A copy of the Company's Annual Report for the fiscal year ended March 31, 2011 was previously mailed to the Company's stockholders and has also been included with this Proxy Statement.

We encourage you to vote your shares, either by voting in person at the Annual Meeting or by granting a proxy (*i.e.*, authorizing someone to vote your shares). If you are a stockholder of record (*i.e.*, you hold shares directly in your name), you may revoke a proxy at any time before it is exercised by notifying the proxy tabulator, Broadridge Financial Solutions, Inc. (Broadridge), in writing, by submitting a properly executed, later-dated proxy, or by voting in person at the Annual Meeting. Please send your notification to Oxford Lane Capital Corp., c/o Broadridge Financial Solutions, Inc., 51 Mercedes Way, Edgewood, NY 11717, and submit a properly executed, later-dated proxy or vote in person at the Annual Meeting. Any stockholder of record attending the Annual Meeting may vote in person whether or not he or she has previously voted his or her shares. If your shares are held for your account by a broker, bank or other institution or nominee (Broker Shares), you may vote such shares at the Annual Meeting only if you obtain proper written authority from your institution or nominee and present it at the Annual Meeting. All of our directors are encouraged to attend the Annual Meeting.

internet and telephone voting procedures are designed to authenticate the stockholder's identity and to allow stockholders to vote their shares and confirm that their instructions have been properly recorded.

Purpose of Meeting

At the Annual Meeting, you will be asked to vote on the following proposals:

1. To elect one director of the Company, who will serve for a term of three years, or until his successor is duly elected and qualified; and
2. To transact such other business as may properly come before the meeting.

Voting Securities

You may vote your shares, in person or by proxy, at the Annual Meeting only if you were a stockholder of record at the close of business on October 24, 2011 (the Record Date). On the Record Date, there were 2,455,238 shares of the Company's common stock outstanding. Each share of common stock is entitled to one vote.

Quorum Required

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, in person or by proxy, of the holders of shares of the Company's common stock entitled to cast a majority of the votes entitled to be cast as of the record date will constitute a quorum. Abstentions will be treated as shares present for quorum purposes. Broker Shares for which the nominee has not received voting instructions from the record holder and does not have discretionary authority to vote the shares on certain proposals (which are considered Broker Non-Votes with respect to such proposals) will be treated as shares present for quorum purposes.

If a quorum is not present at the Annual Meeting, the stockholders who are represented may adjourn the Annual Meeting until a quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Vote Required

Election of Directors. The election of a director requires the affirmative vote of a plurality of the votes cast at the Annual Meeting in person or by proxy. Stockholders may not cumulate their votes. If you vote Withhold Authority with respect to a nominee, your shares will not be voted with respect to the person indicated. Abstentions and Broker Non-Votes will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.

Additional Solicitation. If there are not enough votes to approve the election of the nominee for director at the Annual Meeting, the stockholders who are represented may adjourn the Annual Meeting to permit the further solicitation of proxies. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against the election of the nominee for director, to permit the further solicitation of proxies.

Also, a stockholder vote may be taken on the proposal in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval thereof.

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Annual Meeting, including the cost of preparing, printing and mailing this Proxy Statement, the accompanying Notice of Annual Meeting of Stockholders, and proxy card. We have requested that brokers, nominees, fiduciaries and other persons holding shares in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners. We will reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by the use of the mails, proxies may be solicited in person and by telephone or facsimile transmission by directors, officers or employees of the Company (without special compensation therefor). Any proxy given pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised.

Any such notice of revocation should be provided in writing, signed by the stockholder in the same manner as the proxy being revoked and delivered to the Company's proxy tabulator.

Director Independence

In accordance with rules of the NASDAQ Stock Market, our Board of Directors will annually determine each director's independence. We do not consider a director independent unless the Board of Directors has determined that he or she has no material relationship with us. We will monitor the relationships of our directors and officers through a questionnaire each director completes no less frequently than annually and updates periodically as information provided in the most recent questionnaire changes.

In order to evaluate the materiality of any such relationship, the Board of Directors uses the definition of director independence set forth in the rules promulgated by the NASDAQ Stock Market. Rule 5605(a)(2) provides that a director of an investment company shall be considered to be independent if he or she is not an interested person of Oxford Lane Capital, as defined in Section 2(a)(19) of the 1940 Act.

The Board of Directors has determined that each of the directors is independent and has no relationship with us, except as a director and stockholder, with the exception of Jonathan H. Cohen and Saul B. Rosenthal, as a result of their respective positions as Chief Executive Officer and President of OXLC and Oxford Lane Management, OXLC's investment adviser, and as the managing member and non-managing member, respectively, of BDC Partners, the administrator for OXLC.

Board Leadership Structure

Our Board of Directors monitors and performs an oversight role with respect to the business and affairs of OXLC, including with respect to investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of service providers to OXLC. Among other things, our Board of Directors approves the appointment of our investment adviser and officers, reviews and monitors the services and activities performed by our investment adviser and executive officers and approves the engagement, and reviews the performance of, our independent registered public accounting firm.

Under our bylaws, our Board of Directors may designate a Chairman to preside over the meetings of the Board of Directors and meetings of the stockholders and to perform such other duties as may be assigned to him by the Board of Directors. We do not have a fixed policy as to whether the Chairman of the Board of Directors should be an independent director and believe that we should maintain the flexibility to select the Chairman and reorganize the leadership structure, from time to time, based on the criteria that is in the best interests of OXLC and its stockholders at such times.

Presently, Mr. Ashenfelter serves as the Chairman of our Board of Directors. Mr. Ashenfelter is not an interested person of OXLC as defined in Section 2(a)(19) of the 1940 Act. We believe that Mr. Ashenfelter's extensive corporate legal experience, particularly in connection with investment companies, qualify him to serve as the Chairman of our Board of Directors. We believe that we are best served through this existing leadership structure, as Mr. Ashenfelter's independence from our investment adviser eliminates any perceived conflicts of interest and ensures that our management team acts in the best interests of our stockholders.

Our corporate governance policies include regular meetings of the independent directors in executive session with independent legal counsel and without the presence of interested directors and management, the establishment of Audit and Valuation Committees comprised solely of independent directors and the appointment of a Chief Compliance Officer, with whom the independent directors meet regularly without the presence of interested directors and other members of management, for administering our compliance policies and procedures.

We recognize that different board leadership structures are appropriate for companies in different situations. We intend to re-examine our corporate governance policies on an ongoing basis to ensure that they continue to meet our needs.

Board's Role In Risk Oversight

Our Board of Directors performs its risk oversight function primarily through (i) its two standing committees, which report to the entire Board of Directors and are comprised solely of independent directors, and (ii) active monitoring of our Chief Compliance Officer and our compliance policies and procedures.

As described below in more detail under Committees of the Board of Directors, the Audit Committee and the Valuation Committee assist the Board of Directors in fulfilling its risk oversight responsibilities. The Audit Committee's risk oversight responsibilities include overseeing our accounting and financial reporting processes, our systems of internal controls regarding finance and accounting, and audits of our financial statements. The Valuation Committee's risk oversight responsibilities include establishing guidelines and making recommendations to our Board of Directors regarding the valuation of our loans and investments. Moreover, the independent directors of our Board of Directors are responsible for selecting, researching and nominating directors for election by our stockholders, developing and recommending to the Board of Directors a set of corporate governance principles and overseeing the evaluation of the Board of Directors and our management.

Our Board of Directors also performs its risk oversight responsibilities with the assistance of our Chief Compliance Officer. The Board of Directors annually reviews a written report from the Chief Compliance Officer discussing the adequacy and effectiveness of the compliance policies and procedures of OXLC and its service providers. The Chief Compliance Officer's annual report will address at a minimum (i) the operation of the compliance policies and procedures of OXLC and its service providers since the last report; (ii) any material changes to such policies and procedures since the last report; (iii) any recommendations for material changes to such policies and procedures as a result of the Chief Compliance Officer's annual review; and (iv) any compliance matter that has occurred since the date of the last report about which the Board of Directors would reasonably need to know to oversee our compliance

activities and risks. In addition, the Chief Compliance Officer meets separately in executive session with the independent directors at least quarterly.

We believe that our Board of Directors' role in risk oversight is effective and appropriate given the extensive regulation to which we are already subject as an investment company. As a registered closed-end management investment company, we are required to comply with certain regulatory requirements that control the levels of risk in our business and operations. For example, our ability to incur indebtedness is limited such

that our asset coverage must equal at least 300% immediately after each time we incur indebtedness and we are limited in our ability to invest in any loan or security in which one of our affiliates currently has an investment.

We recognize that different board roles in risk oversight are appropriate for companies in different situations. We re-examine the manner in which the Board of Directors administers its oversight function on an ongoing basis to ensure that they continue to meet our needs.

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee and a Valuation Committee. During the fiscal year ended March 31, 2011, our Board of Directors held two Board meetings and one Audit Committee meeting. All directors attended at least 75% of the aggregate number of meetings of our Board of Directors and of the respective committees on which they served. We require each director to make a diligent effort to attend all Board and committee meetings, as well as each annual meeting of stockholders. We did not hold an annual meeting of stockholders during the fiscal year ended March 31, 2011.

The Audit Committee. The Audit Committee operates pursuant to a charter approved by our Board of Directors, a copy of which is available on our website at <http://www.oxfordlanecapital.com>. The charter sets forth the responsibilities of the Audit Committee. The Audit Committee's responsibilities include recommending the selection of our independent registered public accounting firm, reviewing with such independent registered public accounting firm the planning, scope and results of their audit of our financial statements, pre-approving the fees for services performed, reviewing with the independent registered public accounting firm the adequacy of internal control systems, reviewing our annual financial statements and periodic filings, and receiving the audit reports covering our financial statements. The Audit Committee is presently composed of three persons: Messrs. Ashenfelter, Reardon and Shin, all of whom are considered independent under the rules promulgated by the NASDAQ Stock Market. Our Board of Directors has determined that Mr. Shin is an audit committee financial expert as that term is defined under Item 407 of Regulation S-K of the Securities Exchange Act of 1934. Mr. Shin meets the current independence and experience requirements of Rule 10A-3 of the Exchange Act and, in addition, is not an interested person of OXLC as defined in Section 2(a)(19) of the 1940 Act. Mr. Shin currently serves as Chairman of the Audit Committee. The Audit Committee met on one occasion during the fiscal year ended March 31, 2011.

The Valuation Committee. The Valuation Committee establishes guidelines and makes recommendations to our Board of Directors regarding the valuation of investments. Our portfolio investments will generally not be publicly traded securities. As a result, there will not be a readily determinable market value for these securities. Thus, as required by the 1940 Act for such securities, we will value these securities at fair value as determined in good faith by our Board of Directors based upon the recommendation of the Valuation Committee.

Our Board of Directors will determine the value of our investment portfolio each quarter, after consideration of our Valuation Committee's recommendation of fair value. Oxford Lane Management will compile relevant information, including a financial summary, covenant compliance review and recent trading activity in the security, if known. All available information, including non-binding indicative bids which may not be considered reliable, will be presented to the Valuation Committee to consider in making its recommendation of fair value to the Board of Directors. In some instances, there may be limited trading activity in a security even though the market for the security is considered not active. In such cases the Valuation Committee will consider the number of trades, the size and timing of each trade, and other circumstances around such trades, to the extent such information is available, in making its recommendation of fair value to the Board of Directors. We may elect to engage third-party valuation firms to provide assistance to our Valuation Committee and Board of Directors in valuing certain of our investments. The Valuation Committee will evaluate the impact of such additional information, and factor it into its consideration of fair value.

The Valuation Committee is presently composed of Messrs. Ashenfelter, Reardon and Shin. Mr. Ashenfelter currently serves as Chairman of the Valuation Committee. The Valuation Committee did not meet during the fiscal year ended March 31, 2011.

The Compensation Committee. We do not have a compensation committee because our executive officers do not receive any direct compensation from the Company.

Nominating and Corporate Governance Procedures

We do not have a Nominating and Corporate Governance Committee. A majority of the independent directors of the Board of Directors, in accordance with the NASDAQ Global Select Market listing standards, recommends candidates for election as directors. We do not currently have a charter or written policy with regard to the nomination process or stockholder recommendations. The absence of such a policy does not mean, however, that a stockholder recommendation would not be considered if one is received.

Our independent directors will consider qualified director nominees recommended by stockholders when such recommendations are submitted in accordance with our bylaws and any applicable law, rule or regulation regarding director nominations. When submitting a nomination for consideration, a stockholder must provide certain information that would be required under applicable SEC rules, including the following minimum information for each director nominee: full name, age and address; principal occupation during the past five years; current directorships on publicly held companies and investment companies; number of shares of our common stock owned, if any; and, a written consent of the individual to stand for election if nominated by our Board of Directors and to serve if elected by the stockholders.

In evaluating director nominees, our independence directors consider the following factors:

- the appropriate size and composition of our Board of Directors;
- whether or not the person is an interested person of OXLC as defined in Section 2(a)(19) of the 1940 Act;
- the needs of OXLC with respect to the particular talents and experience of its directors;
- the knowledge, skills and experience of nominees in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board of Directors;
- high character and integrity;
- familiarity with national and international business matters;
- experience with accounting rules and practices;
- appreciation of the relationship of our business to the changing needs of society;
- the desire to balance the considerable benefit of continuity with the periodic injection of the fresh perspective provided by new members; and
- all applicable laws, rules, regulations, and listing standards.

The Board of Directors goal is to assemble a Board of Directors that brings to OXLC a variety of perspectives and skills derived from high quality business and professional experience.

Other than the foregoing there are no stated minimum criteria for director nominees, although our independent directors may also consider such other factors as they may deem are in the best interests of OXLC and its stockholders. The Board of Directors also believes it appropriate for certain key members of our management to participate as members of the Board of Directors.

The independent members of the Board of Directors identify nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board of Directors with that of obtaining a new perspective. If any member of the Board of Directors does not wish to continue in service or if the

Board of Directors decides not to re-nominate a member for re-election, the independent members of the Board of Directors identify the desired skills and experience of a new nominee in light of the criteria above. The entire Board of Directors is polled for suggestions as to individuals meeting the aforementioned criteria. Research may also be performed to identify qualified individuals. To date, we

12

have not engaged third parties to identify or evaluate or assist in identifying potential nominees although each reserves the right in the future to retain a third party search firm, if necessary.

The Board of Directors has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees. In determining whether to recommend a director nominee, the Board of Directors considers and discusses diversity, among other factors, with a view toward the needs of the board of directors as a whole. The Board of Directors generally conceptualizes diversity expansively to include, without limitation, concepts such as race, gender, national origin, differences of viewpoint, professional experience, education, skill and other qualities that contribute to the Board of Directors, when identifying and recommending director nominees. The Board of Directors believes that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the Board of Directors' goal of creating a Board of Directors that best serves the needs of OXLC and the interests of its shareholders.

Audit Committee Report

The Audit Committee of the Board of Directors of OXLC operates under a written charter adopted by the Board of Directors. The Audit Committee is currently composed of Messrs. Ashenfelter, Reardon and Shin.

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent registered public accounting firm is responsible for performing an independent audit of the Company's financial statements in accordance with auditing standards generally accepted in the United States and expressing an opinion on the conformity of those audited financial statements in accordance with accounting principles generally accepted in the United States. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee is also directly responsible for the appointment, compensation and oversight of the Company's independent registered public accounting firm.

Pre-Approval Policy

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm. The policy requires that the Audit Committee pre-approve the audit and non-audit services performed by the independent auditor in order to assure that the provision of such service does not impair the auditor's independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

Review with Management

The Audit Committee has reviewed the audited financial statements and met and held discussions with management regarding the audited financial statements. Management has represented to the Audit Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States.

Review and Discussion with Independent Registered Public Accounting Firm

The Audit Committee has discussed with PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm, matters required to be discussed by Statement of Auditing Standards No. 61 (Communication with Audit Committees), as amended. The Audit Committee received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board and has discussed with the auditors the auditors' independence. The Audit Committee has also considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee met with members of senior management and the independent registered public accounting firm to review the certifications provided by the Chief Executive Officer and Chief Financial Officer under the Sarbanes-Oxley Act of 2002 (Sarbanes-Oxley), the rules and regulations of the SEC and the overall certification process. At these meetings, company officers reviewed each of the Sarbanes-Oxley certification requirements concerning internal control over financial reporting and any fraud, whether or not material, involving management or other employees with a significant role in internal control over financial reporting.

Conclusion

Based on the Audit Committee s discussion with management and the independent registered public accounting firm, the Audit Committee s review of the audited financial statements, the representations of management and the report of the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited financial statements in the Company s Annual Report on Form N-CSR for the fiscal year ended March 31, 2011 for filing with the SEC. The Audit Committee has also recommended the selection of PricewaterhouseCoopers LLP to serve as the independent registered public accounting firm for the year ending March 31, 2012.

Respectfully Submitted,
The Audit Committee

We have adopted a code of ethics which applies to, among others, our senior officers, including our Chief Executive Officer and Chief Financial Officer, as well as every officer, director and employee of Oxford Lane Capital. Our code of ethics can be accessed via its website at <http://www.oxfordlanecapital.com>.

(1) For a discussion of the independent directors' compensation, see below.

(2) We do not maintain a stock or option plan, non-equity incentive plan or pension plan for our directors. The independent directors receive an annual fee of \$35,000. In addition, the independent directors receive \$2,000 plus reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each Board of Directors meeting, \$1,500 plus reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each Valuation Committee meeting and \$1,000 plus reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each Audit Committee meeting. The Chairman of the Audit Committee also receives an additional annual fee of \$5,000. No compensation is paid to directors who are interested persons of OXLC as defined in the 1940 Act.

Compensation of Chief Executive Officer and Other Executive Officers

We do not have a compensation committee because our executive officers do not receive any direct compensation from OXLC. Mr. Cohen, our Chief Executive Officer, and Mr. Rosenthal, our President, through their ownership

interest in BDC Partners, the managing member of Oxford Lane Management, are entitled to a portion of any profits earned by Oxford Lane Management, which includes any fees payable to Oxford Lane Management under the terms of our investment advisory agreement with Oxford Lane Management (the Investment Advisory Agreement), less expenses incurred by Oxford Lane Management in performing its services under the Investment Advisory Agreement.

Messrs. Cohen and Rosenthal do not receive any additional compensation from Oxford Lane Management in connection with the management of our portfolio.

The compensation of Mr. Conroy, our Chief Financial Officer, Chief Compliance Officer and Corporate Secretary, is paid by our administrator, BDC Partners, subject to reimbursement by us of an allocable portion of such compensation for services rendered by Mr. Conroy to OXLC.

Certain Relationships and Transactions

Transactions with Affiliated Persons

We have entered into the Investment Advisory Agreement with Oxford Lane Management. Oxford Lane Management is controlled by BDC Partners, its managing member. In addition to BDC Partners, Oxford Lane Management is owned in part by Charles M. Royce as a non-managing member. BDC Partners, as the managing member of Oxford Lane Management, manages the business and internal affairs of Oxford Lane Management. In addition, BDC Partners provides us with office facilities and administrative services pursuant to an administration agreement. Jonathan H. Cohen, our Chief Executive Officer, as well as a director, is the managing member of and controls BDC Partners. Saul B. Rosenthal, our President, is also the President and Chief Operating Officer of TICC Management, LLC and a member of BDC Partners. BDC Partners is also the managing member of Oxford Gate Capital, LLC, a private fund in which Messrs. Cohen, Rosenthal and Conroy, along with certain investment and administrative personnel of Oxford Lane Management, are invested.

Charles M. Royce is President and Co-Chief Investment Officer of Royce & Associates. Mr. Royce, as a non-managing member of Oxford Lane Management, does not take part in the management or participate in the operations of Oxford Lane Management; however, Mr. Royce is expected to be available from time to time to Oxford Lane Management to provide certain consulting services without compensation. Royce & Associates is a wholly owned subsidiary of Legg Mason, Inc.

In addition, Mr. Cohen currently serves as Chief Executive Officer and Mr. Rosenthal currently serves as President and Chief Operating Officer of TICC Capital Corp., a publicly-traded business development company that invests principally in the debt of U.S.-based companies, and its investment adviser, TICC Management, LLC. TICC Management, LLC manages TICC CLO LLC, a CLO vehicle established by TICC Capital Corp. Messrs. Cohen and Rosenthal also currently serve as Chief Executive Officer, and President, respectively, for T2 Advisers, LLC, an investment adviser to Greenwich Loan Income Fund Limited, a Guernsey fund that invests primarily in Senior Loans. T2 Advisers, LLC also manages T2 Income Fund CLO I Ltd., a CLO vehicle established by Greenwich Loan Income Fund Limited. BDC Partners is the managing member of TICC Management, LLC and T2 Advisers, LLC, respectively. As a result, Messrs. Cohen and Rosenthal may be subject to certain conflicts of interests with respect to their management of our portfolio on the one hand, and their respective obligations to manage TICC Capital Corp., TICC CLO LLC, Greenwich Loan Income Fund Limited, T2 Income Fund CLO I Ltd. and Oxford Gate Capital, LLC on the other hand. In addition, Patrick F. Conroy, our Chief Financial Officer, Chief Compliance Officer and Corporate Secretary, currently serves in similar capacities for TICC Capital Corp. Mr. Conroy also currently serves as the Chief Financial Officer of Greenwich Loan Income Fund Limited and as the Chief Financial Officer, Chief Compliance Officer and Treasurer of T2 Advisers, LLC, TICC Management, LLC and BDC Partners.

We, TICC Capital Corp., Greenwich Loan Income Fund Limited and Oxford Gate Capital, LLC have adopted a written policy with respect to the allocation of investment opportunities in view of the potential conflicts of interest raised by the relationships described above.

In the ordinary course of business, we may enter into transactions with portfolio companies that may be considered related party transactions. In order to ensure that we do not engage in any prohibited transactions with any persons affiliated with us, we have implemented certain policies and procedures whereby our executive officers screen each of our transactions for any possible affiliations between the proposed portfolio investment, us, companies controlled by us and our employees and directors. We will not enter into any agreements unless and until we are satisfied that doing so will not raise concerns under the 1940 Act or, if such concerns exist, we have taken appropriate actions to seek

board review and approval or exemptive relief for such transaction. Our Board of Directors reviews these procedures on an annual basis.

We have also adopted a Code of Ethics which applies to, among others, our senior officers, including our Chief Executive Officer and Chief Financial Officer, as well as every officer, director and employee of OXLC. Our Code of Ethics requires that all employees and directors avoid any conflict, or the appearance of a conflict, between an individual's personal interests and the interests of OXLC. Pursuant to our Code of Ethics, each employee and director must disclose any conflicts of interest, or actions or relationships that might give

rise to a conflict, to our Chief Compliance Officer. Our Audit Committee is charged with approving any waivers under our Code of Ethics. As required by the NASDAQ Stock Market corporate governance listing standards, the Audit Committee of our Board of Directors is also required to review and approve any transactions with related parties (as such term is defined in Item 404 of Regulation S-K).

Board Consideration of the Investment Advisory Agreement

At an in-person meeting of our Board of Directors held on September 9, 2010, our Board of Directors unanimously voted to approve the Investment Advisory Agreement. In reaching a decision to approve the Investment Advisory Agreement, the Board of Directors reviewed a significant amount of information and considered, among other things:

the nature, quality and extent of the advisory and other services to be provided to us by Oxford Lane Management;
the investment performance of OXLC and Oxford Lane Management;
comparative data with respect to advisory fees or similar expenses paid by other registered management investment companies with similar investment objectives;
our projected operating expenses and expense ratio compared to registered management investment companies with similar investment objectives;
any existing and potential sources of indirect income to Oxford Lane Management or BDC Partners from their relationships with OXLC and the profitability of those relationships;
information about the services to be performed and the personnel performing such services under the Investment Advisory Agreement;
the organizational capability and financial condition of Oxford Lane Management and its affiliates;
Oxford Lane Management's practices regarding the selection and compensation of brokers that may execute portfolio transactions for OXLC and the brokers' provision of brokerage and research services to Oxford Lane Management;
and
the possibility of obtaining similar services from other third party service providers or through an internally managed structure.

Based on the information reviewed and the discussions detailed above, the Board of Directors, including all of the directors who are not interested persons as defined in the 1940 Act, concluded that fees payable to Oxford Lane Management pursuant to the Investment Advisory Agreement were reasonable in relation to the services to be provided. The Board of Directors did not assign relative weights to the above factors or the other factors considered by it. In addition, the Board of Directors did not reach any specific conclusion on each factor considered, but conducted an overall analysis of these factors. Individual members of the Board of Directors may have given different weights to different factors.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Securities Exchange Act of 1934, the Company's directors and executive officers, and any persons holding more than 10% of its common stock, are required to report their beneficial ownership and any changes therein to the SEC and the Company. Specific due dates for those reports have been established, and the Company is required to report herein any failure to file such reports by those due dates. Based solely on a review of copies of such reports and written representations delivered to the Company by such persons, the Company believes that there were no violations of Section 16(a) by such persons during the year ended March 31, 2011.

Legal Proceedings

None of us, our investment adviser or administrator, is currently subject to any material legal proceedings, nor, to our knowledge, is any material legal proceeding threatened against us, or against our investment adviser or administrator.

From time to time, we, our investment adviser or administrator, may be a party to certain legal proceedings in the ordinary course of business, including proceedings relating to the

enforcement of our rights under contracts with our portfolio companies. While the outcome of these legal proceedings cannot be predicted, we do not expect that these proceedings will have a material effect upon our financial statements.

OTHER BUSINESS

The Board of Directors knows of no other business to be presented for action at the Annual Meeting. If any matters do come before the Annual Meeting on which action can properly be taken, it is intended that the proxies shall vote in accordance with the judgment of the person or persons exercising the authority conferred by the proxy at the Annual Meeting. The submission of a proposal does not guarantee its inclusion in the Company's proxy statement or presentation at the Annual Meeting unless certain securities law requirements are met.

SUBMISSION OF STOCKHOLDER PROPOSALS

The Company expects that the 2012 Annual Meeting of Stockholders will be held in September 2012, but the exact date, time, and location of such meeting have yet to be determined. A stockholder who intends to present a proposal at that annual meeting must submit the proposal in writing to the Company at its address in Greenwich, Connecticut, and the Company must receive the proposal within a reasonable time before the Company begins to print and send its proxy materials in connection with the 2012 Annual Meeting of Stockholders, in order for the proposal to be considered for inclusion in the Company's proxy statement for that meeting. The submission of a proposal does not guarantee its inclusion in the Company's proxy statement or presentation at the meeting.

For any proposal that is not submitted for inclusion in next year's proxy statement (as described in the preceding paragraph) but is instead sought to be presented directly at next year's annual meeting, SEC rules permit management to vote proxies in its discretion if (a) the Company receives notice of the proposal within a reasonable time before the Company sends out its proxy materials for the 2012 Annual Meeting of Stockholders and advises stockholders in next year's proxy statement about the nature of the matter and how management intends to vote on such matter, or (b) does not receive notice of the proposal within a reasonable time before the Company sends out its proxy materials for the 2012 Annual Meeting of Stockholders.

Notices of intention to present proposals at the 2012 Annual Meeting of Stockholders should be addressed to Patrick F. Conroy, Corporate Secretary, Oxford Lane Capital Corp., 8 Sound Shore Drive, Suite 255, Greenwich, Connecticut 06830. The Company reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

You are cordially invited to attend the Annual Meeting of stockholders in person. Whether or not you plan to attend the Annual Meeting, you are requested to complete, date, sign and promptly return the accompanying proxy card in the enclosed postage-paid envelope, or to vote by telephone or through the internet.

By Order of the Board of Directors,

Patrick F. Conroy
Corporate Secretary
