**PROXY STATEMENT
FOR ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 18, 2007**

GENERAL INFORMATION

This Proxy Statement is being furnished in connection with the solicitation of proxies on behalf of the Board of Directors (the Board) of Safety Insurance Group, Inc. (the Company) for the 2007 Annual Meeting of Shareholders to be held on May 18, 2007 at 10:00 a.m. at the Company's headquarters located at 20 Custom House Street, Boston, Massachusetts 02110 (the 2007 Annual Meeting).

The record date for determining shareholders entitled to vote at the 2007 Annual Meeting has been fixed at the close of business on April 2, 2007 (the Record Date). As of the Record Date, 16,223,163 shares of the Company's common stock, par value \$0.01 per share (the Common Stock), were outstanding and entitled to be voted. Every shareholder will be entitled to one vote for each share of Common Stock recorded in his or her name on the Company's books as of the Record Date. The Company mailed this Proxy Statement and the related form of proxy (the Proxy) on or about April 23, 2007.

With respect to Proposal 1, Election of the Company's Directors, the shares of Common Stock represented by the enclosed Proxy will be voted as directed by the shareholder or, in the absence of such direction, in favor of the election of the nominee for director designated herein. So long as a quorum (a majority of issued and outstanding shares of Common Stock entitled to vote at the 2007 Annual Meeting) is present at the 2007 Annual Meeting either in person or by proxy, a plurality of the votes properly cast is required to elect the directors. Votes withheld from a director nominee, abstentions and broker non-votes (when a registered broker holding a customer's shares in the name of the broker has not received voting instructions on a matter from the customer and is barred from exercising discretionary authority to vote on the matter, which the broker indicates on the Proxy Card) will be treated as present at the 2007 Annual Meeting for the purpose of determining a quorum but will not be counted as votes cast.

With respect to Proposal 2, Ratification of Appointment of Independent Registered Public Accounting Firm, an affirmative vote of a majority of the shares present or represented and entitled to vote on such proposal is required for approval. Abstentions are included in the number of shares present or represented and entitled to vote on the proposal and therefore have the practical effect of a vote against the proposal. Broker non-votes are not so included and therefore have no effect on the outcome of the proposal.

The enclosed Proxy confers discretionary authority with respect to any other proposals that may properly be brought before the 2007 Annual Meeting. As of the date hereof, management is not aware of any other matters to be presented for action at the 2007 Annual Meeting. If any other matters properly come before the 2007 Annual Meeting, however, the Proxies solicited hereby will be voted in accordance with the recommendation of the Board.

Any shareholder giving a Proxy may revoke it at any time before it is exercised by delivering written notice thereof to the Secretary. Any shareholder attending the 2007 Annual Meeting may vote in person

whether or not the shareholder has previously filed a Proxy. Presence at the 2007 Annual Meeting by a shareholder who has signed a Proxy, however, does not in itself revoke the Proxy.

The enclosed Proxy is being solicited by the Board. The cost of soliciting Proxies will be borne by the Company, and will consist primarily of preparing and mailing the Proxies and Proxy Statements. The Company will also request persons, firms and corporations holding shares of Common Stock in their names, or in the names of their nominees, which shares are beneficially owned by others, to send this Proxy material to and obtain Proxies from such beneficial owners and will reimburse such holders for their reasonable expenses in so doing.

The Company's Annual Report to Shareholders for the fiscal year ended December 31, 2006, including financial statements and the report of the Company's independent registered public accounting firm, PricewaterhouseCoopers LLP, thereon, accompanies this Proxy Statement. The Annual Report to Shareholders is neither a part of this Proxy Statement nor incorporated herein by reference.

Nominating and Governance Committee Policies

Pursuant to the Charter of the Nominating and Governance Committee, attached hereto in Appendix C to this Proxy Statement, the Nominating and Governance Committee has developed the following policies and procedures related to the nomination process for directors of the Company and the means by which shareholders may communicate with the Board:

Shareholder Recommendations for Director-Nominees

The Nominating and Governance Committee will consider recommendations from shareholders as to candidates to be nominated for election to the Board. A shareholder wishing to submit such a recommendation should send a letter to the Secretary of the Company at Safety Insurance Group, Inc., 20 Custom House Street, Boston, Massachusetts 02110, who will forward such recommendations to the Chairman of the Nominating and Governance Committee. Recommendations must be in writing and should include the candidate's name and qualifications for Board membership. This policy is not intended to replace the provisions in the Company's Bylaws related to shareholder nominations for director, but rather addresses the Nominating and Governance Committee's position on recommendations from shareholders for potential director-nominees. Shareholders wishing to nominate persons for director must comply with the Company's Bylaws and any applicable rules of the SEC.

Director-Nominee Evaluation Process

The Nominating and Governance Committee intends to utilize a variety of methods for identifying and evaluating nominees for director. The Nominating and Governance Committee will regularly assess the appropriate size of the Board, and whether any vacancies are expected due to retirement or otherwise. In the event that vacancies arise, the Nominating and Governance Committee will consider various potential candidates for director. Candidates may come to the attention of the Nominating and Governance Committee through current Board members, professional search firms, shareholders or other persons. In evaluating candidates, the Nominating and Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board.

Shareholder Communications to the Board

Shareholders may communicate directly with any member of the Board or the entire Board by sending correspondence to the Office of Investor Relations, Safety Insurance Group, Inc., 20 Custom House Street, Boston Massachusetts 02110, or emailing InvestorRelations@SafetyInsurance.com. Any such

correspondence must contain a clear notation indicating that it is a Shareholder-Director Communication, and must indicate whether the intended recipients are all members of the Board or certain specified individual directors. The Office of Investor Relations will make copies of all such correspondence and circulate them to the appropriate director or directors.

Director Attendance at Annual Meetings

Directors are encouraged but not required to attend the Company's Annual Meetings. Two directors attended last year's Annual Meeting.

Minimum Qualifications for Directors

In addition to the preceding policies and procedures adopted by the Nominating and Governance Committee, at the direction of the Board, the Board and Nominating and Governance Committee continue to evaluate their position on establishing minimum qualifications for directors. The Board seeks members with diverse business and professional backgrounds and outstanding integrity, judgment and such other skills and experiences as will enhance the Board's ability to best serve the interest of the Company. The Board has not approved any criteria for nominees for director and believes that establishing such criteria is best left to an evaluation of the needs of the Company at the time the nomination is to be considered. Similarly, the Nominating and Governance Committee has not identified specific, minimum qualifications for director nominees or any specific qualities or skills that it believes are necessary for one or more of the Company's directors to possess.

PROPOSAL 2

**RATIFICATION OF APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP
AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2007**

The Audit Committee of the Board selected PricewaterhouseCoopers LLP (PwC) to continue as the Company's independent registered public accounting firm for 2007. PwC is the Company's independent registered public accounting firm for the most recently completed fiscal year ended December 31, 2006. A representative of PwC is expected to be present at the 2007 Annual Meeting. The representative will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions from shareholders.

Ratification of PwC as our independent registered public accounting firm for the fiscal year ending December 31, 2007 requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote. **THE BOARD RECOMMENDS A VOTE FOR PROPOSAL 2 WHICH CALLS FOR THE RATIFICATION OF THE APPOINTMENT OF PWC.**

If our shareholders do not ratify the selection of PwC, the appointment of the independent registered public accounting firm will be reconsidered by our Audit Committee. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interests of the Company and its shareholders.

The Audit Committee has considered and determined that the provision of non-audit services provided in 2006 and 2005 are compatible with maintaining PwC's independence.

Audit Committee's Pre-Approval Policies and Procedures

The Company's Audit Committee has established a policy that all audit and permissible non-audit services provided by the independent auditors will be pre-approved by the Audit Committee. These services may include audit services, audit-related services, tax services and other services. The Audit Committee considers whether the provision of each non-audit service is compatible with maintaining the independence of the Company's auditors. Pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. During fiscal years 2006 and 2005, all audit services and all non-audit services provided to the Company by PwC were pre-approved in accordance with the Audit Committee's pre-approval policies and procedures described above.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Our compensation program objective is to attract and retain individuals key to our future success, to motivate and reward employees in achieving our business goals and to align the long-term interests of employees with those of shareholders.

Objectives of the Company's Compensation Program

The Compensation Committee of the Board of Directors (for purposes of this analysis, the Committee) is responsible for recommending to the Board compensation for the Chief Executive Officer and for determining the compensation of the other Named Executive Officers. The Committee acts pursuant to a charter that has been approved by the Board. The Committee bases its compensation policies and decisions on the following principles.

- Compensation should be structured to allow us to motivate, retain and attract executive talent.
- Compensation should be directly linked to the Company's and individual's performance as well as the level of responsibility.
- Compensation should be driven by our long-term financial performance and in doing so work to align the interests of management and shareholders.
- Compensation should reflect the value of each officer's position in the marketplace and within the Company.

Policies and Practices Related to the Company's Compensation Program

We strive to create an overall compensation package for each Named Executive Officer that satisfies these objectives, recognizing that certain elements of compensation are better suited to reflect different compensation objectives. The primary goal is to provide strong performance based total compensation plans that enable us to provide highly competitive compensation when our performance leads the peer group and industry.

The Committee directly engaged Thomas B. Wilson of the Wilson Group as its compensation consultant. Mr. Wilson reports directly to the Committee and is responsible for reviewing Committee materials, attending Committee meetings, assisting the Committee with program design and generally providing advice and counsel to the Committee as compensation issues arise. In 2006, Mr. Wilson performed a study of the compensation of executive management at the Company and at ten comparable property and casualty insurance companies. Although the median size of the peer group companies is larger than we are, these companies reflect a market where we are likely to recruit executive leaders or compete to retain our executives. The selected comparable companies for 2006 were:

21st Century Insurance Group
Baldwin & Lyons, Inc.
Commerce Group, Inc.
Donegal Group, Inc.
Erie Indemnity Company
Harleysville Group, Inc.
Infinity Property & Casualty Corporation
Mercury General Corporation
Selective Insurance Group, Inc.
State Auto Financial Corporation

The Committee will regularly review the list of comparable companies and refine it as appropriate.

Equity Grant Practices

The exercise price of each stock option awarded to our executive officers under our incentive compensation programs is the closing price of our common stock on the date of grant, which is the date when the Compensation Committee acts to approve equity awards for senior executives. Performance-based equity awards are also granted to our named executive officers at this time. The date that the Compensation Committee approves these equity awards is scheduled in advance and is based on the timing of the completion of annual performance and compensation review process.

Elements of Executive Compensation

The Committee, after reviewing information provided by the Wilson Group, determines what it believes to be the appropriate level of each of the various cash and non-cash compensation components. After receiving the results of the Wilson Group study and considering our compensation philosophy and the actual practices of the selected peer group, the Committee determined that the elements of targeted overall compensation for executive officers should include the following:

Base Salaries

Base salary should be targeted at the median (50th percentile) of peer group companies and reflect the roles, responsibilities and individual performance of the executives. Currently, based on the executive officers' employment contracts, salary increases are based on the change in cost of living for the Boston metropolitan market as reported by the Department of Labor statistics. The Committee establishes base salaries pursuant to employment agreements based on each officer's individual performance within a structure intended to be competitive with comparable companies.

Annual Cash Incentives

Annual cash incentive compensation should directly reflect the actual performance of the Company. We established the Annual Performance Incentive Plan so that we can provide executive and management employees selected by the Board, including the Named Executive Officers, with an opportunity to earn

meaningful financial rewards for the accomplishment of specific financial and strategic objectives of the Company. The targets and ranges of payouts are set to achieve the 75th percentile of the peer group market. However, the amount actually awarded to an officer varies with the performance of the Company. There is a limit on the amount awarded annually (150% of the target payout) and no annual incentives are paid unless threshold performance levels are satisfied. In addition, Mr. Brussard's employment agreement with the Company provides for a minimum annual cash incentive award of not less than 35% of the total cash incentive awards paid in such year to officers who hold such positions entitled Vice President or higher.

On or before the end of the first 90 days of each year, the Committee selects the participants to whom incentive awards are granted, establishes the target incentive awards, and establishes the performance objective or objectives that must be satisfied to receive an incentive award. Performance objectives are based upon the relative or comparative achievement of one or more of the following criteria, as determined by the Committee: net income, earnings before income taxes (EBIT), earnings per share, return on shareholders equity, expense management, profitability of an identifiable business unit or product, ratio of claims to revenues, revenue growth, earnings growth, total shareholder return, cash flow, return on assets, pretax operating income, net economic profit (operating earnings minus a charge for capital), customer satisfaction, agency satisfaction, employee satisfaction, quality of services, strategic innovation, or any combination of the foregoing.

For 2006, the financial measure established by the Committee was based upon our business goals and was set at the average of our 2005 and 2004 EBIT, adjusted to reflect previous non-recurring items. The target incentive awards, which are a percentage of base salary, were determined by the Committee based on the salary level and position of the officer within the Company. The three levels of payout, target, threshold (at 50% of target EBIT), and maximum (at 150% of target EBIT), were established for 2006 for our executive officers as follows:

Position	% of Salary Payable		
	Threshold	Target	Maximum
David F. Brussard	40 %	80 %	120 %
Other Executive Officers	30 %	60 %	90 %

The Company's financial performance exceeded 150% of target EBIT for 2006 and Messrs. Brussard, Begley, Loranger, Patrick, and Krupa earned the following annual incentive awards in 2006: \$857,649, \$238,235, \$314,471, \$276,353, and \$176,295, respectively.

The Committee has the discretion to pay a prorated portion of the cash incentive opportunity for attainment of performance objective levels between threshold, target, and maximum.

Performance-Based Nonqualified Deferred Compensation

The Company maintains a nonqualified deferred compensation plan, the Executive Incentive Compensation Plan (EICP), to further its objective of providing its executive officers with compensation that is competitive with that provided by comparable companies. The EICP is a performance based program that allocates 1.75% of the Insurance Subsidiaries annual consolidated statutory net income to a pool that is then distributed as deferred compensation to the eligible executives. The amount allocated is based on the total annual cash compensation (salary plus annual incentive) of the eligible executives. The Insurance Subsidiaries achieved a combined statutory net income of \$116,072,576 in 2006 and Messrs. Brussard, Begley, Loranger, Patrick, and Krupa earned the following allocations under the EICP in 2006: \$749,970, \$224,991, \$309,411, \$261,913, and \$139,610, respectively. The allocations are retained by the Company, invested in mutual funds, and only paid to the executive upon employment termination or a change in control as defined in the EICP.

On August 21, 2003, our Board approved an amendment to the EICP to provide a deferred compensation benefit with a supplemental matching provision that mirrors our 401(k) plan and on March 15, 2005, this provision was amended to provide that the participant's compensation for this purpose means the participant's base salary and annual incentive received (or deferred) in the plan year. Our intention was to provide additional retirement benefits to eligible executives in the absence of a traditional defined benefit pension arrangement. The amendments enable the executive officer to elect to defer amounts from his current compensation above the federally limited amount he can defer under the tax-qualified 401(k) plan and receive the Company's matching contribution on such supplemental deferrals. In accordance with these amendments, the Company made a matching contribution in an amount equal to 75% of the participant's elective deferrals under the plan up to a maximum of 8% of the participant's compensation during the plan year. Amounts deferred under the EICP do not include amounts deferred under the 401(k) plan, thus the Company's matching contributions under the EICP do not include amounts the Company has matched under the 401(k) plan. We made the following employer matching contributions for 2006 to the EICP on behalf of the Named Executive Officers: Mr. Brussard-\$77,697; Mr. Begley-\$14,720; Mr. Loranger-\$24,230; Mr. Patrick-\$19,475; and Mr. Krupa-\$10,743.

A description of our Named Executive Officers' benefits under the EICP and other material terms of the EICP can be found in the narrative following the Nonqualified Deferred Compensation Plan table.

Long-Term Incentives

We use our 2002 Management Omnibus Incentive Plan (the Incentive Plan) to grant long-term equity-based incentive awards. A description of the Incentive Plan can be found in the narrative following the Grants of Plan-Based Awards table. Long-term incentive compensation, which may include nonqualified stock options, incentive stock options, stock appreciation rights and restricted stock awards, is intended to reinforce the long-term growth in shareholder value of the corporation. The type of equity and amount awarded annually are based on the performance of the Company. Guidelines have been established for both annual awards and overall ownership targets as a multiple of salary. The target value is established at the 75th percentile of the peer group market, but the actual amount awarded and accumulated reflects our historical performance. On March 10, 2006, the Committee approved the following awards of restricted stock to each of the Named Executive Officers: Mr. Brussard-23,337; Mr. Begley-7,001; Mr. Loranger-8,751; Mr. Patrick-8,751; and Mr. Krupa-3,501. These grants were effective on March 10, 2006 and the stock vests in three annual installments of 30%, 30% and 40% beginning on the first anniversary date of these grants.

Other Employee Benefits

In addition to the main elements of compensation previously discussed in this section, our Named Executive Officers are eligible for the same welfare and defined benefits as are available to all of our employees. These benefits include medical and dental insurance, short- and long-term disability insurance, life and accidental death insurance, and a 401(k) plan. The 401(k) plan allows employees to contribute on a pre-tax basis up to the maximum allowed under federal law. At the close of each plan year, the Company makes a matching contribution equal to 100% of the amount each participant contributed during the plan year from their total pay, up to a maximum amount of 8% of the participant's base salary, provided the participant is employed on the last day of the plan year. We have no pension plan for employees at this time.

We provide our Named Executive Officers with certain perquisites that the Committee believes are reasonable, competitive and consistent with our overall compensation philosophy. In 2006, these perquisites included use of an automobile, an automobile parking space, home insurance coverage and automobile insurance coverage.

Section 162(m)

Section 162(m) of the Internal Revenue Code limits publicly-held companies to an annual deduction for federal income tax purposes of \$1,000,000 for compensation paid to our CEO and the next four most highly compensated officers determined at the end of each year. Performance-based compensation that meets certain requirements, including shareholder approval, is excluded from this limitation under Section 162(m). In general, compensation qualifies as performance-based compensation under Section 162(m) if (i) it is conditioned on the achievement of one or more pre-established, objective performance goals, (ii) such goal or goals are established by a committee of the Board consisting solely of two or more outside directors and (iii) material terms of the performance goals under which the compensation is payable are disclosed to, and subsequently approved by, the corporation's shareholders prior to payment. The Incentive Plan and the Annual Performance Incentive Plan are designed to comply with Section 162(m) requirements.

Compensation Committee Report

The Compensation Committee of the Company has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management, and based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and Form 10-K.

The above Report of the Compensation Committee of the Board of Directors does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

The following table shows the cash and non-cash compensation for the last fiscal year awarded to or earned by the five individuals who served as our CEO, CFO, and the three other most highly compensated executive officers (the Named Executive Officers or NEOs) during fiscal year ended December 31, 2006.

(1) Bonuses for prior years were previously reported in this column. Under current reporting rules, however, only purely discretionary or guaranteed bonuses are disclosed in this column. As discussed more fully in the Compensation Discussion and Analysis, the Named Executive Officers earn cash bonuses under the shareholder approved Annual Performance Incentive Plan based on one or more pre-established performance measures. Accordingly, annual incentive amounts are reported in the Non-Equity Incentive Plan Compensation column.

(2) The amounts in this column are calculated based on FAS 123R and equal the financial statement compensation cost for restricted stock awards as reported in our consolidated statement of income for the fiscal year ended December 31, 2006. Under FAS 123R, a pro-rata portion of the total expense at the time the restricted award is granted is recognized over the applicable service period generally corresponding with the vesting schedule of the grant. The expenses reported in this column relate to restricted stock grants originally made on March 25, 2004, March 16, 2005 and March 10, 2006. The original total cost of these awards was based on the number of shares awarded and the fair market value of the Company's common stock on the date the grant was made.

(3) The amounts in this column are calculated based on FAS 123R and equal the financial statement compensation cost for stock option awards as reported in our consolidated statement of income for the fiscal year ended December 31, 2006. Under FAS 123R, a pro-rata portion of the total expense at time of grant is recognized over the applicable service period generally corresponding with the vesting schedule of the grant. The initial expense is based on the fair value of the stock option grants as estimated using the Black-Scholes option-pricing model. The assumptions used to arrive at the Black-Scholes value are disclosed in Note 5 to our consolidated financial statements included in our 2006 Annual Report on Form 10-K.

(4) The amounts under this column consist of an annual cash incentive award earned in 2006 under the Annual Performance Incentive Plan.

(5) The amounts under this column include the following items: (A) annual deferred compensation bonus earned in 2006 under the EICP (Mr. Brussard \$749,970, Mr. Begley \$224,991, Mr. Loranger \$309,411, Mr. Patrick \$261,913, and Mr. Krupa \$139,610); (B) employer matching contributions to our 401(k) plan for the plan year ended December 31, 2006 on behalf of each NEO (\$17,600 each to Mr. Brussard, Mr. Begley, Mr. Loranger, Mr. Patrick; and \$15,000 to Mr. Krupa); (C) employer matching contribution to the EICP for the plan year ended December 31, 2006 on behalf of each NEO (Mr. Brussard \$77,697, Mr. Begley \$14,720, Mr. Loranger \$24,230, Mr. Patrick \$19,475, and Mr. Krupa \$10,743); (D) term life insurance premiums (Mr. Brussard \$4,954, Mr. Begley \$2,442, Mr. Loranger \$25,834, Mr. Patrick \$4,960, and Mr. Krupa \$1,002); (E) use of auto by Mr. Brussard \$15,858; (F) parking (Mr. Brussard \$6,180, Mr. Begley \$2,040, Mr. Loranger \$2,040, Mr. Patrick \$2,040, and Mr. Krupa \$2,040); and (G) homeowner and automobile insurance premiums (Mr. Brussard \$4,308, Mr. Begley \$5,919, Mr. Loranger \$2,756, Mr. Patrick \$6,403, and Mr. Krupa \$3,662).

(1) These columns represent the range of cash bonus incentive payouts that were targeted for fiscal 2006 performance under the Annual Performance Incentive Plan as described above in the Compensation Discussion and Analysis. Although the table refers to these payouts in future terms, they have already been earned and paid to the NEOs. The actual cash bonus incentive amounts paid are reported in the Non-Equity Incentive Plan Compensation column in the Summary Compensation Table.

(2) This column represents restricted stock awarded for fiscal 2005 performance under the Incentive Plan. The restricted stock was awarded effective March 10, 2006, with respect to which sale or transfer rights shall vest over three years with installments of 30% on March 10, 2007, 30% on March 10, 2008, and the remaining 40% on March 10, 2009, provided the grantee is still an employee of the Company on such dates. The accounting expense for the year ended December 31, 2006 related to this grant to the NEOs is included in the Stock Awards column (e) in the Summary Compensation Table.

Employment Agreements

David F. Brussard. Under his employment agreement with the Company, Mr. Brussard has agreed to serve as CEO and President of the Company for a five-year term ending December 31, 2009, which automatically renews for successive one-year terms thereafter, subject to at least 180 days advance notice by either party of a decision not to renew the employment agreement. Under the terms of the employment agreement effective November 8, 2004, Mr. Brussard is entitled to receive an initial annual base salary of \$675,000, to be increased on an annual basis to reflect increases in the cost of living index specified therein or as otherwise determined by the Board or the Committee. As determined in the sole discretion of the Board, Mr. Brussard will also be paid an annual bonus of not less than 35% of the total amount of bonuses paid in such year to officers of the Company who hold positions entitled Vice President or higher. Mr. Brussard is also entitled to certain perquisites, including reimbursement of expenses, paid vacations, health, life and other similar insurance benefits and a car, all as determined by the Board.

Other Named Executive Officers. On November 8, 2004, we entered into employment contracts with each of Mr. Begley, Mr. Loranger, Mr. Patrick, and Mr. Krupa. Each of these employment agreements has a term ending December 31, 2007 and automatically renews for successive one-year terms unless either party provides written notice not to renew at least 180 days prior to the scheduled expiration date. Under their respective employment agreements effective on November 8, 2004, Messrs. Begley, Loranger, Patrick, and Krupa are entitled to receive initial annual base salaries of \$250,000, \$330,000, \$290,000, and

\$185,000, respectively, to be increased on an annual basis to reflect increases in the cost of living index specified therein or as otherwise determined by the Board or the Compensation Committee. As determined in the sole discretion of the Board or the Committee, Messrs. Begley, Loranger, Patrick, and Krupa are each paid an annual bonus based on our performance. In addition, Messrs. Begley, Loranger, Patrick, and Krupa are also entitled to certain perquisites, including reimbursement of expenses, paid vacations, health, life and other similar insurance benefits.

Incentive Plan

The Incentive Plan provides for a variety of awards, including nonqualified stock options, incentive stock options, stock appreciation rights and restricted stock awards. The maximum number of shares of common stock with respect to which awards may be granted under the Incentive Plan is 2,500,000. This share limitation and the per-share price of such shares are subject to adjustment to reflect stock splits, stock dividends and changes in our capital structure. Shares of stock covered by an award under the Incentive Plan that are forfeited will again be available for issuance in connection with future grants of awards under the plan.

On March 10, 2006, our Board approved amendments to the 2002 Management Omnibus Incentive Plan, subject to shareholder approval, to (i) increase the number of shares of common stock available for issuance by 1,250,000 shares, (ii) remove obsolete provisions, and (iii) make other non-material changes. A total of 1,250,000 shares of common stock had previously been authorized for issuance under the 2002 Management Omnibus Incentive Plan. The Incentive Plan was approved by the shareholders at the 2006 Annual Meeting of Shareholders which was held on May 19, 2006.

The Committee has broad authority to administer the Incentive Plan, including the authority to select plan participants, determine when awards will be made, determine the type and amount of awards, determine the exercise price of options and stock appreciation rights, determine any limitations, restrictions or conditions applicable to each award, determine the terms of any instrument that evidences an award, determine the manner in which awards may be exercised and interpret the Incentive Plan's provisions. Awards under the Incentive Plan are generally granted for a ten-year term, but may terminate earlier if the participant's employment terminates before the end of such term. The exercise price for each option granted under the Incentive Plan will be the fair market value of a share of common stock on the date of grant. The exercise price of options granted under the Incentive Plan may be paid (i) in cash, (ii) by delivery of previously acquired shares of common stock, (iii) by any combination of (i) and (ii), (iv) pursuant to a cashless exercise program through an independent broker (as permitted by applicable law), or (v) by any other means the committee approves, in its discretion.

The Incentive Plan also contains provision applicable upon a change in control. These provisions and the effect they would have on the Named Executive Officers' outstanding awards can be found in the section entitled Potential Payments Upon Termination or Change in Control.

Restricted Stock Awards

On March 10, 2006, the Committee, after reviewing information provided by the Wilson Group, determined what it believed to be the appropriate level of each of the various compensation components. Based upon the Company's performance in 2005, the Committee awarded restricted stock to our eight executive officers at a total market value of \$2,500,000 on the date of the grant. The Committee awarded 40% of the shares to Mr. Brussard, or 23,337 shares at \$42.85, the closing price of the Company's common stock on the grant date and 60% to the remaining executive officers. The distribution among the remaining officers was made by the Committee, after reviewing the recommendations of the CEO. Provided there is no termination in service, the shares vest on March 20, 2007, 2008, and 2009 with respect to 30%, 30%, and 40% of the shares, respectively. The shares have voting and dividend rights and are held in custody by the Company during the period of restriction.

(1) Includes employer matching contribution to the EICP in January 2006 for the plan year ended December 31, 2005 on behalf of each NEO (Mr. Brussard \$74,212, Mr. Begley \$15,495, Mr. Loranger \$24,795, Mr. Patrick \$20,175, and Mr. Krupa \$7,538); and annual deferred compensation bonus paid in March 2006 and earned for the year ended 2005 under the EICP (Mr. Brussard \$644,436, Mr. Begley \$204,282, Mr. Loranger \$279,936, Mr. Patrick \$232,956, and Mr. Krupa \$117,612).

The EICP is a non-qualified deferred compensation plan designed to provide a means for retirement savings. With proper notice and approval by the Company, eligible employees may make elective deferral contributions up to 75% of salary and 100% of annual cash incentives. The Company makes a matching contribution annually in the amount of 75% of the participant's elective deferral up to a limit of 75% of the participant's base salary plus annual cash incentive received during the plan year. The Company also makes a fixed contribution annually in the amount of 1.75% of the combined statutory net income of the Insurance Subsidiaries. Elective deferrals, Company matching contributions, and the portion of the Company fixed contribution allocated to an eligible individual are credited to an account established for the individual. The balance of an individual's account is distributed in a lump sum as soon as practicable after the first day on which the individual is no longer employed by the Company or any related company, regardless of the reason for termination of employment, or upon a change in control.

Under the EICP, change in control is defined as any of (i) the closing of any merger, combination, consolidation or similar business transaction involving the Company in which holders of shares immediately prior to such closing are not the holders, directly or indirectly, of a majority of the ordinary voting securities of the surviving person immediately after such closing; (ii) the closing of any sale or transfer by the Company of all or substantially all of its assets to an acquiring person in which the holders of shares immediately prior to such closing are not the holders of a majority of the ordinary voting securities of the acquiring person immediately after such closing; or (iii) the closing of any sale by the holders of shares of an amount of shares that equals or exceeds a majority of the shares immediately prior to such closing to a person in which the holders of the shares immediately prior to such closing are not the holders of a majority of the ordinary voting securities of such person immediately after such closing.

Potential Payments Upon Termination or Change in Control

As previously discussed, we have entered into employment agreements with each of the Named Executive Officers. Certain provisions relating to termination of employment and change in control are common to each of the employment agreements. These common provisions include, among other things, the following:

- if the executive's employment is terminated by the Company for a reason other than cause, death, disability or continuous poor performance, or is terminated by the executive for good reason or as a result of the Company's willful and material violation of the executive's employment agreement or certain other agreements between the executive and the Company, then the Company must provide (i) any earned but unpaid base salary and bonus, (ii) a lump sum payment equal to the annual salary he would have received during the remaining term of his employment agreement; and (iii) other customary benefits through the remaining portion of the term of his employment agreement (collectively, the Severance Payment);
- if the executive's employment is terminated by the Company for a reason other than cause, death, disability or continuous poor performance, or is terminated by the executive for good reason or as a result of the Company's willful and material violation of the executive's employment agreement or certain other agreements between the executive and the Company, in each case, within three years after a change in control, then the Company must provide the greater of the Severance Payment or the following: (i) any earned but unpaid base salary and bonus, (ii) a lump sum payment equal to, for the CEO and CFO, three times, and for the remaining Named Executive Officers, two times, the sum of (1) the executive's base salary in effect immediately prior to the date of termination and (2) the most recent annual bonus paid to the executive, and (iii) life and health insurance benefits for a three-year period after the date of termination (for the CEO and CFO) and for the two-year period after the date of termination (for the remaining Named Executive Officers);

- the agreements provide for excise tax gross-up payments that reimburse the executives for any excise taxes they may incur under Section 4999 of the Internal Revenue Code;
- the agreements contain non-competition and non-solicitation provisions; and
- each executive has agreed not to disclose confidential information.

For purposes of these employment agreements,

- Change in control is defined as any of (i) the closing of any merger, combination, consolidation or similar business transaction involving the Company in which holders of shares immediately prior to such closing are not the holders, directly or indirectly, of a majority of the ordinary voting securities of the surviving person immediately after such closing; (ii) the closing of any sale or transfer by the Company of all or substantially all of its assets to an acquiring person in which the holders of shares immediately prior to such closing are not the holders of a majority of the ordinary voting securities of the acquiring person immediately after such closing; or (iii) the closing of any sale by the holders of shares of an amount of shares that equals or exceeds a majority of the shares immediately prior to such closing to a person in which the holders of the shares immediately prior to such closing are not the holders of a majority of the ordinary voting securities of such person immediately after such closing.
- Cause means the executive's (i) commission or conviction of any crime or criminal offense involving monies or other property or any felony; (ii) commission or conviction of fraud or embezzlement; (iii) material and knowing violation of any obligations imposed upon him personally; or (iv) egregious misconduct involving serious moral turpitude.
- Good reason means (i) as a result of a material reduction in the executive's authority, perquisites, position, or responsibilities; (ii) relocation of the Company's primary place of business or the executive to another office more than 75 miles from Boston, Massachusetts; or (iii) the Company's willful and material violation of the employment agreement or any agreement between the executive and the Company.

Incentive Plan

If, while any award granted under the Incentive Plan remains outstanding, a change in control of the Company occurs, then all stock options and stock appreciation rights outstanding at the time of the change in control will become exercisable in full immediately prior to the change in control and all restrictions with respect to restricted stock awards settled by a payment in cash or shares (at the Committee's discretion) to each holder.

Under the Incentive Plan, a change in control of the Company will be deemed to have occurred as of the first day any of the following events occurs: (i) the closing of any merger, combination, consolidation or similar business transaction involving the Company in which holders of shares immediately prior to such closing are not the holders, directly or indirectly, of a majority of the ordinary voting securities of the surviving person immediately after such closing; (ii) the closing of any sale or transfer by the Company of all or substantially all of its assets to an acquiring person in which the holders of shares immediately prior to such closing are not the holders of a majority of the ordinary voting securities of the acquiring person immediately after such closing; or (iii) the closing of any sale by the holders of shares of an amount of shares that equals or exceeds a majority of the shares immediately prior to such closing to a Person in which the holders of the shares immediately prior to such closing are not the holders of a majority of the ordinary voting securities of such person immediately after such closing.

Edgar Filing: SAFETY INSURANCE GROUP INC - Form DEF 14A

The following table sets forth the estimated incremental payments and benefits, beyond existing compensation and benefit entitlements described in this Proxy Statement that are not contingent upon a termination or change in control, payable to each NEO upon termination of his employment or a change in control of the Company, assuming that the triggering event occurred on December 31, 2006. We have not included amounts that would be provided upon a termination of employment under contracts, agreements, plans or arrangements, such as our 401(k) plan or our vacation policy, to the extent they are available generally to all of our salaried employees and do not discriminate in scope, terms or operation, in favor of our executive officers.

(1) If there is a change in control but there is no termination of employment, the NEO would not be entitled to receive any incremental benefit under his respective employment agreement with the Company. However, the vesting or distribution of certain existing compensation reported previously in this Proxy Statement would be accelerated as follows:

Equity Awards. Under the Incentive Plan, upon a change in control, all stock options will become exercisable in full immediately prior to the change in control and any restrictions imposed upon restricted stock awards will lapse. The estimated value as of December 31, 2006 of the previously granted awards that would be accelerated for each NEO is as follows: Mr. Brussard \$3,905,541; Mr. Begley \$1,015,904; Mr. Loranger \$1,421,168; Mr. Patrick \$1,185,225; and Mr. Krupa \$473,386. The estimated value of the stock options that would be accelerated was calculated based upon the difference between the closing price of our common stock on December 29, 2006 and the applicable exercise price. The estimated value of restricted stock awards was calculated based upon the closing price of our common stock on December 29, 2006.

Bonus. Under the Annual Performance Incentive Plan, upon a change in control, all performance objectives for the current Performance Period shall be deemed to have been achieved at target levels of performance. The amount payable to each NEO based upon such assumed performance as of December 31, 2006 would be as follows: Mr. Brussard \$571,766; Mr. Begley \$211,765; Mr. Loranger \$279,530; Mr. Patrick \$245,647; and Mr. Krupa \$156,706.

Deferred Compensation Balances. Upon a change in control, the NEOs would be entitled to receive any amounts previously deferred under the EICP (reported as of December 31, 2006 in column (f) of the Nonqualified Deferred Compensation Table in this Proxy Statement). The amounts shown include the amounts payable under the deferred compensation plan.

(2) In addition to the incremental payment amounts estimated upon a change in control without termination, if there is a change in control with termination for a reason other than cause, the NEO would be entitled to the following incremental payment and benefits under his respective employment agreement with the Company;

Lump Sum Payments. The amount payable at three times annual base plus bonus for Mr. Brussard and Mr. Begley and at two times annual base plus bonus for the remaining NEOs would be as follows: Mr. Brussard \$4,634,871; Mr. Begley \$1,486,002; Mr. Loranger \$1,307,674; Mr. Patrick \$1,149,168; and Mr. Krupa \$733,092.

Life and Health Insurance Benefits. The NEOs are entitled to Company provided life and health benefits for three years after the termination date for Mr. Brussard and Mr. Begley and two years after the termination date for the remaining NEOs. The amount is estimated as follows: Mr. Brussard \$32,242; Mr. Begley \$32,176; Mr. Loranger \$21,495; Mr. Patrick \$21,495; and Mr. Krupa \$20,406.

(4) The estimated incremental payments shown in this column include amounts deferred as of December 31, 2006 under the EICP, plus the following incremental payments and benefits included in this column.

Equity Awards. Under the Incentive Plan, if the termination by the Company is for a reason other than cause, all stock options may be exercised for a period of three months following the date of termination and unvested shares of restricted stock which were not granted during the year in which the termination occurs will vest. The estimated value as of December 31, 2006 of the previously granted awards that would be accelerated for each NEO is as follows: Mr. Brussard \$2,722,122; Mr. Begley \$660,883; Mr. Loranger \$977,405; Mr. Patrick \$741,462; and Mr. Krupa \$295,850. The estimated value of restricted stock awards was calculated based upon the closing price of our common stock on December 29, 2006.

Life and Health Insurance Benefits. The NEOs are entitled to Company provided life and health benefits equal to the benefits which would have been provided under the remaining term of their respective employment contracts. Equity Awards. Under the Incentive Plan, if the termination by the NEO is for good reason, all stock options may be exercised for a period of three months following the date of termination and all unvested shares of restricted stock will be forfeited. The estimated value as of December 31, 2006 of the previously granted awards that would be accelerated for each NEO is as follows: Mr. Brussard \$1,285,559; Mr. Begley \$285,680; Mr. Loranger \$428,520; Mr. Patrick \$285,680; and Mr. Krupa \$184,066. DIRECTOR COMPENSATION

Our Bylaws provide that at the discretion of the Board, the directors may be paid their expenses, if any, at each meeting of the Board and may be paid a fixed sum for attendance at each meeting of the Board or a stated salary as a director. Since we completed our initial public offering of common stock on November 27, 2002, and until January 1, 2004, directors who were our employees did not receive any compensation for serving as directors and those directors who were not our employees received an annual retainer of \$20,000 per year and the Chairman of the Audit Committee received an additional \$10,000 per year, paid in quarterly installments. In addition, in consideration for serving as a director, Mr. Lindeberg, Mr. Manning and Mr. McKown each received a grant of options to purchase 10,000 shares of common stock. On April 14, 2004, our Board approved, upon the recommendation of the Compensation Committee, an increase to annual directors fees from \$20,000 to \$35,000 annually per non-management director, plus an additional \$10,000 annually to the Chairman of the Audit Committee to be paid quarterly retroactively effective on January 1, 2004. On March 14, 2005, March 10, 2006, and February 26, 2007, the Compensation Committee approved grants of 1,000 shares of restricted stock to each of our non-employee directors effective on March 16, 2005, March 10, 2006 and February 26, 2007, respectively. The shares cannot be sold, assigned, pledged, or otherwise transferred, encumbered or disposed of until the recipient is no longer a member of our Board.

The following table sets forth the fees paid to the members of the Board for services provided in 2006.

Name (1) (a)	Fees Earned or Paid in Cash (\$) (b)	Stock Awards (\$) (2) (c)	Option Awards (\$) (3) (d)	Non-Equity Incentive Plan Compensation (\$) (e)	Change in Pension Value and Nonqualified Deferred Compensation Earnings (\$) (f)	All Other Compensation (\$) (g)	Total (\$) (h)
A. Richard Caputo, Jr.	\$ 35,000	\$ 42,850	\$	\$	\$	\$	\$ 77,850
Frederic H. Lindeberg	35,000	42,850	13,600				91,450
Peter J. Manning	45,000	42,850	6,756				94,606
David K. McKown	35,000	42,850	7,783				85,633

(1) David F. Brussard, Chairman of the Board and the Company's President and CEO is not included in this table as he is also a Named Executive Officer of the Company and receives no separate compensation for service on the Board of the Company. Mr. Brussard's compensation is reflected in the Summary Compensation Table above.

(2) The amounts in this column are calculated based on FAS 123R and equal the financial statement compensation expense as reported in the Company's consolidated statement of income for the fiscal year ended December 31, 2006. Each director included in the table received a restricted stock grant in 2006 of 1,000 shares with a FAS 123R full grant value of \$42,850.

(3) The amounts in this column are calculated based on FAS 123R and equal the financial statement compensation expense as reported in our consolidated statement of income for the fiscal year ended December 31, 2006. Under FAS 123R, a pro-rata portion of the total expense at time of grant is recognized over the applicable service period generally corresponding with the vesting schedule of the grant. The initial expense is based on the fair value of the stock option grants as estimated using the Black-Scholes option-pricing model. The assumptions used to arrive at the Black-Scholes value are disclosed in Note 5 to our consolidated financial statements included in our 2006 Annual Report on Form 10-K.

REPORT OF THE AUDIT COMMITTEE

- reviewed our written charter and practices and determined that they meet the applicable requirements of the NASDAQ Marketplace Rules and the SEC.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board, and the Board approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2006 and be filed with the SEC.

Respectfully submitted,

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Our Compensation Committee consists of David K. McKown (Chairman), Frederic H. Lindeberg and Peter J. Manning, who are three independent non-employee directors who have no interlocking relationships as defined by the SEC, or other relationships with us that would call into question their independence as a member of the Compensation Committee. During fiscal year 2006, none of our executive officers served (i) as a member of the compensation committee or board of directors of another entity, one of whose executive officers served on the compensation committee, or (ii) as a member of the compensation committee of another entity, one of whose executive officers served on the board.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

From January 1, 2006 to the present, there have been no (and there are no currently proposed) transactions in which we were (or are to be) a participant and the amount involved exceeded \$120,000 and in which any executive officer, director, 5% beneficial owner of our common stock or member of the immediate family of any of the foregoing persons had (or will have) a direct or indirect material interest, except the compensation arrangements described above for our Named Executive Officers and directors and compensation arrangements with our other executive officers not required to be disclosed in this section by the rules and regulations of the SEC.

We have adopted and maintain a code of business conduct and ethics that applies to all directors, executive officers and employees. The code covers matters that we believe are supportive of high standards of ethical business conduct, including those regarding legal compliance, conflicts of interest, insider trading, maintenance of corporate books and records, gifts and entertainment, political contributions, confidentiality, public communications, special obligations applicable to our CFO and members of the audit committee, and standards and procedures for compliance with the code. The code can be found on our website at www.SafetyInsurance.com.

The code does not distinguish between potential conflict of interest transactions involving directors or executive officers and those involving other employees. It notes that all covered persons shall be responsible for the enforcement of the policies set forth in the code and will be held accountable for any violations of the code. Any of our officers or employees having any information or knowledge regarding any transaction or activity prohibited by the code shall promptly report the same to our CFO, who shall review and determine whether to approve or ratify potential conflicts of interest for employees. Review and approval of potential conflicts of interests of officers and directors shall be made by the audit committee of our board of directors.

The code does not expressly set forth the standards that would be applied in reviewing, approving or ratifying transactions in which our directors, executive officers or 5% stockholders have a material interest. We expect that in connection with the review, approval or ratification of any such transaction, our CFO and audit committee will be provided with all material information then available regarding the transaction, the nature and extent of the director's, executive officer's or 5% stockholder's interest in the transaction, and the terms upon which the products, services or other subject matter of the transaction could be provided by alternative sources. We expect that any such transaction would be approved or ratified only if our CFO or audit committee, as applicable, concluded in good faith that it was in our interest to proceed with it. We expect that that pre-approval will be sought for any such transaction when practicable, and when pre-approval is not obtained, for any such transaction to be submitted for ratification as promptly as practicable.

Delivery of Documents to Shareholders Sharing an Address

This procedure will reduce our printing costs and postage fees. Shareholders who participate in householding will continue to receive separate proxy cards. Also, householding will not in any way affect dividend check mailings. 4. Review and discuss quarterly reports from the independent auditors on: (a) all critical accounting policies and practices to be used; (b) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor; and (c) other material written communications between the independent auditor and management, such as any management letter or schedule of unadjusted differences.
5. Review management's conclusions about the Company's disclosure controls and procedures.

6. Discuss with the independent auditor the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit, including any difficulties encountered in the course of the audit work, any restrictions on the scope of activities or access to requested information, and any significant disagreements with management.

7. Review disclosures made to the Audit Committee by the Company's CEO and CFO during their certification process for the Form 10-K and Form 10-Q about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls.

B. Oversight of the Company's Relationship with the Independent Auditor
