INFORMATION STATEMENT  
AND NOTICE OF ACTIONS TAKEN  
BY WRITTEN CONSENT OF THE MAJORITY SHAREHOLDER

General Information

This information is being provided to the shareholders of Innocom Technology Holdings, Inc. (the "Company"), in connection with our prior receipt of approval by written consent, in lieu of a special meeting, of the holder of a majority of our common stock authorizing the following:

file an amendment with the Nevada Secretary of State to our Articles of Incorporation authorizing an increase of our authorized common stock from 50,000,000 common shares to 490,000,000 common shares, par value \$0.001 and authorizing 10,000,000 preferred shares, par value \$0.001 per share;

that the majority shareholder of Innocom Technology Holdings, Inc. ("Innocom") approved the following resolution: RESOLVED, that the majority shareholders of Innocom Technology Holdings, Inc., on an advisory basis, the compensation of Innocom's named executive officers, as disclosed in the Compensation Discussion and Analysis, compensation tables and narrative discussion set forth in this Information Statement; and

that the majority shareholder of Innocom "approve, on an advisory basis, the compensation of Innocom's named executive officers, as disclosed in the Executive Compensation section of the Company's annual report," and approve an advisory vote on Say-on-Pay to occur every three (3) years.

The shareholders holding shares representing 60.97% of the votes entitled to be cast at a meeting of the Company's shareholders, consented in writing to the proposed actions. The approval by the shareholder will not become effective until 20 days from the date of mailing of this Information Statement to our shareholders.

The Company's Board of Directors approved these actions on May 31, 2013 and recommended that the Articles of Incorporation be amended in order to effectuate the change in capital.

The proposed Amendment to the Articles of Incorporation will be filed with the Nevada Secretary of State. The anticipated filing date will be approximately 20 days after the mailing of this Information Statement to our shareholders.

If the proposed Amendment were not adopted by written majority shareholder consent, it would have been necessary for this action to be considered by the Company's shareholders at a special shareholder's meeting convened for the specific purpose of approving the Amendment.

The elimination of the need for a special meeting of the shareholders to approve the Amendments is authorized by Section 78.320 of the Nevada Revised Statutes, (the "Nevada Law"). This Section provides that the written consent of the holders of outstanding shares of voting capital stock, having not less than the minimum number of votes which would be necessary to authorize or take the action at a meeting at which all shares entitled to vote on a matter were present and voted, may be substituted for the special meeting. According to this Section 78.390 of the Nevada Law, a majority of the outstanding shares of voting capital stock entitled to vote on the matter is required in order to amend the Company's Articles of Incorporation. In order to eliminate the costs and management time involved in holding a special meeting and in order to effect the Amendments as early as possible in order to accomplish the purposes of the Company, the Board of Directors of the Company voted to utilize the written consent of the majority shareholders of the Company.

The record date established by the Company for purposes of determining the number of outstanding shares of Voting Capital Stock of the Company on July 15, 2013,(the "Record Date").

The date on which this Information Statement was first sent to the shareholders is on, or about August 15, 2013. The record date established by the Company for purposes of determining the number of outstanding shares of Voting Capital Stock of the Company on July 31, 2013, (the "Record Date").

Given these uncertainties, shareholders are cautioned not to place undue reliance on forward-looking statements. Except as specified in SEC regulations, we have no duty to publicly release information that updates the forward-looking statements contained in this Information Statement. An investment in our Company involves numerous risks and uncertainties, including those described elsewhere in this Information Statement.

### Proposals by Security Holders

As of the date of this Information Statement, no security holder proposals have been received by the Company.

Under the laws of Nevada, the Company's shareholders are not entitled to appraisal rights with respect to the Amendments and the Company will not independently provide its shareholders with any such right.

Outstanding Voting Stock of the Company

As of the Record Date, there were 37,898,251 shares of Common Stock issued and outstanding. The Common Stock constitutes the outstanding class of voting securities of the Company. Each share of Common Stock entitles the holder to one (1) vote on all matters submitted to the shareholders.

Purpose and Effect of the Increase in Company Authorized Capital

The Company's Board of Directors is taking this action to increase its authorized common stock capital because Hui Yan Sui William has indicated a willingness to convert his outstanding loans to the company into capital stock and presently the Company's authorized capital stock is not sufficient for a conversion of all the debt. Mr. Hui Yan Sui has loaned the Company \$5,145,626 Dollars. The Company plans to convert this debt into capital stock.

Purpose and Effect of the "Say-on-Pay" Proposal

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act ) enables our shareholders to vote to approve, on an advisory (non-binding) basis, the compensation of our named executive officers also known as "Say-on-Pay". This advisory vote approves the current executive compensation of our officers.

Purpose and Effect of Advisory Vote on Frequency of "Say-on-Pay"

The Dodd-Frank Act requires that our shareholders approve the frequency with which the Company may solicit the shareholder advisory vote on our named executive officers' executive compensation. This vote establishes that our frequency will be once every three years.

## COMPENSATION DISCUSSION AND ANALYSIS

### *Background and Compensation Philosophy*

Our board of directors consists of six individuals: (1) Hui Yan Sui, William, our Chief Executive Officer, Chairman of the Board and beneficial owner of 60.97% of our common stock; (2) Tang Chin Pang, Eric, our Executive Director; (3) Cheung Wai Hung, Eddie, our Chief Financial Officer; (4) Tan Ah Mee, a non-executive director; (5) Lau Yiu Nam, Eric, a non-executive director and (6) Qian Jian Yu, Mike, a non-executive director. Our board of directors have historically determined the compensation to be paid to our executive officers based on our financial and operating performance and prospects, the level of compensation paid to similarly situated executives in comparably sized companies and contributions made by the officers to our success. Each of the named officers will be measured by a series of performance criteria by the board of directors, or the compensation committee when it is established, on a yearly basis. Such criteria will be set forth based on certain objective parameters such as job characteristics, required professionalism, management skills, interpersonal skills, related experience, personal performance and overall corporate performance.

Our board of directors have not adopted or established a formal policy or procedure for determining the amount of compensation paid to our executive officers. Mr. Hui Yan Sui, William, Mr. Tang Chin Pang, Eric and Mr. Cheung Wai Hung, Eddie have been and may continue to be involved when our board of directors deliberate compensation issues related to their compensation.

---

As our executive leadership and board of directors grow, our board of directors may decide to form a compensation committee charged with the oversight of executive compensation plans, policies and programs.

### ***Elements of Compensation***

We provide our executive officers solely with a base salary to compensate them for services rendered during the year. Our policy of compensating our executives with a cash salary has served us well. Because of our history of attracting and retaining executive talent, we do not believe it is necessary at this time to provide our executives discretionary bonuses, equity incentives, or other benefits in order for us to continue to be successful.

### ***Base Salary***

The yearly base salary of Mr. Cheung Wai Hung, Eddie for the 2012 was \$54,191 (2011: \$53,950). Mr. Hui Yan Sui, William and Mr. Tang Chin Pang, Eric received no salary in 2012 and 2011.

### ***Discretionary Bonus***

We have not provided our executive officers with any discretionary bonuses at the moment but our board of directors may consider the necessity of such scheme in the future based on our financial and operating performance and prospects, the level of compensation paid to similarly situated executives in comparably sized companies and contributions made by the officers to our success.

### ***Equity Incentives***

We have not established equity based incentive program and have not granted stock based awards as a component of compensation. In the future, we may adopt and establish an equity incentive plan pursuant to which awards may be granted if our board of directors determines that it is in the best interests of our stockholders and the Company to do so.

### ***Retirement Benefits***

Our executive officers are not presently entitled to company-sponsored retirement benefits.

*Perquisites*

We have not provided our executive officers with any material perquisites and other personal benefits and, therefore, we do not view perquisites as a significant or necessary element of our executive s compensation.

*Deferred Compensation*

We do not provide our executives the opportunity to defer receipt of annual compensation.
