The main reason for the increased net loss is that the Company has decided to record an impairment of oil and gas property acquisition costs of approximately \$4.8 million, due to the year-end 2008 oil price. Total assets and stockholders' equity at year end decreased to \$16.4 million and \$6.7 million respectively in 2008, compared to \$25.3 and \$12.1 million in 2007.
