ITEM 4.01. CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANT

Edgar Filing: PROFILE TECHNOLOGIES INC - Form 8-K

(a) Previous independent accountant.

On November 4, 2004, the Company dismissed KPMG LLP ("KPMG") as its independent accountant. The decision to change independent accountants was approved by the Company's Audit Committee and Board of Directors.

During the audits of the Company's two most recent fiscal years ended June 30, 2004 and through November 4, 2004, the Company has had no disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of KPMG, would have caused it to make reference to the subject matter of such disagreements in its report on the financial statements of the Company for such period. During the Company's two most recent fiscal years and through the date of this report, the Company has had no reportable events under Item 304(a)(1)(iv) of Regulation S-B, except as discussed in the next paragraph below.

During the audit for the year-ended June 30, 2004, KPMG advised the Company's Audit Committee that they identified one material weakness in the Company's internal controls. The material weakness identified related to the accounting and financial reporting for the non-payment of interest on the convertible debt, causing certain of the notes to be in default as of June 30, 2004. The accounting for this default is included in the Company's financial statements for the year-ended June 30, 2004. The Company has implemented processes and procedures to review debt agreements, on a quarterly basis, to ensure that the Company is in compliance with the terms of its debt instruments and covenants. In instances of non-compliance, the Company will take the necessary actions to remedy the non-compliance and consider the impact of any non-compliance in the reporting of the Company's financial statements.

The audit reports of KPMG on the financial statements of the Company as of and for each of the past two fiscal years ended June 30, 2004 and 2003 did not contain any adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles, except as follows:

KPMG's report on the financial statements of the Company as of and for the years ended June 30, 2004 and 2003, contained a separate paragraph stating that "the Company has incurred net losses since inception and has a working capital deficit at June 30, 2004 that raise substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are also described in note 7. The financial statements do not include any adjustments that might result from the outcome of this uncertainty."

The Company has requested KPMG to furnish it with a letter addressed to the Commission stating whether or not KPMG agrees with the above statements. A copy of such letter, dated November 9, 2004, is filed as Exhibit No. 16 to this report.

(b) New independent accountant.

The Company has engaged Peterson Sullivan PLLC ("Peterson Sullivan") as its new independent accountant as of November 4, 2004. During the Company's two most recent fiscal years and through the date of their engagement by the Company, the Company did not consult with Peterson Sullivan regarding the issues of the type described in Item 304(a)(2) of Regulation S-B.
