Section 2 – Financial Information

Item 2.01 Completion of Acquisition or Disposition of Assets.

On April 30, 2010, our Coreworx subsidiary completed the acquisition of all of the issued and outstanding common shares of Decision Dynamics Technology Ltd., a Canadian corporation (“Decision Dynamics”), in consideration for issuance of 1,000,000 shares of our common stock to the shareholders of Decision Dynamics in accordance with terms of a previously announced agreement that we entered into on March 2, 2010 with Coreworx and Decision Dynamics. Decision Dynamics is a leading provider of capital project controls and cost management software for normal operations and capital projects in the energy industry and, until completion of the acquisition by Coreworx, had been a TSX Venture Exchange-traded company.

The acquisition was structured as a plan of arrangement under the Canada Business Corporations Act and was subject to approval by the holders of at least two-thirds of the outstanding common shares and options of Decision Dynamics, each voting as a separate class, which was obtained at a meeting held on April 27, 2010, and the approval of the Court of Queen's Bench of Alberta, which was obtained on April 29, 2010.

Of our shares issued in connection with completion of the acquisition, approximately 340,000 were escrowed at closing, with one-half to be released 90 days after the date of closing and the balance to be released 180 days after the date of closing. Subject to such escrow, the shares issued to the Decision Dynamics shareholders are freely tradable under US federal securities laws.
