**Item 7.01. Regulation FD Disclosure**

Owens Corning will hold its Investor Day on October 1, 2009 beginning at 8:30 a.m. Eastern time. You may access the webcast and view the presentation slides through our website at [www.owenscorning.com/investors](http://www.owenscorning.com/investors).

As will be discussed at Investor Day, Owens Corning is raising its free cash flow guidance for the full year 2009 to \$250 million, from prior guidance of more than \$200 million. Free cash flow for the period is calculated as the change in total debt less cash on hand from the beginning of the period to the end of the period. This calculation includes adjustments to exclude the cash impact of issuing new stock, repurchasing treasury stock and paying stockholder dividends.

The information in Item 7.01 of this Current Report is being furnished and shall not be deemed "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities of that Section. The information in Item 7.01 of this Current Report shall not be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933.
