- (1) Represents a restricted stock award under the 2006 Omnibus Incentive Plan, as such plan may be amended from time to time (the "Incentive Plan"). This grant is void if the stockholders of the issuer do not approve an amendment to the Incentive Plan at the 2009 Annual Meeting, to, among other things, make additional shares available for the grant of awards under the Incentive Plan. Subject to the preceding qualification, the shares subject to the award vest in one-third increments when and to the extent the issuer's Class A common stock trades at or above \$4.00, \$6.00, and \$8.00 for thirty consecutive trading days during the period beginning January 1, 2010, and ending December 31, 2011, subject to continued employment and the specific terms of the award notice.
- (2) The reporting person acquired an amount equal to approximately \$17,500, to be converted to shares based upon the closing price of the issuer's Class A common stock two full trading days following the public release of the issuer's first quarter 2009 earnings.
- (3) Aggregate amount of securities beneficially owned following the reported transaction does not include the amount of securities that will be acquired upon the conversion to shares of approximately \$17,500, based upon the closing price of the issuer's Class A common stock

Edgar Filing: HUGHES M. DAVID - Form 4

two full trading days following the public release of the issuer's first quarter 2009 earnings.

Represents 34,167 restricted shares of the issuer's Class A common stock previously owned and an additional 8,721 restricted shares of the issuer's Class A common stock granted October 2, 2008, pursuant to a transaction previously reported by the reporting person.

- (4) However, the aggregate amount granted in the October 2, 2008, transaction was determined following the reporting deadline for the transaction as it was based upon the closing price of the issuer's Class A common stock two full trading days following the public release of the issuer's third quarter 2008 earnings.

The number of shares beneficially owned following the reported transaction is equal to the reporting person's March 23, 2009, account

- (5) balance in the employer stock fund under the issuer's 401 (k) plan divided by the closing price on March 23, 2009. The plan is unitized and as such does not itself allocate a specific number of shares to each participant.
