Item 1.01 Entry into a Material Definitive Agreement.

As previously disclosed, on June 24, 2015, CoreSite, L.P. (the Operating Partnership), the operating partnership of CoreSite Realty Corporation (the Company), and certain subsidiary co-borrowers entered into a third amended and restated unsecured credit facility (the Credit Agreement) with a group of lenders for which KeyBank National Association acts as the administrative agent and Keybank Capital Markets, RBC Capital Markets, LLC, Regions Capital Markets and TD Securities (USA) LLC act as joint lead arrangers and joint book managers. The Credit Agreement provides for a revolving credit facility and a term loan facility. The Credit Agreement also contains an accordion feature, which allows the Operating Partnership to increase the total commitment by \$200.0 million, to \$700.0 million, under specified circumstances, with such increase being allocated to the revolving credit facility and/or the term loan facility in such fashion as the borrowers may designate (the Accordion).

On February 2, 2016, the Credit Agreement was amended (i) to reflect the partial exercise of the Accordion by the Operating Partnership (the Credit Agreement Amendment), effective the date thereof, to increase the aggregate commitments under the Credit Agreement by \$100.0 million and to allocate such increase to a new term loan facility and (ii) to increase the Accordion by a corresponding amount which would allow an increase in total commitments to \$800.0 million under specified circumstances. As a result of the Credit Agreement Amendment, the borrowing capacity under the Credit Agreement increased from \$500.0 million to \$600.0 million.

The \$100.0 million term loan has a five-year term maturing in February 2021 and, at the election of the Operating Partnership, bears interest at a rate per annum equal to (i) LIBOR plus 150 basis points to 220 basis points or (ii) a base rate plus 50 basis points to 120 basis points, each depending on the Operating Partnership's leverage ratio. All other terms of the Credit Agreement remain materially unchanged.

The net proceeds from the \$100.0 million term loan will be used to partially pay down the current revolving credit facility balance, as well as for general corporate purposes.

The foregoing description of the Credit Agreement Amendment is qualified in its entirety by reference to the full text of the Credit Agreement Amendment attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference. A copy of the Company's press release dated February 2, 2016, is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth under Item 1.01 above is incorporated herein by reference.
