PROPOSAL FOR THE DESTINATION OF NET INCOME FOR THE YEAR ENDED DECEMBER 31, 2012 Dear Members of the Board of Directors, the Executive Officers

Table of Contents

Board of Vale S.A. (Vale), in lieu with Article 192 of Law #6,404 (as amended by Laws #10,303 and #11,638) and Articles 41 to 44 of Vale's Bylaws, hereby presents to the Board of Directors the proposal for the destination of net income incurred in the fiscal year ended December 31, 2012. The net income for the year, according to the income Statement, amounted to R\$9,733,695,883.37 (nine billion, seven hundred thirty-three million, six hundred ninety-five thousand, eight hundred and eighty-three billion reais and thirty-seven cents), accounted as per the norms and pronouncements issued by the Brazilian Securities and Exchange Commission rules (CVM) / Accounting Standards Committee (CPC). The net profits added to the unrealized income reserve, in the amount of R\$740,519,589.90 (seven hundred and forty million, five hundred nineteen thousand five hundred and eighty-nine reais and ninety cents) totalizes R\$10,474,215,473.27 (ten billion, four hundred seventy-four million, two hundred and fifteen thousand, four hundred and seventy-three reais and twenty-seven cents) for which the following destination is hereby proposed: **I - LEGAL RESERVE:** To this reserve must be allocated 5% of net income of the year up to the limit of 20% (twenty percent) of Social Capital by force of Article 193 of Law #6,404 and in the Article 42 of Vale's Bylaws, that is, R\$486,684,794.17 (four hundred eighty-six million, six hundred eighty-four thousand, seven hundred ninety-four reais and seventeen cents). The allocation to this reserve shall not be recorded in the year in which the balance of the legal reserve, plus the amount of capital reserves (Article 182 of Law #6,404/76) exceeds 30% of the social capital. **II - TAX INCENTIVE RESERVES:** Vale is entitled to an income tax reduction on regulated exploitation profits, as defined: (a) Establishment Report #023/2007 issued by the Agência de Desenvolvimento da Amazônia - ADA, currently known as Superintendência de Desenvolvimento da Amazônia - SUDAM (Amazonian Development Institution) related to tax incentives granted to copper extraction in the State of Pará; (b) Report Establishing #105/2009 and Declaration # 10/2009 issued by the Superintendência de Desenvolvimento da Amazônia - SUDAM related to tax incentives granted for the extraction of iron ore in the State of Pará; and (c) Establishment Report #40/2011 issued by the Superintendência de Desenvolvimento da Amazônia - SUDAM related to tax incentives granted to pelletizing plant of São Luiz in the State of Maranhão. Vale is also user of the Reinvestment Benefit issued by SUDAM and SUDENE (Northeast Superintendence) which allows the entity to spend part of the income tax due, reinvesting the money with the acquisition of equipments for the operational plants on de SUDAM and SUDENE areas. According to tax law (article 545 of Income Tax Regulation) the amount benefited and not payed to ITR is not available to shareholders and must be accounted in a specific reserve in the shareholders' equity exclusive to increase capital or to absorb losses. As mentioned above and exposed on article 195-A, Federal Law#6,404, included by Federal Law #11,638, we propose the amount of R\$599,031,296.74 (five hundred ninety-nine million, thirty-one thousand two hundred and ninety-six reais and seventy-four cents) to that Reserve, equal to total tax not withdrawn by Vale due to fiscal benefits mentioned above. **III - DIVIDENDS/INTEREST ON SHAREHOLDERS' EQUITY:** Pursuant to Article 42 of Vale's Bylaws, after establishing the legal reserve, the proposed allocation of the remaining amount of the net income at the end of each fiscal year shall be submitted to the Annual Shareholders Meeting by the Board of Directors, considering that the amount of interest paid or accrued as interest on shareholders' equity, according to Article 9, Paragraph 7 of

Table of Contents

Law #9,249/95, and the applicable laws and regulations, may be attributed to the mandatory dividend and the minimum annual dividend for preferred shares, which shall integrate the amount of dividends distributed by the company for all legal effects. Pursuant to Article 44 the Bylaw, at least 25% of annual net income, adjusted under the legislation shall be allocated to dividend payments. The adjusted net income, which for 2012 amounted to R\$8,647,979,792.46 (eight billion, six hundred forty-seven million, nine hundred and seventy-nine thousand, seven hundred and ninety-two reais and forty-six cents), equals to net income of the year of R\$9,733,695,883.37 (nine billion, seven hundred thirty-three million, six hundred and ninety-five thousand, eight hundred and eighty-three reais and thirty-seven cents), reduced of the amount of the constituted legal reserve of R\$486,684,794.17 (four hundred eighty-six million, six hundred eighty-four thousand, seven hundred ninety-four reais and seventeen cents), and the destination to tax incentives reserve of R\$599,031,296.74 (five hundred ninety-nine million, thirty-one thousand two hundred and ninety-six reais and seventy-four cents). Thus, the minimum mandatory dividend of 25% of adjusted net income as dividends amounts to R\$2,161,994,948.12 (two billion, one hundred and sixty-one thousand million, nine hundred ninety-four thousand, nine hundred forty-eight reais and twelve cents), which corresponds to R\$0.419529916 per outstanding common and preferred share. Pursuant to Article 5, Paragraph 5 of Vale's Bylaws, the holders of preferred classes A and golden shares are entitled to participate in the dividend to be distributed, calculated in accordance with Chapter VII of Vale's Bylaws as per the following criteria: (a) priority to receive dividends corresponding to (i) at least 3% (three percent) of the shareholders' equity share value, calculated based on the financial statements used as reference for the payment of dividends or (ii) 6% (six percent) calculated over the part of capital represented by this class of shares, whichever is the higher among them; (b) right to participate in the profits distributed, on equal terms with common shares after assured to them a dividend equal to the minimum annual dividend established in accordance with the paragraph a above. On December 31, 2012, the reference value for the minimum annual dividend of preferred shares, based on (a) 6% on preferred capital per outstanding preferred share is R\$1,768,512,670.33 (one billion, seven hundred sixty-eight million, five hundred and twelve thousand, six hundred and seventy reais and thirty three cents), corresponding to R\$0.898761480 per outstanding share or (b) 3% of the shareholders' equity per outstanding preferred share, is R\$1,907,360,838.32 (one billion, nine hundred and seven million, three hundred sixty thousand, eight hundred and thirty-eight reais and thirty-two cents), corresponding to R\$0.969324381, per outstanding preferred share, whichever is higher. Thus, the net income for the fiscal year is sufficient for the full payment of fixed or minimum dividends. There is no cumulative unpaid portion. Considering the total balance of mandatory dividend relative to fiscal year 2012, as noted, the prerogative to pay interest on shareholders' equity, based on Articles 42, sole paragraph and 45 of Vale's Bylaws, Vale's actual financial situation, according to balance sheet related to 2012 and the option by equal shareholders treatment, the Executive Officers Board propose to ratify shareholders' distribution during 2012, as dividends and interest on shareholders' equity, in the total gross amount of R\$9,388,499,388.36 (nine billion, three hundred eighty-eight million, four hundred and ninety-nine thousand, three hundred and eighty-two reais and thirty-six cents), under the terms stated in sequence, considered as advances of profit

distribution for the year 2012: (a) the distribution of interest on shareholders' equity based on the Executive Officers Board proposal and approved by the Board of Directors, at the meeting held on April 13, 2012, in the total gross amount of R\$3,273,899,382.36 (three billion, two hundred and seventy-three million, eight hundred and ninety-nine thousand, three hundred and eighty-two reais and thirty-six cents), equivalent to R\$0.642281922 per outstanding common or preferred share, based on March 2012 balance, paid from April 30, 2012; (b) the distribution of interest on shareholders' equity based on the Executive Officers Board proposal approved by the Board of Directors, at the meeting held on October 16, 2012 in the total gross amount of R\$6,114,600,000.00 (six billion, one hundred and fourteen million six hundred thousand reais), equivalent to total gross value of R\$1.186523412 per outstanding common or preferred share, R\$3,404,600,000.00 (three billion, four hundred and four million six hundred thousand reais) as dividends and R\$2,710,000,000.00 (two billion and seven hundred and ten million reais) based on June 2012 balance, paid from October 31, 2012. This way, obligatory dividend was fully paid, with no retained-amount. Attached below is a comparison chart of the net income per share and of the payment to shareholders in the last three years:
