**Vale informs about public civil action**

Rio de Janeiro, November 11th, 2016 Vale S.A. (Vale) informs that a decision was rendered in the scope of the public civil action submitted to 12<sup>a</sup> Vara Federal of Belo Horizonte, filed against Samarco Mineração S.A. and its shareholders, BHP Billiton Brasil Ltda. and Vale. It determined that the companies, within (i) 90 days, prove that the leakage of waste from Fundão tailing dam were definitely stopped; (ii) 6 months, present conclusive studies, with the endorsement from the appropriate environmental agencies, regarding the action plan and the feasibility of the withdrawal of mud placed on the banks of Rio Doce river, its affluents and the areas near its estuary; (iii) 30 days, make a complement deposit in the total amount of R\$1.200.000.000,00 to safeguard future reparatory measures.

Vale will adopt all measures to guarantee its right of defense within the legal period and will continue to support Samarco to accomplish reparatory measures, keeping the market informed in case of any new material information related to this action.

This press release may include statements that present Vale's expectations about future events or results. All statements, when based upon expectations about the future, involve various risks and uncertainties. Vale cannot guarantee that such statements will prove correct. These risks and uncertainties include factors related to the following: (a) the countries where we operate, especially Brazil and Canada; (b) the global economy; (c) the capital markets; (d) the mining and metals prices and their dependence on global industrial production, which is cyclical by nature; and (e) global competition in the markets in which Vale operates. To obtain further information on factors that may lead to results different from those forecast by Vale, please consult the reports Vale files with the U.S. Securities and Exchange Commission (SEC), the Brazilian Comissão de Valores Mobiliários (CVM), and the French Autorité des Marchés Financiers (AMF), and in particular the factors discussed under "Forward-Looking Statements" and "Risk Factors" in Vale's annual report on Form 20-F.
