operational activities. Further, the Board is routinely informed by management of developments that could affect our risk profile or other aspects of our business.

Meetings of the Board and Committees of the Board

The Board held six meetings in fiscal 2014, five of which were regularly scheduled meetings and one of which were a special meeting, and took action by unanimous written consent 16 times, which number of unanimous written consents includes unanimous written consents of pricing committees of the Board. The Board's independent directors met in executive session five times during 2014.

The Audit Committee held nine meetings in fiscal 2014, four of which were regularly scheduled meetings and five of which were special meetings, and took action by unanimous written consent one time. The Compensation Committee held 11 meetings in fiscal 2014, which were all regularly scheduled meetings, and took action by unanimous written consent one time. The Nominating and Corporate Governance Committee held no meetings in fiscal 2014, and took action by unanimous written consent one time. The members and functions of our Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee are described below.

During 2014, each of our then directors attended all of the meetings of the Board and all of the meetings of the committees of the Board on which that director served, except that Greg Colvin missed one Audit Committee meeting on December 9, 2014. While we do not have a formal policy with respect to director attendance at the annual meetings of our stockholders, we generally expect that our directors will attend the annual meetings. Four of the five persons that were members of our Board at the time attended our last annual meeting of stockholders.

Stockholders and other interested parties may communicate directly with our independent directors by sending a written communication in an envelope addressed to: Sanchez Energy Corporation, Board of Directors (Independent Members), c/o Secretary, 1000 Main Street, Suite 3000, Houston, Texas 77002.

Committees of the Board

Audit Committee

Our Audit Committee currently consists of a total of four directors, Messrs. Garcia (Co-Chairperson), Maher (Co-Chairperson), Colvin and Jackson, each of whom the Board has

determined to be an "independent director" as defined by the NYSE rules and Rule 10A-3 of the Exchange Act. The Board has determined that each member of the Audit Committee is "financially literate" as required by the NYSE rules. Additionally, the Board has determined that Mr. Garcia is an "Audit Committee Financial Expert" as defined by the Exchange Act. Stockholders should understand that this designation is a disclosure requirement of the SEC related to Mr. Garcia's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose upon Mr. Garcia any duties, obligations or liability that are greater than are generally imposed on him as a member of the Audit Committee and the Board, and his designation as an audit committee financial expert pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the Audit Committee or the Board.

Our Audit Committee is authorized to:

- approve and retain the independent auditors to conduct the annual audit of our books and records;
- review the proposed scope and results of the annual audit;
- review and pre-approve the independent auditors' audit and non-audit services rendered;
- approve the audit fees to be paid;
- review accounting and financial controls with the independent auditors and our financial and accounting staff;
- review and approve transactions between us and our directors, officers and affiliates;
- recognize and prevent prohibited non-audit services;
- establish procedures for complaints received by us, including regarding accounting matters;
- review our policies and practices with respect to risk assessment and risk management;
- approve any off-balance sheet financial activities;
- oversee internal audit functions; and
- prepare the report of the Audit Committee that the SEC rules require to be included in this Proxy Statement.

In addition, our Audit Committee (in lieu of the full Board) may review the reasonableness of the costs that SOG allocates to us pursuant to the services agreement.

The Audit Committee's responsibilities are set forth in its second amended and restated charter which was approved by the Board on November 4, 2014 and is reviewed annually. The charter is available on our website at www.sanchezenergycorp.com. The information on our website is not incorporated by reference into this Proxy Statement.

Our Nominating and Corporate Governance Committee assists our Board in evaluating potential new members of the Board, recommends committee members and structure, and advises the Board about corporate governance practices. The Nominating and Corporate Governance Committee

Table of Contents

recommends to the entire Board candidates for nomination to the Board. The Nominating and Corporate Governance Committee may also solicit ideas for possible candidates from a number of sources, including our executives, individuals personally known to members of the Board and executive search firms.

In evaluating candidates for director, the Nominating and Corporate Governance Committee seeks directors who will best represent the long-term interests of our stockholders. The Nominating and Corporate Governance Committee's view is that all directors should possess the highest personal and professional ethics, integrity and values. In evaluating the suitability of the candidates, the Nominating and Corporate Governance Committee takes into consideration such factors as it deems appropriate. These factors may include, among other things, issues of character, judgment, independence, age, expertise, diversity of experience, absence of conflicts of interest, length of service and other commitments. The Nominating and Corporate Governance Committee evaluates these factors, among others, and considers each individual candidate in the context of the current perceived needs of our Board as a whole and of any committees of the Board. Although we do not have a formal diversity policy, the Nominating and Corporate Governance Committee does consider diversity in evaluating candidates for Board membership. The Nominating and Corporate Governance Committee's objective in choosing candidates is to assemble membership for our Board as a whole as well as any committees of the Board that represents diverse viewpoints that will guide the Company effectively in pursuit of its strategic goals.

Although the Nominating and Corporate Governance Committee does not have a formal policy with regard to the consideration of any director candidates recommended by stockholders, the Nominating and Corporate Governance Committee will consider recommendations from stockholders of potential candidates for service on the Board. See "Stockholder Proposals" below for a description of the process by which stockholders may nominate directors for consideration by the Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee's responsibilities are set forth in its charter which was approved by the Board on June 18, 2012 and is reviewed annually. The charter is available on our website at www.sanchezenergycorp.com. The information on our website is not incorporated by reference into this Proxy Statement.

AUDIT COMMITTEE REPORT

The information contained in this Audit Committee Report and references in this Proxy Statement to the independence of the Audit Committee members shall not be deemed to be "soliciting material" or to be "filed" with the SEC, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent that the Company specifically incorporates such information by reference in such filing.

During the last fiscal year, and in preparation for the filing with the SEC of the Company's Annual Report on Form 10-K for the year ended December 31, 2014, the Audit Committee:

reviewed and discussed the Company's audited consolidated financial statements as of and for the year ended December 31, 2014 with management;

discussed with BDO USA, LLP ("**BDO**"), the Company's independent registered public accounting firm, the matters required to be discussed by the Public Company Accounting Oversight Board's Auditing Standard No. 16;

received the written disclosures and the letter from BDO required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and discussed with BDO its independence from the Company; and

based on the reviews and discussions referred to above, recommended to the Board that the audited consolidated financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2014.

Notwithstanding the foregoing actions and the responsibilities set forth in the Audit Committee's charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's consolidated financial statements are complete and accurate and in accordance with generally accepted accounting principles. Management is responsible for the Company's financial reporting process and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States. The independent registered public accountants are responsible for expressing an opinion on those financial statements. Audit Committee members are not employees of the Company or accountants or auditors by profession. Therefore, the Audit Committee has relied, without independent verification, on management's representation that the consolidated financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and on the representations of the independent registered public accountants included in their report on the Company's consolidated financial statements.

The Audit Committee meets regularly with management and the independent auditors, including private discussions with the independent registered public accountants, and receives the communications described above. Our considerations and discussions with management and the independent registered public accountants do not assure that the Company's consolidated financial statements are presented in accordance with generally accepted accounting principles or that the audit of the Company's consolidated financial statements has been carried out in accordance with generally accepted auditing standards.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The executive officers and directors of the Company and persons who own more than 10% of the Company's common stock are required to file reports with the SEC, disclosing the amount and nature of their beneficial ownership in common stock, as well as changes in that ownership. Based solely on its review of reports and written representations that the Company has received, the Company believes that all required reports were timely filed during 2014.

TRANSACTIONS WITH RELATED PERSONS

A "Related Party Transaction" is a transaction, arrangement or relationship in which we or any of our subsidiaries was, is or will be a participant, the amount of which involved exceeds \$120,000, and in which any related person (as defined below) had, has or will have a direct or indirect material interest. A "related person" means:

any person who is, or at any time during the applicable period was, one of our executive officers or one of our directors or is currently one of our nominees for director;

any person who is known by us to be the beneficial owner of more than 5% of our common stock;

any immediate family member of any of the foregoing persons, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law of a director, director nominee, executive officer or a beneficial owner of more than 5% of our common stock, and any person (other than a tenant or employee) sharing the household of such director, director nominee, executive officer or beneficial owner of more than 5% of our common stock;

any entity in which any of the foregoing persons serves as an executive officer or principal or in a similar position, or, in the case of a partnership, serves as a general partner or holds any position other than that of a limited partner;

any entity in which any of the foregoing persons owns, together with all other foregoing persons, 10% or more of the equity interest, or in the case of a partnership, 10% or more of an interest; or

any entity in which any of the foregoing persons is employed if (a) the person is directly involved in the negotiation of the Related Party Transaction or will share or have primary responsibility at such entity for the performance of the Related Party Transaction, or (b) the person's compensation from the entity is directly tied to the Related Party Transaction.

In connection with the completion of our IPO, our Board adopted a written related party transactions policy for purposes of identifying, reviewing, assessing and approving Related Party Transactions. Pursuant to our related party transactions policy, the Audit Committee reviews all material facts of all Related Party Transactions and either approves or disapproves entry into the Related Party Transaction, subject to certain limited exceptions. In determining whether the Related Party Transaction is fair to the Company, the Audit Committee takes into account, among other factors, the following:

whether there is an appropriate business justification for the transaction;

the benefits that accrue to the Company as a result of the transaction;

Edgar Filing: Sanchez Energy Corp - Form DEF 14A

whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances;

Table of Contents

the impact of the transaction on a director's independence (in the event the related person is a director, an immediate family member of a director or an entity in which a director is a partner, shareholder or executive officer);

the extent of the related person's interest in the transaction;

the availability of other sources for comparable products or services;

whether it is a single transaction or a series of ongoing, related transactions; and

whether entering into the transaction would be consistent with the Code of Business Conduct and Ethics.

Our related party transaction policy also requires that all Related Party Transactions required to be disclosed in our filings with the SEC be so disclosed in accordance with applicable laws, rules and regulations. There were no Related Party Transactions since the beginning of our last fiscal year that are required to be reported in "Transactions with Related Persons" where the procedures described above did not require review, approval or ratification or where these procedures were not followed.

Mr. Sanchez, Jr., our Executive Chairman of the Board, is a director and greater than 10% shareholder of International Bancshares Corporation, the parent of IBC, which provides insurance brokerage services on a commission basis to the Company and its affiliates. For the fiscal year ended December 31, 2014, the Company and its affiliates paid IBC commissions of approximately \$473,572.

The description below of agreements with various members of the Sanchez Group and our directors and executive officers is a summary and, with respect to each such agreement, is qualified by reference to the terms of the agreement, each of which was filed as an exhibit to our 2014 10-K. We encourage you to read the full text of these agreements. These agreements have been negotiated among affiliated parties and, consequently, are not the result of arm's length negotiations. The prices and other terms of these agreements may be less favorable to us than those we could have obtained in arm's length negotiations with unaffiliated third parties for similar services or under similar agreements.

Concurrently with the closing of our IPO, we entered into a services agreement with SOG pursuant to which, among other things, specified employees of SOG, including our executive officers, provide certain services to us with respect to our business under the direction, supervision and control of SOG. The services agreement also covers fees charged to us for our use of aircraft owned by SOG or other members of the Sanchez Group. This fee is based on an hourly rate paid by the Company to SOG that we believe is comparable to aircraft usage fees in arm's length transactions. We reimburse SOG for the provision of services to us, including those provided by our executive officers, at a price equal to SOG's cost of providing such services, including all direct costs and indirect administrative and overhead costs (including the allocable portion of salary, bonus, incentive compensation and other amounts paid to persons that provide the services on SOG's behalf) allocated in accordance with SOG's regular and consistent accounting practices, including for any such costs arising from amounts paid directly by other members of the Sanchez Group on SOG's behalf or borrowed by SOG from other members of the Sanchez Group, in each case in connection with the performance by SOG of services on our behalf. We also reimburse SOG for sales, use or other taxes, or other fees or assessments imposed by law in connection with the provision of services to us (other than income, franchise or margin taxes measured by SOG's net income or margin and other than any gross receipts or other privilege taxes imposed on SOG) and for any costs and expenses arising from or related to the engagement or retention of third party service providers. For the year ended December 31, 2014, we reimbursed SOG approximately \$33.6 million for administrative and overhead expenses.

In connection with the services agreement, we entered into a licensing agreement with SOG pursuant to which it granted to us a license to the unrestricted proprietary seismic, geological and geophysical information related to our properties owned by SOG, and all such information related to

our properties not otherwise licensed to us is to be interpreted and used by SOG for our benefit under the licensing agreement. In addition, also in connection with the services agreement, SOG entered into a contract operating agreement under which it agreed to develop, manage and operate our properties or engage a responsible unaffiliated industry operator and joint owner for such development, management and operation. No costs, fees or other expenses are payable by us under these agreements to the extent that they are included in the fee payable to SOG under the services agreement. The licensing agreement and contract operating agreement terminate concurrently with the termination or expiration of the services agreement.

Under the services agreement, we are entitled to indemnification for certain liabilities, and are required to indemnify SOG and its affiliates for certain liabilities. SOG is required to indemnify us for third party infringement or misappropriation claims relating to the services performed by SOG or the data or other information provided to us or used by SOG in connection with the services, the licensing agreement or our operations based on the services provided by SOG. We, on the other hand, are otherwise required to indemnify SOG and its affiliates from liabilities relating to the services or products provided to us by SOG or our agreements with SOG, to the extent not directly caused by the gross negligence or willful misconduct of SOG or its affiliates. The initial term of the services agreement is five years. The term automatically extends for additional 12-month periods unless either party provides 180 days written notice otherwise prior to the expiration of the applicable 12-month period. Either party may terminate the agreement at any time upon 180 days written notice.

In connection with our Contribution, Conveyance and Assumption Agreement with SEP I, pursuant to which SEP I contributed 100% of its limited liability company interests in SEP Holdings III, LLC to us in exchange for a cash payment of \$50 million and the issuance by us of 22,090,909 shares of our common stock, and the closing of our IPO, we entered into a registration rights agreement with SEP I. Following the distributions in June 2012 and September 2012 of substantially all of our common stock that it held, SEP I assigned the rights under the registration rights agreement related to the shares that it distributed, to the extent that the shares constituted "Registrable Securities" (as defined in the registration rights agreement), including with respect to the shares distributed to SEP Management, SOG, San Juan and Sanexco. As an original party to the registration rights agreement, SEP I remains entitled to the benefits of this agreement to the extent that it continues to hold Registrable Securities. Under the registration rights agreement, persons holding Registrable Securities have certain demand, piggyback and Form S-3 registration rights relating to the resale of Registrable Securities pursuant to which we are required to use our best efforts to effect the registration of such Registrable Securities on the applicable form or to include such Registrable Securities in such registration or offering on the same terms and conditions as such other securities being registered, as applicable. These registration rights are subject to conditions and limitations, including the total number of demand registrations that we are required to effect, the right of the managing underwriter or underwriters to limit the number of shares to be included in a registration and our right to delay or withdraw a registration statement under specified circumstances. We are to pay all expenses relating to any demand, piggyback or Form S-3 registration, except for any underwriter or brokers' discounts or commissions. We also agreed to indemnify the holders of Registrable Securities with respect to certain liabilities under the securities laws in connection with registrations pursuant to the registration rights agreement.

In connection with the appointment of our executive officers and directors, we entered into indemnification agreements with each of our directors and executive officers. These indemnification agreements require us to, among other things, indemnify these individuals against certain liabilities that may arise in connection with their status or service as one of our directors or executive officers or in their capacity at other specified entities at which they serve at our request and to advance their expenses incurred as a result of any proceeding for which they may be entitled to indemnification. These indemnification agreements are intended to provide indemnification rights to the fullest extent

permitted under the Delaware General Corporation Law (the "*DGCL*") and are in addition to any other rights these individuals may have under our organizational documents or applicable law.

Tuscaloosa Marine Shale Transactions

In August 2013, we acquired approximately 40,000 net undeveloped acres in what we believe to be the core of the Tuscaloosa Marine Shale (the "*TMS*") for cash and shares of our common stock plus an initial 3 gross (1.5 net) well drilling carry. In connection with the TMS transactions, we established an Area of Mutual Interest ("*AMI*") in the TMS with SR Acquisition I, LLC ("*SR*"), a subsidiary of our affiliate Sanchez Resources, LLC ("*Sanchez Resources*"). Sanchez Resources is indirectly owned, in part, by our President and Chief Executive Officer and the Executive Chairman of our Board, who each also serve on our Board. Additionally, Eduardo Sanchez, Patricio Sanchez and Ana Lee Sanchez Jacobs, each an immediate family member of our President and Chief Executive Officer and the Executive Chairman of our Board, collectively, either directly or indirectly, own a majority of the equity interests of Sanchez Resources. Sanchez Resources is managed by Eduardo Sanchez, who is the brother of our President and Chief Executive Officer and the son of our Executive Chairman of the Board.

As part of the transaction, we acquired all of the working interests in the AMI owned at closing from three sellers (two third parties and one related party of the Company, SR) resulting in our owning an undivided 50% working interest across the AMI through the TMS. The AMI holds rights to approximately 115,000 gross acres and 80,000 net acres.

Total consideration for the TMS transactions consisted of approximately \$70 million in cash and the issuance of 342,760 common shares of the Company, valued at approximately \$7.5 million. The cash consideration provided to SR was \$14.4 million. The acquisitions were accounted for as the purchase of assets at cost on the acquisition date.

We have also committed, as a part of the total consideration, to carry SR for its 50% working interest in an initial 3 gross (1.5 net) TMS wells to be drilled within the AMI. If we desire, at our sole discretion, to continue drilling within the AMI after fulfilling the minimum well commitment, we would be required to carry SR in an additional 3 gross (1.5 net) TMS wells. During 2014, we paid or incurred approximately \$27.4 million on drilling costs on behalf of SR in the AMI. As of the date of this filing, we have met our initial well carry and exercised our right to continue drilling within the AMI and earn full rights to all acreage by carrying SR for an additional 3 gross (1.5 net) TMS wells.

ITEM TWO. AMENDMENT OF THE COMPANY'S AMENDED AND RESTATED 2011 LONG TERM INCENTIVE COMPENSATION PLAN

Summary of the Proposal

Our Board has unanimously approved, subject to approval by our stockholders, the Plan Amendment. As described below, the Plan Amendment increases the number of shares available for awards under the Plan. Our Board believes that the continued effectiveness of the Plan as a tool to attract and retain talent is critical to our long-term goal of building stockholder value and recommends the approval of the Plan Amendment by our stockholders.

Currently, the Plan provides that the number of shares that may be delivered pursuant to awards is limited to 15% of our issued and outstanding shares of common stock immediately following the completion of our IPO and that the maximum number of shares deliverable under the Plan should automatically increase to 15% of the issued and outstanding shares of common stock immediately after each issuance of common stock, unless our Board determines to increase the maximum number of shares of common stock deliverable by a lesser amount. This automatic increase provision of our Plan is effective only upon the issuance of additional shares by us and additional shares are not added to the Plan or otherwise available for Awards under the Plan upon the occurrence of other events such as the ending of the current fiscal year, the beginning of a new fiscal year or the passage of time. For the reasons explained below, our Board believes that the number of shares that may be delivered pursuant to awards under the Plan should be increased by 4,000,000 shares. As of the record date, the number of shares available for awards under the Plan was 2,078,957 shares. After giving effect to the Plan Amendment, the number of shares available for awards under the Plan would have been 6,078,957 shares as of such date. As of such date, 6,159,255 shares of restricted stock had been granted under the Plan.

Rationale for the Plan Amendment and Why Our Board Recommends that You Vote for Its Approval

A Fixed Increase in the Number of Shares Authorized Under the Plan is in the Best Interests of Our Stockholders

In light of the recent volatility in and the current price of our common stock relative to recent historical levels, we do not currently believe that the issuance of additional shares of our common stock in potentially dilutive capital markets transactions is attractive to us or in the best interests of our stockholders in the near term, although we expect to continue to consider issuing additional shares in connection with opportunistic acquisitions on a case-by-case basis. As a result (and except in the case of share issuances in connection with such opportunistic acquisitions), we do not believe that the automatic increase provisions of the Plan will be effective in providing us with the flexibility that we need to properly fashion competitive compensation packages for eligible participants under the Plan while allowing us to preserve cash and maintaining the desired level of financial flexibility.

We also believe that the availability of alternative sources of capital to us, such as our recently completed transaction with Sanchez Production Partners LP, may reduce our need to access external capital markets and may limit future increases in the number of additional shares of common stock available for awards under the Plan pursuant to the automatic increase provisions of the Plan since such increases are contingent on the future issuance of shares of our common stock, which increases have historically been through capital raising transactions or in connection with acquisitions (which we intend to continue to review on case-by-case basis). Finally, we expect that, following the adoption of the Plan Amendment by our stockholders, we will not seek a further fixed increase in the number of shares available for awards under the Plan for another estimated three to five years.

Table of Contents

Equity Incentive Awards Are Critical to Long-Term Stockholder Value Creation

As discussed in the "Compensation Discussion & Analysis" section of this proxy statement, long-term equity-based incentive awards are central to our compensation program and constitute a significant portion of our named executive officers' total compensation. Our Board and our Compensation Committee believe that our ability to grant equity incentive awards to new and existing executive officers, directors, our employees and those of our subsidiaries and Sanchez Group Members (as defined in the Plan) who provide services to us and eligible consultants has helped us to attract, retain and motivate professionals with superior ability, experience and leadership capability. Historically, we have issued restricted stock to these persons under the Plan as our Board and Compensation Committee believe it aligns their interests with that of our stockholders, encourages retention and promotes actions that result in long-term stockholder value creation. We believe we must continue to offer a competitive equity compensation plan in order to attract, retain and motivate the industry-leading talent imperative to our continued growth and success. In addition, as we selectively add to our management team, including through the hiring of a new Chief Financial Officer who will replace Mr. Long following his retirement from the Company, we intend to continue to use equity incentive grants to attract and retain the best candidates and want to insure that we have sufficient shares available for awards under the Plan to achieve this goal.

Equity Incentive Awards Helps Us to Maintain Maximum Financial Flexibility

Finally, our Board and Compensation Committee believe that compensation in the form of equity incentive awards under the Plan in lieu of cash awards allows the Company to preserve cash and maintain financial flexibility, which is particularly important in the current low commodity price environment, while still allowing us to provide a competitive compensation package.

For the reasons described above, our Board believes that the number of shares of common stock currently available for issuance under the Plan is insufficient and, after careful deliberation, our Board has adopted the Plan Amendment, subject to stockholder approval, pursuant to which the number of shares that could be delivered pursuant to awards under the Plan would be increased by 4,000,000 shares. Following the adoption of the Plan Amendment, the maximum number of shares deliverable under the Plan would continue to automatically increase to 15% of the issued and outstanding shares of common stock immediately after each issuance of common stock, unless our Board determined at such time to increase the maximum number of shares of common stock deliverable by a lesser amount. However, our Board believes that potentially dilutive capital markets transactions are not in the best interest of the company or its stockholders and any potential acquisitions would need to be reviewed on case-by-case basis, thus potentially limiting the utility of the automatic increase provisions of the Plan.

Consequences of Failing to Approve the Plan Amendment

Failure of the Company's stockholders to approve this proposal will not affect the rights of existing award holders under the Plan or under any previously granted awards under the Plan. However, the Company would be required to reevaluate its compensation structure since adequate shares may not be available for equity award grants in the near future.

Summary of the Plan

The principal terms and provisions of the Plan, as proposed to be amended, are summarized below. The summary, however, is not intended to be a complete description of all the terms of the Plan and is qualified in its entirety by reference to the complete text of the Plan, as proposed to be amended and restated, which is included in *Appendix A* to this Proxy Statement, in which we have shown the changes resulting from the proposed Plan Amendment, with deletions indicated by strikeouts

Table of Contents

and additions indicated by underlining. If the 4,000,000 additional shares are approved for the Plan, we will register those shares on a Form S-8.

Administration

The Plan authorizes the Board, or a committee as may be appointed by the Board, to grant options, stock appreciation rights, restricted stock, phantom stock, other stock-based awards or stock awards, or any combination thereof. The Plan is administered by the Board or the Compensation Committee as appointed by the Board. The Board will select the recipients of these awards, determine the number of shares covered thereby, and, subject to the terms and limitations expressly set forth in the Plan, establish the terms, conditions and other provisions of the grants.

Shares Available for Issuance

As described above, the Plan currently provides that the number of shares that may be delivered pursuant to awards is limited to 15% of our issued and outstanding shares of common stock immediately following the completion of our IPO and that the maximum number of shares deliverable under the Plan automatically increases to 15% of the issued and outstanding shares of common stock immediately after each issuance of common stock, unless our Board determines to increase the maximum number of shares of common stock deliverable by a lesser amount. The Plan Amendment increases the number of shares that may be delivered pursuant to awards under the Plan by 4,000,000 shares. On April 15, 2015, the closing price of our common stock was \$15.64.

With respect to any "equity restructuring" event that could result in an additional compensation expense to the Company pursuant to the provisions of FASB ASC Topic 718, if adjustments to awards with respect to such event were discretionary, the Board will equitably adjust the number and kind of shares and the price per share subject to the outstanding awards to equitably reflect such restructuring event. With respect to any other similar event that would not result in a FASB ASC Topic 718 accounting charge if the adjustment to awards with respect to such event were subject to discretionary action, the Board has discretion to adjust awards. If an award granted under the Plan is forfeited, cancelled, exercised, paid, or otherwise terminates or expires without having been fully exercised or without the issuance of all the shares subject to the award, the shares covered by such award will again be available for use under the Plan.

Eligibility

Awards may be made to any director or consultant of the Company or any employee of the Company, a subsidiary of the Company or a Sanchez Group Member. As of the record date, there were approximately 185 employees of the Sanchez Group Members, five non-employee advisors and four non-employee directors eligible to participate in the Plan.

Types of Awards

Under the terms of the Plan, the Board can grant any of the following awards, or a combination thereof.

Stock Options. A stock option is a right to buy a specified number of shares of our common stock at a specified exercise price during a specified period of time. The Board will set option exercise prices and terms, except that, subject to certain exceptions, the exercise price of an option must be at least 100% of the fair market value of the common stock subject to that option on the date of grant. At the time of grant, the Board in its sole discretion will determine when stock options are exercisable and when they expire. The Plan does not provide for incentive stock options (options that are qualified under Section 422 of the Code); all stock option awards under the Plan will be nonqualified stock options.

Stock Appreciation Rights. A stock appreciation right is an award of the right at some specified time in the future to receive a payment equal to the appreciation in the value of a certain number of shares of common stock. The Board will set stock appreciation right strike prices and terms, except that, subject to certain exceptions, the strike price of a stock appreciation right must be at least 100% of the fair market value of the common stock subject to that stock appreciation right on the date of grant. At the time of grant, the Board in its sole discretion will determine when stock appreciation rights are exercisable and when they expire. In general, a stock appreciation right is settled in common stock, cash, or a combination thereof. Upon exercise of a stock appreciation right, the holder is entitled to receive an amount equal to the number of shares of common stock subject to the stock appreciation right that are being exercised multiplied by the excess, if any, of the fair market value of one share of common stock on the exercise date over the strike price, less any applicable withholdings.

Restricted Stock. Restricted stock is common stock that is subject to forfeiture if certain conditions are not met. At the time of grant and as will be set forth in the award agreement, the Board determines when and the conditions under which the restricted stock may become vested or forfeited, and the restricted stock will remain nontransferable and forfeitable until such time. The Board may provide for accelerated vesting upon the death or disability of the holder, the achievement of specified performance goals or other events.

Phantom Stock. Phantom stock is notional shares that upon vesting entitle the holder to receive common stock or an amount of cash equal to the fair market value of such common stock, as determined by the Board. Phantom stock is also subject to forfeiture if certain conditions are not met. At the time of grant and as will be set forth in the award agreement, the Board determines when and the conditions under which the phantom stock may become vested or forfeited, and the phantom stock will remain nontransferable and forfeitable until such time. The Board may provide for accelerated vesting upon the death or disability of the holder, the achievement of specified performance goals or other events.

Other Stock-Based Awards. Other stock-based awards are awards denominated or payable in, valued in or otherwise based on or related to shares of common stock, in whole or in part, that the Board may issue, either alone or in tandem with other awards, under such terms and conditions as the Board may determine. Upon vesting, other stock-based awards may be paid in cash, shares of common stock (including restricted stock) or any combination thereof as set forth in the applicable award agreement.

Stock Awards. A stock award is a grant of a share of common stock that is not subject to forfeiture.

Amendment and Termination of the Plan

The Board may amend, alter, suspend, discontinue or terminate the Plan, except that if any applicable statute, rule or regulation requires stockholder approval with respect to any amendment of the Plan, then to the extent so required, stockholder approval will be obtained. The Plan terminates on May 21, 2025 unless earlier terminated by the Board or unless all shares available under the Plan have been issued.

Federal Income Tax Consequences

The following is a general summary of the material U.S. federal income tax consequences to the Company and to recipients of certain awards under the Plan. The summary is based on the Code and the U.S. Treasury regulations promulgated thereunder in effect as of the date of this Proxy Statement, all of which may change with retroactive effect. The summary is not intended to be a complete analysis or discussion of all potential tax consequences that may be important to recipients of awards under the

Table of Contents

Plan. Recipients should consult with their personal tax advisors regarding individual circumstances and the tax consequences associated with receiving awards under the Plan.

Nonqualified Stock Options. In general, a recipient will not have any income at the time a nonqualified stock option is granted, nor will the Company be entitled to a deduction at that time. When a nonqualified stock option is exercised, the recipient generally will recognize ordinary income (whether the option price is paid in cash or by surrender of shares of common stock) in an amount equal to the excess of the fair market value of the shares to which the option exercise pertains over the option price.

Stock Appreciation Rights. In general, a recipient will not have any income at the time a stock appreciation right is granted, nor will the Company be entitled to a deduction at that time. When a stock appreciation right is exercised, the recipient generally will recognize ordinary income in an amount equal to any cash and/or the fair market value of any shares of common stock received.

Restricted Stock. A recipient generally will not recognize any income at the time an award of restricted stock is granted. Instead, the recipient will recognize ordinary income at the time of vesting or payout in an amount equal to the fair market value (on the vesting or payout date) of the shares or cash received minus any amount paid. However, pursuant to Section 83(b) of the Code, the recipient can file an election with the Internal Revenue Service to immediately recognize income upon the grant of the restricted stock award in an amount equal to the fair market value on the grant date minus any amount paid. Any subsequent gain or loss recognized upon disposition of shares vested pursuant to a restricted stock award by a recipient who made an effective 83(b) election will be either long or short term capital gain or loss depending on the holding period.

Phantom Stock. A recipient generally will not recognize any income at the time an award of phantom stock is granted. Instead, the recipient will recognize ordinary income at the time of payout or the subsequent lapse of any restrictions, depending on the nature of the restrictions, if any, imposed on the shares. The income will be in an amount equal to the fair market value (on the payout date or date the restrictions lapse, if applicable) of the shares or cash received. Tax consequences may vary depending on the terms of the phantom stock award.

Other Stock-Based Awards and Stock Awards. Assuming the other stock-based award or stock award is unrestricted, the recipient will be taxed on the other stock-based award or stock award in the year in which he or she received the award. The recipient will be taxed on the aggregate fair market value of the shares of common stock distributed.

Income Tax Consequences to the Company. The Company generally will be entitled to a tax deduction in connection with an award under the Plan in an amount equal to the ordinary income realized by a participant and at the time the participant recognizes such income, provided that the deduction is not disallowed by Section 162(m) of the Code or otherwise limited by the Code.

New Plan Benefits

The awards, if any, that will be granted to eligible participants under the Plan are subject to the discretion of the Board or the Compensation Committee and, therefore, we cannot currently determine the benefits or number of shares subject to awards that may be granted in the future to our executive officers, directors, our employees and those of our subsidiaries and Sanchez Group Members and consultants under the Plan. Therefore, a New Plan Benefits Table is not provided.

ITEM THREE. ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE OFFICERS

As required by Section 14A of the Exchange Act, which was added under the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "**Dodd-Frank Act**"), we are seeking stockholder approval on an advisory, non-binding basis of the compensation of our named executive officers as disclosed in the section of this Proxy Statement titled "Compensation Discussion and Analysis." In this proposal, stockholders are being asked to vote on the following advisory resolution:

"RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby APPROVED."

Stockholders are urged to read the "Compensation Discussion and Analysis" section of this Proxy Statement, which discusses in detail how our compensation policies and procedures implement our compensation philosophy, and to refer to the related executive compensation tables. The compensation of our named executive officers is based on a philosophy that ties a substantial portion of an executive's compensation to our attainment of financial and other performance measures that, our Board believes, promote the creation of long-term stockholder value and position our Company for long-term success. As described more fully in the "Compensation Discussion and Analysis," the mix of fixed- and performance-based compensation, as well as the terms of cash bonuses and long-term equity incentive awards are designed to enable our Company to attract and maintain top talent while, at the same time, creating a close relationship between our Company's performance and overall stockholder return and the named executive officers' compensation. Our Compensation Committee and Board believe that the philosophy of the program, and hence the compensation awarded to named executive officers under the current program, fulfills this objective.

Although the vote is advisory and non-binding, our Board and Compensation Committee value the opinions that our stockholders express in their votes and will consider the voting results in connection with their ongoing evaluation of our compensation program.

The affirmative "FOR" vote of a majority of the votes cast at the Annual Meeting is required to approve, on an advisory basis, the compensation of our named executive officers. Unless otherwise instructed on the proxy, properly executed proxies will be voted in favor of approving the advisory, non-binding basis of the compensation of our named executive officers.

Recommendation of our Board

*The Board unanimously recommends that stockholders vote **FOR** the advisory resolution approving the compensation of our named executive officers.*

Table of Contents

ITEM FOUR. ADVISORY VOTE ON FREQUENCY OF FUTURE VOTES ON COMPENSATION OF NAMED EXECUTIVE OFFICERS

Section 14A of the Exchange Act, which was added under the Dodd-Frank Act, requires us to submit a non-binding, advisory resolution to stockholders at least once every six years to indicate how frequently they believe we should seek an advisory vote on the compensation of our named executive officers. In this Item, we are seeking an advisory, non-binding determination from our stockholders as to the frequency with which stockholders would have an opportunity to provide an advisory approval of our executive compensation program. We are providing stockholders the option of selecting a frequency of every one, two or three years, or abstaining. In voting on this proposal, you should mark your proxy for one, two or three years based on your preference as to the frequency with which future advisory votes on executive compensation should be held. You may also abstain from voting on this proposal.

Our Board recommends that future advisory votes on the compensation of our named executive officers occur every three years because our Board and Compensation Committee believe that this frequency will provide the most effective means for conducting and responding to the advisory vote based on a number of considerations, including the following:

A substantial portion of the compensation of the named executive officers is earned over a three-year period. A three-year frequency for the say-on-pay vote is consistent with the longer-term award cycle and focus of the executive compensation programs;

A vote every three years will provide us with the time to thoughtfully respond to our stockholders' sentiments, implement any necessary changes and be able to carefully evaluate the results of these changes;

Our Compensation Committee and Board carefully review the compensation awarded to our executive officers to determine the reasonableness and competitiveness of our executive officers' compensation. A thoughtful review is important to design compensation that motivates and retains our executive officers; and

Our Board will continue to engage with our stockholders on executive compensation during the period between stockholder votes. As discussed under "Corporate Governance Communications with the Board," we provide our stockholders an opportunity to communicate with the Board, including on issues of executive compensation.

Stockholders are not being asked to approve the recommendation of our Board, but rather to indicate their choice among these frequency options.

Although the result of this vote is advisory and non-binding, our Compensation Committee and Board value the opinions that our stockholders express in their votes and will consider our stockholders' concerns and take them into account in determining how frequently future advisory votes on the compensation of our named executive officers will occur.

The frequency option (one, two or three years) receiving the highest number of votes at the Annual Meeting will be deemed to be the most desirable frequency as selected by the stockholders. Unless otherwise instructed on the proxy, properly executed proxies will be voted in favor of approving the advisory vote to hold future advisory votes on the compensation of our named executive officers every three years.

Recommendation of our Board

*The Board unanimously recommends that stockholders vote for the holding of future advisory votes on the compensation of our named executive officers **EVERY THREE YEARS**.*

Table of Contents**ITEM FIVE. RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS**

The Audit Committee of the Board has selected BDO as the independent auditors of the Company for 2015. BDO has audited the Company's consolidated financial statements since our inception on August 22, 2011.

The Board is submitting the selection of BDO for ratification at the Annual Meeting. The submission of this matter for approval by stockholders is not legally required, but the Board and the Audit Committee believe the submission provides an opportunity for stockholders through their vote to communicate with the Board and the Audit Committee about an important aspect of corporate governance. If the stockholders do not ratify the selection of BDO, the Audit Committee will reconsider the selection of that firm as the Company's auditors.

The Audit Committee has the sole authority and responsibility to retain, evaluate and replace the Company's auditors. The stockholders' ratification of the appointment of BDO does not limit the authority of the Audit Committee to change auditors at any time.

Audit and Other Fees

The table below sets forth the aggregate fees billed by BDO, the Company's independent registered public accounting firm, for the fiscal years presented:

Fiscal Year	Audit Fees(1)	Audit-Related Fees(2)	Tax Fees(3)	All Other Fees(4)
Fiscal year ended December 31, 2014	\$ 1,099,494	\$ 73,090	\$ 38,540	
Fiscal year ended December 31, 2013	\$ 684,590	\$ 75,114	\$ 43,659	

- (1) Audit fees represent fees for professional services provided by our principal accountant in connection with the audit of our consolidated financial statements, the quarterly reviews of financial statements included in our Form 10-Q filings, the reviews of other statutory or regulatory filings and assistance with and review of documents filed with the SEC.
- (2) Audit-related fees are fees for assurance and related services that are reasonably related to the performance by our principal accountant of the audit or review of our financial statements that are not audit fees. For the years ended December 31, 2014 and 2013, these fees were for financial statement audits of acquired businesses and consultation concerning the Plan, respectively.
- (3) Tax fees include fees for professional services performed by our principal accountant for tax compliance, including the preparation of tax returns, and tax advice and tax planning.
- (4) All other fees include the aggregate fees for products and services provided by our principal accountant that are not reported under "Audit Fees," "Audit-Related Fees" or "Tax Fees." There were no other fees incurred during the years ended December 31, 2014 and 2013.

The charter of the Audit Committee requires that the Audit Committee review and pre-approve the plan and scope of BDO's audit, tax and other services. After December 19, 2011, the date of the Company's IPO, the Audit Committee pre-approved 100% of the services described above under the captions "Audit Fees," "Audit-Related Fees," "Tax Fees" and "All Other Fees."

The Company expects that representatives of BDO will be present at the Annual Meeting to respond to appropriate questions and to make a statement if they desire to do so.

Recommendation of our Board

The Board unanimously recommends that stockholders vote FOR the ratification of the selection of BDO as the auditors of the Company for 2015.

~~that will be issued and outstanding immediately following the closing of a Company IPO, plus, (inclusive of Common Shares subject to Awards outstanding as of April 15, 2015) shall be (i) 12,238,212 shares plus (ii) upon the issuance of additional Common Shares from time to time after April 15, 2015, an automatic increase equal to the lesser of (A) 15% of such the aggregate number of shares of stock of the Company issued and outstanding immediately following such issuance of additional Common Shares and (B) such lesser number of Common Shares as determined by the Committee; provided, however, that Common Shares withheld from an Award to either satisfy the Company's or any Affiliate of the Company's tax withholding obligations with respect to the Award or pay the exercise price of an Award shall not be considered to be Common Shares delivered under the Plan for this purpose. If any Award is forfeited, cancelled, exercised, paid, or otherwise terminates or expires without the actual delivery of Common Shares pursuant to such Award (the grant of Restricted Stock is not a delivery of Common Shares for this purpose), the Common Shares subject to such Award shall again be available for Awards under the Plan. There shall not be any limitation on the number of Awards that may be paid in cash.~~

(b) *Sources of Common Shares Deliverable Under Awards.* Any Common Shares delivered pursuant to an Award shall consist, in whole or in part, of Common Shares newly issued by the Company, Common Shares acquired in the open market, from any Affiliate of the Company or from any other Person, or any combination of the foregoing, as determined by the Committee in its discretion.

(c) *Anti-dilution Adjustments.* With respect to any "equity restructuring" event that could result in an additional compensation expense to the Company pursuant to the provisions of Financial Accounting Standards Board Accounting Standards Codification Topic 718 Stock Compensation ("*FASB ASC Topic 718*"), if adjustments to Awards with respect to such event were discretionary, the Committee shall equitably adjust the number and type of Common Shares covered by each outstanding Award and the terms and conditions, including the exercise price and performance criteria (if any), of such Award to equitably reflect such restructuring event and shall adjust the number and type of Common Shares (or other securities or property) with respect to which Awards may be granted after such event. With respect to any other similar event that would not result in a FASB ASC Topic 718 accounting charge if the adjustment to Awards with respect to such event were subject to discretionary action, the Committee shall have complete discretion to adjust Awards in such manner as it deems appropriate with respect to such other event.

SECTION 5. Eligibility.

Any Employee, consultant or Director shall be eligible to be designated a Participant by the Committee and receive an Award under the Plan.

SECTION 6. Awards.

(a) *Options and SARs.* The Committee shall have the authority to determine the Employees, consultants and Directors to whom Options and/or SARs shall be granted, the number of Common Shares to be covered by each Option or SAR, the exercise price therefor, the Restricted Period and other conditions and limitations applicable to the exercise of the Option or SAR, including the following terms and conditions and such additional terms and conditions, as the Committee shall determine, that are not inconsistent with the provisions of the Plan.

(i) *Exercise Price.* The exercise price per Common Share purchasable under an Option or subject to a SAR shall be determined by the Committee at the time the Option or SAR is granted but may not be less than the Fair Market Value of a Common Share as of the date of grant of the Option or SAR.

Table of Contents

(ii) *Time and Method of Exercise.* The Committee shall determine the exercise terms and the Restricted Period with respect to an Option or SAR grant, which may include, without limitation, (A) a provision for accelerated vesting upon the death or Disability of a Participant, the achievement of specified performance goals or such other events as the Committee may provide, and (B) the method or methods by which payment of the exercise price with respect to an Option may be made or deemed to have been made, which may include, without limitation, cash, check acceptable to the Committee, withholding Common Shares from the Award, a "cashless-broker" exercise through procedures approved by the Committee, or any combination of the above methods, having a Fair Market Value on the exercise date equal to the relevant exercise price.

(iii) *Forfeitures.* Except as otherwise provided in the terms of the Option or SAR Award Agreement, upon termination of a Participant's employment with or consulting services to the Company and its Affiliates or membership on the Board, whichever is applicable, for any reason during the applicable Restricted Period, all outstanding unvested Options and SARs awarded to the Participant shall be automatically forfeited on such termination. The Committee may, in its discretion, waive in whole or in part such forfeiture with respect to a Participant's Options or SARs.

(b) *Restricted Stock and Phantom Stock.* The Committee shall have the authority to determine the Employees, consultants and Directors to whom Restricted Stock and Phantom Stock shall be granted, the number of shares of Restricted Stock or Phantom Stock to be granted to each such Participant, the Restricted Period, the conditions under which the Restricted Stock or Phantom Stock may become vested or forfeited and such other terms and conditions as the Committee may establish with respect to such Awards which may include, without limitation, a provision for accelerated vesting upon the death or Disability of a Participant, the achievement of specified performance goals or such other events as the Committee may provide.

(i) *SDRs.* To the extent provided by the Committee, in its discretion, a grant of Restricted Stock may provide that the dividends paid by the Company with respect to the Restricted Stock shall be subject to the same forfeiture and other restrictions as the Restricted Stock and, if restricted, such dividends shall be held, without interest, until the Restricted Stock vests or is forfeited with the SDR being paid or forfeited at the same time, as the case may be. In addition, the Committee may provide that such dividends be used to acquire additional Restricted Stock for the Participant. Such additional Restricted Stock may be subject to such vesting and other terms as the Committee may proscribe. Absent such a restriction on the SDRs in the Award Agreement, upon a dividend with respect to Restricted Stock, such dividend shall be paid promptly to the holder of the Restricted Stock without vesting restrictions.

(ii) *Forfeitures.* Except as otherwise provided in the terms of the Restricted Stock or Phantom Stock Award Agreement, upon termination of a Participant's employment with or consulting services to the Company and its Affiliates or membership on the Board, whichever is applicable, for any reason during the applicable Restricted Period, all outstanding, unvested Restricted Stock and Phantom Stock awarded to the Participant shall be automatically forfeited on such termination. The Committee may, in its discretion, waive in whole or in part such forfeiture with respect to a Participant's Restricted Stock and/or Phantom Stock.

(iii) *Lapse of Restrictions.*

(A) *Phantom Stock.* Upon or as soon as reasonably practical following the vesting of each share of Phantom Stock, subject to satisfying the tax withholding obligations of Section 8(b), the Participant shall be entitled to receive from the Company one Common Share or cash equal to the Fair Market Value of a Common Share, as determined by the Committee in its discretion.

Table of Contents

(B) *Restricted Stock.* Upon or as soon as reasonably practical following the vesting of each share of Restricted Stock, subject to satisfying the tax withholding obligations of Section 8(b), the Participant shall be entitled to have the restrictions removed from his or her share certificate so that the Participant then holds an unrestricted Common Share.

(c) *Stock Awards.* Stock Awards may be granted under the Plan to such Employees, consultants and/or Directors and in such amounts as the Committee, in its discretion, may select.

(d) *Other Stock-Based Awards.* Other Stock-Based Awards may be granted under the Plan to such Employees, consultants and/or Directors and in such amounts as the Committee, in its discretion, may select. An Other Stock-Based Award shall be an award denominated or payable in, valued in or otherwise based on or related to Common Shares, in whole or in part. The Committee shall determine the terms and conditions of any such Other Stock-Based Award. Upon vesting, an Other Stock-Based Award may be paid in cash, Common Shares (including Restricted Stock) or any combination thereof as provided in the Award Agreement.

(e) *General.*

(i) *Awards May Be Granted Separately or Together.* Awards may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution for any other Award granted under the Plan or any award granted under any other plan of the Company or any of its Affiliates. Awards granted in addition to or in tandem with other Awards or awards granted under any other plan of the Company or any of its Affiliates may be granted either at the same time as or at a different time from the grant of such other Awards or awards.

(ii) *Limits on Transfer of Awards.*

(A) Except as provided in Section 6(e)(ii)(C), each Option and SAR shall be exercisable only by the Participant during the Participant's lifetime, or by the Person to whom the Participant's rights shall pass by will or the laws of descent and distribution.

(B) Except as provided in Section 6(e)(ii)(C), no Award and no right under any such Award may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any of its Affiliates.

(C) To the extent specifically provided by the Committee with respect to an Option or SAR, an Option or SAR may be transferred by a Participant without consideration to immediate family members or related family trusts, limited partnerships or similar entities or on such terms and conditions as the Committee may from time to time establish.

(iii) *Term of Awards.* The term of each Award shall be for such period as may be determined by the Committee.

(iv) *Stock Certificates.* All certificates for Common Shares or other securities of the Company delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the SEC, any stock exchange upon which such Common Shares or other securities are then listed, and any applicable federal or state laws, and the Committee may cause a legend or legends to be inscribed on any such certificates to make appropriate reference to such restrictions.

(v) *Consideration for Grants.* Awards may be granted for such consideration, including services, as the Committee shall determine.

Table of Contents

(vi) *Delivery of Common Shares or other Securities and Payment by Participant of Consideration.* Notwithstanding anything in the Plan or any Award Agreement to the contrary, delivery of Common Shares pursuant to the exercise or vesting of an Award may be deferred for any period during which, in the good faith determination of the Committee, the Company is not reasonably able to obtain Common Shares to deliver pursuant to such Award without violating applicable law or the applicable rules or regulations of any governmental agency or authority or securities exchange. No Common Shares or other securities shall be delivered pursuant to any Award until payment in full of any amount required to be paid pursuant to the Plan or the applicable Award Agreement (including, without limitation, any exercise price or tax withholding) is received by the Company.

SECTION 7. Amendment and Termination.

Except to the extent prohibited by applicable law:

(a) *Amendments to the Plan.* Except as required by the rules of the principal securities exchange on which the Common Shares are traded and subject to Section 7(b), the Committee may amend, alter, suspend, discontinue, or terminate the Plan in any manner, including increasing the number of Common Shares available for Awards under the Plan, without the consent of any Participant, other holder or beneficiary of an Award, or any other Person.

(b) *Amendments to Awards.* Subject to Section 7(a), the Committee may waive any conditions or rights under, amend any terms of, or alter any Award theretofore granted, provided no change, other than pursuant to Section 7(c), in any Award shall materially reduce the rights or benefits of a Participant with respect to an Award without the consent of such Participant.

(c) *Actions Upon the Occurrence of Certain Events.* Upon the occurrence of a Change of Control, any change in applicable law or regulation affecting the Plan or Awards thereunder, or any change in accounting principles affecting the financial statements of the Company, the Committee, in its sole discretion, without the consent of any Participant or holder of the Award, and on such terms and conditions as it deems appropriate, may take any one or more of the following actions in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or an outstanding Award:

(i) provide for either (A) the termination of any Award in exchange for an amount of cash, if any, equal to the amount that would have been attained upon the exercise of such Award or realization of the Participant's rights at such time (and, for the avoidance of doubt, if as of the date of the occurrence of such transaction or event the Committee determines in good faith that no amount would have been attained upon the exercise of such Award or realization of the Participant's rights, then such Award may be terminated by the Committee without payment) or (B) the replacement of such Award with other rights or property selected by the Committee in its sole discretion;

(ii) provide that such Award be assumed by the successor or survivor entity, or a parent or subsidiary thereof, or be exchanged for similar options, rights or awards covering the equity of the successor or survivor, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of equity interests and prices;

(iii) make adjustments in the number and type of Common Shares (or other securities or property) subject to outstanding Awards, and in the number and kind of outstanding Awards or in the terms and conditions of (including the exercise price), and the vesting and performance criteria included in, outstanding Awards, or both;

(iv) provide that such Award shall be exercisable or payable, notwithstanding anything to the contrary in the Plan or the applicable Award Agreement; and

(v) provide that the Award cannot be exercised or become payable after such event, i.e., shall terminate upon such event.

Notwithstanding the foregoing, with respect to an above event that is an "equity restructuring" event that would be subject to a compensation expense pursuant FASB ASC Topic 718, the provisions in Section 4(c) shall control to the extent they are in conflict with the discretionary provisions of this Section 7.

SECTION 8. General Provisions.

(a) *No Rights to Award.* No Person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Participants. The terms and conditions of Awards need not be the same with respect to each recipient.

(b) *Tax Withholding.* Unless other arrangements have been made that are acceptable to the Committee, the Company or any of its Affiliates is authorized to withhold from any Award, from any payment due or transfer made under any Award or from any compensation or other amount owing to a Participant the amount (in cash, Common Shares, Common Shares that would otherwise be issued pursuant to such Award or other property) of any applicable taxes payable in respect of the grant of an Award, its exercise, the lapse of restrictions thereon, or any payment or transfer under an Award or under the Plan and to take such other action as may be necessary in the opinion of the Committee to satisfy the withholding obligations for the payment of such taxes.

(c) *No Right to Employment or Services.* The grant of an Award shall not be construed as giving a Participant the right to be retained in the employ of the Company or any of its Affiliates, to continue consulting services or to remain on the Board, as applicable. Furthermore, the Company or any of its Affiliates may at any time dismiss a Participant from employment free from any liability or any claim under the Plan, unless otherwise expressly provided in the Plan, any Award Agreement or other agreement.

(d) *Governing Law.* The validity, construction, and effect of the Plan and any rules and regulations relating to the Plan shall be determined in accordance with the laws of the State of Delaware without regard to its conflicts of laws principles.

(e) *Severability.* If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable law or, if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, Person or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

(f) *Other Laws.* The Committee may refuse to issue or transfer any Common Shares or other consideration under an Award if, in its sole discretion, it determines that the issuance or transfer of such Common Shares or such other consideration might violate any applicable law or regulation, the rules of the principal securities exchange on which the Common Shares are then traded, or entitle the Company or any of its Affiliates to recover the same under Section 16(b) of the Exchange Act, and any payment tendered to the Company by a Participant, other holder or beneficiary in connection with the exercise of such Award shall be promptly refunded to such Participant, holder or beneficiary.

(g) *No Trust or Fund Created.* Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any participating Affiliate of the Company and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company or any participating Affiliate of the

Company pursuant to an Award, such right shall be no greater than the right of any general unsecured creditor of the Company or any participating Affiliate of the Company.

(h) *No Fractional Common Shares.* No fractional Common Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash, other securities, or other property shall be paid or transferred in lieu of any fractional Common Shares or whether such fractional Common Shares or any rights thereto shall be canceled, terminated, or otherwise eliminated.

(i) *Headings.* Headings are given to the ~~Sections~~sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

(j) *Facility Payment.* Any amounts payable hereunder to any Person under legal disability or who, in the judgment of the Committee, is unable to manage properly his or her financial affairs, may be paid to the legal representative of such Person, or may be applied for the benefit of such Person in any manner that the Committee may select, and the Company shall be relieved of any further liability for payment of such amounts.

(k) *Gender and Number.* Words in the masculine gender shall include the feminine gender, the plural shall include the singular and the singular shall include the plural.

SECTION 9. *Term of the Plan.*

The Plan shall be effective on the date ~~it is hereof, which is the date on which it was~~ approved by the ~~shareholders~~stockholders of the Company, ~~if such approval is required by the rules of the principal securities exchange on which the Common Shares are traded or, if such approval is not required, then on the date the Plan is adopted by the Company~~ and shall continue until the earliest of (i) the date it is terminated by the Board, (ii) all Common Shares available under the Plan have been paid to Participants, or (iii) the 10th anniversary of the date the Plan is approved as provided above. However, any Award granted prior to such termination, and the authority of the Committee to amend, alter, adjust, suspend, discontinue, or terminate any such Award or to waive any conditions or rights under such Award, shall extend beyond such termination date.
