In this Current Report on Form 8-K (Form 8-K), Reliant Energy refers to Reliant Energy, Inc., and we, us and our refer to Reliant Energy and its subsidiaries.

Item 1.01 Entry into a Material Definitive Agreement.

On September 24, 2006, Reliant Energy Power Supply, LLC (REPS) signed a Credit Sleeve and Reimbursement Agreement (the Credit Sleeve Agreement) with Merrill Lynch Commodities, Inc., as sleeve provider, and Merrill Lynch & Co., Inc., as guarantee provider (collectively, Merrill Lynch), and a Working Capital Facility Agreement (the Working Capital Facility) with Merrill Lynch Capital Corporation as lender. The obligations of the parties are contingent upon certain closing conditions, including the receipt of consents from our bondholders and a series of refinancings related to our bank credit facilities.

Upon the effectiveness of the Credit Sleeve Agreement and the Working Capital Facility, REPS, Reliant Energy Retail Holdings, LLC (RERH) and the other subsidiaries through which our Texas retail energy business currently is conducted will be subsidiaries of RERH Holdings, LLC (RERH Holdings), a newly formed, bankruptcy-remote limited liability company and subsidiary of Reliant Energy. RERH Holdings and its subsidiaries are also parties to the Credit Sleeve Agreement and the Working Capital Facility as guarantors. We refer to RERH Holdings, RERH, REPS and such other subsidiaries collectively as the Retail Group.

Under the Credit Sleeve Agreement, Merrill Lynch will provide on behalf of the Retail Group guarantees and the posting of collateral to counterparties of the Retail Group in existing and future physical supply transactions. Merrill Lynch will also become a counterparty to REPS and the exchanges for existing and future financially settled supply contracts. REPS will not be required to post collateral for these transactions. The transfer of the existing financially settled supply contracts to Merrill Lynch will result in REPS recording an unrealized loss on energy derivatives of approximately \$20 million. REPS will pay to Merrill Lynch a structuring fee of \$12.75 million and a fee of \$0.40 for each MWh of power that the Retail Group delivers to its customers and REPS will be obligated to reimburse Merrill Lynch to the extent that any guarantees are called upon or any collateral posted is foreclosed upon.

The initial term of the Credit Sleeve Agreement is five years. The Retail Group will be permitted to terminate the Credit Sleeve Agreement at any time, subject to a make-whole payment during the first two years of the term. Merrill Lynch does not have an early termination option. The Credit Sleeve Agreement provides that an event of default will be triggered, subject to an opportunity to cure, if the Retail Group fails to manage their risk to changes in commodity prices.

Borrowings under the Working Capital Facility will be limited to a maximum of \$300 million and will bear interest at LIBOR plus 0.45%. Loans under the Working Capital Facility will mature on the 90th day after the termination date of the Credit Sleeve Agreement. The Working Capital Facility includes a \$150 million minimum EBITDA requirement for the Retail Group for each trailing four-quarter period.

The obligations of the Retail Group under the Credit Sleeve Agreement and the Working Capital Facility will be secured by first liens on substantially all of the assets of the Retail Group, including the equity interests in all of the companies in the Retail Group other than RERH Holdings. A first lien on the equity of RERH Holdings will secure certain indebtedness of Reliant Energy. The obligations of the Retail Group under the Credit Sleeve Agreement and the Working Capital Facility are non-recourse to Reliant Energy and its other subsidiaries.

The foregoing summaries of the Credit Sleeve Agreement and the Working Capital Facility are qualified in their entirety by reference to such documents filed as Exhibits 10.1 and 10.2 hereto, which are incorporated herein by reference.

Merrill Lynch has provided, and may in the future provide, investment banking, underwriting, lending, commercial banking and other advisory services to us. Merrill Lynch has received, and may in the future receive, customary compensation from us for such services.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

See the discussion under Item 1.01 above regarding the Working Capital Facility.

Item 7.01 Regulation FD Disclosure.

On September 24, 2006, Reliant Energy issued a press release announcing the transactions described in Item 1.01 above. A copy of the press release is furnished as Exhibit 99.1 hereto. In accordance with General Instruction B.2 of Form 8-K, the press release shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act.
