Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On February 4, 2011, the Board of Directors of Bemis Company, Inc. (the "Company") approved amendments to the Company's Amended By-Laws designed to modernize the Amended By-Laws and reflect amendments to The General and Business Corporation Law of Missouri that have occurred over the past few years.

The amendments include the following: (i) providing the flexibility, but not the requirement, for the Company to hold virtual or hybrid-virtual shareholder meetings, (ii) clarifying the breadth of the authority of the Board of Directors, (iii) substituting the requirement to provide a stock certificate upon request to each shareholder with the ability, in the case of uncertificated shares, to provide a statement of holdings as an alternative, and (iv) removing provisions regarding tenure of directors that are redundant of topics covered by the Company's Principles of Corporate Governance. The amendments also include certain non-substantive conforming amendments and clarifications.

The foregoing summary of the amendments to the Amended By-Laws is qualified in its entirety by reference to the Amended By-Laws filed as Exhibit 3(b) hereto and incorporated herein by reference.

Item 8.01 Other Events.

In a press release dated February 4, 2011, the Company announced that its Board of Directors had approved a 4.3 percent increase in the quarterly cash dividend, increasing it to 24 cents per share compared to the previous quarterly dividend of 23 cents per share. The cash dividend is payable on March 1, 2011, to shareholders of record at the close of business on February 15, 2011. This marks the 28th consecutive year that the Company has increased its dividend payment. The Company has been paying an annual dividend on its stock since 1922.
