Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On April 12, 2013, Plug Power Inc. (the "Company") received a notice from The NASDAQ OMX Group indicating that the Company has not regained compliance with NASDAQ Listing Rule 5550(a)(2), the minimum bid price rule, because the Company's common stock did not maintain a minimum closing bid price of \$1.00 per share over a period of 10 consecutive business days ending on or prior to April 10, 2013. In accordance with NASDAQ rules, the Company is eligible for an additional period of 180 calendar days, until October 7, 2013, to regain compliance with the minimum bid price rule. If at any time before October 7, 2013, the closing bid price of the Company's common stock is \$1.00 per share or more for a minimum of 10 consecutive business days, NASDAQ will notify the Company that it has regained compliance with the minimum bid price rule. In the event that the Company does not regain compliance with the minimum bid price rule prior to the expiration of the 180-day period, NASDAQ will notify the Company that its securities will be delisted. However, the Company may appeal the delisting determination to a NASDAQ hearing panel and the delisting will be stayed pending the panel's determination. At this hearing, the Company would present a plan to regain compliance and NASDAQ would then subsequently render a decision. The Company is currently evaluating its alternatives to resolve the listing deficiency.

On April 16, 2013, the Company issued a press release announcing that it had received the deficiency notice described above. The full text of the press release is attached to this current report on Form 8-K as Exhibit 99.1.

Mr. Waldek, 48, has been a founding partner of CFO Advisory Group, LLC, a financial and business solutions advisory firm, since 2005. On April 16, 2013, the Board of Directors (the "Board") of the Company appointed Johannes M. Roth to serve as a director of the Company effective April [16], 2013. Helmer, Class II (term expiring 2013) - George C. McNamee, Evgeny Rasskavoz and Mr. Roth and Class III (term expiring 2014) Larry G. Garberding, Douglas T. Hickey and Evgeny Miroshchnichenko. Mr. Roth is also a Portfolio Manager and Managing Director at FiveT Capital AG, Zürich, Switzerland, which advises

several long-only funds and operates an asset management business for high net-worth individuals.

In connection with his appointment to the Board, Mr. Roth became a party to the Company's standard indemnification agreement with nonemployee directors and was granted options to purchase 65,000 shares of the Company's common stock at an exercise price of \$0.17 per share (the closing price of the Company's common stock on the NASDAQ Capital Market on April 15, 2013) in accordance with the Company's Non-Employee Director Compensation Policy.
