We have elected to provide access to our proxy materials over the Internet under the Securities and Exchange Commission's "notice and access" rules. The Notice also includes instructions on how you can request a paper copy of the annual meeting materials. If you want more information, please see the Questions and Answers section of this proxy statement or visit the Annual Stockholders Meeting section of our Investor Relations web site. Your vote is important. Whether or not you plan to attend the Annual Meeting, we hope you will vote as soon as possible. You may vote over the Internet, as well as by telephone or, if you requested to receive printed proxy materials, by mailing a proxy or voting instruction card. Please review the instructions on each of your voting options described in this proxy statement as well as in the Notice you received in the mail.

This year, we are also pleased to offer a virtual annual meeting at which our stockholders can attend our Annual Meeting at www.virtualshareholdermeeting.com/NNVC2016. Stockholders at the close of business on October 20, 2016 may also ask questions and vote at our Annual Meeting via the Internet. PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON

DECEMBER 11, 2016

INTRODUCTION

Proxy Solicitation and General Information

This Proxy Statement and the enclosed form of proxy card (the “Proxy Card”) are being furnished to the holders of common stock, par value \$0.001 per share, of NanoViricides, Inc., a Nevada corporation (which is sometimes referred to in this Proxy Statement as “NanoViricides, Inc.,” “NanoViricides,” the “Company,” “we,” “us” or “our”), in connection with solicitation of proxies by our Board of Directors for use at the Annual Meeting of Stockholders to be held on December 11, 2016, at 9:30 a.m., Eastern Daylight Time, at the Sheraton Stamford Hotel, 700 E Main Street, Stamford, Connecticut, 06901, or via the Internet at www.virtualshareholdermeeting.com/NNVC2016, and at any adjournments or postponements thereof (the “Annual Meeting”).

At the Annual Meeting, stockholders will be asked to consider and take appropriate action with respect to the following:

1. Re-election of each of Eugene Seymour, MD, MPH as a Class II Director and Stanley Glick, CPA as a Class III Director, each for a two-year term expiring at the 2018 annual meeting of stockholders and until each of their respective successors are duly elected and qualified or until each of their respective earlier resignation or removal (Proposal 1);
2. To conduct an advisory vote on the compensation of the Company's Named Executive Officers (Proposal 2);
3. To ratify the appointment of Eisner Amper LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2017 (Proposal 3); and
4. To transact such other business as may properly come before the Annual Meeting, including to consider any procedural matters incident to the conduct of the Annual Meeting, such as the postponement of the Annual Meeting in order to solicit additional proxies to vote in favor of the matters presented at the Annual Meeting.

The Board of Directors has fixed the close of business on October 20, 2016 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. Each such stockholder will be entitled to one vote for each share of common stock held on all matters to come before the Annual Meeting and may vote in person or by proxy authorized in writing.

Proxies and Voting

Stockholders are requested to complete, sign, date and promptly return the enclosed Proxy Card in the enclosed envelope. Proxy Cards which are not revoked will be voted at the Annual Meeting in accordance with instructions contained therein. If a Proxy Card is signed and returned without instructions, the shares will be voted **FOR** the ratification of the appointment of Eisner Amper LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2017 (Proposal 3). The election of the nominees for director named in this Proxy Statement (Proposal 1) requires the affirmative vote of a majority of the Company's outstanding common stock present at the Annual Meeting, broker non-votes and abstentions will not count as affirmative votes.

Voting

Most beneficial owners whose stock is held in street name do not receive the Proxy Card. Instead, they receive voting instruction forms or proxy ballots from their bank, broker or other agent. Beneficial owners should follow the instructions on the voter instruction form or proxy ballot they receive from their bank, broker or other agent.

Our Board of Directors has selected Anil Diwan and Eugene Seymour, and each of them, to serve as "Proxyholders" for the Annual Meeting. Proxy Cards which are not revoked will be voted at the Meeting in accordance with instructions contained therein.

Revocation of Proxy

A stockholder who so desires may revoke its previously submitted Proxy Card at any time before it is voted at the Meeting by: (i) delivering written notice to us at NanoViricides, Inc., 1 Controls Drive, Shelton, Connecticut 06484, c/o Chief Executive Officer; (ii) duly executing and delivering a Proxy Card bearing a later date; or (iii) casting a ballot at the Annual Meeting. Attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy.

Voting on Other Matters

The Board of Directors knows of no other matters that are to be brought before the Annual Meeting other than as set forth in the Notice of Meeting. If any other matters properly come before the Annual Meeting, the persons named in the enclosed Proxy Card or their substitutes will vote in accordance with their best judgment on such matters.

Record Date; Shares Outstanding and Entitled to Vote

Only stockholders as of the close of business on October 20, 2016 (the “Record Date”) are entitled to notice of and to vote at the Annual Meeting. As of the Record Date there were 58,180,000 shares of our common stock outstanding and entitled to vote, with each share entitled to one vote. See “Beneficial Ownership of Company Common Stock By Directors, Officers and Principal Stockholders” for information regarding the beneficial ownership of our common stock by our directors, executive officers and stockholders known to us to beneficially own 5% or more of our common stock.

Quorum; Required Votes

The presence at the Meeting, in person or by duly authorized proxy, of the holders of a majority of the outstanding shares of common stock entitled to vote constitutes a quorum for this Meeting.

Abstentions and “broker non-votes” are counted as present for purposes of determining whether a quorum exists. A “broker non-vote” occurs when a nominee such as a bank, broker or other agent holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received voting instructions from the beneficial owner.

Nominees may have such discretion to vote absent instructions with respect to certain “routine” matters, such as Proposal 3, the ratification of independent auditors, but not with respect to matters that are considered “non-routine,” such as the election of directors. Accordingly, without voting instructions from you, your broker will not be able to vote your shares on Proposal 1.

Each share of NanoViricides common stock entitles the holder to one vote on each matter presented for stockholder action. The affirmative vote of a majority of the votes cast in person or represented by proxy at the Meeting is necessary for the re-election of the director nominees named in this Proxy Statement (Proposal 1). The affirmative vote of a majority of the shares of common stock present in person or represented by proxy at the Meeting is necessary for the ratification of the appointment of Eisner Amper LLP as the Company’s independent registered public accounting firm for the year ending June 30, 2017 (Proposal 3).

An inspector of elections appointed by NanoViricides will tabulate votes at the Meeting.

Proxy Solicitation; Expenses

NanoViricides will bear the costs of the solicitation of proxies for the Meeting. Our directors, officers and employees may solicit proxies from stockholders by mail, telephone, telegram, e-mail, personal interview or otherwise. Such directors, officers and employees will not receive additional compensation but may be reimbursed for out-of-pocket expenses in connection with such solicitation. Brokers, nominees, fiduciaries and other custodians have been requested to forward soliciting material to the beneficial owners of our common stock held of record by them and such parties will be reimbursed for their reasonable expenses.

Voting Confidentiality

Proxy Cards, ballots and voting tabulations are handled on a confidential basis to protect your voting privacy. This information will not be disclosed to unrelated third parties except as required by law.

Appraisal Rights

Stockholders will have no rights of appraisal under the Nevada Revised Statutes in connection with the proposals to be considered at the Meeting.

IT IS DESIRABLE THAT AS LARGE A PROPORTION AS POSSIBLE OF THE STOCKHOLDERS' INTERESTS BE REPRESENTED AT THE MEETING. THEREFORE, EVEN IF YOU INTEND TO BE PRESENT AT THE MEETING, PLEASE SIGN AND RETURN THE ENCLOSED PROXY CARD TO ENSURE THAT YOUR STOCK WILL BE REPRESENTED. IF YOU ARE PRESENT AT THE MEETING AND DESIRE TO DO SO, YOU MAY WITHDRAW YOUR PROXY CARD AND VOTE IN PERSON BY GIVING WRITTEN NOTICE TO THE SECRETARY OF THE COMPANY. YOUR PRESENCE AT THE MEETING WILL NOT AUTOMATICALLY REVOKE YOUR PROXY CARD. PLEASE RETURN YOUR EXECUTED PROXY CARD PROMPTLY.

QUESTIONS AND ANSWERS REGARDING THIS SOLICITATION AND VOTING AT THE MEETING

***Why am I receiving this
proxy statement?***

You are receiving this proxy statement from us because you were a stockholder of record at the close of business on the record date of October 20, 2016. As a stockholder of record, you are invited to attend our annual meeting of stockholders (“Annual Meeting”) and are entitled to vote on the items of business described in this proxy statement. This proxy statement contains important information about the Annual Meeting and the items of business to be transacted at the Annual Meeting. You are strongly encouraged to read this proxy statement, which includes information that you may find useful in determining how to vote.

***Who is entitled to attend
and vote at the meeting?***

Only holders of record of shares of our common stock at the close of business on October 20, 2016 (the “Record Date”) are entitled to notice of, to attend, and to vote at the Annual Meeting and any adjournments or postponements of the Annual Meeting.

***How many shares are
outstanding?***

On the Record Date, 58,180,000 shares of our common stock were issued and outstanding and held by approximately 167 holders of record, which does not include stockholders holding our stock in “street name.” Each share of common stock outstanding on the record date is entitled to one vote.

***How many shares must be
present or represented to
conduct business at the
meeting (that is, what
constitutes a quorum)?***

The presence at the Annual Meeting, in person or represented by proxy, of the holders of at least a majority of the shares of our common stock, issued and outstanding on the record date and entitled to vote at the Annual Meeting, will constitute a quorum for the transaction of business. If, however, a quorum is not present, in person or represented by proxy, then either the chairman of the Annual Meeting or the stockholders entitled to vote at the Annual Meeting may adjourn the Annual Meeting until a later time.

***What items of business
will be voted on at the
meeting?***

The items of business to be voted on at the Annual Meeting are as follows:

To re-elect each of Eugene Seymour, MD as a Class II Director and Stanley Glick as a Class III Director, each for a two-year term expiring at the 2018 annual meeting of stockholders and until each of their respective successors are duly elected and qualified or until each of their respective earlier resignation or removal (Proposal 1);

To conduct an advisory vote on the compensation of the Company’s Named Executive Officers (Proposal 2);

To ratify the appointment of Eisner Amper LLP as the Company’s independent registered public accounting firm for the fiscal year ending June 30, 2017 (Proposal 3); and

To transact such other business as may properly come before the Annual Meeting, including to consider any procedural matters incident to the conduct of the Annual Meeting, such as the postponement of the Annual Meeting in order to solicit additional

proxies to vote in favor of the matters presented at the Annual Meeting.

***What happens if
additional matters are
presented at the meeting?***

The only items of business that our Board of Directors intends to present at the Annual Meeting are set forth in this proxy statement. As of the date of this proxy statement, no stockholder has advised us of the intent to present any other matter, and we are not aware of any other matters to be presented at the Annual Meeting. If any other matter or matters are properly brought before the Annual Meeting, the person(s) named as your proxyholder(s) will have the discretion to vote your shares on the matters in accordance with their best judgment and as they deem advisable.

How does the Board of Directors recommend that I vote?

Our Board of Directors recommends that you vote your shares “**FOR**” the election of each director nominee and “**FOR**” the ratification of the appointment of Eisner Amper LLP

What shares can I vote at the meeting?

You may vote all of the shares you owned as of October 20, 2016, the Record Date, including shares held directly in your name as the *stockholder of record* and all shares held for you as the *beneficial owner* through a broker, trustee or other nominee such as a bank. Some of our stockholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholders of Record. If your shares are registered directly in your name with our transfer agent, Corporate Stock Transfer, Inc., you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by us. As the stockholder of record, you have the right to vote in person at the Annual Meeting or direct the proxyholder how to vote your shares on your behalf at the Annual Meeting by fully completing, signing and dating the enclosed proxy card and returning it to us in the enclosed postage-paid return envelope.

Beneficial Owner. If your shares are held in a brokerage account or by a trustee or another nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you together with a voting instruction card by your broker, trustee or other nominee. As the beneficial owner, you have the right to direct your broker, trustee or nominee to vote your shares as you instruct in the voting instruction card. The broker, trustee or other nominee may either vote in person at the Annual Meeting or grant a proxy and direct the proxyholder to vote your shares at the Annual Meeting as you instruct in the voting instruction card. You may also vote in person at the Annual Meeting, but only after you obtain a “legal proxy” from the broker, trustee or nominee that holds your shares, giving you the right to vote your shares at the Annual Meeting. Your broker, trustee or nominee has enclosed or provided a voting instruction card for you to use in directing the broker, trustee or nominee how to vote your shares.

How can I vote my shares without attending the Annual Meeting?

As discussed previously, whether you hold shares directly as the stockholder of record or as a beneficial owner, you may direct how your shares are voted without attending the Annual Meeting by completing and returning the enclosed proxy card or voting instruction card. You can vote by proxy over the Internet by following the instructions provided in the Notice, or, if you requested to receive printed proxy materials, you can vote by mail, telephone or the Internet pursuant to instructions provided on the proxy card provided to you with your printed proxy materials. If you provide specific instructions with regard to items of business to be voted on at the Annual Meeting, your shares will be voted as you instruct on those items. Proxies properly signed, dated and submitted to us that do not contain voting instructions and are not revoked prior to the Annual Meeting will be voted “**FOR**” the ratification of the appointment of Eisner Amper LLP.

How can I vote my shares in person at the meeting?

Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting.

Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares at the Annual Meeting. You should be prepared to present the Admission Ticket attached to the proxy card and photo identification for admittance. Please also note that if you are not a stockholder of record but hold shares through a broker, trustee or nominee, you will need to provide proof of beneficial ownership as of the record date, such as your most recent brokerage account statement, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership. The Annual Meeting will begin promptly at 9:30 a.m. (local time). Reception and check-in will begin at 9:00 a.m.

Even if you plan to attend the Annual Meeting, we recommend that you also complete, sign and date the enclosed proxy card or voting instruction card and return it promptly in the accompanying postage-paid return envelope in order to ensure that your vote will be counted if you later decide not to, or are unable to, attend the Annual Meeting.

Can I attend the meeting via the Internet?

Stockholders may also attend our Annual Meeting via the Internet at

www.virtualshareholdermeeting.com/NNVC2016. Stockholders of record and beneficial owners as of the close of business on October 20, 2016 may also submit questions while attending the meeting via the Internet. Instructions on how to attend and participate at our Annual Meeting via the Internet are posted at www.virtualshareholdermeeting.com/NNVC2016. To demonstrate proof of stock ownership, you will need to enter the control number received with your Notice or proxy materials to submit questions and vote at our Annual Meeting via the Internet. We have retained Broadridge Financial Solutions (“Broadridge”) to host our virtual annual meeting and to distribute, receive, count and tabulate proxies..

Can I change my vote or revoke my proxy?

You may change your vote or revoke your proxy at any time prior to the vote at the Annual Meeting. If you are the stockholder of record, you may change your vote by granting a new proxy bearing a later date, which automatically revokes the earlier proxy, by providing a written notice of revocation to our Corporate Secretary prior to your shares being voted, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

You may change your vote or revoke your proxy at any time prior to the vote at the Annual Meeting. If you are the stockholder of record, you may change your vote by granting a new proxy bearing a later date, which automatically revokes the earlier proxy, by providing a written notice of revocation to our Corporate Secretary prior to your shares being voted, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

If you are a beneficial owner, you may change your vote by submitting a new voting instruction card to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker, trustee or nominee giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

Is my vote confidential?

Proxy cards, voting instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed, except as required by law to Corporate Stock Transfer, Inc., our transfer agent, to allow for the tabulation of votes and certification of the vote, and to facilitate a successful proxy solicitation.

How are votes counted and what vote is required to approve each item?

Each outstanding share of our common stock entitles the holder to one vote per share on each matter considered at the Annual Meeting. Stockholders are not entitled to cumulate their votes in the election of directors or with respect to any matter submitted to a vote of the stockholders.

Proposal No. 1

The election of directors requires a plurality of the votes cast for the election of directors and, accordingly, so long as a quorum is present, if each director nominee receives a majority of affirmative “**FOR**” votes at the Annual Meeting, he will be elected to serve as director. You may vote either “**FOR**” or “**WITHHOLD**” your vote for each director nominee. A properly executed proxy marked “**WITHHOLD**” with respect to the election of a director will not be voted with respect to the director indicated, although it will be counted for purposes of determining whether there is a quorum.

Proposal No. 2

As an advisory vote, this proposal is not binding upon the Company, the Board, or the Compensation Committee, and will not be construed as overruling a decision by the Company, the Board, or the Compensation Committee or creating or implying any additional fiduciary duty for the Company, the Board, or the Compensation Committee. However, the Compensation Committee and the Board value the opinions expressed by shareholders in their vote on this proposal and will continue to consider the outcome of the vote when making future compensation decisions regarding named executive officers.

Proposal No. 3

Stockholder ratification of the appointment of Eisner Amper LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2017, is not required by law or by our governing instruments. However, our Board of Directors is submitting the selection of Eisner Amper LLP to our stockholders for ratification as a matter of good corporate governance and practice. The ratification of the appointment of Eisner Amper LLP requires the affirmative vote of a majority of the votes cast. You may vote either “**FOR**” or “**AGAINST**” ratification of the appointment, or you may abstain. A properly executed proxy marked “**ABSTAIN**” with respect to the ratification of the appointment will not be voted with respect to such ratification, although it will be counted for purposes of determining both whether there is a quorum and the total number of votes cast with respect to the proposal and will thus have the same effect as a vote “**AGAINST**” the proposal. If the stockholders fail to ratify the appointment, our Board of Directors will reconsider whether or not to retain that firm.

What is a “broker non-vote”?

Under the rules that govern brokers and banks who have record ownership of our shares of common stock that are held in street name for their clients such as you, who are the beneficial owners of the shares, brokers and banks have the discretion to vote such shares on routine matters. For non-routine matters, brokers and banks do not have such discretion, resulting in a broker non-vote.

How are “broker non-votes” counted? Broker non-votes will be counted as present for the purpose of determining the presence or absence of a quorum for the transaction of business, but they will *not* be counted in tabulating the voting result for any particular proposal

How are abstentions counted?

If you return a proxy card that indicates an abstention from voting on one or more proposals, the shares represented by your proxy will be counted as present for the purpose of determining both the presence of a quorum and the total number of votes cast with respect to a proposal (other than the election of directors), but they will not be counted in tabulating the voting results for any particular proposal. As a result, an abstention will have the same effect as a vote against a proposal (other than the election of directors).

What happens if the meeting is adjourned?

If our Annual Meeting is adjourned to another time and place, no additional notice will be given of the adjourned meeting if the time and place of the adjourned meeting is announced at the Annual Meeting, unless the adjournment is for more than 30 days, in which case a notice of the adjourned meeting will be given to each stockholder of record entitled to vote at the adjourned meeting. At the adjourned meeting, we may transact any items of business that might have been transacted at the Annual Meeting.

What should I do in the event that I receive more than one set of proxy materials?

You may receive more than one set of these proxy solicitation materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. In addition, if you are a stockholder of record and your shares are registered in more than one name, you may receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive to ensure that all your shares are voted.

Who is soliciting my vote and who will bear the costs of this solicitation?

The enclosed proxy is being solicited on behalf of our Board of Directors. We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement. In addition to solicitation by mail, our directors, officers and employees may also solicit proxies in person, by telephone, by electronic mail or by other means of communication. We will not pay any additional compensation to our directors, officers or other employees for soliciting proxies. Copies of the proxy materials will be furnished to brokerage firms, banks, trustees, custodians and other nominees holding beneficially owned shares of our common stock, who will forward the proxy materials to the beneficial owners. We may, at our discretion, reimburse brokerage firms, banks, trustees, custodians and other agents for the costs of forwarding the proxy materials. Our costs for forwarding proxy materials will not be significant.

Where can I find the voting results of the meeting?

We will publish the final voting results in a Current Report on Form 8-K that we expect to file within four business days after the meeting.

The directors are divided into three classes. Each director serves for a term of two years. At each annual meeting, the term of one or more classes of directors expires. The class of directors with a term expiring at this annual meeting consists of three directors. At the Annual Meeting, one Class II Director and one Class III Director will be elected to serve for a term of two years expiring at the 2018 annual meeting of stockholders and until each of

their respective successors is duly elected and qualified or until each of their respective earlier resignation or removal.

Except as otherwise specified or in the case of broker non-votes, each Proxy Card received will be voted for the election of the nominees for director named below for a two-year term expiring at the 2018 annual meeting of stockholders and until each of their respective successors is duly elected and qualified or until each of their respective earlier resignation or removal. Each of the nominees named below has been nominated by the Board of Directors and has consented to be named a nominee in this Proxy Statement and to serve as a director, if elected. Should any of the nominees become unable or unwilling to accept a nomination for election, the person named in the enclosed Proxy Card will vote for the election of a nominee or nominees, as applicable, designated by the Board of Directors or will vote for such lesser number of directors as may be prescribed by the Board of Directors in accordance with our Amended and Restated Bylaws.

When considering whether directors and nominees have the experience, qualifications, attributes and skills, taken as a whole, to enable the Board of Directors to satisfy its oversight responsibilities effectively in light of the Company's business and structure, the Board of Directors focused primarily on the information discussed in each of the nominees' individual biographies set forth below, which contain information regarding the nominee's service as a director, business experience, and director positions held currently or at any time during the last five years.

PROPOSAL 2

ADVISORY VOTE ON EXECUTIVE COMPENSATION

Section 14A of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) mandates that we provide our stockholders with a non-binding advisory vote, referred to commonly as a “say-on-pay,” to approve the compensation of our Named Executive Officers as disclosed in this Proxy Statement.

Our compensation program is designed and administered by the Board of Directors which is assisted by the Compensation Committee, which is composed entirely of independent directors and carefully considers many different factors, as described in the Executive Compensation section, in order to provide appropriate compensation for our Named Executive Officers (NEOs). As discussed in the Executive Compensation section of this Proxy Statement, the general philosophy of our executive compensation program is to attract and retain talented management while ensuring that our executive officers are compensated in a way that advances the interests of our stockholders.

In pursuing these objectives, the Company believes that:

It is critical that a substantial portion of each executive officer’s compensation be contingent upon our overall performance and the growth of the Company.

Our compensation packages should reward individual contributions for our success for outstanding financial performance and must align management’s interests with the interests of stockholders by linking compensation with performance.

Annual bonuses and long-term awards for our executive officers should take into account not only objective financial goals, but also general economic factors and individual performance goals that reinforce our core values, which include leadership, accountability, ethics and corporate governance.

Accordingly, the Board unanimously recommends that stockholders vote in favor of the following resolution:

“Resolved, that the stockholders approve the compensation of the Company’s Named Executive Officers as disclosed in the Company’s Proxy Statement for the 2016 Annual Meeting of Stockholders pursuant to the rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables and the related footnotes and narrative disclosures.”

Although this vote is advisory and is not binding on the Company, the Compensation Committee of the Board will take into account the outcome of the vote when considering future executive compensation decisions.

THE BOARD OF DIRECTORS RECOMMENDS YOU VOTE “FOR” THIS PROPOSAL.

PROPOSAL 3

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT

REGISTERED PUBLIC ACCOUNTING FIRM

On January 23, 2016, EisnerAmper LLP was engaged to audit the financial statements of the Company for the fiscal year ending June 30, 2016. Accordingly, the Board of Directors will recommend at the Annual Meeting that the stockholders ratify the appointment by Board of Directors of EisnerAmper LLP to audit the financial statements of the Company for the current fiscal year ending June 30, 2017. Representatives of that firm are expected to be available at the Annual Meeting, shall have the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions. Although ratification by stockholders is not required by our Amended and Restated Bylaws or applicable law, the Board of Directors has determined that requesting ratification by stockholders of its selection of EisnerAmper LLP as our independent registered public accounting firm is a matter of good corporate practice. In the event the stockholders do not ratify the appointment of EisnerAmper LLP, the appointment will be reconsidered by the Board of Directors. Even if the selection is ratified, the Board of Directors, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interest of the Company and its stockholders.

Additionally, the Board of Directors acted by unanimous written consent in lieu of a meeting approximately 5 times during the fiscal year ended 2016. The Company does not have a formal policy as to Board of Directors attendance at our Annual Meetings of Stockholders. The Company encourages its directors to attend the Annual Meeting of Stockholders, and all directors are expected to attend the 2016 Annual Meeting.

Board Committees

The Board of Directors has a standing Audit Committee, Compensation Committee, and Nominating Committee. The Board of Directors has determined that the Chairs and all committee members are independent under applicable NYSE MKT and SEC rules for committee memberships. The members of the committees are shown in the table below.

Anil Diwan	—	—	—
Eugene Seymour	—	—	—
Stanley Glick	Member	Member	Member
Mukund Kulkarni	Member	Member	Member
Milton Boniuk	Member	Member	Member

Audit Committee

The Audit Committee is responsible primarily for overseeing the services performed by the Company's independent registered public accounting firm and internal audit department, evaluating the Company's accounting policies and system of internal controls, reviewing significant financial transactions and overseeing enterprise risk management. The Audit Committee met a total of 5 times during the 2016 fiscal year.

The current members of our Audit Committee each meet the independence criteria for directors set forth under the rules of the NYSE MKT and the additional independence criteria for members of audit committees specified in Section 803B of the NYSE MKT Company Guide and Rule 10A-3 under the Exchange Act. Each member of our Audit Committee is financially literate under the current listing standards of the NYSE MKT. Our Board of Directors has determined that Stanley Glick, the chairman of the Audit Committee, qualifies as an "audit committee financial expert," as such term is defined by SEC rules.

Compensation Committee

The Compensation Committee is responsible primarily for reviewing the compensation arrangements for the Company's executive officers, including the Chief Executive Officer, administering the Company's equity compensation plans, and reviewing the compensation of the Board of Directors. The Compensation Committee's

authority to grant equity awards may not be delegated to the Company's management or others. For a description of the Compensation Committee's processes and procedures, including the roles of the Company's executive officers and independent compensation consultants in the Compensation Committee's decision-making process, please see the section entitled "Compensation Discussion and Analysis" below. The Compensation Committee met a total of 5 times during 2016.

Pursuant to Section 805 of the NYSE MKT Company Guide, compensation of our Chief Executive Officer is determined, or recommended to the Board of Directors for determination, by the Compensation Committee comprised solely of independent directors. The Chief Executive Officer is not present during voting or deliberations. Compensation for all other officers is determined, or recommended to the Board of Directors for determination, by the Compensation Committee comprised solely of independent directors.

Nominating Committee

The primary functions of the Nominating Committee are to: review and make recommendations on the range of skills and expertise which should be represented on the Board of Directors, and the eligibility criteria for individual Board of Directors and Committee membership; review and recommend to the Board of Directors the appropriate structure of the Board of Directors; identify individuals qualified to become Board of Directors members and recommend to the Board of Directors the nominee for election to the Board of Directors at the next Annual Meeting of Stockholders; implement a policy and procedures with regard to consideration of any director candidate recommended by stockholders; retain and terminate any search firm to be used to identify director candidates, and to approve the search firm, fees and other retention terms; and review and recommend to the Board of Directors the appropriate structure of Committees, Committee assignments and the Committee chairman.

Among the factors the Nominating Committee considers when determining persons to be nominated include whether such individuals are actively engaged in business endeavors, have an understanding of financial statements, corporate budgeting and capital structure, are familiar with the requirements of a publicly traded company, are familiar with industries relevant to our business endeavors, are willing to devote significant time to the oversight duties of the Board of Directors of a public company, and are able to promote a diversity of views based on the person's education, experience and professional employment. The Nominating Committee evaluates each individual in the context of the Board of Directors as a whole, with the objective of recommending a group of persons that can best implement our business plan, perpetuate our business and represent stockholder interests. The Nominating Committee may require certain skills or attributes, such as financial or accounting experience, to meet specific Board of Directors needs that arise from time to time.

The Company is of the view that the continuing service of qualified incumbents promotes stability and continuity in the board room, contributing to the ability of the Board of Directors to work as a collective body, while giving the Company the benefit of the familiarity and insight into the Company's affairs that its directors have accumulated during their tenure. Accordingly, the process of the Nominating Committee for identifying nominees reflects the Company's practice of re-nominating incumbent directors who continue to satisfy the Nominating Committee's criteria for membership on the Board of Directors, whom the Nominating Committee believes continue to make important contributions to the Board of Directors and who consent to continue their service on the Board of Directors. The Nominating Committee will identify and/or solicit recommendations for new candidates when there is no qualified and available incumbent. The Nominating Committee met a total of 5 times during 2016.

The Audit Committee, Compensation Committee and Nominating Committee operate under written charters adopted by the Board of Directors. These charters are available on the Company's website at www.nanoviricides.com.

Dr. Diwan and Ms. Vyas are married. There are no other family relationships between our executive officers and any director of the Company.

Corporate Governance

Our Board of Directors is committed to sound and effective corporate governance practices. The Company's management and our Board of Directors reviewed our corporate governance practices in light of Section 406 of the Sarbanes-Oxley Act of 2002. Based on that review, the Board of Directors maintains a Code of Ethics, and Audit Committee charters.

Code of Ethics

The Code of Ethics was adopted by NanoViricides, Inc. for the purpose of promoting honest and ethical conduct. We believe our code of ethics is reasonably designed to deter wrongdoing and promote honest and ethical conduct; provide full, fair, accurate, timely and understandable disclosure in public reports; comply with applicable laws; ensure prompt internal reporting of violations; and provide accountability for adherence to the provisions of the Code of Ethics. It covers topics such as a conflict of interest, compliance with laws, confidentiality of Company Information, encouraging the reporting of any illegal or unethical behavior, fair dealing and use of Company assets. Our Code of Ethics can be found in our filings with the Securities and Exchange Commission at www.sec.gov. In addition, you may request a copy of any such materials, without charge, by submitting a written request to: NanoViricides, Inc. Attention: Secretary, 1 Controls Drove, Shelton, Connecticut 06484.

Board of Directors Leadership Structure and Risk Oversight

In accordance with our Bylaws, our Board of Directors appoints our officers, including our chief executive officer and chief financial officer. Our Board of Directors does not have a policy on whether the role of the chairman and chief executive officer should be separate and, if it is to be separate, whether the chairman should be selected from the non-employee directors or be an employee. Currently, the roles of the chairman and chief executive officer are separate.

Our Board of Directors is primarily responsible for overseeing our risk management processes. Our Board of Directors, as a whole, determines the appropriate level of risk for our Company, assesses the specific risks that we face and reviews management's strategies for adequately mitigating and managing the identified risks. Although our Board of Directors administers this risk management oversight function, our audit committee supports our Board of Directors in discharging its oversight duties and address risks inherent in their respective areas. We believe this division of responsibilities is an effective approach for addressing the risks we face and that our Board of Directors leadership structure supports this approach. In particular, the audit committee is responsible for considering and discussing our significant accounting and financial risk exposures and the actions management has taken to control and monitor these exposures. Going forward, we expect that the audit committee will receive periodic reports from management at least quarterly regarding our assessment of such risks. While the Board of Directors oversees our risk management, company management is responsible for day-to-day risk management processes. Our Board of Directors expects company management to consider risk and risk management in each business decision, to proactively develop and monitor risk management strategies and processes for day-to-day activities and to effectively implement risk management strategies adopted by the audit committee and the Board of Directors. Our Board of Directors believes its administration of its risk oversight function has not affected the Board of Directors' leadership structure.

Director's Compensation

At this time, directors receive no remuneration for their services as directors of the Company, nor does the Company reimburse directors for expenses incurred in their service to the Board of Directors. The Company does not expect to pay any fees to its directors for the 2017 fiscal year.

Determination of Compensation

The Company's executive compensation program for the named executive officers (NEOs) is administered by the Board of Directors. The Board of Directors makes independent decisions about all aspects of NEO compensation, and takes into account compensation data and benchmarks for comparable positions and companies in different applicable geographical areas. The Compensation Committee assists the Board in achieving these objectives.

The Company's current executives' compensation program as of the date of this report has been at the same level since 2005. The program is simplistic and is less structured than a more mature corporation. Two of our officers are

founders or co-founders of the Company and their ownership in the Company has driven their philosophy to provide modest salaries and no annual bonus. The compensation structure was set to retain capital resources in the Company to further growth.

Compensation Objectives

We believe that the compensation programs for the Company's NEOs should reflect the Company's performance and the value created for the Company's stockholders. In addition, the compensation programs should support the short-term and long-term strategic goals and values of the Company, and should reward individual contributions to the Company's success. Our compensation plans are consequently designed to link individual rewards with Company's performance by applying objective, quantitative factors including the Company's own business performance and general economic factors. We also rely upon subjective, qualitative factors such as technical expertise, leadership and management skills, when structuring executive compensation in a manner consistent with our compensation philosophy.

Elements of Compensation

Base Salary. All full time executives are paid a base salary. Base salaries for our executives are established based on the scope of their responsibilities, professional qualifications, academic background, and the other elements of the executive's compensation, including stock-based compensation. However, at this time current total annual compensation is not in line with comparable companies, because our philosophy was to pay modest salaries with no bonus to conserve capital resources for future company growth. Our intent is to set executives' base salaries near the median of the range of salaries for executives in similar positions with similar responsibilities at comparable companies, in line with our compensation philosophy. Base salaries are reviewed annually, and may be increased to align salaries with market levels after taking into account the subjective evaluation described previously.

Equity Incentive Compensation. We believe that long-term performance is achieved through an ownership culture participated in by our executive officers through the use of stock-based awards. Currently, we do not maintain any incentive compensation plans based on pre-defined performance criteria. The Board of Directors has the general authority, however, to award equity incentive compensation, i.e. stock options, to our executive officers in such amounts and on such terms as the committee determines in its sole discretion. The Board of Directors does not have a determined formula for determining the number of options available to be granted. The Board of Directors will review each executive's individual performance and his or her contribution to our strategic goals periodically. With the exception of stock options automatically granted in accordance with the terms of the employment agreement with our executive officers, our Board of Directors grants equity incentive compensation at times when we do not have material non-public information to avoid timing issues and the appearance that such awards are made based on any such information. As additional compensation for the year ended June 30, 2016, the Company issued 200,508 shares of the Company's Series A Convertible Preferred Stock and 71,430 shares of the Company's restricted common stock. The shares of Series A Convertible Preferred Stock are subject to restriction on sale. The valuation applied to the shares was based upon an appraisal derived from the application of statistical calculations and based upon assumptions at the time of the appraisal which may not be realized.

Compensation of Scientific Advisory Board

The Company installed the Scientific Advisory Board solely to provide ongoing advice to the Company with respect to research, development and marketing of anti-viral and anti-microbial products. The Company anticipates holding four Scientific Advisory Board meetings per annum. As compensation, each member of the Scientific Advisory Board (SAB) will be granted each quarter 10,000 warrants to purchase the Company's common stock at 120% of the Company's closing stock quote on the day following the meeting. Should the Company not call a quarterly meeting, quarterly options will be granted on May 15, August 15, November 15, and February 15. The warrants will have a four year expiration date. In addition the Company will reimburse each SAB member for travel and other out-of-pocket expenses incurred in the course of performing their services. For the year ended June 30, 2016, the SAB was granted stock warrants to purchase 68,592 shares of common stock at prices at from \$2.00 to \$5.02 per share.
