PROXY STATEMENT FOR THE ANNUAL MEETING OF STOCKHOLDERS

To be held on June 28, 2006

GENERAL

This proxy statement is furnished in connection with the solicitation of proxies to be voted at the Annual Meeting of Stockholders, or the Annual Meeting, of *SI International, Inc.*, which we refer to as *SI International* or the Company, to be held on Wednesday, June 28, 2006 at 10:00 a.m., local time, at the *SI International* facility located at 1050 North Newport Road, Colorado Springs, Colorado 80916.

The purpose of the Annual Meeting and a description of the matters to be acted upon at the Annual Meeting are set forth in the accompanying Notice of Annual Meeting of Stockholders. This proxy statement and the enclosed proxy card are being mailed to stockholders on or about May 22, 2006. We are also mailing to stockholders, along with this proxy statement, our Annual Report on Form 10-K for the fiscal year ended December 31, 2005. The enclosed proxy card is solicited by our Board of Directors and will be voted at the Annual Meeting and any adjournments thereof. Shares represented by a properly executed proxy card in the accompanying form will be voted at the Annual Meeting in accordance with any instructions specified by the stockholder. If no instructions are given, the stockholder's shares will be voted in accordance with the recommendations of the Board FOR each of the proposals presented in this proxy statement. Those recommendations are described later in this proxy statement.

SOLICITATION

SI International will bear the expenses in connection with the solicitation of proxies. Solicitation will be made by mail, but may also be made by telephone, personal interview, facsimile or personal calls by our officers, Directors or employees who will not be specially compensated for such solicitation. We may request brokerage houses and other nominees or fiduciaries to forward copies of our proxy statement and Form 10-K to beneficial owners of common stock, and we may reimburse them for reasonable out-of-pocket expenses incurred in doing so.

VOTING RIGHTS AND OUTSTANDING SHARES

The Board of Directors has fixed the close of business on May 12, 2006 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting or any adjournment thereof. The presence at the Annual Meeting, in person or by proxy, of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting will constitute a quorum for the transaction of business at the Annual Meeting. Votes cast in person or by proxy, abstentions and broker non-votes (which we define below) will be tabulated by the inspectors of election and will be considered in the determination of whether a quorum is present at the Annual Meeting. Ballots marked abstain will be counted as present and entitled to vote for purposes of determining whether a quorum exists for matters subject to a vote by the stockholders. If, with respect to any shares, a broker or other nominee submits a proxy card indicating that instructions have not been received from the beneficial owners or the persons entitled to vote, and if that broker or other nominee does not have discretionary authority to vote such shares (a broker non-vote) on one or more proposals, those shares will not be treated as present and entitled to vote for purposes of determining whether a quorum exists for matters subject to a vote by the stockholders. As of April 14, 2006, we had 12,796,717 shares of common stock issued and outstanding. Each share of common stock is entitled to one vote.

ALL STOCKHOLDERS ARE INVITED TO ATTEND THE MEETING IN PERSON. WHETHER OR NOT YOU EXPECT TO ATTEND THE MEETING, PLEASE COMPLETE, SIGN AND RETURN THE ENCLOSED PROXY AS PROMPTLY AS POSSIBLE IN ORDER TO ENSURE YOUR REPRESENTATION AT THE MEETING. A RETURN ENVELOPE (WHICH IS POSTAGE PREPAID IF MAILED IN THE UNITED STATES) IS ENCLOSED FOR THAT PURPOSE.

IF YOUR SHARES ARE HELD OF RECORD BY A BROKER, BANK OR OTHER NOMINEE, AND YOU WISH TO VOTE AT THE ANNUAL MEETING, YOU MUST OBTAIN FROM THE RECORD HOLDER A PROXY ISSUED IN YOUR NAME.

YOU MAY REVOKE YOUR PROXY AT ANY TIME BEFORE IT IS VOTED. IF YOU ARE PRESENT AT THE MEETING, YOU MAY VOTE YOUR SHARES IN PERSON AND THE PROXY WILL NOT BE USED.

PLEASE READ THE PROXY STATEMENT CONTAINED IN THIS BOOKLET FOR FURTHER INFORMATION CONCERNING THE MATTERS TO BE ACTED UPON AT THE ANNUAL MEETING AND THE USE OF THE PROXY.

REVOCABILITY OF PROXIES

You may revoke the proxy at any time before it is exercised in the following ways:

- You may make delivery of a written notice of revocation to our Corporate Secretary. All written notices of revocation or other communications with respect to revocation of proxies should be addressed to our Corporate Secretary at our principal executive offices as follows: *SI International, Inc.*, 12012 Sunset Hills Road, Suite 800, Reston, Virginia, 20190, Attention: Corporate Secretary.
- You may attend the Annual Meeting in person and revoke your proxy by either giving notice of revocation to the inspectors of election at the Annual Meeting or by voting at the Annual Meeting in person.
- You may submit another proxy bearing a later date.
- If you hold your shares in street name, you must contact your broker or other nominee to determine how to revoke your original proxy.

The only items of business that the Board intends to present or knows will be presented at the Annual Meeting are the items discussed in this proxy statement. The proxy confers discretionary authority upon the persons named in it, or their substitutes, to vote on any other items of business that may properly come before the meeting. All holders of record of our common stock at the close of business on May 12, 2006 will be eligible to vote at the Annual Meeting.

HOUSEHOLDING OF PROXY MATERIALS

Some banks, brokers and other nominee record holders may be participating in the practice of householding proxy statements and annual reports. This means that only one copy of this proxy statement or our annual report may have been sent to multiple stockholders in your household. We will promptly deliver to you a separate copy of either document if you write the Corporate Secretary at the following address: *SI International, Inc.*, 12012 Sunset Hills Road, Reston, Virginia 20190, Attention: Corporate Secretary. If you and any other stockholders of the Company want to receive separate copies of our annual report and proxy statement in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker or other nominee record holder, or you may contact us at the above address.

BENEFICIAL OWNERSHIP

The following table sets forth certain information regarding the beneficial ownership of the shares of our common stock as of April 14, 2006 by:

- Each person we know to beneficially own more than 5% of our common stock,
- Each Director and nominee for Director,
- Each of our executive officers named in the Summary Compensation Table under Executive Compensation below, and
- All of our Directors and executive officers as a group.

On April 14, 2006, we had 12,796,717 shares of common stock outstanding. Except as noted, all information with respect to beneficial ownership has been furnished by the respective Director, executive officer or beneficial owner of more than 5% of our common stock, or is based on filings with the Securities and Exchange Commission, which we sometimes refer to as the SEC. Unless otherwise indicated below, the persons named below have sole voting and investment power with respect to the number of shares set forth opposite their names. Beneficial ownership of the common stock has been determined for this purpose in accordance with the Securities Exchange Act of 1934, as amended, which provides, among other things, that a person is deemed to be the beneficial owner of the common stock if that person, directly or indirectly, has or shares voting power or investment power with respect to such stock or has the right to acquire such ownership within sixty days. Accordingly, the amounts shown in the table do not purport to represent beneficial ownership for any purpose other than compliance with Securities and Exchange Commission reporting requirements. Further, beneficial ownership as determined in this manner does not necessarily bear on the economic incidence of ownership of the common stock. Unless otherwise indicated below, the address of those identified in the table is *SI International, Inc.*, 12012 Sunset Hills Road, Suite 800, Reston, Virginia 20190.

ELECTION OF DIRECTORS

(PROPOSAL 1)

General. The Company's Second Restated Certificate of Incorporation, which we refer to as our Charter, and the Company's Amended and Restated Bylaws, which we refer to as our Bylaws, provide for the classification of the Board of Directors into three classes (designated as Class I Directors, Class II Directors and Class III Directors), with members of each class holding office for staggered three-year terms. Vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other causes may be filled by either the affirmative vote of the holders of a majority of the then-outstanding shares of *SI International* or by the affirmative vote of a majority of the remaining Directors then in office, even if less than a quorum of the Board of Directors.

Our Board of Directors currently consists of ten (10) members. There are currently four Class I Directors, whose terms expire at the Annual Meeting, three Class II Directors, whose terms expire at the 2007 Annual Meeting of Stockholders, and three (3) Class III Directors, whose terms expire at the 2008 Annual Meeting of Stockholders (in all cases subject to the election and qualification of their successors and to their earlier death, resignation or removal).

Each of the nominees for election as a Class I Director is currently on the Board of *SI International*, has been nominated by the Board of Directors, upon unanimous recommendation of the Corporate Governance Committee, and has indicated his willingness to serve, if elected. If any of the nominees for election as a Class I Director should be unable or unwilling to serve, proxies may be voted for a substitute nominee designated by the Board of Directors. If elected at the Annual Meeting, each of the four nominees would serve until the 2009 Annual Meeting (subject to the election and qualification of his successor and to his earlier death, resignation or removal).

If a quorum is present and no stockholder has exercised cumulative voting rights, the Directors will be elected by a plurality of the votes of the shares cast in person or by proxy at the meeting. Abstentions and broker non-votes have no effect on the vote. If a stockholder has exercised cumulative voting rights, the four candidates receiving the highest number of affirmative votes of the shares entitled to be voted for such Directors will be elected Directors of the Company. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the four nominees named below. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as the Board of Directors may propose. It is not anticipated that any nominee will be unable or unwilling to serve as a Director.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT OUR STOCKHOLDERS VOTE FOR THE ELECTION OF THE NOMINEES TO SERVE AS DIRECTORS.

Election of Additional Directors

SI International may seek to identify an additional qualified individual for consideration to serve as an independent Director of the Board. If *SI International* finds a qualified person to fill such position, it is anticipated that the Board will create a new directorship by increasing the number of Board members from eleven to twelve or by appointing such person to any vacancy that occurs on the Board. The nomination of a candidate for this Board of Director position is subject to recommendation by the Corporate Governance Committee and the appointment of the Board of Directors. The nominee will not be elected by stockholder vote because newly created directorships and vacancies on the Board may be filled by the affirmative vote of the majority of Directors then in office, even if less than a quorum of the Board. A Director elected by the Board to fill a vacancy shall serve for the remainder of the full term of the class of Director in which the vacancy occurred and until such Director's successor is elected and qualified. For a description of the procedure by which stockholders may submit Director nominations, please see Committees of the Board Corporate Governance Committee below.

Corporate Governance

The Board has adopted a set of corporate governance principles, which, along with the written charters for our Board committees described below, the Charter and the Bylaws, provide the framework for the Board's governance of the Company. Our corporate governance principles and the written charters of our Board committees are available both on the Investors section of our website at www.si-intl.com and in print free of charge to any stockholder who requests it.

Independence and Composition

Our Charter, and the National Association of Securities Dealers listing standards, which we refer to as the NASD listing standards, each require that a majority of our Board of Directors are independent Directors, as defined in our Charter and the NASD listing standards. In addition, our corporate governance principles require that we strive to have either a substantial majority of independent Directors or enough independent Directors on the Board so that, in the event one independent Director was to resign, die, or be removed from the Board, a majority of the remaining Board would still consist of independent Directors.

The Board of Directors, upon the unanimous recommendation of the Corporate Governance Committee at a meeting of the full Board, has determined that Messrs. Bowsher, Crawford, Florence, Marsh, Reimer, Sproat and Stenbit, representing a majority of our Board of Directors, are independent as defined in the NASD listing standards and our Charter. The Board made its determination based on information furnished by all directors regarding their relationships with the Company and research conducted by management. In addition, the Board consulted with the Company's counsel to ensure that the Board's determination would be consistent with all relevant securities laws and regulations as well as the NASD listing standards.

Stockholder Communications with Directors

The Company has a process whereby our stockholders can send communications to our Directors. This process is described in detail on our website at www.si-intl.com.

Board and Committee Meetings and Attendance

During fiscal year 2005, there were nine meetings of the Board, four of which were telephonic meetings. Each Board member attended 75% or more of the aggregate of the meetings of the Board and of the committees on which he served that were held during the period for which he was a Director or committee member, respectively. In addition, the Board took action by unanimous written consent in lieu of meeting three times during fiscal year 2005. Our corporate governance principles provide that it is the responsibility of individual Directors to make themselves available to attend, on a consistent basis, scheduled and special Board and committee meetings and the Annual Meeting of Stockholders on a consistent basis. All of our Directors attended the 2005 Annual Meeting of Stockholders.

In addition, non-management members of the Board of Directors met in executive session three times in fiscal year 2005. Pursuant to our corporate governance principles, the Board is required to designate an independent Director to serve as lead or presiding Director (and in the absence of such appointment, the Chairman of the Corporate Governance Committee will perform the function of lead or presiding Director) to preside when the Board meets in executive session. Mr. Bowsher has been previously designated by the Board of Directors as the lead Director, and he served as the lead Director at all meetings held in executive session in 2005.

Committees of the Board

The Board has an Audit Committee, a Compensation Committee and a Corporate Governance Committee, each of which deals with specific areas of the Board's responsibility.

Audit Committee

The Board of Directors has established an Audit Committee, which is governed by a written charter, which is attached hereto as Annex A. The Audit Committee reviews the professional services provided by our independent registered public accounting firm, the independence of the accountants from our management, our annual financial statements and our system of internal control over financial reporting. The composition of the Audit Committee is subject to the independence and other requirements of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated by the SEC thereunder, which we collectively refer to as the Exchange Act, and the NASD listing standards. The Board of Directors, upon the unanimous recommendation of the Corporate Governance Committee, has determined that all current members of the Audit Committee meet the audit committee composition and independence requirements of the Exchange Act and the NASD listing standards and that Mr. Charles A. Bowsher is an audit committee financial expert as defined in the Exchange Act.

The Audit Committee met eight times during fiscal year 2005. The current members of the Audit Committee are Mr. Bowsher, who serves as Chairman, General Marsh and Mr. Sproat.

Compensation Committee

The Board of Directors has established a Compensation Committee, which is governed by a written charter. The NASD listing standards require that the Compensation Committee consist solely of independent Directors. The Board of Directors, upon the unanimous recommendation of the Corporate Governance Committee, has determined that all current members of the Compensation Committee are independent as defined in the NASD listing standards.

The duties of the Compensation Committee include, among others:

- fixing the compensation level of executive officers of the Company,
- developing compensation policies that attract and retain the highest quality executives, articulate the relationship between corporate performance and executive compensation, and reward executives for the Company's progress,
- approving, reviewing and managing compensation plans and granting rights thereunder, and
- overseeing the possible dilution to other shareholders because of options granted to management.

The Compensation Committee met eight times during fiscal year 2005. In addition, the Compensation Committee took action by unanimous written consent in lieu of meeting six times during fiscal year 2005. During fiscal 2005 and until March 28, 2005, the members of the Compensation Committee were Mr. Crawford, who served as Chairman, and Messrs. Florence and Sproat. On March 28, 2005, Mr. Stenbit was appointed to the Compensation Committee, and Mr. Sproat replaced Mr. Crawford as Chairman. As a result, the current members of the Compensation Committee are Mr. Sproat, who serves as Chairman, and Messrs. Crawford, Florence, and Stenbit.

Corporate Governance Committee

The Board of Directors has established a Corporate Governance Committee, which is governed by a written charter. The Corporate Governance Committee oversees and reviews nominations for our Board of Directors and evaluates and recommends corporate governance compliance policies and procedures applicable to *SI International*. In addition, the Corporate Governance Committee is charged with the task of assessing the performance of the Board of Directors on an annual basis and overseeing the annual self-assessments carried out by each of the committees of the Board, including the Corporate Governance Committee itself. The purpose of each of these assessments is to monitor the effectiveness of the Board and the committees, gather information regarding the ability of the Board and the committees to fulfill their mandates and responsibilities, and provide a basis for further evaluation and improvement of the policies of the Board and the committees.

Our Board has adopted a policy that the Corporate Governance Committee endeavor to identify individuals to serve on the Board who have expertise that is useful to us and complementary to the background, skills and experience of the other members of the Board. The Corporate Governance Committee's assessment of the composition of the Board includes the following considerations: (a) the skills of each member of the Board, which includes an analysis of each Director's business and management experience, information technology and government contractor industry experience, professional services industry experience, accounting experience, finance and capital markets experience, and level of understanding of corporate governance regulations and public policy matters, (b) the characteristics of each member of the Board, which includes an analysis of each Director's ethical and

moral standards, leadership abilities, sound business judgment, independence and innovative thought, and (c) the general composition of the Board of Directors, which includes an analysis of the diversity, age and public company experience of the Directors. The principal qualification for a Director is the ability to act in the best interests of the Company and its stockholders.

The Corporate Governance Committee also considers Directors nominees recommended by stockholders. The deadline for submissions of proposals for the 2006 Annual Meeting can be found under the section of this proxy statement captioned **Deadline for Stockholder Proposals**.

In order to nominate a Director nominee, a stockholder's proposal must comply with all of the requirements of Rule 14a-8 as promulgated under the Exchange Act. In addition, any such proposals must include the following:

- the name and address of the stockholder submitting the proposal, as it appears on our stock records, and of the beneficial owner thereof;
- the number of shares of stock of each class that are owned beneficially and of record by the stockholder and the beneficial owner;
- a description of all arrangements or understandings between the stockholder and the Director nominee and any other person pursuant to which the nomination is to be made by the stockholder; and
- all information relating to the Director nominee that is required to be disclosed in solicitations of proxies for election of Directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including such person's written consent to being named in the proxy statement as a Director nominee and to serving as a Director if elected).

The Corporate Governance Committee does not evaluate Director candidates recommended by stockholders any differently than it evaluates Director candidates recommended by our Directors, management or employees.

The NASD listing standards require that the Corporate Governance Committee consist solely of independent Directors. The Board of Directors, upon the unanimous recommendation of the Corporate Governance Committee, has determined that all current members of the Corporate Committee are independent as defined in the NASD listing standards.

During fiscal 2005, the Corporate Governance Committee met four times. During fiscal 2005 and until March 28, 2005, the members of the Corporate Governance were Mr. Crawford, who serves as Chairman, and Messrs. Florence and Sproat. Mr. Sproat resigned from the Corporate Governance Committee on March 28, 2005 and was replaced by Mr. Stenbit. In July 2005, Mr. Bowsher was appointed to serve as a member of the Corporate Governance Committee. As of July 15, 2005, the current members of the Corporate Governance Committee are Mr. Crawford, who serves as Chairman, and Messrs. Bowsher, Florence, and Stenbit.

Code of Ethics

Our Directors, as well as our officers and employees, are also governed by our Code of Ethics, which we refer to as our Code. The Code is available both on our website at www.si-intl.com or in print free of charge to any stockholder who requests it. Amendments to, or waivers from, a provision of the Code that apply to our Directors, executive officers or corporate controller will be posted to our website within five business days following the date of the amendment or waiver.

Compensation Committee Interlocks and Insider Participation

None of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our Board of Directors or Compensation Committee. Messrs. Crawford, Florence and Sproat served as the members of the Compensation Committee of our Board of Directors during our recently completed fiscal year 2005. None of these individuals has ever served as an officer or employee of the Company.

Director Compensation

Directors who are also employees of the Company do not receive any cash compensation from us for their services as members of the Board. For fiscal 2006, the following describes the annual compensation and meeting fees for each non-employee Director:

	Annual Compensation (payable in equal quarterly installments)	Regular Meeting Fees (in person or by phone)
Board of Directors	\$18,000	\$1,000
Audit Committee (other than Chairman)	\$4,000	None
Audit Committee Chairman	\$12,000	None
Other Committees (other than Chairman)	\$2,000	None
Other Committee Chairman	\$6,000	None

Directors are also entitled to reimbursement of expenses for attending each meeting of the Board and each committee meeting.

Currently, our non-employee Directors are eligible to receive non-qualified stock and stock option awards under our 2002 Amended and Restated Omnibus Stock Incentive Plan. Historically, our Board had approved a policy that, upon initial election or appointment to the Board, each new non-employee Director would receive an initial stock option to purchase 10,000 shares of common stock, to be vested over a three (3) year period. In addition, each independent Director received an annual stock option to purchase 2,500 shares of common stock, to be vested over a three (3) year period. Grants to directors contained a provision for acceleration of vesting upon the occurrence of a designated change of control event. The exercise price of the options was 100% of the fair market value of our common stock on the date of grant.

In fiscal year 2006, the Board has elected to review its policy for award of equity grants to non-employee Directors and anticipates adopting a new policy for such awards during fiscal year 2006. However, upon General Reimer's appointment in March 2006, he received an initial stock option to purchase 10,000 shares of common stock, to be vested over a three (3) year period.

In addition, in December 2005, the Board approved acceleration of all outstanding and unvested stock option grants to all participants in the Company's stock option programs. The Board elected to accelerate the options in order to recognize all stock option expense in fiscal year 2005, thereby reducing future option expense after fiscal year 2005 as a result of a new accounting rule which took effect on January 1, 2006. Of the accelerated options, 60,650 options were held by non-employee directors (of which 40,650 were in-the-money). Of the grants to non-employee directors, Charles Bowsher, James E. Crawford, Walter J. Culver, Walter E. Florence, Robert T. Marsh, Edward H. Sproat and John P. Stenbit received acceleration of previously unvested stock option grants totaling 7,500, 7,500, 13,690, 7,500, 8,480, 8,480, and 7,500, respectively.

We currently have reserved 2,920,000 shares of our common stock for issuance under the 2002 Amended and Restated Omnibus Stock Incentive Plan. In addition to our non-employee Directors, all of our employees are eligible to receive stock awards and stock option grants under this plan. The Board may terminate the plan at any time.

Executive Employment Contracts

In July 2002, we entered into Executive Employment Agreements with each of Ray Oleson, S. Bradford Antle, Thomas Lloyd and Thomas Dunn. In March 2005, we entered into an Executive Employment Agreement with Paul Brubaker. In November 2005, we entered into an Executive Employment Agreement with Harry D. Gatanas. In January 2006, we entered into an Executive Employment Agreement with Marylynn Stowers. In February 2006, we entered into an Executive Employment Agreement with P. Michael Becraft. Pursuant to the terms of these agreements, each executive's employment extends until July 1st and is automatically extended for additional one-year terms unless Company or the executive provides written notice that such party does not wish to extend the term of the Agreement. Under the terms of their agreements and as of December 31, 2005, the base salaries (as indicated in parentheses) for Messrs. Oleson (\$440,000, with Mr. Oleson's salary reduced effective January 1, 2006 to \$308,000), Antle (\$440,000), Dunn (\$372,000), Becraft (\$250,000), Brubaker (\$255,000), Gatanas (\$250,000), and Lloyd (\$175,000), and Ms. Stowers (\$250,000). These base salaries are reviewed annually by the Compensation Committee, with the next annual review expected in or about June 2006. Each executive is eligible to receive a bonus following the end of each fiscal year in accordance with the performance-based bonus plans established by the Board of Directors. Each executive is also eligible for equity incentives in the form of executive stock grants and stock option grants.

Each employment agreement permits us to terminate the executive officer's employment with appropriate notice for or without cause. In general, cause is defined to include:

- A good faith finding by the Board or the CEO that the executive officer (i) has been convicted of a felony, (ii) has been convicted of a misdemeanor (excluding traffic violations) to the extent such conviction could reasonably be considered to compromise our best interests or render the executive officer unfit or unable to perform its services and duties hereunder, (iii) has committed any other act or omission involving dishonesty, disloyalty or fraud with respect to us or our customers or suppliers, or (iv) has committed an act involving unlawful or disreputable conduct in the context of the executive officer's employment which is likely to be harmful to us or our reputation;
- The continued failure by the executive officer to perform its duties in all material respects or a material breach by the executive officer of its obligations under its employment agreement, each after notice and a cure period; or
- A good faith finding by the Board or the CEO that the executive officer engaged in (i) misconduct materially injurious to us or our reputation or (ii) gross negligence or willful misconduct which has a material adverse effect on us.

Under each employment agreement, if the executive officer's employment ends for any reason, we shall pay the executive officer's normal post-termination compensation and benefits under, and in accordance with, our retirement, insurance and other compensation or benefit plans or programs during such period.

If, during the period commencing with a written agreement for a change of control (which transaction is ultimately consummated) and ending two years (one year for Messrs. Becraft, Brubaker and Gatanas and Ms. Stowers) thereafter, we terminate the executive officer's employment without cause, we fail to extend the term of the executive officer's employment agreement or the executive officer resigns for good reason, all of the stock options and restricted stock held by the executive officer will become fully vested.

If we terminate the executive officer's employment without cause, we fail to extend the term of the executive officer's employment agreement or the executive officer resigns for good reason, the executive will be entitled to receive his base salary, a pro-rata portion of any performance-based bonus and disability, accident and health insurance benefits for the twelve months following termination.

According to the terms of the agreements, each executive will be bound by confidentiality and invention assignment provisions and will be prohibited from competing with us for the six months following termination and from soliciting our customers or employees for the twelve months following termination.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company has entered into indemnity agreements with certain of its executive officers and each of its Directors, which provide, among other things, that the Company will indemnify such officer or Director, under the circumstances and to the extent provided for therein, for expenses, damages, judgments, fines and settlements he or she may be required to pay in actions or proceedings which he or she is or may be made a party by reason of his or her position as a Director or executive officer of the Company, and otherwise to the fullest extent permitted under Delaware law and the Company's Bylaws. These agreements are in addition to the indemnification provided to the Company's officers under its Bylaws in accordance with Delaware law.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The following report of the Compensation Committee shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission, nor shall it be incorporated by reference into any filing by SI International under the Securities Act or the Exchange Act.

Executive Compensation Philosophy

The Compensation Committee is responsible for reviewing and approving the compensation of the Chief Executive Officer, the other executive officers of the Company, and those officers reporting directly to the Chief Executive Officer. The Chief Executive Officer and his management team make recommendations to the Committee regarding base compensation and other short-term and long-term incentive plans designed to reward performance achievements. The Committee also considers peer company compensation data as well as salary and other survey tools provided or available to the Committee.

Our compensation program and policies are designed to help us attract, motivate and retain executives of outstanding ability in order to maximize return to stockholders. The primary objectives of our executive compensation program are to:

- Provide total compensation opportunities that are competitive with opportunities provided to executives of comparable companies at comparable levels of performance;
- Ensure that our executives' total compensation levels vary based on both our short-term financial performance and growth in stockholder value over time;
- Focus and motivate executives on the achievement of defined objectives; and
- Reward executives in accordance with their relative contributions to achieving strategic milestones and upholding key mission-related objectives.

In designing and administering its executive compensation program, we attempt to strike an appropriate balance among these objectives.

The Board, through the Compensation Committee, will annually revisit the manner in which it implements our compensation policies in connection with executive staff. Our policies will continue to be designed to align the interests of our executives and senior staff with the long-term interests of the stockholders.

Our executive compensation programs consist of three principal elements: base salary, short-term incentive cash payments and long-term stock options, each of which is discussed below.

Base Compensation

Executive compensation is reviewed annually by the Compensation Committee. In fiscal year 2005, executive compensation recommendations were presented to and approved by the Compensation Committee in June 2005, and we anticipate that executive compensation will be reviewed by the Committee this year in or about June 2006.

The Chief Executive Officer presents to the Committee recommendations for base compensation adjustments for the executive officers and those officers reporting directly to the Chief Executive Officer. Individual adjustments are reviewed and approved by the Compensation Committee based upon individual achievement and contribution. In addition, the Compensation Committee reviews third party studies providing benchmark data for executive compensation, which it uses in determining the appropriate total executive compensation.

As part of the annual compensation review during fiscal 2005, the Compensation Committee reviewed the established executive salary grades with corresponding salary ranges for each grade. The executive compensation structure approved by the Compensation Committee was based upon an analysis of the executive compensation of the Company's peer group as set forth in publicly available 2005 proxy statements. Management also engaged a nationally-recognized compensation consultant to assist in developing salary grade and range information.

Short-Term Incentive Compensation

Our compensation philosophy emphasizes incentive pay to leverage both individual and organizational performance. Our short-term incentive compensation program rewards executives for accomplishing primarily annual, organizational and individual business unit objectives. The program is defined to reward individual achievement of performance objectives based upon the achievement of organizational and business unit goals.

Bonus eligibility and plan requirements are established at the beginning of each fiscal year. Bonus goals are based upon recommendations made by the Chief Executive Officer and approved by the Board of Directors. For fiscal 2005, bonuses to be paid were based upon our achievement of thresholds relating to four company-level goals, revenue, net income, labor utilization, and days sales outstanding. The Compensation Committee is responsible for reviewing the recommendations made to it based upon the actual fiscal year performance as compared to the bonus goals established by the Board of Directors at the beginning of the fiscal year. The Compensation Committee also is responsible for approving bonus awards recommended to it for Chief Executive Officer, the other executive officers, and those officers reporting directly to the Chief Executive Officer, and for approving the total actual bonus pool. Bonus awards for fiscal year 2005 were reviewed and approved by the Compensation Committee at its meeting in February 2006, and bonus payments were made in February 2006.

Long-Term Incentive Compensation

The 2002 Amended and Restated Omnibus Stock Incentive Plan is designed to reward executives and other employees for long-term growth consistent with Company performance and stockholder return. The ultimate value of the long-term incentive compensation awards is dependent upon the actual performance of our stock price over time. In December 2005, the Board of Directors approved acceleration of all outstanding and unvested stock option grants to all participants in the Company's stock option programs. Of the accelerated options, approximately 414,104 options were held by executive officers (of which approximately 240,474 were in-the-money) and approximately 60,650 options were held by non-employee directors (of which approximately 40,650 were in-the-money). The Board elected to accelerate the options in order to recognize all stock option expense in fiscal year 2005, thereby reducing future option expense after fiscal year 2005 as a result of a new accounting rule which took effect on January 1, 2006.

During fiscal year 2005, incentive stock option grant recommendations for the executive officers and the direct reports of the Chief Executive Officer were made and approved in February 2005. The Compensation Committee anticipates that stock and/or stock option awards to the executive officers and direct reports of the Chief Executive Officer will continue to be a component of executive compensation and will be reviewed regularly each fiscal year.

During fiscal 2005, approximately 2,730 Company employees received an aggregate of 687,095 stock options at a weighted exercise price of \$28.19 per share. All such grants were subject to the terms of the 2002 Amended and Restated Omnibus Stock Incentive Plan or other stock option plans of the Company under which stock options are no longer being issued. Our Executive Chairman, Chief Executive Officer and our five other highest paid executive officers received stock options during fiscal year 2005 totaling 250,100 shares at prices ranging from \$26.20 to \$31.24 per share.

Compensation of Chief Executive Officer

Mr. Oleson has served as the Executive Chairman since the Company was founded in October 1998, and served as the Chief Executive Officer from our founding until September 2005. Mr. Antle was promoted to Chief Executive Officer in September 2005. The compensation of the Chief Executive Officer was developed based upon data obtained from the publicly available 2005 proxy statements of the Company's peer group. This information was further supported by information provided from a nationally recognized compensation consultant engaged by the Company, as well as national and local area salary surveys.

In conjunction with this review and based upon this information, the Compensation Committee unanimously approved an increase in the base salary of Mr. Oleson, as the Chief Executive Officer, to \$440,000, effective July 2005. Upon his promotion to Chief Executive Officer in September 2005, the Compensation Committee unanimously approved an increase in the base salary of Mr. Antle, as the Chief Executive Officer, to \$440,000, effective October 2005. Effective January 1, 2006, Mr. Oleson's salary was reduced to \$306,000.

In February 2006, the Compensation Committee reviewed the financial and other performance achievements of the Company as compared to the performance objectives established by the Board of Directors at the beginning of fiscal year 2005. Based upon this review and a determination that the Company exceeded both revenue and profitability targets established at the beginning of fiscal year 2005, the Compensation Committee approved a bonus in the amount of \$440,000 and \$391,000, for Mr. Oleson and Mr. Antle, respectively, for fiscal 2005, which represents in part each of their respective service periods as Chief Executive Officer for fiscal 2005, which was paid in February 2006.

Compensation Deductibility

Section 162(m) of the Internal Revenue Code of 1986, as amended, imposes a limit on tax deductions for annual compensation in excess of one million dollars paid by a corporation to its chief executive officer and the other four most highly compensated executive officers of the corporation. This provision excludes certain forms of performance based compensation from the compensation taken into account for purposes of the limit. The Board believes that it has structured its current compensation programs in a manner to allow us to fully deduct executive compensation under Section 162(m) of the Internal Revenue Code. The Board will continue to assess the impact of Section 162(m) of the Internal Revenue Code on its compensation practices and determine what further action, if any, is appropriate.

COMPARATIVE STOCK PRICE PERFORMANCE GRAPH

The comparisons on the following graph and table are required by the Securities and Exchange Commission and are not intended to forecast or be indicative of possible future performance of our common stock. The information contained in this table shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission, nor shall it be incorporated by reference into any previous or future filings under the Securities Act or the Exchange Act.

The following graph compares the cumulative total stockholder return on our common stock from November 12, 2002 (the first trading in common stock of *SI International*) through December 31, 2005, with the cumulative total return on (i) the Nasdaq Stock Market U.S. Index and (ii) a peer group composed of *SI International* and the following other Federal Government Service Providers with whom we compete: Anteon International Corp., CACI International Inc., Dynamics Research Corp., ManTech International Corp., MTC Technologies Inc., NCI, Inc., PEC Solutions Inc., SRA International Inc. and Titan Corp. PEC Solutions Inc. is included in the graph below but, because PEC Solutions, Inc. merged with Nortel Networks, Inc. in June 2005, PEC Solutions stock is no longer listed or publicly traded. Since PEC Solutions stock can no longer be tracked for purposes of stock price performance, *SI International* will not include it in future Comparative Stock Price Performance Graphs. In addition, Anteon International Corp. is included in the graph below but, because Anteon International Corp. has entered into a merger agreement with General Dynamics Corporation, if the merger closes, Anteon's stock will no longer be listed or publicly traded. If the merger occurs, since Anteon's stock will no longer be tracked for purposes of stock price performance, *SI International* will not include it in future Comparative Stock Price Performance Graphs. In October 2005, NCI, Inc., a provider of information technology services and solutions to the U.S. federal government, completed an initial public offering. Since NCI provides similar services to the federal government to those provided by *SI International* and to offset the fact that DigitalNet Solutions, which was acquired by BAE Systems North America Inc. in November, 2004, is, and PEC Solutions will, no longer be part of the group as a result of their respective acquisitions, *SI International* has chosen to add NCI to its peer group.

The graph assumes an investment of \$100 on November 12, 2002 in each of *SI International*, the Nasdaq Stock Market U.S. index and the members of our peer group. The comparison also assumes that all dividends are reinvested and all returns are market-cap weighted. The historical information set forth below is not necessarily indicative of future performance.

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

(PROPOSAL 2)

Independent Registered Public Accounting Firm For 2006

The Audit Committee of the Board of Directors has selected the firm of Ernst & Young LLP as *SI International*'s independent registered public accounting firm for the current fiscal year. Ernst & Young LLP has served as *SI International*'s independent registered public accounting firm since May 30, 2002. Stockholder ratification of the Board of Directors' selection of Ernst & Young LLP as the Company's independent registered public accounting firm- is not required by law, by the Company's bylaws or otherwise. However, the Company is submitting the selection of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain Ernst & Young LLP. In such event, the Audit Committee may retain Ernst & Young LLP, notwithstanding the fact that the stockholders did not ratify the selection, or select another nationally recognized accounting firm without re-submitting the matter to the stockholders. Even if the selection is ratified, the Audit Committee reserves the right in its discretion to select a different nationally recognized accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so and will also be available to respond to appropriate questions from stockholders.

If a quorum is present and no stockholder has exercised cumulative voting rights, the appointment of the registered independent public accounting firm will be ratified by a majority of the voting power of the outstanding shares present in person or represented by proxy at the meeting and entitled to vote on the ratification of the appointment of the registered independent public accounting firm. Abstentions and broker non-votes have no effect on the vote.

Audit, Audit-Related and Non-Audit services provided by our independent registered public accounting firm, Ernst & Young LLP, are subject to a policy of the Company regarding the Pre-Approval of Audit and Non-Audit Services. The Audit Committee monitors audit services engagements, reviews such engagements at least quarterly, and approves any changes in the terms, conditions, fees, or scope of such engagements. The Audit Committee has pre-approved certain services, including the following:

- services associated with registration statements, periodic reports and other documents filed with the SEC, and services related to securities offerings and responses to SEC comment letters (e.g., consents and comfort letters);
- consultations and assistance related to accounting, financial reporting or disclosure matters, and the actual or potential impact of final or proposed rules, standards of interpretation by the SEC, FASB, or other regulatory or standard-setting bodies;

- tax services.

The following services require specific pre-approval of the Audit Committee:

- annual audit services engagement, terms and fees, including required quarterly reviews;

- audit of 401(k) plan(s) for the fiscal year end.

In accordance with SEC rules and regulations, the following services will not be provided by the independent registered public accounting firm:

- bookkeeping or other services related to the accounting records or financial statements of the Company;

- actuarial services;
- internal audit outsourcing;
- management functions;
- human resources;
- broker-dealer, investment adviser or investment banking services;

- legal services; and
- expert services unrelated to the audit.

26

A copy of this policy is available on our website, www.si-intl.com, and is also available in print free of charge to any stockholder who requests it.

Each year, the independent registered public accounting firm's retention to audit the Company's financial statements, including the associated fee, is approved by the Audit Committee and the appointment of the independent registered public accounting firm is presented to the stockholders for ratification. The Audit Committee of the Board of Directors believes that the provision of services by Ernst & Young LLP is compatible with maintaining such auditor's independence.

During the course of the fiscal year and in accordance with this policy, the Audit Committee will evaluate known potential engagements of the independent registered public accounting firm, including the scope of work proposed to be performed and the proposed fees, and approve or reject each service, taking into account whether the services are permissible under applicable law and the possible impact of each non-audit service on the independent registered public accounting firm's independence from management.

OUR AUDIT COMMITTEE AND BOARD UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

Under our Bylaws, a stockholder must comply with certain procedures to nominate persons for election to the Board of Directors or to propose other business to be considered at an Annual Meeting of Stockholders. The Secretary of the Company generally must receive notice of any such proposal not less than 45 days or more than 75 days prior to the first anniversary of the date on which the Company first mailed its proxy materials for the preceding year's Annual Meeting of Stockholders. Generally, such stockholder notice must set forth:

A copy of the Company's Bylaws is available in print free of charge to any stockholder who requests it.

Management proxies will be authorized to exercise discretionary authority with respect to any stockholder proposal not included in our proxy materials unless (i) assuming the meeting is held within 30 days of the anniversary of the 2006 Annual Meeting of Stockholders we receive notice of such proposal by the later of the 45th day prior to such Annual Meeting and (ii) the conditions set forth in Rule 14a-4(c)(2)(i)-(iii) under the Exchange Act are met.

ADDITIONAL INFORMATION

Management knows of no matters that are to be presented for action at the Annual Meeting other than those set forth above. If any other matters properly come before the Annual Meeting, the persons named in the enclosed form of proxy will vote the shares represented by proxies in accordance with their best judgment on such matters.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our Directors, officers and certain persons who own more than 10% of our common stock to file with the Securities and Exchange Commission reports concerning their beneficial ownership of our equity securities. These persons are required to furnish us with copies of all Section 16(a) forms that they file. To our knowledge, based solely on our review of the copies of such forms received by us from our Directors, officers and greater than 10% beneficial owners, all of these reports were filed on a timely basis with the exception of two filings for Mr. Crawford for purchases of shares by a trust for his adult son, for which his wife and adult son serve as trustee, on June 15, 2004 and April 28, 2005 that were filed on Form 5 on February 14, 2006, one Form 3 filing for Mr. Becraft upon his appointment as an executive officer of the Company on December 30, 2005, which was filed on January 19, 2006 and was further amended by Form 3/A filings on February 24, 2006 and March 28, 2006; and filings by Messrs. Oleson, Antle, Dunn, and Lloyd, executive officers, for stock option grants to each totaling, respectively, 76, 50, 25, and 51 shares that should have been filed on Forms 3 in November 2002. We believe that all Directors and officers of *SI International* subject to Section 16(a) reporting are current in their reporting obligations thereunder, except as noted above.

By Order of the Board,

RAY J. OLESON
Chairman of the Board of Directors
