AMENDMENT TO DECREASE AUTHORIZED COMMON STOCK**

***General***

On May 1, 2006, the Board of Directors approved, subject to stockholder approval, the amendment to the Certificate of Incorporation of the Company to decrease the authorized common stock from 1,699,400,000 shares, par value \$0.001, to 600,000,000 shares, par value \$0.001 (the "Amendment"). On May 1, 2006, stockholders of the Company, owning a majority of the Company's outstanding voting stock (the "Majority Stockholders"), approved the Amendment by written consent, in lieu of a special meeting of the stockholders

***The Amendment***

**Reduce the Authorized Common Stock**

On May 1, 2006, the Board of Directors of the Company approved, declared it advisable and in the Company's best interest and directed that there be submitted to the holders of a majority of the Company's voting stock for approval, the amendment to Article 4 of the Company's Certificate of Incorporation to effectuate a decrease in the authorized common stock from 1,699,400,000 shares with a par value of \$0.001 to 600,000,000 shares with a par value of \$0.001. On May 1, 2006, the Majority Stockholders approved the amendment to Article 4 of the Company's Articles of Incorporation by written consent, in lieu of a special meeting of the stockholders.

The Board of Directors of the Company and the Majority Stockholders believe that it is advisable and in the

Company's best interest to decrease the authorized common stock in order to reduce the Company's future annual Delaware franchise taxes. This step is necessary, in the judgment of the Board of Directors and the Majority Stockholders to reduce the Company's costs.

Certain Matters Related to the Amendment Proposal

The Amendment, a copy of which is attached to this Information Statement as Exhibit A, will be filed with the Delaware Department of State, and the effective date of the Amendment is anticipated to be on or about June 8, 2006.

General Effect of the Amendment

As a result of the Amendment, the Company's future annual Delaware franchise taxes will be lower than they would be without the Amendment.

The ownership percentages of the holders of the Company's issued and outstanding common stock will not change as a result of the Amendment.

Finally, the Company will have fewer shares of common stock available for various corporate purposes including, among other things, future acquisitions of property or securities of other corporations, stock dividends, stock splits, stock options, convertible debt and equity financing.
