-

Item 1.01. Entry Into a Material Definitive Agreement.

On March 27, 2012, Prospect Capital Corporation (Prospect) completed a first closing on an expanded five-year \$650 million revolving credit facility (the Facility) for Prospect Capital Funding LLC. The new Facility, for which ten lenders have closed on \$410 million to date, includes an accordion feature that allows the Facility, at Prospect s discretion, to accept up to a total of \$650 million of commitments, an objective Prospect targets reaching with additional lenders. The revolving period of the Facility extends through March 2015, followed by an additional two year amortization period, with distributions allowed to Prospect after the completion of the revolving period. Pricing for the Facility is one-month Libor plus 2.75%, with no minimum Libor floor achieving an approximately 125 basis point reduction in pricing (based on current Libor) from the previous three-year facility pricing of Libor (with a minimum Libor floor of 1%) plus 3.25%. The new Facility has an investment grade Moody s rating of Aa3. Improvements in the Facility include increases in advance rates under certain conditions, decreases in unused line fees, increases in maximum eligible loan sizes, and increases in baskets for longer-dated and quarterly pay loans.

A copy of the Fourth Amended and Restated Loan and Servicing Agreement related to the events described above is attached as Exhibit 99.1 and is incorporated in this report by reference.

Item 9.01. Financial Statements and Exhibits
