Part II - Rules 12b-25(b) and (c)

If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed.(Check box if appropriate.)

- (a) The reason described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense.
- √ (b) The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, Form 11-K, Form N-SAR or Form N-CSR, or portion thereof, will be filed on or before the fifteenth calendar day following the prescribed due date; or the subject quarterly report or transition report on Form 10-Q or subject distribution report on Form 10-D, or portion thereof, will be filed on or before the fifth calendar day following the prescribed due date; and
- (c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached if applicable.

Part III - Narrative

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q,10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

As described in the Registrant's Form 8-K filed on May 15, 2012, the Registrant sought and has now received from the Securities and Exchange Commission an interpretation on its accounting for noncontrolling interests. As a result, the Registrant expects to amend and file its annual report on Form 10-K for the year ended December 31, 2011 and its quarterly report on Form 10-Q for the quarter ended March 31, 2012, to restate noncontrolling interests in IBG LLC ("LLC") attributable to IBG Holdings LLC ("Holdings") as temporary rather than permanent equity, as soon as practicable. Pursuant to the June 6, 2012 amendment to the Exchange Agreement among the Registrant, LLC and Holdings, noncontrolling interests in LLC attributable to Holdings will be reportable as a component of permanent equity, i.e., consistent with the Registrant's historical presentation, from and after the date of the amendment.

The accounting treatment to be reflected in the amended financial statements will have no effect on reported results of operations or on the valuation or classification of assets or liabilities, for the current period or any previously reported periods; and combined permanent and temporary equity will remain unchanged from the historical presentation.

As of the date of this report, the Registrant's Quarterly Report on Form 10-Q for the period ended June 30, 2012 could not be completed and filed within the prescribed time period without unreasonable effort or expense because additional time is required by the Registrant to complete its financial statements. Completion of the Form 10-Q for the quarter ended June 30, 2012 is dependent upon the completion of the aforementioned prior period reports. The Registrant expects to file Form 10-Q for the period ended June 30, 2012 as soon as practicable.
