1. Execution of Agreement with Quarry Oil & Gas Ltd. to Combine Companies.

Effective November 10, 2004 Assure Energy, Inc. ("Assure", "we", or "us") entered into an Arrangement Agreement and related Plan of Arrangement with its 50.2% owned subsidiary, Quarry Oil & Gas Ltd. ("Quarry"), to combine the two entities through a series of amalgamations. Pursuant thereto, we will, subject to certain conditions, acquire all of the issued and outstanding common shares of Quarry not already owned by us in exchange for shares of our common stock on the basis of .36 of an Assure share for each Quarry share (the "Arrangement"). The Arrangement will also result in the cancellation of all of the 1,000,000 Quarry warrants, each to purchase our share of Quarry common stock, presently owned by us.

Quarry currently has 17,284,704 common shares outstanding and Assure has 20,635,350 common shares outstanding. We currently own, through a wholly-owned subsidiary, Assure Holdings Inc., approximately 8.7 million, or 50.2%, of the currently outstanding common shares of Quarry.

The Arrangement was negotiated and approved by the boards of directors of each of Assure and Quarry. The Arrangement will require the approval of 66 2/3% of the votes cast by Quarry shareholders and warrant holders voting as a class at a special meeting of Quarry securityholders to be held on Friday, December 17, 2004. Additionally, the Arrangement requires the approval of a majority of at least 50% of the eligible votes cast (such eligible votes do not include the votes cast by Assure, Assure's management and directors, and certain other holders of common shares of Quarry who are interested in or are related parties to the Arrangement). Quarry shareholders have rights of dissent with respect to the Arrangement and may be entitled to be paid the fair value of their Quarry shares.

The board of directors of Quarry has unanimously concluded that the Arrangement is in the best interests of Quarry and its shareholders and unanimously recommended that Quarry securityholders vote in favor of the Arrangement at the special meeting of Quarry securityholders.

In addition to receiving the required shareholder approvals described above, closing of the transaction is subject to receipt of the approval of the Court of Queen's Bench of Alberta and all necessary regulatory approvals. The Arrangement Agreement also provides that Quarry shall not, directly or indirectly, solicit or initiate any inquiries, discussions or negotiations with any third party with respect to any take-over or other combination proposal and provides us with a right to match any acquisition proposal which may be received by Quarry prior to the effective date of the Arrangement.

Expected benefits of the Arrangement including the following:

- o the combined company will have a larger production base and greater financial resources, enabling it to more effectively undertake and accelerate its oil and natural gas development and exploration

Edgar Filing: ASSURE ENERGY INC - Form 6-K

opportunities;

3

- o the combined company will have increased operating efficiencies;
- o the combined company will have increased market capitalization and a wider shareholder base allowing greater access to capital and improved liquidity;
- o the combined company will have a stronger balance sheet providing for greater financial flexibility; and
- o the combined company will have a well balanced inventory of exploration and development projects.

Assure shareholders are not required to vote on the Arrangement.

- (v) not, except (A) as Publicly Disclosed by Acquiror; (B) for the issuance of options to acquire Acquiror Shares to employees of Acquiror; or (C) pursuant to currently outstanding instruments and obligations; sell, pledge, encumber, allot, reserve, set aside or issue, or purchase or redeem, any shares in its capital or any class of securities convertible or exchangeable into, or rights, warrants or options to acquire, any such shares or other securities having a right to vote or convertible or exchangeable into such shares or securities; or

- (vi) reorganize, amalgamate or merge Acquiror with any other Person, nor acquire by amalgamating, merging or consolidating with, purchasing a majority of the voting securities or substantially all of the assets of or otherwise, any business or Person which acquisition or other transaction would reasonably be expected to prevent or materially delay the Transactions beyond the Outside Date.
- (b) Acquiror shall perform all obligations required or desirable to be performed by it under this Agreement, co-operate with Target in connection therewith, and do all such other acts and things as may be necessary or desirable in order to consummate and make effective, as soon as reasonably practicable, the transactions contemplated by this Agreement and, without limiting the generality of the foregoing, shall:
- (i) apply for and use commercially reasonable efforts to obtain all Regulatory Approvals relating to Acquiror and, in doing so, to keep Target informed as to the status of the proceedings related to obtaining the Regulatory Approvals, including providing Target with copies of all related applications and notifications in order for Target to provide its reasonable comments and providing Target with copies of all material correspondence;
 - (ii) use commercially reasonable efforts to effect all necessary registrations, filings and submissions of information required by Governmental Authorities from Acquiror relating to the Transaction;
 - (iii) use commercially reasonable efforts to obtain all necessary waivers, consents and approvals required to be obtained by Acquiror or a subsidiary in connection with the Transaction from other parties to any material loan agreements, leases or other material contracts;
 - (iv) carry out the terms of the Interim Order and Final Order applicable to it and use commercially reasonable efforts to comply promptly with all requirements which applicable Laws may impose on Acquiror with respect to the transactions contemplated by this Agreement;
 - (v) use commercially reasonable efforts to defend all lawsuits or other legal, regulatory or other proceedings, to which it is a party, challenging or affecting this Agreement or the consummation of the transactions contemplated hereby;
 - (vi) use commercially reasonable efforts to have lifted or rescinded any injunction or restraining order relating to Acquiror or other order which may adversely affect the ability of the Parties to consummate the transactions contemplated by this Agreement; and
 - (vii) to promptly advise Target orally and, if then requested, in writing:

- (A) of any event occurring subsequent to the date of this Agreement that would render any representation or warranty of Acquiror contained in this Agreement (except any such representation or warranty which speaks solely as of a date

Edgar Filing: ASSURE ENERGY INC - Form 6-K

prior to the occurrence of such event), if made on or as of the date of such event or the Effective Time, untrue or inaccurate in any material respect;

(B) of any Material Adverse Change in respect of Acquiror; and

(C) of any material breach by Acquiror of any covenant or agreement contained in this Agreement.

(c) As soon as practicable following the Effective Time, Acquiror shall take all actions as are within its control to appoint to the board of directors of Acquiror an individual to be mutually agreed between Acquiror and Target.

4.4 TARGET COVENANTS REGARDING NON-SOLICITATION

(a) Target shall, and shall cause the officers, directors, employees, representatives and agents of Target to, cease immediately all current discussions and negotiations regarding any proposal that constitutes, or may reasonably be expected to lead to, an Acquisition Proposal, and request and enforce the return or destruction of all confidential information provided in connection therewith. Target shall not release any third party from any confidentiality agreement or standstill agreement (except to allow such party to propose a Superior Proposal).

(b) Subject to Section 4.5, and unless otherwise consented to in writing by Acquiror, Target shall not, directly or indirectly, through any officer, director, employee, representative or agent of Target:

(i) solicit, initiate, knowingly encourage or otherwise facilitate (including by way of furnishing information or entering into any form of agreement, arrangement or understanding) the initiation of any inquiries or proposals regarding an Acquisition Proposal;

(ii) participate in any discussions or negotiations regarding, or provide any confidential information with respect to, any Acquisition Proposal;

(iii) approve or recommend, or publicly propose to approve or recommend, any Acquisition Proposal; or

(iv) accept or enter into, or publicly propose to accept or enter into, any letter of intent, agreement, arrangement or understanding related to any Acquisition Proposal.

47

(c) Notwithstanding Section 4.4(b), the board of directors of Target shall not be prevented from:

(i) complying with Target's disclosure obligations under applicable Laws with regard to an Acquisition Proposal;

(ii) taking any other action to the extent ordered or otherwise mandated by any court of competent jurisdiction; or

(iii) considering, participating in any discussions or negotiations, or entering into a confidentiality agreement and providing information pursuant to Section 4.4(e) if and only to the extent that, in any

Edgar Filing: ASSURE ENERGY INC - Form 6-K

such case referred to in this clause (iii), the Target Meeting shall not have occurred, Target has complied with this Section 4.4, and the board of directors of Target concludes in good faith, after consultation with its outside legal and financial advisors, that any required financing of such Acquisition Proposal is reasonably likely to be obtained, and that after taking the steps contemplated in this clause (iii), it is reasonably likely that the board of directors of Target would determine that such Acquisition Proposal is a Superior Proposal.

- (d) Target shall forthwith (and in any event within 24 hours) notify Acquiror of any Acquisition Proposal and any inquiry that could lead to an Acquisition Proposal or any request for non-public information relating to Target in connection with an Acquisition Proposal or for access to the properties, books or records of Target by any Person. Such notice shall include a description of the material terms and conditions of any proposal, the identity of the Person making such proposal, inquiry or contact and provide such other details of the proposal, inquiry or contact as Acquiror may reasonably request. Target shall keep Acquiror informed of the status on a current basis, including any change to the material terms, of any such Acquisition Proposal or inquiry in a timely manner, on at least a next day basis.
- (e) If Target receives a request for material non-public information from a Person who has made an unsolicited bona fide written Acquisition Proposal and Target is permitted, subject to and as contemplated under Section 4.4(c), to negotiate the terms of such Acquisition Proposal, then, and only in such case, the board of directors of Target may, provide such Person with access to information regarding Target.
- (f) Target shall ensure that its officers, directors and employees and any financial advisors or other advisors or representatives retained by it are aware of the provisions of this Section and Target shall be responsible for any breach of this Section by its officers, directors, employees, representatives or agents.

48

4.5 MATCHING RIGHTS.

- (a) Notwithstanding Section 4.4, Target may not accept, approve, recommend or enter into any agreement, understanding or arrangement in respect of an unsolicited Superior Proposal unless:
 - (i) it has complied with this Article 4;
 - (ii) it has provided Acquiror with a copy of the Superior Proposal documents;
 - (iii) two Business Days (the "Match Period") shall have elapsed from the later of the date Acquiror received written notice advising Acquiror that Target's board of directors has resolved, subject only to compliance with this Section, to accept, approve, recommend or enter into an agreement, understanding or arrangement in respect of such Superior Proposal and the date Acquiror received a copy of such Superior Proposal; and
 - (iv) at the expiry of the Match Period it remains a Superior Proposal under Section 4.5(b).

Edgar Filing: ASSURE ENERGY INC - Form 6-K

In such circumstances, Target's board of directors may (subject to Article 6) also withdraw, modify or qualify its recommendation of the Transaction. In the event that Target provides Acquiror with the notice contemplated in this Section on a date that is less than two Business Days prior to the Target Meeting, if requested by Acquiror, Target shall adjourn the Target Meeting to a date that is not less than two Business Days and not more than ten calendar days after the date of such notice.

- (b) During the Match Period, Target agrees that Acquiror shall have the right, but not the obligation, to offer to amend the terms of this Agreement. The board of directors of Target will review any offer by Acquiror to amend the terms of this Agreement in good faith in order to determine, in its discretion in the exercise of its fiduciary duties (but without regard to any requirement for approval by Acquiror's Shareholders, unless it has reasonable grounds to expect that such shareholder approval will not be obtained), whether Acquiror's offer upon acceptance by Target would result in such Superior Proposal ceasing to be a Superior Proposal. If the board of directors of Target so determines, it will enter into an amended agreement with Acquiror reflecting Acquiror's amended proposal. If the board of directors of Target continues to believe, in good faith, after consultation with its financial advisors and outside counsel, that such Superior Proposal remains a Superior Proposal (without regard to any requirement for approval by Acquiror's Shareholders, unless it has reasonable grounds to expect that such shareholder approval will not be obtained) and therefore rejects Acquiror's amended proposal, at the expiry of the Match Period in accordance with Section 4.5(a), Target may immediately terminate this Agreement and approve, recommend, accept or enter into an agreement, understanding or arrangement with respect to the Superior Proposal.
- (c) Target acknowledges and agrees that each successive material amendment to any Acquisition Proposal, including any amendment to the consideration for Target Shares, shall constitute a new Acquisition Proposal requiring the initiation of a new Match Period (each such new Match Period to be one Business Day in length) in respect of that amended Acquisition Proposal.

49

4.6 ACCESS TO INFORMATION

- (a) Subject to Section 4.6(b) and applicable Laws, upon reasonable notice, each of Target and Acquiror shall afford the other Party's officers, employees, counsel, accountants and other authorized representatives and advisors ("Representatives") access, during normal business hours from the date hereof and until the earlier of the Effective Date or the termination of this Agreement, to its properties, books, contracts and records as well as to its management personnel, and, during such period, each of Target and Acquiror shall furnish promptly to the other Party all information concerning its business, properties and personnel as the other Party may reasonably request, and shall afford the other Party's Representatives the opportunity, upon reasonable notice and during normal business hours from the date hereof and until the earlier of the Effective Date or termination of this Agreement, to speak to appropriate management personnel as the other Party may reasonably request, without materially interfering with their other responsibilities.
- (b) Each Party acknowledges that information provided to it under Section 4.6(a) above will contain information that is non-public and/or

Edgar Filing: ASSURE ENERGY INC - Form 6-K

proprietary in nature (the "Information"). Except as permitted below, each Party will keep Information confidential and will not, without the prior written consent of the other, disclose it, in any manner whatsoever, in whole or in part, to any other Person, and will not use it for any purpose other than to evaluate the transactions contemplated by this Agreement. Each Party will make all reasonable, necessary and appropriate efforts to safeguard the Information from disclosure to anyone other than as permitted hereby and to control the copies, extracts or reproductions made of the Information. The Information may be provided to the Representatives of the Parties who require access to the same to assist it in proceeding in good faith with the Transactions, and whose assistance is required for such purposes, provided that it has first informed such Representatives to whom Information is provided that the Representative has the same obligations, including as to confidentiality, restricted use and otherwise, that it has with respect to such Information. This provision shall not apply to such portions of the Information that:

- (i) are or become generally available to the public otherwise than as a result of disclosure by a Party or its Representatives;
- (ii) become available to a Party on a non-confidential basis from a source other than, directly or indirectly, the other Party or its Representatives, provided that such source is not to the knowledge of the first Party, upon reasonable inquiry, prohibited from transmitting the Information by a contractual, legal or fiduciary obligation;
- (iii) were known to a Party or were in its possession on a non-confidential basis prior to being disclosed to it by the other Party or by someone on its behalf; or

50

- (iv) are required by applicable Laws or court order to be disclosed. The provisions of this Section 4.6(b) shall survive the termination of this Agreement.

4.7 INDEMNIFICATION

- (a) Acquiror agrees that all rights to indemnification or exculpation existing in favour of the directors or officers of Target as provided in its articles or by-laws as at the date of this Agreement shall survive the Transaction and shall continue in full force and effect for a period of not less than six years from the Effective Time. Acquiror agrees that it will honour the terms of all indemnity agreements in favour of Target's directors and officers in effect as of the Effective Date.
- (b) Acquiror shall use reasonable efforts to cause Target to purchase "run-off" directors' and officers' liability insurance providing coverage substantially as favourable to such directors and officers as that in effect under such current policies to cover prior events during such six year period or the balance thereof.

ARTICLE 5 CONDITIONS

5.1 MUTUAL CONDITIONS PRECEDENT

The respective obligations of the Parties to complete the Transaction

Edgar Filing: ASSURE ENERGY INC - Form 6-K

shall be subject to the satisfaction, on or before the Effective Time, of the following conditions precedent, each of which may only be waived by the mutual consent of Acquiror and Target:

- (a) the Transaction Resolution shall have been approved at the Target Meeting by (i) not less than 66 2/3% of votes cast by the Target Securityholders, voting as a class, who are represented at the Target Meeting and (ii) at least a majority of greater than 50% of the votes cast by Target Minority Securityholders, voting as a class, who are represented at the Target Meeting;
- (b) the Transaction and/or Transaction Resolution shall have been approved at the Target Meeting in accordance with any conditions in addition to those set out in Section 5.1(a) which may be imposed by the Interim Order;
- (c) the Interim Order and the Final Order shall each have been obtained on terms consistent with this Agreement and in a form satisfactory to each of Target and Acquiror, acting reasonably, and shall not have been set aside or modified in a manner unacceptable to such Parties, acting reasonably, on appeal or otherwise;
- (d) the Articles of Arrangement shall be in content consistent with this Agreement and in form satisfactory to the Parties acting reasonably in that context;

51

- (e) there shall not be in force any Law, final and non-appealable injunction, order or decree prohibiting, restraining or enjoining the consummation of the Transactions;
- (f) the Regulatory Approvals shall have been obtained or satisfied on terms and conditions satisfactory to Acquiror and Target acting reasonably, (but in case of the Target only insofar as it would directly materially adversely affect Target Shareholders);
- (g) other than the Regulatory Approvals, all consents, waivers, permits, orders and approvals of any Governmental Authority, and the expiry of any waiting periods, in connection with, or required to permit, the consummation of the Transaction, the failure of which to obtain or the non-expiry of which would constitute a criminal offence or would have a Material Adverse Effect on Acquiror or Target, as the case may be, shall have been obtained or satisfied on terms that could not reasonably be expected to have a Material Adverse Effect on Acquiror and/or Target;
- (h) the orders referred to in Section 2.6 shall have been obtained (and for greater certainty, the approval of the TSXV or any other Canadian stock exchange to list the Acquiror Shares shall not be a condition precedent to complete the Arrangement).
- (i) all applicable requirements of Section 3(a)(10) of the 1933 Act shall have been satisfied with respect to the issuance of Acquiror Shares pursuant to the Transaction;
- (j) there shall not have occurred any actual change or amendment to, or any proposal by the Minister of Finance (Canada) to change or amend the Tax Act, or to any applicable provincial tax legislation or the regulations thereunder or any publicly stated administrative position or practice in relation thereto which individually or in the aggregate, directly or

Edgar Filing: ASSURE ENERGY INC - Form 6-K

indirectly, has or could reasonably be expected to have any Material Adverse Effect with respect to the Transaction, the Target Shareholders, or Acquiror's ownership of Target; and

(k) this Agreement shall not have been terminated pursuant to Article 6.

5.2 ADDITIONAL CONDITIONS PRECEDENT TO THE OBLIGATIONS OF ACQUIROR

(a) The obligations of Acquiror to complete the Transaction shall also be subject to the fulfilment of each of the following conditions precedent (each of which is for Acquiror's exclusive benefit and may be waived by Acquiror):

(i) all covenants of Target under this Agreement to be performed on or before the Effective Time shall have been duly performed by Target in all material respects and Acquiror shall have received a certificate of Target addressed to Acquiror and dated the Effective Date, signed on behalf of Target by a senior officer of Target (on Target's behalf and without personal liability), confirming the same as at the Effective Date;

52

(ii) the representations and warranties of Target that are qualified by references to materiality shall be true and correct and the representations and warranties of Target not so qualified shall be true and correct in all material respects, in each case as of the Effective Time as if made on and as of such time (except to the extent such representations and warranties speak solely as of an earlier date, in which event such representations and warranties shall be true and correct to such extent as of such earlier date, or except as affected by transactions contemplated or permitted by this Agreement), and Acquiror shall have received a certificate of Target addressed to Target and dated the Effective Date, signed on behalf of Target by a senior officer of Target (on Target's behalf and without personal liability), confirming the same as at the Effective Date;

(iii) the board of directors of Target shall have adopted all necessary resolutions, and all other necessary corporate action shall have been taken by Target to permit the consummation of the Transaction;

(iv) during the Pre-Effective Date Period, there shall not have occurred or have been disclosed to the public if previously undisclosed to the public or Acquiror, a Material Adverse Change to Target;

(v) there shall not be pending or threatened in writing any suit, action or proceeding by any Person:

(A) seeking to prohibit or restrict the acquisition by Acquiror of any Target Shares, seeking to restrain or prohibit the consummation of the Transaction or seeking to obtain from Target or Acquiror any material damages directly or indirectly in connection with the Transaction;

(B) seeking to prohibit or materially limit the ownership or operation by Acquiror of Target or any material portion of the business or assets of Target or to compel Acquiror to dispose of or hold separate any portion of the business or assets of

Edgar Filing: ASSURE ENERGY INC - Form 6-K

Target;

- (C) seeking to impose limitations on the ability of Acquiror to acquire or hold, or exercise full rights of ownership of, any Target Shares, including the right to vote the Target Shares to be acquired by it on all matters properly presented to the shareholders of Target;
- (D) seeking to prohibit Acquiror from effectively controlling in any material respect the business or operations of Target; or

53

- (E) which, if successful, in the judgement of the Acquiror, is reasonably likely to have a Material Adverse Effect on Target or Acquiror; and
- (vi) Acquiror has determined, in its sole discretion, acting reasonably, that the number of Target Shares in respect of which Dissent Rights have been validly exercised is not more than such number of Target Shares for which Acquiror would be able or willing, acting reasonably, to pay fair value pursuant to the Dissent Rights. (b) Acquiror may not rely on the failure to satisfy any of the conditions precedent in Section 5.1 or Section 5.2 if the condition precedent would have been satisfied but for a material default by Acquiror in complying with its obligations in this Agreement.

5.3 ADDITIONAL CONDITIONS PRECEDENT TO THE OBLIGATIONS OF TARGET

- (a) The obligations of Target to complete the Transaction shall also be subject to the following conditions precedent (each of which is for the exclusive benefit of Target and may be waived by Target):
 - (i) all covenants of Acquiror under this Agreement to be performed on or before the Effective Time shall have been duly performed by Acquiror in all material respects and Target shall have received a certificate of Acquiror addressed to Target and dated the Effective Date, signed on behalf of Acquiror by a senior officer of Acquiror (on Acquiror's behalf and without personal liability), confirming the same as at the Effective Date;
 - (ii) the representations and warranties of Acquiror that are qualified by references to materiality shall be true and correct and the representations and warranties of Acquiror not so qualified shall be true and correct in all material respects, in each case as of the Effective Time as if made on and as of such time (except to the extent such representations and warranties speak solely as of an earlier date, in which event such representations and warranties shall be true and correct to such extent as of such earlier date, or except as affected by transactions contemplated or permitted by this Agreement), and Target shall have received a certificate of Acquiror addressed to Target and dated the Effective Date, signed on behalf of Acquiror by a senior officer of Acquiror (on Acquiror's behalf and without personal liability), confirming the same as at the Effective Date;
 - (iii) the board of directors of Acquiror shall have adopted all necessary resolutions, and all other necessary corporate action shall have been taken by Acquiror to permit the consummation of the

Edgar Filing: ASSURE ENERGY INC - Form 6-K

Transaction;

- (iv) during the Pre-Effective Date Period, there shall not have occurred or have been disclosed to the public if previously undisclosed to the public or Target, a Material Adverse Change to Acquiror;

54

- (v) Acquiror shall have deposited or caused the deposit of the requisite Acquiror Shares issuable for Target Shares under this Agreement with the Depositary or otherwise cause its transfer agent to effect transfers at the Effective Time within the book based system of the requisite Acquiror Shares issuable under the Transaction; and

- (vi) Acquiror shall have obtained the orders and approvals described in Section 2.6.

- (b) Target may not rely on the failure to satisfy any of the conditions precedents in Section 5.1 or Section 5.3 if the condition precedent would have been satisfied but for a material default by Target in complying with its obligations in this Agreement.

5.4 NOTICE AND CURE PROVISIONS

Acquiror and Target will give prompt notice to the other of the occurrence, or failure to occur, at any time during the Pre-Effective Date Period of any event or state of facts which occurrence or failure would, or would be likely to:

- (a) cause any of the representations or warranties of the other Party contained herein to be untrue or inaccurate on the date hereof or at the Effective Time such that the conditions set forth in Section 5.2 or 5.3, as applicable, would not be satisfied as of the Effective Time; or
- (b) result in the failure in any material respect to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by the other hereunder prior to the Effective Time such that the conditions set forth in Section 5.2 or 5.3, as applicable, would not be satisfied as of the Effective Time.

Neither Acquiror nor Target may seek to rely upon any conditions precedent contained in Sections 5.1, 5.2 or 5.3, or exercise any termination right arising therefrom, unless forthwith and in any event prior to the filing of the Articles of Arrangement for acceptance by the Registrar, Acquiror or Target, as the case may be, has delivered a written notice to the other specifying in reasonable detail all breaches of covenants, representations and warranties or other matters which Acquiror or Target, as the case may be, are asserting as the basis for the non-fulfilment of the applicable condition precedent or the exercise of the termination right, as the case may be. If any such notice is delivered, provided that Target or Acquiror, as the case may be, is proceeding diligently to cure such matter, if such matter is susceptible to being cured, the other may not terminate this Agreement as a result thereof until the earlier of the Outside Date and 10 days from delivery of such notice. If such notice has been delivered prior to the date of the Target Meeting, such meeting shall, unless the Parties agree otherwise, be postponed or adjourned until the expiry of such period. If such notice has been delivered prior to the making of the application for the Final Order or the filing of the Articles of Arrangement with the Registrar, such application and such filing shall be postponed until the expiry

Edgar Filing: ASSURE ENERGY INC - Form 6-K

of such period. For the avoidance of doubt, in the event that such matter is cured within the time period referred to herein without a Material Adverse Effect on the Party in breach, this Agreement may not be terminated as a result of the cured breach.

55

5.5 SATISFACTION OF CONDITIONS

The conditions precedent set out in Sections 5.1, 5.2 and 5.3 shall be conclusively deemed to have been satisfied, waived or released when, with the agreement of Acquiror and Target, a Certificate of Amalgamation in respect of the Transaction is issued by the Registrar.

ARTICLE 6 AMENDMENT AND TERMINATION

6.1 AMENDMENT

- (a) This Agreement and the Plan of Arrangement may, at any time and from time to time before or after the holding of the Target Meeting but not later than the Effective Date, be amended by mutual written agreement of the Parties, and any such amendment may without further Target Securityholder approvals, subject to applicable Laws and the Interim Order, without limitation:
- (i) change the time for performance of any of the obligations or acts of the Parties;
 - (ii) waive any inaccuracies or modify any representation or warranty contained herein or in any document delivered pursuant hereto;
 - (iii) waive compliance with or modify any of the covenants herein contained and waive or modify performance of any of the obligations of the Parties; and/or
 - (iv) waive compliance with or modify any conditions precedent herein contained provided that any such change does not decrease the consideration payable to Target Shareholders.
- (b) During the Pre-Effective Date Period, the Parties will use commercially reasonable efforts to maximize present and future financial and tax planning opportunities for the Acquiror and Target as and to the extent that the same shall not prejudice any Party or its securityholders. The Parties will ensure that such planning activities do not impede the progress of the Transaction in any material way. If, at the request of Acquiror, Target effects any transaction before the Effective Date for such purposes, Acquiror will be responsible for any structuring and unwinding costs if the Transaction is not consummated.

6.2 TERMINATION

- (a) If any condition contained in Section 5.1 or 5.2 is not satisfied at or before the Effective Time, then Acquiror may, subject to Section 5.4 and to Section 5.2(b) by written notice to Target terminate this Agreement and the obligations of the Parties hereunder (except as otherwise herein provided), but without detracting from the rights of Acquiror arising from any breach by Target but for which the condition would have been

Edgar Filing: ASSURE ENERGY INC - Form 6-K

satisfied.

56

- (b) If any condition contained in Section 5.1 or 5.3 is not satisfied at or before the Effective Time, then Target may, subject to Section 5.4 and to Section 5.3(b) by written notice to Acquiror terminate this Agreement and the obligations of the Parties hereunder (except as otherwise herein provided), but without detracting from the rights of Target arising from any breach by Acquiror but for which the condition would have been satisfied.
- (c) This Agreement may:
- (i) be terminated by the mutual agreement of Target and Acquiror, (and for greater certainty, without further action on the part of the Target Securityholders if terminated after the holding of the Target Meeting);
 - (ii) be terminated by either Target or Acquiror if there shall be passed any Law that makes consummation of the Transaction illegal or otherwise prohibited;
 - (iii) be terminated by Acquiror, if:
 - (A) the board of directors of Target shall have failed to recommend or shall have withdrawn, modified or changed in a manner adverse to Acquiror its approval or recommendation of this Agreement, the Transaction or the Transaction Resolution (unless Acquiror has suffered a Material Adverse Change or Acquiror shall have made a misrepresentation at the date hereof or breached a covenant under this Agreement in such a manner that, taking into account Sections 5.3(b) and 5.4, Target would be entitled to rely on the failure of a condition set forth in Section 5.3(a) as a reason not to complete the Transaction); or
 - (B) the board of directors of Target shall have approved or recommended any Acquisition Proposal other than the Transaction;
 - (C) the board of directors of Target shall have failed to reaffirm and maintain its approval or recommendation of the Transaction and Transaction Resolution after the announcement of any Acquisition Proposal other than the Transaction;
 - (D) Target shall have entered into any agreement with any Person with respect to any Acquisition Proposal other than the Transaction prior to the Target meeting or any extension thereto, excluding a confidentiality agreement entered into in compliance with Section 4.4;
 - (iv) be terminated by either Acquiror or Target, if the Target Securityholder or the Target Minority Securityholder approval shall not have been obtained by reason of the failure to obtain the requisite vote set out in Section 5.1 or the Interim Order at the Target Meeting; or

- (v) be terminated by Acquiror if the Target Meeting has not occurred on or before the Outside Date (unless the Acquiror has suffered a Material Adverse Change or Acquiror shall have made a misrepresentation at the date hereof or breached a covenant under this Agreement in such a manner that, taking into account Section 5.3(b) and 5.4, Target would be entitled to rely on the failure of a condition set forth in Section 5.3(a) as a reason not to complete the Transaction), in each case, prior to the Effective Time.
- (d) If the Effective Date has not occurred on or prior to the Outside Date, then, unless otherwise agreed in writing by the parties, this Agreement shall terminate, provided that the right to terminate this Agreement pursuant to this Section 6.2(d) shall not be available to the Party seeking to terminate if any action of such Party or the failure of such Party to perform any of its obligations under this Agreement required to be performed at or prior to the Effective Time shall have resulted in the conditions contained in Section 5.1, 5.2 or 5.3 (as applicable) not having been satisfied prior to the Outside Date.
- (e) If this Agreement is terminated in accordance with the foregoing provisions of this Section 6.2, no Party shall have any further liability to perform its obligations under this Agreement and as otherwise expressly contemplated by this Agreement, and provided that neither the termination of this Agreement nor anything contained in this Section shall relieve any Party from any liability for any breach by it of this Agreement, including from any inaccuracy in its representations and warranties and any non-performance by it of its covenants made herein.

6.3 REMEDIES

The Parties acknowledge and agree that an award of money damages would be inadequate for any breach of this Agreement by any Party or its representatives and any such breach would cause the non-breaching Party irreparable harm. Accordingly, the Parties agree that, in the event of any breach or threatened breach of this Agreement by one of the Parties, the non-breaching Party will also be entitled, without the requirement of posting a bond or other security, to equitable relief, including injunctive relief and specific performance. Such remedies will not be the exclusive remedies for any breach of this Agreement but will be in addition to all other remedies available at law or equity to each of the Parties.

2.2 ARRANGEMENT

Commencing at the Effective Time, the following shall occur and shall be deemed to occur in the following order without any further act or formality:

- (a) all of the issued and outstanding Target Shares beneficially owned by the Target Shareholders at the Effective Time, other than Target Shares beneficially owned by Acquiror, shall be transferred, free and clear of any encumbrances or claims, to Acquiror, solely in exchange for the issue by Acquiror to the Target Shareholders in respect of such Target Shares of fully paid and non-assessable Acquiror Shares on the basis of the Exchange Ratio;

3.1 RIGHTS OF DISSENT

Holders of Target Securities may exercise rights of dissent with respect to such shares pursuant to and in the manner set forth in Section 191 of the ABCA and this Section 3.1 (the "DISSENT RIGHTS") in connection with the Arrangement as the same may be modified by the Interim Order or the Final Order; provided that, notwithstanding Subsection 191(5) of the ABCA, the written objection to the Arrangement Resolution referred to in Subsection 191(5) of the ABCA must be received by Target not later than 5:00 p.m. (Calgary time) on the fifth Business Day preceding the Target Meeting. 67

- (b) are ultimately determined not to be entitled, for any reason, to be paid fair value for their Target Securities, shall be deemed to have participated in the Arrangement on the same basis as a non-dissenting Holder of Target Securities and shall receive Acquiror Shares on the basis determined in accordance with this Arrangement;

but in no case shall Acquiror, Target, the Depositary or any other Person be required to recognize such Dissenting Shareholders as Holders of Target Shares after the Effective Time and the names of such Dissenting Shareholders shall be deleted from the register of Holders of Target Shares at the Effective Time.

3.2 DISSENT RIGHT AVAILABILITY

Edgar Filing: ASSURE ENERGY INC - Form 6-K

Target Securities unless such securityholder abstains from voting (or instructs, or is deemed to have instructed his, her or its proxyholder to abstain from voting) in respect of the Arrangement Resolution.

ARTICLE 4 CERTIFICATES AND FRACTIONAL SHARES

4.1 EXCHANGE OF CERTIFICATES FOR ACQUIROR SHARES

At or promptly after the Effective Time, Acquiror shall deposit with the Depositary, for the benefit of the Holders of Target Shares, Acquiror Shares representing that number of Acquiror Shares to be received by Holders of Target Shares pursuant to Article 2. Upon surrender to the Depositary of a certificate which immediately prior to the Effective Time represented outstanding Target Shares that, under the Arrangement, were transferred to Acquiror in exchange for Acquiror Shares pursuant to Article 2, together with a duly completed Letter of Transmittal and such additional documents, instruments and payments as the Depositary may reasonably require, the Holder of such surrendered certificate shall be entitled to receive in exchange therefor, and the Depositary shall deliver to such Holder, Acquiror Shares representing that number (rounded up to the nearest whole number) of Acquiror Shares which such Holder has the right to receive (together with any dividends or distributions with respect to the Acquiror Shares pursuant to Section 4.2), less any amounts withheld pursuant to Section 4.6, and the certificate so surrendered shall forthwith be cancelled. In the event of a transfer of ownership of Target Shares which is not registered in the transfer records of Target, Acquiror Shares representing the proper number of Acquiror Shares may be issued to the transferee if the certificate representing such Target Shares is presented to the Depositary, accompanied by all documents required to evidence and effect such transfer. Until surrendered as contemplated by this Section, each certificate which immediately prior to the Effective Time represented one or more outstanding Target Shares that, under the Arrangement, was transferred to Acquiror in return for Acquiror Shares pursuant to Article 2 shall be deemed at all times after the Effective Time to represent only the right to receive upon such surrender Acquiror Shares representing the Acquiror Shares as contemplated by this Section 4.1, and any dividends or distributions with a record date after the Effective Time theretofore paid or payable with respect to the Acquiror Shares as contemplated by Section 4.2, in each case less any amounts withheld pursuant to Section 4.6.

68

4.2 DISTRIBUTIONS WITH RESPECT TO UNSURRENDERED CERTIFICATES

No dividends or other distributions declared or made with respect to the Acquiror Shares with a record date after the Effective Time shall be paid to the Holder of any unsurrendered certificate which immediately prior to the Effective Time represented outstanding Target Shares, unless and until the Holder of such certificate shall surrender such certificate in accordance with Section 4.1. Subject to applicable Law, at the time of such surrender of any such certificate (or, in the case of clause (y) below, at the appropriate payment date), there shall be paid to the Holder of the certificates representing Target Shares, without interest, (x) the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to the Acquiror Shares to which such Holder is entitled pursuant hereto, and (y) only to the extent not paid under clause (y), on the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to surrender and a payment date subsequent to surrender payable with respect to such Acquiror Shares.

Edgar Filing: ASSURE ENERGY INC - Form 6-K

4.3 NO FRACTIONAL SHARES

No certificates representing fractional Acquiror Shares shall be issued upon the surrender for exchange of certificates pursuant to Section 4.1 and no dividend, stock split or other change in the capital structure of Acquiror shall relate to any such fractional security and such fractional interests shall not entitle the owner thereof to exercise any rights as a security holder of Acquiror. In lieu of any such fractional securities, the number of Acquiror Shares to be issued to each Person otherwise entitled to a fractional interest shall be rounded up to the nearest whole number of Acquiror Shares and a certificate representing the resulting whole number of Acquiror Shares will be issued. In calculating such fractional interests, all Target Shares held by a registered Holder of Target Shares prior to the Effective Time will be aggregated.

4.4 LOST CERTIFICATES

In the event any certificate which immediately prior to the Effective Time represented one or more outstanding Target Shares that were exchanged pursuant to Article 2 shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such certificate to be lost, stolen or destroyed, the Depositary will issue in exchange for such lost, stolen or destroyed certificate any cash pursuant to Section 4.3 and/or one or more certificates representing one or more Acquiror Shares (and any dividends or distributions with respect thereto) deliverable in accordance with Article 2. When authorizing such payment in exchange for any lost, stolen or destroyed certificate, the Person to whom certificates representing one or more Acquiror Shares are to be issued shall, as a condition precedent to the issuance thereof, give a bond satisfactory to Acquiror and the Depositary in such sum as Acquiror or the Depositary may direct or otherwise indemnify Acquiror and the Depositary in a manner satisfactory to Acquiror and the Depositary against any claim that may be made Acquiror or the Depositary with respect to the certificate alleged to have been lost, stolen or destroyed.

69

4.5 EXTINCTION OF RIGHTS

Any certificate which immediately prior to the Effective Time represented outstanding Target Shares that were exchanged pursuant to Article 2 that is not deposited with all other instruments required by Section 4.1 on or prior to the sixth anniversary of the Effective Date shall cease to represent a claim or interest of any kind or nature against Acquiror. On such date, Acquiror Shares to which the former Holder of the certificate referred to in the preceding sentence was ultimately entitled shall be deemed to have been surrendered for no consideration to Acquiror, together with all entitlements to dividends and distributions in respect thereof held for such former Holder. Neither of Acquiror or the Depositary shall be liable to any Person in respect of any Acquiror Shares or cash for dividends or distributions in respect thereof delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law.

4.6 WITHHOLDING RIGHTS

Acquiror, Target and the Depositary shall be entitled to deduct and withhold from any dividend or consideration otherwise payable to any Holder of Target Shares or Acquiror Shares such amounts as Acquiror, Target or the Depositary determines, acting reasonably, are required or permitted pursuant to the Tax Act or any successor provision thereto to be deducted and withheld with

Edgar Filing: ASSURE ENERGY INC - Form 6-K

respect to such payment under the Tax Act, the United States Internal Revenue Code of 1986, or any provision of federal, provincial, territorial, state, local or foreign tax Law, in each case, as amended. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes hereof as having been paid to the Holder of the securities in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted to the appropriate taxing authority. To the extent that the amount so required or permitted to be deducted or withheld from any payment to a Holder exceeds the cash portion of the consideration otherwise payable to the Holder, Acquiror and the Depositary are hereby authorized to sell or otherwise dispose of such portion of the consideration as is necessary to provide sufficient funds to Acquiror or the Depositary, as the case may be, to enable it to comply with such deduction or withholding requirement and Acquiror or the Depositary shall notify the Holder thereof and remit any unapplied balance of the net proceeds of such sale.

ARTICLE 5 AMENDMENTS

5.1 AMENDMENTS TO PLAN OF ARRANGEMENT

(a) Target reserves the right to amend, modify and/or supplement this Plan of Arrangement at any time and from time to time prior to the Effective Date, provided that each such amendment, modification and/or supplement must be:

(i) set out in writing;

70

(ii) approved by Acquiror;

(iii) filed with the Court and, if made following the Target Meeting, approved by the Court; and

(b) Any amendment, modification or supplement to this Plan of Arrangement may be proposed by Target at any time prior to the Target Meeting (provided that Acquiror shall have consented thereto) with or without any other prior notice or communication and if so proposed and accepted by the Persons voting at the Target Meeting (other than as may be required under the Interim Order) shall become part of this Plan of Arrangement for all purposes.

(c) Any amendment, modification or supplement to this Plan of Arrangement that is approved by the Court following the Target Meeting shall be effective only if it is consented to by each of Target and Acquiror, and if required by the Court, it is consented to by the Target Securityholders voting in the manner directed by the Court.

(d) Any amendment, modification or supplement to this Plan of Arrangement may be made following the Effective Date unilaterally by Acquiror, provided that it concerns a matter which, in the reasonable opinion of Acquiror, is of an administrative nature required to better give effect to the implementation of this Plan of Arrangement and is not adverse to the financial or economic interests of any Target Shares or Acquiror Shares issuable pursuant to the Plan of Arrangement.

Edgar Filing: ASSURE ENERGY INC - Form 6-K

ARTICLE 6 FURTHER ASSURANCES

- 6.1 Notwithstanding that the transactions and events set out herein shall occur and be deemed to occur in the order set out in this Plan of Arrangement without any further act or formality, each of the parties to the Arrangement Agreement shall make, do and execute, or cause to be made, done and executed, all such further acts, deeds, agreements, transfers, assurances, instruments or documents as may reasonably be required by any of them in order further to document or evidence any of the transactions or events set out herein. Acquiror and Target may agree not to implement this Plan of Arrangement, notwithstanding the passing of the Arrangement Resolution and receipt of the Final Order.
