PROXY STATEMENT

COMPETITIVE TECHNOLOGIES, INC.
777 Commerce Drive, Suite 100
Fairfield, Connecticut 06825

The Board of Directors is furnishing stockholders this Proxy Statement to solicit proxies to be voted at the annual meeting of stockholders of Competitive Technologies, Inc., a Delaware corporation (hereafter, “we”, “us”, or “CTT”). The meeting will be held on Tuesday, January 16, 2007, at 10:00 a.m. local time at the American Stock Exchange, 86 Trinity Place, New York, New York 10006.

CTT’s BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE ELECTION OF EACH OF CTT’S NOMINEES ON THE ENCLOSED **WHITE** PROXY CARD. WE URGE YOU NOT TO VOTE FOR ANY INDIVIDUALS NOMINATED BY AN OPPOSITION GROUP AFFILIATED WITH JOHN B. NANO, A FORMER OFFICER OF CTT WHO IS CURRENTLY INVOLVED IN LITIGATION WITH US THE (“NANO GROUP”).

Any proxy card sent to you by the Nano Group that you complete would revoke all previously voted proxy cards in support of CTT’s nominees. You can revoke any Nano Group proxy card previously signed by you by signing, dating and mailing the enclosed **WHITE** proxy card in the envelope provided. Your Board of Directors urges you **NOT** to return any proxy cards sent to you by the Nano Group, even as a vote of protest, because submission of a Nano Group proxy card will revoke any previously voted proxy card in support of CTT’s nominees.

Each proxy received will be voted as you direct it to be voted. If you do not indicate on your proxy how you want your vote counted, your proxy will be voted **FOR** electing the nominees named below as directors. You may withdraw your proxy at any time before the polls close, by notifying the Assistant Secretary in writing. Votes are tabulated by an independent agent and the results will be reported at the Annual Meeting.

If you complete and properly sign the accompanying proxy and return it to us, or vote via the internet or by telephone, it will be voted as you direct. **If you are a stockholder of record**, that is, you hold a stock certificate registered in your name on the books of our transfer agent, American Stock Transfer & Trust Company, as of the close of business on November 20, 2006 (the “Record Date”), and attend the meeting, you may deliver your completed proxy in person, or vote in person at the meeting (ballots will be available at the meeting for that purpose), or revoke a previously submitted proxy and complete a new proxy.

However, **if you hold your shares in “street name” as a beneficial owner** (that is, your broker holds the stock in your account and you do not have a stock certificate), your broker may, or may not, vote your shares on your behalf.

Since this is a contested election:

- a) You must return your voting instruction form received from your broker or nominee, **or**
- b) You must vote your shares through your broker or nominee via the internet or by phone, **or**
- c) If you wish to vote in person at the meeting, you must obtain from the record holder and bring to the meeting a proxy **signed by the record holder** identifying you as the beneficial owner of the shares and giving you the right to vote the shares at the meeting. (You may **not** use the voting instruction form provided by your broker or nominee to vote in person at the meeting.)

CTT understands that the Nano Group is soliciting your proxy to elect its own slate of directors. Since his departure from CTT in June 2005, your company has been involved in litigation with Mr. Nano. If you receive proxy materials from the Nano Group, we urge you **NOT** to sign or return the Nano Group proxy card.

We intend to mail or give to our stockholders on or about December 21, 2006, this Proxy Statement, including the Notice of Annual Meeting of Stockholders, and the accompanying proxy, together with our Annual Report and our Annual Report on Form 10-K.

Only holders of record of our 8,009,380 outstanding shares of common stock, \$0.01 par value ("Common Stock"), and 2,427 outstanding shares of 5% preferred stock, \$25 par value ("Preferred Stock"), at the close of business on the Record Date, will be entitled to vote at the meeting. Each holder of record on the Record Date is entitled to one vote for each share of Common Stock or Preferred Stock held. If you choose to abstain, your shares will be counted as shares present and entitled to vote in determining the presence of a quorum for the meeting, but your shares will not be voted in determining approval of any matter submitted to stockholders for a vote. An abstention will have no effect on a matter submitted to stockholders for a vote. Broker non-votes will be counted as shares present in determining the presence of a quorum for the meeting but they will not be considered present or entitled to vote with respect to that particular matter.

Stockholders will be required to show proper identification. Stockholders who are not registered stockholders but keep their shares in "street name" as a beneficial owner will be required to show proof of ownership of CTT shares as of the Record Date in order to enter the meeting.

If you have any questions or need assistance in voting your shares, please call Morrow & Co., Inc., a proxy solicitation firm that is assisting us in the solicitation of proxies, at 1-800-267-0201.

1. ELECTION OF DIRECTORS

At the meeting, stockholders will elect a Board of six directors by a plurality of the votes cast. Our Board of Directors (the “Board”) proposes the six nominees named below.

All of the nominees named below currently are directors of CTT. No director, executive officer or nominee is related by family to any other director, executive officer or nominee. If any nominee is unable to serve, we solicit discretionary authority to vote to elect another person unless we reduce the size of the Board. Each director will serve until the next annual meeting of stockholders, and until his or her successor has been elected and qualified, or until his or her earlier resignation or removal. We have no reason to believe that any nominee will not be available for election as a director for the prescribed term.

Corporate Governance Principles

Our Restated Certificate of Incorporation, Amended and Restated Bylaws, Corporate Governance Principles and the charters of the Audit Committee, the Compensation and Stock Option Committee (the “Compensation Committee”) and the Nominating and Corporate Governance Committee (the “Nominating Committee”) provide the framework for managing and governing CTT.

The Board is elected by and responsible to our stockholders. Except with respect to matters reserved to stockholders, the Board is the ultimate decision making body of CTT. In that capacity, the Board takes an engaged and focused approach to its responsibilities and duties, and sets standards to better ensure that we are committed to business success and enhancement of stockholder value by maintaining the highest standard of responsibility and ethics. The Board has designed its governance approach to be a working structure for principled actions, effective decision-making and appropriate monitoring of both compliance and performance.

Our employees, managers and officers conduct our business under the direction of senior management and the leadership of our Chief Executive Officer (“CEO”), who are accountable to the Board and ultimately to the stockholders. Management is responsible for the day-to-day operation of our business, strategic planning, budgeting, financial reporting and risk management.

Our Corporate Governance Principles (and the Amended and Restated Bylaws), provide that a majority of the Board shall be independent directors in accordance with the rules of the American Stock Exchange and any other applicable legal or regulatory requirements. They also establish factors for the Board to consider in nominating or appointing directors, including:

--reputation, strength of character, integrity, business ethics and, for non-management directors, independence of the individual;

-- business, government or other professional experience and acumen;

--the number of other companies as to which the individual serves as a director and the individual’s time availability to serve CTT;

--

knowledge and expertise in life, digital, nano or physical sciences and related business enterprises, and other skills relevant to our business;

--

diversity; and

The Audit Committee operates pursuant to its charter, which was adopted by the Board, a copy of which was filed as Appendix A to our 2004 Proxy Statement. The Audit Committee evaluates the adequacy of its charter annually.

Employment Agreements

Effective October 1, 2005, CTT and Dr. Freed amended and restated Dr. Freed's employment agreement, and further amended Dr. Freed's employment agreement on February 15, 2006. The amended and restated agreement provides for his employment as our President and CEO at a base compensation of \$325,000 per year, subject to change upon approval of our Compensation Committee. We and Dr. Freed agreed that his employment is at will and can be terminated by either party at any time and for any reason. The agreement also provides for:

--an expense allowance whereby Dr. Freed will be reimbursed for business related expenses reasonably and necessarily incurred and advanced by Dr. Freed in performing his duties for us, subject to and in accordance with our policies as they exist from time to time;

-- a car allowance in the amount of \$800 per month;

--participation in all employee benefit plans and programs offered, from time to time, to our executive employees, subject to the same terms and conditions as such benefits are provided by us and at the discretion of the Board, including our annual incentive plan. All such benefits are subject to plan documents (where applicable) and our policies and procedures. Nothing guarantees that any specific benefit will be provided or offered by us, and we have the right to add, modify, or terminate benefits at any time;

- upon a termination of employment due to death or disability (as defined in the agreement), we shall pay base compensation and accrued benefits to Dr. Freed's estate through date of termination, and, in the event of a disability, shall provide a continuation of medical benefits through the end of the then current fiscal year. In addition, any previously granted but unvested stock options ("Plan Options") will become fully vested and immediately exercisable;
- upon a termination of employment by Dr. Freed for good reason (as defined in the agreement), or if we terminate Dr. Freed's employment without cause (as defined in the agreement), Dr. Freed shall be entitled to receive all accrued but unpaid salary and benefits through the date of termination plus a severance benefit. - upon a termination of employment without cause in conjunction with a change in control, (as defined in the agreement), Dr. Freed will be entitled to receive all accrued but unpaid salary and benefits through the date of the termination plus a change in control benefit. The change in control benefit consists of continuation of his base compensation and group insurance benefits for a period of twelve (12) months, and full vesting and immediate ability to exercise any previously granted but unvested Plan Options.

On February 15, 2006, CTT and Mr. Kiley entered into an employment agreement. Pursuant to the terms of the agreement, Mr. Kiley was employed as Executive Vice President and Chief Technology Officer, and received an annual base compensation of \$225,000, subject to change upon approval of our Board of Directors. On July 27, 2006, our Board appointed Mr. Kiley to the position of Executive Vice President and Chief Operating Officer. We and Mr. Kiley agreed that his employment was at will and could be terminated by either party at any time and for any reason. The agreement also provided for:

Nothing guarantees that any specific benefit will be provided or offered by us, and we have the right to add, modify, or terminate benefits at any time;
- upon a termination of employment due to death or disability (as defined in the agreement), we shall pay base compensation and accrued benefits to Mr. Kiley's estate through date of termination, and, in the event of a disability, shall provide a continuation of medical benefits through the end of the then current fiscal year. - upon a resignation of employment other than for good reason (as defined in the agreement), or if we terminate Mr. Kiley's employment for cause (as defined in the agreement), we shall have no liability to Mr. Kiley except to pay his base compensation and any accrued benefits through his last day worked, and he shall not be entitled to receive any severance or other benefits; and

--upon a termination of employment without cause in conjunction with a change in control, (as defined in the agreement), Mr. Kiley will be entitled to receive all accrued but unpaid salary and benefits through the date of the termination plus a change in control benefit. The change in control benefit consists of continuation of his base compensation and group insurance benefits for a period of twelve (12) months, and full vesting and immediate ability to exercise any previously granted but unvested Plan Options.

On November 27, 2006, Mr. Kiley resigned his employment with CTT. Under the terms of the agreement, Mr. Kiley will be an independent contractor to CTT and will not be entitled to receive any benefits generally available to employees. Mr. Kiley has executed a release in favor of CTT.

Other Arrangements

401(k) Retirement Savings Plan

Effective January 1, 1997, we established the Competitive Technologies, Inc. 401(k) Plan, a defined contribution plan qualified under section 401(k) of the Internal Revenue Code (the "401(k) Plan"). Participation in the 401(k) Plan is voluntary and open to all employees who are at least 21 years of age and meet certain service requirements. Employees may defer compensation up to a specific dollar amount set by the Internal Revenue Service each calendar year. We do not make matching contributions, and employees are not allowed to invest in our stock under the 401(k) Plan. Employee contributions are fully vested when made.

The Board may authorize us to make discretionary contributions to the 401(k) Plan, subject to limitations set forth in the Internal Revenue Code, and payable in shares of our Common Stock valued as of the date the shares are contributed to the 401(k) Plan. Employees vest in our discretionary contribution ratably over four (4) years of service, with a year of service defined as twelve (12) consecutive months during which an employee is employed for at least 1,000 hours. After an employee has completed four years of service, our discretionary contributions are fully vested when they are made, except that once an employee reaches sixty (60) years of age, the employee becomes fully vested regardless of year of service. Forfeitures are re-allocated to the remaining employees in the 401(k) Plan. When discretionary contributions are authorized, the Board determines the method for allocation among participants in accordance with the 401(k) Plan: based on compensation, based on a per capita allocation, or based on a combination of per capita and compensation.

For the years ended July 31, 2006, 2005 and 2004, the Board authorized discretionary contributions of \$125,000, \$100,000 and \$100,000, respectively, payable in shares of Common Stock. The Named Executive Officers received the following allocations of our discretionary contributions: for Dr. Freed, 5,357, 1,693 and 2,030 shares, respectively, for 2006, 2005 and 2004, for Mr. Kiley, 5,357 shares for 2006 (Mr. Kiley has 3,492 total vested shares), and for Mr. Davidson, 5,357, and 1,352 shares, respectively, for 2006 and 2005, (of which 3,355 total shares are vested).

Annual Incentive Plan

The Competitive Technologies, Inc. Annual Incentive Plan was approved by our Board on November 22, 2005 (the “Incentive Plan”). This Incentive Plan replaced a prior plan. The Compensation Committee administers the Incentive Plan. The Compensation Committee may suspend or amend the Incentive Plan at any time from time to time, and the Board may terminate the Incentive Plan.

The Incentive Plan provides for eligible employees to earn an annual bonus incentive in cash. The targeted annual bonus incentive award is a percentage of the participant’s salary earned during the plan year, as defined in the Incentive Plan, and is comprised of two parts, 50% of which is dependent upon attainment of financial performance metrics that serve as our company wide goals and objectives and are set at the beginning of the year (the “Company Component”), and 50% of which is dependent upon the individual’s performance compared to each individual’s pre-established goals and objectives (the “Individual Component”). If our financial performance is less than 70% of its goal, there will be no award for the Company Component. If our financial performance is more than 120% of its goal, then the Company Component award will increase to up 125% of the award, and may, under certain conditions, as defined, increase up to a maximum of 200% of the award. If a participant meets his or her individual goals, we may pay the Individual Component regardless of whether the Company Component is met.

For the years ended July 31, 2006, 2005 and 2004, we charged \$143,608, \$291,423 and \$175,000, respectively, to expense for annual bonus incentive awards to employees other than the Named Executive Officers. In addition, for the year ended July 31, 2005, \$800,000 was charged to expense for commissions paid under our terminated prior annual incentive plan.

1997 Employees’ Stock Option Plan

The 1997 Employees’ Stock Option Plan (the “Stock Option Plan”) provides for the granting of stock options to purchase our Common Stock. The stock options may be either incentive stock options pursuant to Section 422 of the Internal Revenue Code or non-statutory stock options. Stock options granted under the Stock Option Plan must be granted at not less than 100% of the fair market value on the date of grant. The Compensation Committee determines the vesting period for the stock options. Stock options expire upon termination of the grantee’s employment, or ten (10) years after the grant date. In certain instances stock options which are vested or become vested upon the happening of an event or events specified by the Compensation Committee, may continue to be exercisable through up to 10 years after the grant date, irrespective of the termination of the optionee’s employment with us. No options may be granted pursuant to this plan after September 30, 2007.

DIRECTOR COMPENSATION

Each of our non-employee directors is paid an annual cash retainer of \$10,000 (paid quarterly in arrears) for their services to CTT. In addition, the directors are issued shares of Common Stock pursuant to our 1996 Directors' Stock Participation Plan, as amended, and are granted stock options to purchase Common Stock pursuant to our 2000 Directors Stock Option Plan, both as described below. In addition, effective in fiscal year 2005 the Chairman of the Board and the Chairman of the Audit Committee are paid annual stipends for the additional responsibilities and time commitments required of them. Mr. Carver as Chairman of the Board received stipends of \$48,000 and \$12,000 in 2006 and 2005, respectively. Mr. Sabin as Chairman of the Audit Committee received a \$6,000 stipend both in 2006 and 2005.

Each non-employee director also is paid \$1,000 for each Board meeting attended and \$500 for each committee meeting that they attend. All directors are reimbursed for out-of-pocket expenses incurred to attend Board and committee meetings.

Pursuant to our 1996 Directors' Stock Participation Plan, as amended, on the first business day of January, each non-employee director who has been elected by the stockholders and has served at least one full year as a director is issued a number of shares of Common Stock equal to the lesser of (a) \$15,000 divided by the per share fair market value of such stock on the issuance date, or (b) 2,500 shares. If a non-employee director were to leave the Board after serving at least one full year but prior to the January issuance date, we will issue to the director shares of Common Stock on a pro-rata basis up to the termination date. Common Stock may not be issued pursuant to this plan after January 2, 2011. In January 2006, we issued an aggregate of 12,500 shares under this plan (2,500 shares to each of the five independent directors).

Pursuant to our 2000 Directors Stock Option Plan, non-employee directors are granted 10,000 fully vested, non-qualified stock options to purchase our Common Stock on the date the individual first is elected a director, whether by the stockholders or by the Board, and is granted additional grants of 10,000 stock options on the first business day of January thereafter, provided the individual still is a director. The stock options granted are at an exercise price not less than 100% of the fair market value of the Common Stock at the grant date, and have a term of ten years from the grant date. If an individual's directorship terminates because of death or permanent disability, the stock options may be exercised within one year after termination. If the termination is for any other reason, the stock options may be exercised within 180 days after termination. However, the Board has the discretion to amend previously granted stock options to provide that such stock options may continue to be exercisable for specified additional periods following termination. In no event may a stock option be exercised after the expiration of its ten-year term. Stock options may not be granted pursuant to this plan after the first business day of January 2010. On January 3, 2006, we granted 50,000 stock options under this plan (10,000 stock options to each of the five independent directors) at an exercise price of \$4.00. The exercise prices were equal to the market price of the Common Stock on the grant date.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") requires our directors and officers, and persons who own more than ten percent of the Common Stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC") and the American Stock Exchange. SEC regulations require reporting persons to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such reports received or written representations from certain reporting persons with respect to fiscal 2006, we believe that all reporting persons complied with all applicable reporting requirements, except that one report on Form 4 for one transaction was not timely filed by Dr. Maccacchini.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Mr. Carver, Mr. Dunbar and Mr. Philippin were members of the Compensation Committee during 2006. There were no Compensation Committee interlocking relationships in 2006.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

There are no transactions to be reported under this item.

REPORT OF THE COMPENSATION AND STOCK OPTION COMMITTEE

This report of the Compensation and Stock Option Committee (the “Committee”) shall not be deemed incorporated by reference by any general statement incorporating the Proxy Statement by reference into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934 (the “Acts”), except to the extent that CTT specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

CTT’s compensation program consists of base salary, bonus, stock options, other incentive awards and other benefits, which the Committee generally reviews annually. The Committee’s overall philosophy is to align compensation with our business strategy and to support achievement of our long-term goals. In order to attract and retain competent executives, we believe that it is essential to maintain an executive compensation program that provides overall compensation competitive with that paid to executives with comparable qualifications and experience.

The purpose of CTT’s Incentive Plan, which was approved by the Board on November 22, 2005, is to attract and retain personnel of experience and ability by providing an incentive to those who contribute to the successful operation of CTT. The Incentive Plan provides for eligible employees to earn an annual bonus incentive in cash. The targeted annual bonus incentive award is a percentage of the participant’s salary earned during the plan year, as defined in the Incentive Plan, and is comprised of two parts, 50% of which is dependent upon attainment of financial performance metrics that serve as our company wide goals and objectives and are set at the beginning of the year (the “Company Component”), and 50% of which is dependent upon the individual’s performance compared to each individuals’ pre-established goals and objectives (the “Individual Component”). If our financial performance is less than 70% of its goal, there will be no award for the Company Component. If our financial performance is more than 120% of its goal, then the Company Component award will increase up to 125% of the award and may, under certain conditions, as defined, increase up to a maximum of 200% of the award. If a participant meets his or her individual goals, we may pay the Individual Component regardless of whether the Company Component is met. The Committee may suspend or amend the Incentive Plan at any time from time to time, and the Board may terminate the Incentive Plan.

The Committee also determines the number and terms of stock options to grant to all employees pursuant to the Stock Option Plan. This plan provides additional long-term incentive for employees to maximize stockholder value and to attract, retain and motivate our employees to continue employment with us. To encourage and recognize the cooperative teamwork of all employees that is required to achieve our goals, we grant stock options to all employees to give them a proprietary interest in CTT.

Dr. Freed’s and Mr. Kiley’s base salary and compensation packages were reviewed in detail by the Committee. The Committee previously hired nationally recognized compensation consulting firms to review the CEO’s compensation package in light of CTT’s performance, compare it with others and make expert recommendations to assist the Committee in their review of the CEO’s total compensation.

For the year ended July 31, 2006, the Committee recommended, and the Board approved, a base salary for Dr. Freed of \$325,000, a bonus of \$60,000, and a grant of 50,000 stock options pursuant to the Stock Option Plan. In addition, a discretionary contribution of Common Stock valued at approximately \$12,700 was made to Dr. Freed’s 401(k) account.

INDEPENDENT PUBLIC ACCOUNTANTS

BDO Seidman, LLP (“BDO”) served as independent public accountants for the year ended July 31, 2006, and the Audit Committee expects to select them to serve for the fiscal year ending July 31, 2007. We expect a representative of BDO to attend the annual meeting, to make a statement if he or she desires to do so, and to be available to respond to appropriate questions.

Fees Billed by Principal Accountants

The following table presents fees for professional services rendered by BDO and PricewaterhouseCoopers, LLC (“PWC”) for the years ended July 31, 2006 and 2005 (prior to 2003, PWC were our independent public accountants):

	2006		2005	
	BDO		BDO	PWC
Audit Fees (A)	\$ 109,000	\$	191,000	\$ —
Audit-Related Fees (B)	8,000		20,000	10,000
All Other Fees	—		2,000	—
Total	\$ 117,000	\$	213,000	\$ 10,000

(A) Audit fees for 2005 include the audit of our internal controls over financial reporting in compliance with Section 404 of the Sarbanes-Oxley Act of 2002. No such audit was required in 2006. The Audit Committee pre-approved all 2006 and 2005 audit and Sarbanes-Oxley related services, except for *de minimus* amounts.

(B) Audit-related fees were for assurance and related services. For 2006, they were in connection with a Registration Statement on Form S-1, while in 2005 they were in connection with a Registration Statement on Form S-3.

Audit Committee Pre-Approval of Services of Principal Accountants

The Audit Committee has the sole authority and responsibility to select, evaluate, determine the compensation of, and, where appropriate, replace the independent auditor. After determining that providing the non-audit services is compatible with maintaining the auditor’s independence, the Audit Committee pre-approves all audit and permitted non-audit services to be performed by the independent auditor, except for *de minimus* amounts. If it is not practical for the Audit Committee to meet to approve fees for permitted non-audit services, the Audit Committee has authorized its chairman, currently Mr. Sabin, to approve them and to review such pre-approvals with the Audit Committee at its next meeting.

PROPOSALS OF STOCKHOLDERS

If we meet this year's expected mailing date of December 21, 2006, we must receive such proposals for next year's annual meeting no later than August 23, 2007.

Stockholders who wish to present matters outside the processes of SEC Rule 14a-8 to be included in our Proxy Statement and form of proxy in connection with the next year's annual meeting of stockholders, must submit notice of those matters so that we receive them no later than 45 days before the mailing date of our Proxy Statement in connection with the January 16, 2007 annual meeting. If we meet this year's expected mailing date of December 21, 2006, we must receive notice of such matters for next year's annual meeting no later than November 6, 2007. Notice received after November 6, 2007 will be untimely and subject to the discretionary authority described in the last sentence of this Proxy Statement.

SOLICITATION OF PROXIES

We bear the cost of solicitation of proxies by the Board of Directors. In addition to being solicited by mail, proxies may be solicited personally or by telephone or electronically. We reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy materials to principals in obtaining their proxies. The total amount of expenses in excess of the amount normally spent for an annual meeting to be spent in connection with this solicitation is estimated at approximately \$150,000 - \$200,000, of which approximately \$30,000 has been spent to date. In addition, we have retained Morrow & Co., Inc. ("Morrow"), to assist us in soliciting proxies, for which services we will pay a fee of approximately \$50,000, plus reasonable out-of-pocket expenses. Under the agreement with Morrow, CTT will generally indemnify and hold harmless Morrow and its affiliates against claims, costs, and expenses directly relating to Morrow's services for CTT. Morrow will be the sole proxy solicitor retained by CTT in connection with the Annual Meeting of Stockholders, and will use approximately thirty (30) people in connection with their solicitation of proxies.

Exhibit A sets forth certain information relating to CTT's directors and officers and other employees who may be soliciting proxies on CTT's behalf.

GENERAL

We bear the cost of solicitation of proxies. In addition to being solicited by mail, proxies may be solicited personally or by telephone or electronically.
