Press Release of Dialog Semiconductor Plc dated February 2, 2006:
” Appointment of Peter Weber as Non-Executive Director ”

Kirchheim/Teck, Germany, February 2, 2006 – The Board of Dialog Semiconductor Plc (NASDAQ: DLGS, FWB: DLG) is pleased to announce the appointment of Peter Weber as a non-executive director with effect from 1st February 2006. Peter Weber brings to the company 35 years of experience in the semiconductor sector.

Peter Weber has gained his experience of the high-tech industry with a broad range of companies, including Texas Instruments, Intel, Siliconix, the Temic Group and Netro Corporation. During his 35 year in the industry he has held a number of senior management and marketing roles at these companies, both in Germany and Silicon Valley. Since 1998 Peter has been an investor and business angel, serving on the boards of a number of companies in Europe and the US. He also holds a MSEE degree in Communications Engineering.

At the time of Peter Weber’s appointment, Tim Anderson will step down as a non-Executive director but will remain as secretary to the Board.

Jalal Bagherli, Dialog CEO, commented, “I am delighted to welcome Peter to our Board. He brings us a wealth of experience and relationships in the semiconductor industry, both in Europe and the US, as well as a strong marketing background. We believe that his current active involvement as a director of a number of other technology companies will also prove invaluable to our Board.”

“I would also like to thank Tim Anderson for his contribution to Dialog over the past eight years and am delighted that we will continue to benefit from his specialist legal counsel as secretary to our Board. “
