Item 1.01. Entry into a Material Definitive Agreement.

Term Loan Agreement

On December 15, 2016, CBOE Holdings, Inc. (the **Company**), as borrower, entered into a Term Loan Credit Agreement (the **Term Loan Agreement**) with Bank of America, N.A., as administrative agent (the **Agent**), certain lenders named therein (the **Term Lenders**), Merrill Lynch, Pierce, Fenner & Smith Incorporated (**MLPFS**), as sole lead arranger and sole bookrunner, Morgan Stanley MUFG Loan Partners, LLC, as syndication agent, and Citibank, N.A., PNC Bank, National Association and JPMorgan Chase Bank, N.A., as co-documentation agents.

The Term Loan Agreement provides for a senior unsecured delayed draw term loan facility (the **Term Loan Facility**) in an aggregate principal amount of \$1.0 billion. The Company may also, subject to the agreement of the applicable Term Lenders, increase the commitments under the Term Loan Agreement by up to \$500 million for a total of \$1.5 billion. Proceeds from the Term Loan Facility, if drawn, may be used (i) to finance in part the Company's proposed acquisition (the **Acquisition**) of Bats Global Markets Inc. (**Bats**) and its subsidiaries (the **Acquired Business**), as described in the Agreement and Plan of Merger, dated as of September 25, 2016, by and among the Company, CBOE Corporation, CBOE V, LLC and Bats (the **Merger Agreement**), (ii) to repay certain existing indebtedness of the Acquired Business, (iii) to pay fees and expenses incurred in connection with the Acquisition and (iv) to fund working capital needs and for other general corporate purposes of the Company and its subsidiaries. The availability of the commitments under the Term Loan Agreement is conditioned upon, among other things, confirmation that the Acquisition has been consummated, or will be consummated substantially concurrently with the extension of the loans under the Term Loan Agreement.

Commitments under the Term Loan Agreement will expire on the earlier of (i) the consummation of the Acquisition (after giving effect to the funding of the committed loans in accordance with and subject to the terms of the Term Loan Agreement), (ii) July 25, 2017 (or if the outside date is extended pursuant to the terms of the Merger Agreement, October 23, 2017), (iii) the closing of the Acquisition without using the loans under the Term Loan Agreement and (iv) the termination of the Merger Agreement in accordance with the terms thereof. Loans under the Term Loan Agreement, if drawn, will mature five years following the closing date of the Acquisition. The Term Loan Facility is unsecured and is not expected to be guaranteed by any subsidiary of the Company.

Loans under the Term Loan Agreement will bear interest, at the Company's option, at either (i) the London Interbank Offered Rate (**LIBOR**) periodically fixed for an interest period (as selected by the Company) of one, two, three or six months plus a margin (based on the Company's public debt ratings) ranging from 1.00 percent per annum to 1.75 percent per annum or (ii) a daily floating rate based on the Agent's prime rate (subject to certain minimums based upon the federal funds effective rate or LIBOR) plus a margin (based on the Company's public debt ratings) ranging from zero percent per annum to 0.75 percent per annum. The Company will be required to pay a ticking fee to the Agent for the account of the Term Lenders which will

initially accrue at a rate (based on the Company's public debt ratings) ranging from 0.10 percent per annum to 0.30 percent per annum multiplied by the undrawn aggregate commitments of the Term Lenders in respect of the Term Loan Facility, accruing during the period commencing on December 15, 2016 and ending on the earlier of (i) the date on which the loans are drawn and (ii) the termination of the commitments under the Term Loan Agreement in accordance with the terms thereof.

The Term Loan Agreement contains customary representations, warranties and affirmative and negative covenants for facilities of its type, including financial covenants, events of default and indemnification provisions in favor of the Term Lenders. The negative covenants include restrictions regarding the incurrence of liens, the incurrence of indebtedness by the Company's subsidiaries and fundamental changes, subject to certain exceptions in each case. The financial covenants require the Company to meet a quarterly financial test with respect to a minimum consolidated interest coverage ratio of not less than 4.00 to 1.00 and a maximum consolidated leverage ratio of not greater than 3.50 to 1.00.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the Term Loan Agreement, which is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Revolving Credit Agreement

On December 15, 2016, the Company, as borrower, entered into a Credit Agreement (the ***Revolving Credit Agreement***) with Bank of America, N.A., as administrative agent and as swing line lender, certain lenders named therein (the ***Revolving Lenders***), MLPFS, as sole lead arranger and sole bookrunner, Morgan Stanley MUFG Loan Partners, LLC, as syndication agent, and Citibank, N.A., PNC Bank, National Association and JPMorgan Chase Bank, N.A., as co-documentation agents.

The Revolving Credit Agreement provides for a senior unsecured \$150 million five-year revolving credit facility (the ***Revolving Credit Facility***) that includes a \$25 million swing line sub-facility. The Company may also, subject to the agreement of the applicable lenders, increase the commitments under the Revolving Credit Facility by up to \$100 million, for a total of \$250 million. Subject to specified conditions, the Company may designate one or more of its subsidiaries as additional borrowers under the Revolving Credit Agreement provided that the Company guarantees all borrowings and other obligations of any such subsidiaries under the Revolving Credit Agreement. As of December 15, 2016, no subsidiaries were designated as additional borrowers.

Funds borrowed under the Revolving Credit Agreement may be used to fund working capital and for other general corporate purposes of the Company and its subsidiaries. As of December 15, 2016, no borrowings were outstanding under the Revolving Credit Agreement. Accordingly, at December 15, 2016, \$150 million of borrowing capacity was available for the purposes permitted by the Revolving Credit Agreement.

Loans under the Revolving Credit Agreement will bear interest, at the Company's option, at either (i) LIBOR periodically fixed for an interest period (as selected by the Company) of one, two, three or six months plus a margin (based on the Company's public debt ratings) ranging from 1.00 percent per annum to 1.75 percent per annum or (ii) a daily floating rate based on the Agent's prime rate (subject to certain minimums based upon the federal funds effective rate or LIBOR) plus a margin (based on the Company's public debt ratings) ranging from zero percent per annum to 0.75 percent per annum.

Subject to certain conditions stated in the Revolving Credit Agreement, the Company and any subsidiaries designated as additional borrowers may borrow, prepay and reborrow amounts under the Revolving Credit Facility at any time during the term of the Revolving Credit Agreement. The Revolving Credit Agreement will terminate and all amounts owing thereunder will be due and payable on December 15, 2021, unless the commitments are terminated earlier, either at the request of the Company or, if an event of default occurs, by the Revolving Lenders (or automatically in the case of certain bankruptcy-related events). The Revolving Credit Agreement contains customary representations, warranties and affirmative and negative covenants for facilities of its type, including financial covenants, events of default and indemnification provisions in favor of the Revolving Lenders. The negative covenants include restrictions regarding the incurrence of liens, the incurrence of indebtedness by the Company's subsidiaries and fundamental changes, subject to certain exceptions in each case. The financial covenants require the Company to meet a quarterly financial test with respect to a minimum consolidated interest coverage ratio of not less than 4.00 to 1.00 and a maximum consolidated leverage ratio of not greater than 3.50 to 1.00.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the Revolving Credit Agreement, which is attached as Exhibit 10.2 to this Current Report on Form 8-K and is incorporated herein by reference.

The information provided in Item 1.01 is incorporated by reference herein.

Item 8.01. Other Events.

The Merger Agreement contemplates that three members of the Company's board of directors (the **Board**) will step down from the Board at the effective time of the Acquisition. As of the

date of this Current Report on Form 8-K, there has not been any determination as to which three Company directors will be stepping down. However, on December 14, 2016, the Board determined that any unvested restricted stock awards held by any director who resigns from the Board as of the effective time of the Acquisition in order for the Company to comply with its obligations under the Merger Agreement (each, a **Resigning Director**) will vest at the effective time of the Acquisition. In addition, the Board determined that if the Acquisition closes prior to the Company's 2017 annual meeting of stockholders, each Resigning Director will be entitled to receive at the effective time of the Acquisition any retainer payments that would have been payable to such Resigning Director if such Resigning Director had not ceased to serve on the Board prior to the Company's 2017 annual meeting of stockholders.
