Item 1.01 Entry into a Material Definitive Agreement

On May 2, 2019, Icahn Enterprises L.P. (the “Company”) entered into an open market sales agreement (the “Sales Agreement”) with Jefferies LLC (the “Agent”). Pursuant to the terms of the Sales Agreement, the Company may issue and sell the Company’s depository units representing limited partner interests (the “Depository Units”) having an aggregate offering amount of up to \$400,000,000 from time to time through the Agent. The Agent will use its commercially reasonable efforts, as the agent and subject to the terms of the Sales Agreement, to sell the Depository Units offered. Sales of the Depository Units, if any, may be made in sales deemed to be an “at the market offering” as defined in Rule 415(a)(4) promulgated under the Securities Act of 1933, as amended (the “Securities Act”), including sales made directly on or through the Nasdaq Global Select Market. The Company may also agree to sell Depository Units to the Agent as principal for its own account on terms agreed to by the Company and the Agent. The Agent will be entitled to a commission from the Company of an amount up to 2.00% of the gross sales price per Depository Unit sold under the Sales Agreement by the Agent acting as the Company’s agent with the exact amount to be agreed by the Company. The Company intends to use any net proceeds from the offering to fund potential acquisitions and for general limited partnership purposes.

The Depository Units are registered under the Securities Act, pursuant to the Company’s shelf registration statement (File No. 333-213563) (the “Registration Statement”) on Form S-3, which was declared effective by the Securities and Exchange Commission (the “SEC”) on October 7, 2016.

The Sales Agreement contains customary representations, warranties, and agreements of the Company and the Agent, indemnification rights and obligations of the parties and termination provisions. The Sales Agreement is filed as Exhibit 1.1 to this Current Report on Form 8-K, and the description of the Sales Agreement is qualified in its entirety by reference to such exhibit.

The Agent has provided, and may in the future provide, various investment banking, commercial banking, financial advisory and other services to the Company and its affiliates for which services it has received and may in the future receive, customary fees. In the course of its business, the Agent may actively trade the Company’s securities for its own account or for the accounts of customers, and, accordingly, the Agent may at any time hold long or short positions in such securities.
