(1) The reporting person reports that 5,000 unvested restricted stock units were forfeited back to Microtune, Inc. (the "Company") on March 13, 2007. Each restricted stock unit represented a contingent right to receive one share of the Company's common stock. The number of shares that actually vested was to be determined based upon the Compensation Committee's review of the Company's performance in 2006 pursuant to the Company's 2006 Incentive Compensation Program. On March 13, 2007, after reviewing the Company's performance during fiscal 2006 and based on the Compensation Committee's recommendation, the Company's Board of Directors determined that no restricted stock unit awards would vest under the 2006 Incentive Compensation Program, and, therefore, that these restricted stock units were thereby forfeited. See the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on June 8, 2006 for a description of the 2006 Incentive Compensation Program.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
