### LAKELAND INDUSTRIES, INC. AND SUBSIDIARIES

### PART I FINANCIAL INFORMATION

Item 1. Financial Statements

Introduction

### SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

This 10-Q may contain certain forward-looking statements. When used in this 10-Q or in any other presentation, statements which are not historical in nature, including the words "anticipate," "estimate," "should," "expect," "believe," "int "project" and similar expressions, are intended to identify forward-looking statements. They also include statements containing a projection of sales, earnings or losses, capital expenditures, dividends, capital structure or other financial terms.

The forward-looking statements in this 10-Q are based upon our management's beliefs, assumptions and expectations of our future operations and economic performance, taking into account the information currently available to us. These statements are not statements of fact. Forward-looking statements involve risks and uncertainties, some of which are not currently known to us that may cause our actual results, performance or financial condition to be materially different from the expectations of future results, performance or financial condition we express or imply in any forward-looking statements. Some of the important factors that could cause our actual results, performance or financial condition to differ materially from expectations are:

- Our ability to obtain fabrics and components from suppliers and manufacturers at competitive prices or prices that vary from quarter to quarter;
  - Risks associated with our international manufacturing and start-up sales operations;
    - Potential fluctuations in foreign currency exchange rates;
    - Our ability to respond to rapid technological change;
    - Our ability to identify and complete acquisitions or future expansion;
      - Our ability to manage our growth;
  - Our ability to recruit and retain skilled employees, including our senior management;
    - Our ability to accurately estimate customer demand;
    - Competition from other companies, including some with greater resources;
      - Risks associated with sales to foreign buyers;
  - Restrictions on our financial and operating flexibility as a result of covenants in our credit facilities;
    - Our ability to obtain additional funding to expand or operate our business as planned;
    - The impact of a decline in federal funding for preparations for terrorist incidents;
      - The impact of potential product liability claims;
      - Liabilities under environmental laws and regulations;
        - Fluctuations in the price of our common stock;
      - Variations in our quarterly results of operations;
- The cost of compliance with the Sarbanes-Oxley Act of 2002 and rules and regulations relating to corporate governance and public disclosure;
- The significant influence of our directors and executive officer on our company and on matters subject to a vote of our stockholders:
  - The limited liquidity of our common stock;

•

The other factors referenced in this 10-Q, including, without limitation, in the sections entitled "Management's Discussion and Analysis of Financial Condition and Results of Operations" and "Business."

We believe these forward-looking statements are reasonable; however, you should not place undue reliance on any forward-looking statements, which are based on current expectations. Furthermore, forward-looking statements speak only as of the date they are made. We undertake no obligation to publicly update or revise any forward-looking statements after the date of this 10-Q, whether as a result of new information, future events or otherwise. In light of these risks, uncertainties and assumptions, the forward-looking events discussed in this Form 10-Q might not occur. We qualify any and all of our forward-looking statements entirely by these cautionary factors.

# LAKELAND INDUSTRIES, INC. AND SUBSIDIARIES NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)

### 1. Business

Lakeland Industries, Inc. and Subsidiaries (the "Company"), a Delaware corporation, organized in April 1982, manufactures and sells a comprehensive line of safety garments and accessories for the industrial protective clothing and homeland security markets. The principal market for our products is the United States. No customer accounted for more than 10% of net sales during the nine-month periods ended October 31, 2010 and 2009.

#### 2. Basis of Presentation

The condensed consolidated financial statements included herein have been prepared by us, without audit, pursuant to the rules and regulations of the Securities and Exchange Commission and reflect all adjustments (consisting of only normal and recurring adjustments) which are, in the opinion of management, necessary to present fairly the condensed consolidated financial information required therein. Certain information and note disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") have been condensed or omitted pursuant to such rules and regulations. While we believe that the disclosures are adequate to make the information presented not misleading, it is suggested that these condensed consolidated financial statements be read in conjunction with the consolidated financial statements and the notes thereto included in our Annual Report on Form 10-K filed with the Securities and Exchange Commission for the year ended January 31, 2010.

The results of operations for the nine-month period ended October 31, 2010 is not necessarily indicative of the results to be expected for the full year.

### 3. Principles of Consolidation

The accompanying condensed consolidated financial statements include the accounts of the Company and its wholly-owned subsidiaries. All significant intercompany accounts and transactions have been eliminated.

#### 4. Inventories

Inventories consist of the following:

October 31, 2010January 31, 2010

Raw materials	\$ 16,588,388 \$	8 18,727,993
Work-in-process	3,171,773	2,444,693
Finished goods	19,020,287	17,403,204
	\$ 38,780,448 \$	38,575,890

Inventories include freight-in, materials, labor and overhead costs and are stated at the lower of cost (on a first-in, firs
