PROXY STATEMENT

GENERAL INFORMATION ABOUT THE SOLICITATION

We are sending you these proxy materials in connection with the solicitation by the Board of Directors of Golden River Resources Corporation (OTCBB: GORV) of proxies to be used at Golden River Resources Annual Meeting of Stockholders to be held on November 27, 2008, and at any adjournment or postponement of the Meeting. "We", "our", "us" and the "Company" all refer to Golden River Resources. The proxy materials are first being mailed on or about October 27, 2008.

Who may vote

You will only be entitled to vote at the Annual Meeting if our records show that you held your shares on October 17, 2008. At the close of business on October 17, 2008, a total of 26,711,130 shares of our common stock were outstanding and entitled to vote. Each share of common stock has one vote.

How to vote

If your shares are held by a broker, bank or other nominee, it will send you instructions that you must follow to have your shares voted at the Annual Meeting. If you hold your shares in your own name as a record holder, you may instruct the proxy agents how to vote your shares as described below.

Vote by mail

If you choose to vote by facsimile or mail, simply mark your proxy, date and sign it, and return it to us in the envelope provided. If the envelope is missing, please mail your completed proxy card to BNY Mellon Shareowner Services, Proxy Processing, PO Box 3862 S. Hackensack, NJ, 07606 - 9562, USA.

Voting at the Annual Meeting

The method by which you vote will not limit your right to vote at the Annual Meeting if you decide to attend in person. If your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the Meeting.

All shares that have been properly voted and not revoked will be voted at the

Edgar Filing: GOLDEN RIVER RESOURCES CORP. - Form DEF 14A

Annual Meeting. If you sign and return your proxy card but do not give voting instructions, the shares represented by that proxy will be voted as recommended by the Board of Directors.

How to revoke your proxy

You may revoke your proxy at any time before it is voted. If you are a record stockholder, you may revoke your proxy in any of the following ways:

- o by giving notice of revocation at the Annual Meeting.
- o by timely delivery of written instruction revoking your proxy to the BNY Mellon Shareowner Services, Proxy Processing, PO Box 3862 S. Hackensack, NJ, 07606 - 9562, USA
- o by voting in person at the Annual Meeting.

How votes will be counted

The Annual Meeting will be held if a quorum, consisting of a majority of the outstanding shares of common stock entitled to vote, is represented at the Meeting. If you have returned a valid proxy or are a record holder and attend the Meeting in person, your shares will be counted for the purpose of determining whether there is a quorum, even if you wish to abstain from voting on some or all matters introduced. Abstentions and broker "non-votes" are also counted in determining whether a quorum is present. A "broker non vote" occurs when a broker, bank or nominee that holds shares for a beneficial owner does not vote on a particular proposal because it does not have discretionary voting power for that proposal and has not received voting instructions from the beneficial owner.

1

If a quorum is not present at the Annual Meeting, a majority of the shares present, in person or by proxy, has the power to adjourn the Meeting from time to time until a quorum is present. Other than announcing at the Annual Meeting the time and place of the adjourned Meeting, no notice of the adjournment will be given to stockholders unless required because of the length of the adjournment.

Directors will be elected by a plurality of the votes cast at the Meeting.

Abstentions and broker "non-votes" are not counted in the election of directors or the approval of any other matter.

List of stockholders

The names of stockholders of record entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Meeting for any purpose germane to the Meeting, between the hours of 9.00 a.m. and 5.00 p.m., at our principal executive offices at Level 8, 580 St Kilda Road Melbourne Victoria 3004 Australia.

Cost of this proxy solicitation

We will pay the cost of preparing, assembling and mailing the notice of meeting, proxy statement and enclosed proxy card. In addition to the use of mail, our employees may solicit proxies personally and by telephone. Our employees will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers and other custodians, nominees and

Edgar Filing: GOLDEN RIVER RESOURCES CORP. - Form DEF 14A

fiduciaries to forward copies of the proxy materials to their principals and to request authority for the execution of proxies. We may reimburse such persons for their expenses incurred in connection with these activities.

PROPOSAL 1

ELECTION OF DIRECTORS

General

Our By-laws provide that the number of Directors of the Company initially shall be six and that the number of directors which shall thereafter constitute the whole Board shall be determined by the Board of Directors. The Board has determined that the number of Directors constituting the whole Board shall be four.

Directors need not be stockholders of the Company or residents of the State of Delaware. Directors are elected for an annual term and generally hold office until the next Directors have been duly elected and qualified. Directors may receive compensation for their services as determined by the Board of Directors. A vacancy on the Board may be filled by the remaining Directors even though less than a quorum remains. A Director appointed to fill a vacancy remains a Director until his successor is elected by the Stockholders at the next annual meeting of Shareholder or until a special meeting is called to elect Directors.

Our Board of Directors currently has four members who hold office for a period of one year.

Your proxy will be voted FOR the election of the four nominees named below, unless you withhold authority to vote for any or all of the nominees. Management has no reason to believe that a nominee will be unwilling or unable to serve as a director. However, if a nominee is unwilling or unable to serve, your proxy will be voted for another nominee designated by our Board of Directors.

The following are management's director nominees

Edgar Filing: GOLDEN RIVER RESOURCES CORP. - Form DEF 14A

Board, Audit Committee and Remuneration Committee Meetings

Our Board of Directors consists of four members, of whom two have been, and continue to be, independent under applicable regulations. During fiscal 2008, our Board of Directors met three times. The Board of Directors also uses resolutions in writing to deal with certain matters and during fiscal 2008, three resolutions in writing were signed by all Directors.

4

We do not have a nominating committee. Historically our entire Board has selected nominees for election as directors. The Board believes this process has worked well thus far particularly since it has been the Board's practice to require unanimity of Board members with respect to the selection of director nominees. In determining whether to elect a director or to nominate any person for election by our stockholders, the Board assesses the appropriate size of the Board of Directors, consistent with our bylaws, and whether any vacancies on the Board are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, the Board will consider various potential candidates to fill each vacancy. Candidates may come to the attention of the Board through a variety of sources, including from current members of the Board, stockholders, or other persons. The Board of Directors has not yet had the occasion to, but will, consider properly submitted proposed nominations by stockholders who are not directors, officers, or employees of Golden River Resources on the same basis as candidates proposed by any other person. Stockholders can make proposals as provided below under the caption "Requirements, Including Deadlines, for Submission of Stockholder Proposals and Nominations of Directors."

Audit Committee:

Dr David Tyrwhitt and Mr. Mordechai Gutnick constitute our Audit Committee. It is the opinion of the Board of Directors that each of them is an independent director as defined in Rule 10A-3 of the Securities Exchange Act of 1934. In addition, the Board believes that Mr Tyrwhitt would meet the director independence requirements of the Nasdaq Stock Market if we were listed on such Market, but that Mr. Mordechai Gutnick would not meet such Nasdaq independence requirements in light of his family relationship with Mr. Joseph Gutnick who is our Chief Executive Officer. Our Audit Committee does not include a "financial expert" as defined in Item 401 (e) of Regulation S-B. The Company only has two independent Directors and neither of these independent Directors has a finance background. The Audit Committee met once during fiscal 2007 and the Chair of the Audit Committee met with the external auditors on three occasions during fiscal 2007 in respect to quarterly reports prior to the reports being filed.

The Board's current written charter for its Audit Committee is a statement attached as Annex A to this proxy statement.

Code of Ethics

We have adopted a Code of Conduct and Ethics and it applies to all Directors, Officers and employees. A copy of the Code of Conduct and Ethics is posted on our website and we will provide a copy to any person without charge. If you require a copy, you can download it from our website or alternatively, contact us by facsimile or email and we will send you a copy.

Report of the Audit Committee

Management is responsible for Golden River Resources' financial reporting process, including its system of internal control, and for the preparation of

Edgar Filing: GOLDEN RIVER RESOURCES CORP. - Form DEF 14A

consolidated financial statements in accordance with generally accepted accounting principles. Golden River Resources' independent auditors are responsible for auditing those financial statements.

In performing our oversight duties we rely on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States. We also rely on the representations of the independent auditors included in their report on Golden River Resources' financial statements.

Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures. Furthermore, our contacts with management and the independent auditors do not assure that:

- o Golden River Resources' financial statements are presented in accordance with generally accepted accounting principles,

5

- o the audit of Golden River Resources' financial statements has been carried out in accordance with generally accepted auditing standards or
- o Golden River Resources' independent accountants are in fact "independent."

In connection with the inclusion of the audited financial statements in Golden River Resources' 2008 annual report on Form 10-K, the Audit Committee:

- o reviewed and discussed the audited financial statements with management,
- o discussed with our independent auditors the materials required to be discussed by SAS 61,
- o reviewed the written disclosures and the letter from our independent auditors required by Independent Standards Board Standard No. 1 and discussed with our independent auditors their independence, and
- o based on the foregoing review and discussion, recommended to the Board of Directors that the audited financial statements be included in Golden River Resources' 2008 annual report on form 10-K.

David S Tyrwhitt, Audit Committee Chairman

Mordechai Gutnick, Audit Committee Member

Remuneration Committee

The Board has a Remuneration (i.e. compensation) Committee comprised of two independent directors. During fiscal 2008, the Remuneration Committee did not meet. The Remuneration Committee does not have a charter. The purpose of the Remuneration Committee is to recommend to the Board of Directors, for its determination, the compensation of the Company's chief executive officer and other executive officers.

Stockholder Communications with the Board

Stockholders who wish to communicate with the Board of Directors should send their communications to the Chairman of the Board at the address listed below. The Chairman of the Board is responsible for forwarding communications to the appropriate Board members.

2004 Stock Option Plan

The 2004 Plan provides for the granting of options. The maximum number of shares available for awards is 10% of the issued and outstanding shares of common stock on issue at any time (on a fully diluted basis). If an option expires or is cancelled without having been fully exercised or vested, the remaining shares will generally be available for grants of other awards.

The 2004 Plan is administered by the Remuneration Committee of the Board comprised solely of directors who are not employees or consultants to Golden River Resources or any of its affiliated entities.

Any employee, director, officer, consultant of or to Golden River Resources or an affiliated entity (including a company that becomes an affiliated entity after the adoption of the 2004 Plan) is eligible to participate in the 2004 Plan if the Committee, in its sole discretion,

Edgar Filing: GOLDEN RIVER RESOURCES CORP. - Form DEF 14A

determines that such person has contributed significantly or can be expected to contribute significantly to the success of Golden River Resources or an affiliated entity. During any one year period, no participant is eligible to be granted options to purchase more than 5% shares of our issued and outstanding common stock or, if they provide investor relations activities or are a consultant to the Company, 2% of the issued and outstanding shares of common stock in any 12 month period.

Options granted under the 2004 Plan are to purchase Golden River Resources common stock. The term of each option will be fixed by the Remuneration Committee, but no option will be exercisable more than 10 years after the date of grant. The option exercise price is fixed by the Remuneration Committee at the time the option is granted. The exercise price must be paid in cash. Options granted to participants vest and have a term of 10 years, unless otherwise decided by the Board of Directors at the time of issue.

No award is transferable, or assignable by the participant except upon his or her death.

The Board may amend the 2004 Plan, except that no amendment may adversely affect the rights of a participant without the participant's consent or be made without stockholder approval if such approval is necessary to qualify for or comply with any applicable law, rule or regulation the Board deems necessary or desirable to qualify for or comply with.

Subject to earlier termination by the Board, the 2004 Plan has an indefinite term except that no ISO may be granted following the tenth anniversary of the date the 2004 Plan is approved by stockholders.

None of the proposed recipients have received any stock options or other equity based forms of compensation from us for at least the last three years.

Other than the issue of these Options, there are no other current plans or arrangements to grant any options under the 2004 Plan.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We are one of five affiliated companies. Each of the companies has some common Directors, officers and shareholders. In addition, each of the companies owns equity in and is substantially dependent upon AXIS for its senior management and certain mining and exploration staff. The Company owns 9.09% of the outstanding shares of AXIS. A number of arrangements and transactions have been entered into from time to time between such companies. It has been the intention of the affiliated companies and respective Boards of Directors that each of such arrangements or transactions should accommodate the respective interest of the relevant affiliated companies in a manner which is fair to all parties and equitable to the shareholders of each. Currently, there are no material arrangements or planned transactions between the Company and any of the other affiliated companies other than AXIS.

11

AXIS is paid by each company for the costs incurred by it in carrying out the administration function for each such company. Pursuant to the Service Agreement, AXIS performs such functions as payroll, maintaining employee records required by law and by usual accounting procedures, providing insurance, legal, human resources, company secretarial, land management, certain exploration and mining support, financial, accounting advice and services. AXIS procures items of equipment necessary in the conduct of the business of the Company. AXIS also provides for the Company various services, including but not limited to the making available of office supplies, office facilities and any other services as may be required from time to time by the Company as and when requested by the Company.

We are required to reimburse AXIS for any direct costs incurred by AXIS for the Company. In addition, we are required to pay a proportion of AXIS's overhead cost based on AXIS's management estimate of our utilisation of the facilities and activities of AXIS plus a service fee of not more than 15% of the direct and overhead costs. AXIS has charged the 15% service fee to us during fiscal 2008. Amounts invoiced by AXIS are required to be paid by us. We are also not permitted to obtain from sources other than AXIS, and we are not permitted to perform or provide ourselves, the services contemplated by the Service Agreement, unless we first requests AXIS to provide the service and AXIS fails to provide the service within one month.

The Service Agreement may be terminated by AXIS or ourselves upon 60 days prior notice. If the Service Agreement is terminated by AXIS, we would be required to independently provide, or to seek an alternative source of providing, the services currently provided by AXIS. There can be no assurance that we could independently provide or find a third party to provide these services on a cost-effective basis or that any transition from receiving services under the Service Agreement will not have a material adverse effect on us. Our inability to provide such services or to find a third party to provide such services may have a material adverse effect on our operations.

In accordance with the Service Agreement AXIS provides the Company with the services of our Chief Executive Officer, Chief Financial Officer and clerical employees, as well as office facilities, equipment, administrative and clerical services. We pay AXIS for the actual costs of such facilities plus a

maximum service fee of 15%. The Company paid AXIS A\$193,000 (being A\$52,000 in respect to the current year and A\$141,000 being the amount owing at June 30, 2007) in respect of the Service Agreement for the fiscal year ended June 30, 2008 and A\$612,000 (being A\$591,550 in respect to the 2007 fiscal year and A\$20,450 in respect to the 2006 fiscal year) in respect of the Service Agreement for the fiscal year ended June 30, 2007.

During 2008, AXIS loaned the Company A\$254,000 and A\$53,000 during 2007. At June 30, 2008 and 2007, the Company owed AXIS A\$639,000 and A\$140,585 respectively for services provided in accordance with the Service Agreement. During fiscal 2008 and 2007, AXIS Consultants charged interest of A\$7,000 and A\$3,788 respectively on outstanding balances. AXIS charged interest rates between 9.60% and 10.10% for fiscal 2007 and between 11.10% and 11.75% for fiscal 2008. During fiscal 2007, AXIS paid interest net of tax of A\$5,270. The amount owing to AXIS at June 30, 2008 is included within accounts payable and accrued expenses.

During the 2006 fiscal year, Wilzed Pty Ltd, a company associated with the President of the Company, Joseph Gutnick, has provided loan funds to enable the Company to meet its liabilities. Interests associated with Mr Gutnick hold 87.62% interest in the Company on a fully diluted basis and accordingly Wilzed and the Company may be deemed to be under common control. During the 2005 fiscal year, Wilzed loaned A\$644,633 and charged A\$31,235 in interest. We repaid A\$396. At June 30, 2005, the Company owed Wilzed A\$675,472. Wilzed charged interest during fiscal 2005 at rates between 9.10% and 9.35%. During the 2006 fiscal year, Wilzed loaned A\$1,241,836 and charged A\$83,243 in interest and we repaid A\$550. Wilzed charged interest during fiscal 2006 at the rate of 9.35%. In May 2006, we agreed to issue to Fast Knight Nominees up to 10 million shares of common stock at an issue price of A\$0.20 (US\$0.1542) and 20 million options with an exercise price of A\$0.20 per share with a latest expiry date of April 30, 2011, as repayment of A\$2 million in loans from Wilzed to the Company. Wilzed agreed to accept the shares and options as satisfaction of the loan and instructed us to issue the shares and options to Fast Knight Nominees, a company that is also associated with Mr. Gutnick. The options were valued using the Black Scholes mathematical model by an external valuer at A\$1,883,185 (US\$1,438,000). The issuance of the shares and warrants in satisfaction of the debt was treated as a capital transaction and accordingly had no effect on the Company's net loss.

12

Mr Joseph Gutnick, the President of the Company, advanced us the initial deposit to open a US Dollar bank account. The amount of A\$1,329 (US\$1,000) was repaid in July 2006.

Kerisridge Pty Ltd, a company associated with our President, Mr J I Gutnick, loaned us A\$2,273,186 in March 2004 for the purpose of repaying our long term debt. On March 31, 2004, Kerisridge agreed to convert all of the debt we owed to it into common stock and warrants in us. We issued 1,753,984 shares of common stock and 1,753,984 warrants exercisable at US\$1.30 and at any time up to March 31, 2007 in full repayment of the amount owing to Kerisridge. Kerisridge did not exercise the warrants prior to the expiry date.

Transactions with Management.

We have a policy that we will not enter into any transaction with an Officer, Director or affiliate of us or any member of their families unless the transaction is approved by a majority of our disinterested non-employee Directors and the disinterested majority determines that the terms of the transaction are no less favourable to us than the terms available from

non-affiliated third parties or are otherwise deemed to be fair to us at the time authorized.

REQUIREMENTS, INCLUDING DEADLINES, FOR SUBMISSION OF STOCKHOLDER PROPOSALS AND NOMINATIONS OF DIRECTORS

Stockholder proposals that are intended to be included in our proxy statement for our 2009 Annual Meeting pursuant to Proxy Rule 14a-8 must be received by us no later than June 26, 2009, and must otherwise comply with that rule.

INDEPENDENT AUDITORS

The Board of Directors has approved the selection and retention of PKF, Certified Public Accountants, a Professional Corporation, to audit our consolidated financial statements for our fiscal year ending June 30, 2008. PKF has served as our independent auditors since 2003.

Representatives of PKF are not expected to be present at the Annual Meeting.

The following table shows the audit fees incurred for fiscal 2008 and 2007.

	2008	2007

	A\$	A\$
	--	--
Audit fees	\$ 51,217	\$ 49,351
Audit related fees	\$ 1,731	\$ 15,295
Tax fees	\$ -	\$ -
	-----	-----
Total	\$ 52,948	\$ 64,646
	=====	=====

Audit fees were for the audit of our annual financial statements, review of financial statements included in our 10-QSB/10-Q quarterly reports, and services that are normally provided by independent auditors in connection with our other filings with the SEC. This category also includes advice on accounting matters that arose during, or as a result of, the audit or review of our interim financial statements.

As part of its duties, our Board of Directors pre-approves audit and non-audit services performed by our independent auditors in order to assure that the provision of such services does not impair the auditors' independence. Our Board of Directors does not delegate to management its responsibilities to pre-approve services performed by our independent auditors.

OTHER MATTERS

We know no other matters to be submitted to the Annual Meeting. If any other matters properly come before the Annual Meeting, it is the intention of the persons named in the enclosed form of proxy to vote the shares they represent as the Board of Directors recommends.
