INTRODUCTION

On November 7, 2011, HMS Holdings Corp. (the Registrant), Montmartre Merger Sub, Inc., a wholly owned subsidiary of the Registrant (Merger Sub), HDI Holdings, Inc. (HDI) and with respect to certain sections, Fortis Advisors LLC as Securityholders Representative entered into an Agreement and Plan of Merger (the Merger Agreement). Pursuant to the terms of the Merger Agreement, and in accordance with the laws of the state of Nevada, Merger Sub merged with and into HDI on December 16, 2011 (the Merger).

The Merger Agreement provided that, at the effective time of the Merger, each option to acquire shares of HDI common stock granted under the HealthDataInsights Inc. Amended 2004 Stock Option/Stock Issuance Plan and the HDI Holdings, Inc. Amended 2011 Stock Option and Stock Issuance Plan (together, the Benefit Plans) that was outstanding but not vested as of the effective time of the Merger was assumed by the Registrant (the Assumed HDI Options) and became exercisable for shares of the Registrant's common stock, \$0.01 par value per share (the Registrant's Common Stock) following the effective time of the Merger. From and after the effective time of the Merger, each Assumed HDI Option will continue to have and be subject to the same terms and conditions, including with respect to its vesting schedule, as were in effect with respect to such Assumed HDI Option immediately prior to the effective time of the Merger (including under the terms of the Benefit Plan pursuant to which such Assumed HDI Option was granted), except that (i) each Assumed HDI Option was converted into the right to purchase the number of shares of the Registrant's Common Stock determined by multiplying the number of unvested shares of HDI common stock covered by the Assumed HDI Option by the Option Exchange Ratio (defined below), rounded down to the nearest whole share and (ii) the per share exercise price for such Assumed HDI Option will thereafter equal the amount determined by dividing the per share exercise price of each Assumed HDI Option as of immediately prior to the Effective Time by the Option Exchange Ratio, rounded up to the nearest cent. The Option Exchange Ratio was determined by dividing the per share merger consideration payable to holders of HDI common stock by the average of the volume weighted average closing prices of the Registrant's Common Stock over the five consecutive trading days ending one trading day immediately prior to the date of the closing of the Merger.

Item 6. Indemnification of Directors and Officers.

With certain limitations, Sections 721 through 726 of the New York Business Corporation Law permit a corporation to indemnify its directors and officers in certain instances. Section 722 of the New York Business Corporation Law (the BCL) provides that a corporation may indemnify directors and officers as well as other employees and individuals against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, in connection with actions or proceedings, whether civil or criminal (other than an action by or in the right of the corporation a derivative action), if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification only extends to amounts paid in settlement and reasonable expenses (including attorneys' fees) incurred in connection with the defense or settlement of such actions, and the statute does not apply in respect of a threatened action, or a pending action that is settled or otherwise disposed of, and requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. Section 721 of the BCL provides that Article 7 of the BCL is not exclusive of other indemnification that may be granted by a corporation's certificate of incorporation, disinterested director vote, stockholder vote, agreement or otherwise. Article VIII, Section 7, of the Registrant's by-laws requires the Registrant to indemnify its officers and directors to the fullest extent permitted under the BCL.

Any amendment to or repeal of the Registrant's certificate of incorporation or by-laws shall not adversely affect any right or protection of a director of the Registrant for or with respect to any acts or omissions of such director occurring prior to such amendment or repeal.

The certificate of incorporation of the Registrant (Article Ninth) provides the following:

Pursuant to Section 402(b) of the Business Corporation Law, the liability of the Corporation's directors to the Corporation or its shareholders for damages for breach of duty as a director shall be eliminated to the fullest extent permitted by the Business Corporation Law, as it exists on the date hereof or as it may hereafter be amended. No amendment to or repeal of this Article shall apply to or have any effect on the liability or alleged liability of any director of the Corporation for or with respect to any acts or omissions of such director occurring prior to such amendment or repeal.

In addition, the Registrant maintains directors' and officers' liability insurance policies.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

The Exhibit Index immediately preceding the exhibits is incorporated herein by reference.

Item 9. Undertakings.

1. Item 512(a) of Regulation S-K. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. Item 512(b) of Regulation S-K. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

3. Item 512(h) of Regulation S-K. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act

Edgar Filing: HMS HOLDINGS CORP - Form S-8

and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
