(e)

On September 28, 2016, the Compensation and Management Development Committee of the Board of Directors of Varian Medical Systems, Inc. (the “Company”) approved the Varex Imaging Corporation 2016 Deferred Compensation Plan (the “Plan”) in connection with the proposed separation of the Varian Imaging Components business from the Company (the “Spin-off”) into an independent, publicly traded company named Varex Imaging Corporation (“Varex”).

The Plan is not qualified for tax purposes and deferred amounts are unfunded and unsecured obligations of Varex. The Plan allows eligible employees to defer up to 50% of their base salary and non-employee directors to defer up to 100% of their director fees each year. Amounts credited to each participant under the Plan are periodically adjusted for earnings and/or losses based on hypothetical investment funds selected by the Plan administrator and elected by the participant. Further, Varex may, on a discretionary basis, credit additional amounts on behalf of participants in the Plan.

The Plan will become effective beginning with deferral elections made by eligible participants during the open enrollment period commencing November 1, 2016. Certain employees and non-employee directors of the Company that are expected to become employees and non-employee directors of Varex after the Spin-off have been selected to participate in the Plan, including Sunny Sanyal, the Company’s Senior Vice President and President, Imaging Components.

If the Spin-off is approved and completed, all deferrals made under the Varian Medical Systems, Inc. 2005 Deferred Compensation Plan by those employees and non-employee directors of the Company that become employees or non-employee directors of Varex immediately after the Spin-off will be assumed by Varex under the Plan.

This summary does not purport to be complete and is subject to and qualified in its entirety by reference to the text of the Plan, filed as Exhibit 10.1 to this Report on Form 8-K. Exhibit 10.1 is incorporated by reference into this Item 5.02.
