PART I

ITEM 1 - Business

General

The Great Atlantic & Pacific Tea Company, Inc. ("A&P", "we", "our", "us" or "our Company") is engaged in the retail food business. We operated 633 stores averaging approximately 39,100 square feet per store as of February 28, 2004. In addition, we served as wholesaler to 63 franchise stores in Canada averaging approximately 32,500 square feet per store as of February 28, 2004. On the basis of reported sales for fiscal 2003, we believe that we are among North America's largest retail food chains.

Operating under the trade names A&P(R), Super Fresh(R), Sav-A-Center(R), Farmer Jack(R), Waldbaum's(TM), Super Foodmart, Ultra Food & Drug, Dominion(R), Food Basics(R), The Barn Markets(R) and The Food Emporium(R), we sell groceries, meats, fresh produce and other items commonly offered in supermarkets. In addition, many stores have bakery, delicatessen, pharmacy, floral, fresh fish and cheese departments and on-site banking. National, regional and local brands are sold as well as private label merchandise. In support of our retail operations, we sell other private label products in our stores under other brand names of our Company which include without limitation, America's Choice(R), Master Choice(R), Health Pride(R), Savings Plus and The Farm.

Building upon a broad base of A&P supermarkets, our Company has historically expanded and diversified within the retail food business through the acquisition of other supermarket chains and the development of several alternative store types. We now operate our stores with merchandise, pricing and identities tailored to appeal to different segments of the market, including buyers seeking gourmet and ethnic foods, a wide variety of premium quality private label goods and health and beauty aids along with the array of traditional grocery products.

Modernization of Facilities

Edgar Filing: GREAT ATLANTIC & PACIFIC TEA CO INC - Form 10-K

We are engaged in a continuing program of modernizing our operations including retail stores, warehousing and distribution facilities, supply and logistics and processes. In support of our modernizing program, on March 13, 2000, we announced our business process initiative, a plan to develop a state of the art supply chain and business management infrastructure over four years. This initiative was completed in fiscal 2002.

During fiscal 2003, we expended approximately \$135 million for capital projects, which included 19 new supermarkets and 2 major remodels or enlargements. Our Company has planned capital expenditures of approximately \$275 to \$300 million in fiscal 2004. These expenditures relate primarily to opening 10 to 15 new supermarkets, converting 30 to 35 stores to new formats, and enlarging or remodeling 100 - 125 supermarkets. In addition, we plan to continue with at least similar levels of capital expenditures in fiscal 2005 and several years thereafter.

Sources of Supply

Our Company obtains the merchandise sold in our stores from a variety of suppliers located primarily in the United States and Canada. Our Company has long-standing and satisfactory relationships with our suppliers.

Employees

As of February 28, 2004, we had approximately 74,000 employees, of which 69% were employed on a part-time basis. Approximately 89% of our employees are covered by union contracts.

Competition

The supermarket business is highly competitive throughout the marketing areas served by our Company and is generally characterized by low profit margins on sales with earnings primarily dependent upon rapid inventory turnover, effective cost controls and the ability to achieve high sales volume. We compete for sales and store locations with a number of national and regional chains, as well as with many independent and cooperative stores and markets.
