This Current Report on Form 8-K/A (this “Report”) amends and supplements the disclosures contained in Item 9.01 of the Original Filing to include the financial statements and information required by Items 9.01(a) and 9.01(b) of Form 8-K. Forward-Looking Statements

This Report, including all of the exhibits to this Report, contains, or may be deemed to contain, certain “forward-looking statements” (as defined in the U.S. Private Securities Litigation Reform Act of 1995 (the “Act”)) about the Company and its subsidiaries, which statements are intended to be covered by the safe harbor provided by the Act. These forward-looking statements include, without limitation, statements regarding the Company's current expectations concerning its financial condition, operating results, cash flows, liquidity and capital resources, including the effects of the MACH acquisition and the final determination of the assets and liabilities acquired and their respective values. Such statements involve inherent risks and uncertainties, many of which are difficult to predict and are generally beyond the control of the Company. As such, the Company's actual results may vary materially from those expressed in, or implied or projected by, the forward-looking statements included in this Report. The Company can offer no assurance that the assumptions made in preparing any of the forward-looking statements will prove accurate or that any long-term goals or expectations will be realized. All forward-looking statements included in this Report speak only as of the date made, and, except as required by law, the Company undertakes no obligation to update or revise publicly any such forward-looking statements, whether as a result of new information, future events, or otherwise. A discussion of risks, uncertainties and other factors that could cause actual results to differ materially from management's expectations is set forth under (a) both Item 1A. Risk Factors in Part I and “Management's Discussion and Analysis of Financial Condition and Results of Operations” in the Company's Annual Report on Form 10-K for the year ended December 31, 2012.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On June 28, 2013, the Company acquired all of the shares and preferred equity certificates (whether convertible or not) in MACH, exclusive of Evenex ApS and its wholly-owned subsidiary Evenex AS. In accordance with the terms of the purchase agreement, the cash consideration was approximately \$712.0 million (including the portion of the purchase price applied to the repayment of MACH's outstanding indebtedness and the deposit of €30.0 million paid to WP Roaming S.á r.l. (“Seller”) on July 2, 2012) based on the Euro-to-U.S. dollar retail exchange rate of €1.00 to \$1.3058 as of June 28, 2013.

The foregoing summary is not complete and is qualified in its entirety by reference to the Original Filing.
