On April 4, 2013, Advance Auto Parts, Inc. (“Company”) announced that its Board of Directors (“Board”) has appointed George E. Sherman to become the Company's President, effective April 21, 2013. Darren R. Jackson, who most recently served as President and Chief Executive Officer, will continue to serve as the Company's Chief Executive Officer. The Company also announced that Charles E. Tyson has been appointed to become the Company's Executive Vice President, Merchandising, Marketing & Supply Chain, effective April 21, 2013.

Mr. Sherman, 51, served as the Senior Vice President, Best Buy Services, Best Buy Co., Inc., a national retailer of consumer electronics, from June 2009 to March 2013. Prior to that position, he served in various positions with The Home Depot, a home improvement specialty retailer, as Senior Vice President and President, Home Depot Home Services from October 2007 to February 2009, as Senior Vice President, Operations from January 2006 to October 2007 and as Vice President Store Operations from January 2005 to January 2006. Prior to January 2005, Mr. Sherman served in executive positions with Mervyn's Department Stores, and in escalating management positions with Target Corporation. Before joining Target, Mr. Sherman served as an officer in the United States Air Force.

Mr. Tyson, 51, who most recently served as Senior Vice President, Merchandising and Marketing, joined Advance in March 2008 and has served in his current position since August 2011. Prior to that, Mr. Tyson served as Senior Vice President, Merchandising. Prior to joining Advance, Mr. Tyson served as Senior Vice President, Merchandising and Technology with OfficeMax, Inc., from March 2005 to February 2008. Prior to joining OfficeMax, Mr. Tyson was President of Diversitech Group, an importer of hand and power tools, from September 2001 to March 2005. He worked for Office Depot, Inc., from October 1997 to September 2001 where he held multiple positions with increasing responsibilities, including Senior Vice President, Merchandising and General Merchandising Manager; Senior Vice President, World Wide Global Sourcing; and Vice President, Divisional Merchandise Manager.

Mr. Sherman and the Company have agreed upon the key terms of Mr. Sherman's employment arrangements, which are effective upon the commencement of his employment on April 21, 2013, and have been approved by the Compensation Committee of the Company's Board of Directors (“Committee”). Under the terms of his employment arrangement, Mr. Sherman is entitled to receive an annual base salary of \$600,000 and is eligible to participate in the Company's annual incentive bonus plan with a pro-rated bonus target of 100% of base salary for fiscal year 2013, and an opportunity to earn up to 200% of base salary (assuming all financial and other performance targets as specified in the bonus plan are exceeded), the metrics of which bonus plan are consistent with the metrics applied to other senior officers of the Company. Effective on or about May 28, 2013, Mr. Sherman will receive a pro-rated annual equity grant under the Company's 2004 Long-Term Incentive Plan (“2004 LTIP”) with an aggregate value of \$538,462 on date of grant consisting of 25% of the value issued in the form of restricted stock units (“RSUs”) and 75% of the value issued in the form of stock appreciation rights (“SARs”). Fifty percent (50%) of the equity grants will vest in equal thirds upon the first three anniversaries of the grant date. The remaining 50% are performance-based and represent the target level of the SARs and RSUs that may become vested on May 28, 2016, following certification by the Committee of the achievement of a performance target during the 2013 through 2015 fiscal years. Mr. Sherman has an opportunity to receive additional SARs and RSUs up to a maximum 200% of the target grant value if the Company's performance during that period substantially exceeds the performance targets established by the Committee with respect to the annual equity grants awarded to other Company executives on December 3, 2012.

In addition, effective on or about May 28, 2013, Mr. Sherman will receive a pro-rated grant of performance-based RSUs with a grant date fair market value of \$533,333, as determined by the closing price of the Company's common stock as reported by the New York Stock Exchange on the date of grant. Each performance-based RSU may vest on

March 1, 2016, following certification by the Committee of the achievement of a performance target during the 2013 through 2015 fiscal years as described below. Any performance-based RSUs that vest will be settled in shares of common stock. A maximum of 100% of the performance-based RSUs may be earned based on achievement of the target level of cumulative operating income over the three-year period. If the specified threshold level performance objective is achieved, 50% of the target level award will vest. If the threshold performance objective is not achieved, no RSUs will vest. If the Company's performance exceeds the threshold level but falls below the target level, a portion of the RSUs will vest in a proportional amount between the 50% threshold and 100% target level awards. Prior to vesting of the award, award recipients will not be entitled to receive dividends or to voting rights with respect to the performance-based RSUs. This grant represents a pro-ration of a special performance-based LTI grant
