RECOMMENDED CASH OFFER

for

TIKIT GROUP PLC

by

BRITISH TELECOMMUNICATIONS PLC

Summary

- The boards of directors of British Telecommunications plc ("BT") and Tikit Group plc ("Tikit") are pleased to announce that they have reached agreement on the terms of a recommended cash offer by which the entire issued and to be issued share capital of Tikit will be acquired by BT (the "Offer"). It is intended that the Offer be effected by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act.
- Under the terms of the Offer, each Scheme Shareholder will be entitled to receive 416 pence in cash for each Tikit Share held at the Scheme Record Time.
- The Offer values the issued and to be issued share capital of Tikit at approximately £64.2 million.
- The price of 416 pence in cash for each Scheme Share represents a premium of approximately:

- 18 per cent. to the closing price of 354 pence per Tikit Share on 13 November 2012, the Business Day immediately prior to the Announcement Date;
- 26 per cent. to the average closing price of 330 pence per Tikit Share over the three month period ended 13 November 2012; and
- 29 per cent. to the average closing price of 323 pence per Tikit Share over the six month period ended 13 November 2012.

The Offer enables BT to combine the strengths of Tikit's expertise, portfolio, relationships and deep understanding of the needs of the legal sector with BT's scale and breadth of products, creating a differentiated offering

with the ability to supply, install, support and fix mission-critical IT applications and ICT infrastructure through a single point of contact.

The directors of Tikit, who have been so advised by Investec, consider the terms of the Offer to be fair and reasonable. Accordingly, the directors of Tikit intend unanimously to recommend that Tikit Shareholders vote in favour of the Scheme at the Court Meeting and in favour of the resolutions to be proposed at the General Meeting, as each director of Tikit has irrevocably undertaken to do in respect of their own Tikit Shares and those of their family members, being, in aggregate, a total of 1,030,370 Tikit Shares, representing approximately 7.0 per cent. of the existing issued share capital of Tikit. In providing its advice, Investec has taken into account the commercial assessments of the directors of Tikit.

It is expected that the Scheme Document, containing further information about the Offer and notices of the Court Meeting and General Meeting, together with the Forms of Proxy, will be posted to Tikit Shareholders and (for information only) participants in the Tikit Share Schemes by 21 November 2012 and that the Scheme will be effective by 18 January 2013, subject to the satisfaction of all relevant conditions, including the Conditions and certain further terms set out in Appendix 1 to this announcement.

Commenting on the Offer, Gavin Patterson, Chief Executive Officer of BT Retail said:

"Tikit represents a highly complementary fit with BT Retail's existing IT strategy and strengthens our position in the provision of ICT services to legal firms in the UK. The Offer will enable us to combine Tikit's expertise, portfolio, relationships and deep understanding of the legal sector with BT Retail's scale and breadth of products. Together, we expect to deliver a truly differentiated offering with the capacity to supply, install and support mission-critical IT applications and ICT infrastructure through a single point of contact."

Commenting on the Offer, Mike McGoun, Non-Executive Chairman of Tikit said:

"We firmly believe that this transaction is in the best interests of our shareholders and employees. BT will enable Tikit to continue to grow and better service the needs of its clients. The board of directors unanimously recommends that shareholders vote in favour of the resolutions."

Further information

This announcement is for information purposes only and is not intended to and does not constitute, or form part of, an offer, invitation or the solicitation of an offer to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of any securities, or the solicitation of any vote or approval in any jurisdiction, pursuant to the Offer or otherwise; nor shall there be any sale, issuance or transfer of securities of Tikit in any jurisdiction in contravention of applicable law. The Offer will be made solely by means of the Scheme Document, which will contain the full terms and conditions of the Offer, including details of how to vote in respect of the Offer. Any vote in respect of the Scheme or other response in relation to the Offer should be made only on the basis of the information contained in the Scheme Document.

Please be aware that addresses, electronic addresses and certain other information provided by Tikit Shareholders, persons with information rights and other relevant persons for the receipt of communications from Tikit may be provided to BT during the offer period as required under Section 4 of Appendix 4 of the Code to comply with Rule 2.12(c).

Merrill Lynch International ("BofA Merrill Lynch"), a subsidiary of Bank of America Corporation, is acting exclusively for BT in connection with the Offer and no-one else and will not be responsible to anyone other than BT for providing the protections afforded to clients of BofA Merrill Lynch or for providing advice in relation to the Offer

or any other matter referred to in this announcement.

Investec Bank plc ("Investec") is acting exclusively for Tikit in connection with the Offer and no-one else and will not be responsible to anyone other than Tikit for providing the protections afforded to clients of Investec or for providing advice in relation to the Offer or any other matter referred to in this announcement.

Overseas jurisdictions

The availability of the Offer to Tikit Shareholders who are not resident in and citizens of the UK may be affected by the laws of the relevant jurisdictions in which they are located or of which they are citizens. Persons who are not resident in the UK should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdictions. Further details in relation to overseas shareholders will be contained in the Scheme Document.

The release, publication or distribution of this announcement in or into jurisdictions other than the UK may be restricted by law and therefore any persons who are subject to the laws of any jurisdiction other than the UK should inform themselves about, and observe, any applicable requirements. Any failure to comply with the applicable restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Offer disclaim any responsibility or liability for the violation of such restrictions by any person. This announcement has been prepared for the purposes of complying with English law, the AIM Rules, the rules of the London Stock Exchange and the Code and the information disclosed may not be the same as that which would have been disclosed if this announcement had been prepared in accordance with the laws of jurisdictions outside of England.

The Offer will not be made, directly or indirectly, in, into or from any jurisdiction where to do so would violate the laws in that jurisdiction. Accordingly, copies of this announcement and formal documentation relating to the Offer will not be and must not be, mailed or otherwise forwarded, distributed or sent in, into or from any jurisdiction where to do so would violate the laws of that jurisdiction.

US Holders should note that the Offer relates to the securities of a UK company, is subject to UK disclosure requirements (which are different from those of the US) and is proposed to be implemented under a scheme of arrangement provided for under English company law. A transaction effected by means of a scheme of arrangement is not subject to the proxy solicitation or tender offer rules under the US Exchange Act. Accordingly, the Scheme will be subject to UK disclosure requirements and practices, which are different from the disclosure requirements of the US proxy solicitation or tender offer rules. The financial information included in this announcement and the Scheme documentation has been or will have been prepared in accordance with International Financial Reporting Standards and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. If BT exercises its right to implement the acquisition of the Tikit Shares by way of a takeover offer, such offer will be made in compliance with applicable US tender offer and securities laws and regulations to the extent applicable.

The receipt of cash pursuant to the Offer by a US Holder as consideration for the cancellation of its Scheme Shares pursuant to the Scheme may be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws. Each Tikit Shareholder is urged to consult his independent professional adviser immediately regarding the tax consequences of the Offer applicable to him.

It may be difficult for US Holders to enforce their rights and claims arising out of the US federal securities laws, since BT and Tikit are located in countries other than the US and some or all of their officers and directors may be residents of countries other than the US. US Holders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

Forward looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Offer and other information published by BT and Tikit contain statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of BT and Tikit about future events and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements. The forward-looking statements contained in this announcement include statements relating to the expected effects of the Offer on BT and Tikit, the expected timing and scope of the Offer and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Although BT and Tikit believe that the expectations reflected in such forward-looking statements are reasonable, BT and Tikit can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements. These factors include the satisfaction of the Conditions, as well as additional factors, such as: local and global political and economic and general financial market conditions; significant price discounting by competitors; changes in consumer habits and preferences; foreign exchange rate fluctuations and interest rate fluctuations (including those from any potential credit rating decline); legal or regulatory developments and changes; the outcome of any litigation; the impact of any acquisitions or similar transactions; competitive product and pricing pressures; success of business and operating initiatives; changes in the level of capital investment; selection by BT of the appropriate trading and marketing models for its products and services; technological innovations, including the cost of developing new products, networks and solutions and the need to increase expenditures for improving the quality of service; prolonged adverse weather conditions resulting in a material increase in overtime, staff or other costs; developments in the convergence of technologies; the anticipated benefits and advantages of new technologies, products and services, and demand for bundled services, not being realised; the timing of entry and profitability of BT in certain communications markets; significant changes in BT's market shares; the underlying assumptions and estimates made in respect of major customer contracts proving unreliable; and the aims of the BT Global Services restructuring programme not being achieved. Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in the light of such factors. Neither BT nor Tikit, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof.

All subsequent oral or written forward-looking statements attributable to BT or Tikit or any of their respective members, directors, officers or employees or any persons relying on their behalf are expressly qualified in their entirety by the cautionary statement above. Other than in accordance with their legal or regulatory obligations (including under the AIM Rules and the Disclosure and Transparency Rules of the FSA), neither BT or Tikit is under any obligation, and BT and Tikit expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in one per cent. or more of any class of relevant securities of an offeree company or of any paper offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any paper offeror is first

identified.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any paper offeror(s). Relevant persons who deal in the relevant securities of the offeree company or of a paper offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in one per cent. or more of any class of relevant securities of the offeree company or of any paper offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any paper offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any paper offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a paper offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

RECOMMENDED CASH OFFER

for

TIKIT GROUP PLC

by

BRITISH TELECOMMUNICATIONS PLC

1. Introduction

The boards of directors of British Telecommunications plc ("BT") and Tikit Group plc ("Tikit") are pleased to announce that they have reached agreement on the terms of a recommended cash offer by which the entire issued and to be issued share capital of Tikit will be acquired by BT (the "Offer"). It is intended that the Offer will be effected by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act.

2. The Offer

Under the terms of the Offer, which will be subject to the Conditions and further terms set out in Appendix 1 to this announcement and to be set out in the Scheme Document, Scheme Shareholders at the Scheme Record Time will be entitled to receive:

416 pence in cash for each Scheme Share

The Offer values the entire issued and to be issued share capital of Tikit at approximately £64.2 million.

The price of 416 pence in cash for each Scheme Share represents a premium of approximately:

- 18 per cent. to the closing price of 354 pence per Tikit Share on 13 November 2012, the Business Day immediately prior to the Announcement Date;
- 26 per cent. to the average closing price of 330 pence per Tikit Share over the three month period ended 13 November 2012; and
- 29 per cent. to the average closing price of 323 pence per Tikit Share over the six month period ended 13 November 2012.

3. Background to and reasons for the Offer

The acquisition of Tikit offers a highly complementary fit to BT's existing IT strategy and strengthens BT's position in the provision of ICT services to the UK business market. Since its inception in 1994, Tikit has grown to become a leading independent supplier of technology solutions and services to legal and accountancy firms in the UK, with an attractive client list and recurring revenue streams. The intellectual property owned and created by Tikit is critical to its sales and relationships, both of which BT views as being a key part of its overall strategy for the Tikit business. A combination with BT would enable Tikit to take the business to the next stage of its development with a parent group able to provide both balance sheet strength and a wider product offering.

The Offer enables BT to combine the strengths of Tikit's expertise, portfolio, relationships and deep understanding of the needs of the legal sector with BT's scale and breadth of products, creating a differentiated offering with the ability to supply, install, support and fix mission-critical IT applications and ICT infrastructure through a single point of contact. This offering would assist BT in enhancing its share of revenues for traditional communications services and networked IT services and position it as the supplier of choice for emerging propositions.

Tikit will join a portfolio of six other separately-managed businesses within BT Enterprises, a division of BT Retail. Each of these businesses operates predominantly on a standalone basis and benefits from the ability of the BT brand to provide IT, communications and network services directly to its customer base.

4. Recommendation

The directors of Tikit, who have been so advised by Investec, consider the terms of the Offer to be fair and reasonable. Accordingly, the directors of Tikit intend unanimously to recommend that Tikit Shareholders vote in favour of the Scheme at the Court Meeting and in favour of the resolutions to be proposed at the General Meeting, as each director of Tikit has irrevocably undertaken to do in respect of their own Tikit Shares and those of their family members, being, in aggregate, a total of 1,030,370 Tikit Shares, representing approximately 7.0 per cent. of the existing issued share capital of Tikit. In providing its advice, Investec has taken into account the commercial assessments of the directors of Tikit.

5. Background to and reasons for the recommendation

Following the approach by BT, the directors of Tikit held detailed discussions regarding the terms of a potential acquisition of Tikit by BT. These discussions have resulted in the Offer at a price of 416 pence in cash per Scheme Share.

The board of directors of Tikit has evaluated proposals on behalf of Tikit Shareholders as a whole. Whilst the board of directors of Tikit believes that Tikit's prospects as an independent company remain strong, it also recognises the benefits achievable by combining Tikit with BT. The directors of Tikit believe that Tikit will benefit from being part of BT, and in particular that the Offer will give Tikit significantly more ability to grow its business than would be possible if Tikit remained as an independent company. The Offer will also enable Tikit to provide customers with access to a wider range of services.

The board of directors of Tikit considers that whilst there is potential for future growth in equity value for investors, any such future growth is uncertain. The board of directors of Tikit believes that Scheme Shareholders should be given the opportunity to realise this value from their investment in cash immediately, at an attractive premium. The consideration offered under the Offer represents a premium of 18 per cent. to the closing price of 354 pence per Tikit Share on 13 November 2012, the Business Day immediately prior to the Announcement Date, 26 per cent. to the average closing price of 330 pence per Tikit Share over the three month period ended 13 November 2012 and 29 per cent. to the average closing price of 323 pence per Tikit Share over the six month period ended 13 November 2012.

Accordingly, the board of directors of Tikit believes that the Offer is in the best interests of Scheme Shareholders, and unanimously recommends that Tikit Shareholders vote in favour of the Scheme at the Court Meeting and the

resolutions to be proposed at the General Meeting, as they have irrevocably undertaken to do in respect of their own Tikit Shares and those of their family members, representing, in aggregate, approximately 7.0 per cent. of the existing issued share capital of Tikit.

6. Irrevocable undertakings

BT has received irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and in favour of the resolutions to be proposed at the General Meeting and, if the Offer is subsequently structured as a Takeover Offer, to accept any such Takeover Offer made by BT from the directors of Tikit in respect of their entire beneficial holdings and those of their family members amounting to 1,030,370 Tikit Shares, representing, in aggregate, approximately 7.0 per cent. of the existing issued share capital of Tikit.

Further details of these irrevocable undertakings are set out in Appendix 3 to this announcement.

7. Information relating to BT

BT is one of the world's leading communications services companies, serving the needs of customers in the UK and in more than 170 countries worldwide. Its main activities are providing and managing data and voice networks and providing a range of services over these networks.

In the UK, BT is a communications services provider, selling products and services to consumers and small and medium-sized enterprises. In the UK and globally, BT is a provider of managed networked IT services for many of the largest multinational corporations, domestic businesses and national and local government organisations. BT also sells wholesale telecoms services to communications providers in the UK and around the world.

In the year ended 31 March 2012, BT's revenue was £18.9 billion (after specific items), with profit before taxation of £2.7 billion (after specific items).

Listed on stock exchanges in London and New York, BT Group plc is the holding company for an integrated group of businesses that provides communications solutions and services in the UK and globally. BT holds virtually all businesses and assets of the BT Group.

8. Information relating to Tikit

Established in 1994 and listed on AIM in 2001, Tikit is an independent provider of IT software, solutions, consultancy and services to legal and accounting firms in the UK, North America and mainland Europe. It has provided services to more than 1,100 clients, including many of the largest law firms in the UK and the US and a number of large accountancy firms in the UK. Tikit employs around 200 people in the UK, Spain, France and North America.

Tikit combines its understanding of the technology needs of legal firms with a broad portfolio of software, solutions and services to match those needs. Tikit provides a broad range of IT solutions and services, including financial and practice management, content management, document production, customer relationship management and infrastructure services.

In the year ended 31 December 2011, Tikit Group's revenue was £26.4 million with profit before taxation of £4.8 million (before amortisation of intangibles and share-based charges).

9. Tikit current trading and prospects

On 12 September 2012, Tikit announced its unaudited interim results for the six months ended 30 June 2012. It reported revenues of £13.4 million and profit before tax of £2.4 million (before amortisation of intangibles and

share-based charges). As at 30 June 2012, net assets were £18.7 million and included net cash of £6.6 million.

Tikit's financial performance since 30 June 2012 has been in line with the board of directors of Tikit's expectations. The financial performance of Tikit Inc., Tikit's Canadian subsidiary, for the three years ended 31 December 2013 is such that the company may not be required to pay the remaining deferred consideration of C\$1.5 million in full under the terms of the Acquisition Agreement.

10. Management and employees

BT respects and attaches great importance to the skills and experience of Tikit's management and employees, which have been key to Tikit's growth.

BT expects to retain the executive management team following completion of the Offer to help with the successful transition of the business. BT does not currently have in place any definitive plans with respect to the length of time the executive management team will remain with the business and discussions with the executive management team on this subject remain on-going.

As the footprints of BT and Tikit have limited geographic and client overlap and based on current economic conditions, it is not currently anticipated that there will be any significant reduction in Tikit headcount as a result of the Offer. However, following completion of the Offer, BT intends to carry out a strategic review of Tikit's operations to enable a successful transition into BT. At this stage, no decisions have been made by BT in relation to this review, which may or may not, result in changes to the number of employees, changes to locations from where the business operates or a redeployment of Tikit's fixed assets.

BT confirms that, following completion of the Offer, the existing employment rights, including pension rights, of the employees of Tikit will be fully safeguarded.

The non-executive directors of Tikit have agreed to resign as members of the Tikit board of directors immediately prior to the Scheme becoming effective.

11. Amendment to Tikit Long Term Incentive Plan 2010 and bonuses

Certain directors and employees of Tikit are entitled to an award of shares under Tikit's Long Term Incentive Plan 2010 and/or an award of cash under its annual bonus scheme. The vesting amount of both awards is subject to certain performance criteria being met which would, in the ordinary course, be determined by reference to its audited financial results for the year ended 31 December 2012.

As it is expected that the Scheme will become effective by 18 January 2013, Tikit's audited financial results would not be available by that date and accordingly, it will be unable to determine, in the ordinary course, the extent to which the performance conditions have been satisfied.

On 13 November 2012, the Remuneration Committee considered the outstanding Long Term Incentive Plan 2010 awards and payment of the annual bonuses and determined that the unaudited financial information currently available to Tikit would be used to determine that the performance criteria had been met in full. In respect of Tikit's Long Term Incentive Plan 2010, the rules relating to the vesting of the options granted thereunder were amended at the Remuneration Committee meeting such that, conditional upon the Court sanction of the Scheme, but to take effect immediately prior to such Court sanction, the options will vest in full and participants in Tikit's Long Term Incentive Plan 2010 (which include certain directors of Tikit) will, as a result, be entitled to exercise such options on or following Court sanction. In respect of the payment of the annual cash bonuses, the Remuneration Committee approved the payment of amounts set out below. The payment of the cash bonuses is conditional upon the Scheme becoming effective in accordance with its terms.

Name	Cash Bonus
David Lumsden	£65,252
Mike Kent	£56,552
Simon Hill	£48,939
Mike McGoun	£30,000

12. Tikit Share Schemes

The Offer will extend to any Tikit Shares unconditionally allotted, issued or transferred pursuant to the exercise of options or the vesting of awards under the Tikit Share Schemes prior to the Scheme Record Time. Participants in the Tikit Share Schemes will be contacted regarding the effect of the Offer on their rights and appropriate proposals will be made to such participants in due course. Details of these proposals will be set out in the Scheme Document and in separate letters to be sent to participants in the Tikit Share Schemes.

13. Financing

The cash consideration payable by BT under the terms of the Offer will be funded from BT's existing cash resources.

BofA Merrill Lynch confirms that it is satisfied that resources are available to BT to satisfy in full the consideration payable under the terms of the Scheme.

14. Offer-related arrangements

On 8 October 2012, BT Group plc and Tikit entered into a confidentiality and standstill agreement in a customary form in relation to the Offer, pursuant to which BT Group plc undertook, subject to certain exceptions, to:

- keep confidential information relating to Tikit and not disclose it to third parties;
- not use, and procure that no other member of the BT Group use, confidential information directly or indirectly to solicit or entice away or endeavour to solicit or entice away:

§ any person employed by Tikit or by any member of the Tikit Group at any time during the course of discussions regarding the Offer; or

§ any distributor, agent, customer, supplier of Tikit or of any other member of the Tikit Group.

The standstill provision contained in the confidentiality and standstill agreement ceased to apply on the release of this announcement. Except where otherwise specified, the remaining obligations in the confidentiality and standstill agreement terminate on the earlier of 12 months from the date of the confidentiality and standstill agreement and completion of the Offer.

15. Structure of the Offer

It is intended that the Offer will be effected by means of a Court-sanctioned scheme of arrangement between Tikit and the Scheme Shareholders, under Part 26 of the Companies Act. The procedure involves, among other things, an application by Tikit to the Court to sanction the Scheme and to confirm the cancellation of the existing Tikit Shares, in consideration for which the Scheme Shareholders will receive cash on the basis described in paragraph 2 above. The purpose of the Scheme is to provide for BT to become the owner of the entire issued and to be issued share capital of Tikit.

The Scheme is subject to the Conditions and certain further terms referred to in Appendix 1 to this announcement and to be set out in the Scheme Document, and it will only become effective if, among other things, the following events occur on or before the Long Stop Date or such later date (if any) as BT and Tikit may, with the consent of the Panel, agree and (if required) the Court may approve:

- a resolution to approve the Scheme is passed by a majority in number of the Scheme Shareholders who are on the register of members of Tikit at the Scheme Voting Record Time present and voting, either in person or by proxy, representing three-quarters or more in value of the Scheme Shares held by those Scheme Shareholders at the Court Meeting (or at any adjournment thereof) and such Court Meeting being held no later than 14 January 2013 or such later date (if any) as BT and Tikit may agree;
- the Special Resolutions necessary to implement the Scheme and to sanction the related Capital Reduction, as set out in the notice of General Meeting, must be passed by the requisite majorities of Tikit Shareholders at the General Meeting (or at any adjournment thereof) and such General Meeting being held no later than 14 January 2013 or such later date (if any) as BT and Tikit may agree; and
- the Scheme is sanctioned and the related Capital Reduction confirmed by the Court (in either case, without modification or with modification on terms acceptable to BT and Tikit) and

§ office copies of the Scheme Court Order and the Reduction Court Order (with the Statement of Capital attached to it) are delivered to the Registrar of Companies; and

§ in relation to the Capital Reduction, if required by the Court, the Reduction Court Order is registered by the Registrar of Companies.

Upon the Scheme becoming effective: (i) it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting (and if they attended and voted, whether or not they voted in favour); and (ii) share certificates in respect of Tikit Shares will cease to be valid and entitlements to Tikit Shares held within the CREST system will be cancelled.

If the Scheme does not become effective on or before the Long Stop Date it will lapse and the Offer will not proceed (unless the Panel otherwise consents).

The Scheme Document will include full details of the Scheme, together with notices of the Court Meeting and the General Meeting. The Scheme Document will also contain the expected timetable for the Offer, and will specify the necessary actions to be taken by Tikit Shareholders. The Scheme Document will be posted to Tikit Shareholders and, for information only, to persons with information rights and to holders of options (or other awards) granted under the Tikit Share Schemes, as soon as practicable. Subject, amongst other things, to the satisfaction or waiver of the Conditions, it is expected that the Scheme will become effective by 18 January 2013.

16. Delisting and re-registration

Prior to the Effective Date, Tikit will make an application to the London Stock Exchange for the cancellation of the admission to trading of the Tikit Shares on AIM.

Accordingly, if the Scheme is approved by Tikit Shareholders and sanctioned by the Court, the last day of dealings in Tikit Shares on AIM is expected to be the Business Day immediately prior to the Reduction Court Hearing and no transfers will be registered after 6.00 p.m. on that date.

It is also proposed, as part of the application to Court in connection with the Scheme, to seek an order of the Court pursuant to section 651 of the Companies Act to re-register Tikit as a private limited company.

17. Disclosure of interests in Tikit Securities

As at the close of business on 13 November 2012, being the latest practicable date prior to the Announcement Date, save for the irrevocable undertakings referred to in paragraph 6 above, neither BT, nor any of the BT directors, nor, so far as BT is aware, any person acting, or deemed to be acting, in concert with BT:

- had an interest in, or right to subscribe for, relevant securities of Tikit;
- had any short position in (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery of, relevant securities of Tikit;
- had procured an irrevocable commitment or letter of intent to accept or vote in favour of the Offer in respect of relevant securities of Tikit; or
 - had borrowed or lent any Tikit Shares.

Furthermore, no arrangement exists with BT or any person acting in concert with BT in relation to the Tikit Shares. For these purposes "arrangement" includes any indemnity or option arrangement, any agreement or any understanding, formal or informal, of whatever nature, relating to Tikit Shares which may be an inducement to deal or refrain from dealing in such securities.

18. Overseas shareholders

The availability of the Offer or the distribution of this announcement to Tikit Shareholders who are not resident in the UK may be affected by the laws of their relevant jurisdiction. Such persons should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdiction. Tikit Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

This announcement does not constitute an offer for sale for any securities or an offer or an invitation to purchase any securities. Tikit Shareholders are advised to read carefully the Scheme Document and related Forms of Proxy once these have been dispatched.

19. Documents on display

Copies of the following documents will, by no later than 12 noon on 15 November 2012, be published on Tikit's website at www.tikit.com/investors and BT's website at www.bt.com/investor until the end of the Offer:

- the irrevocable undertakings referred to in paragraph 6 above and summarised in Appendix 3 to this announcement; and
 - the confidentiality and standstill agreement referred to in paragraph 14 above.

20. General

The Offer will be subject to the Conditions, certain further terms set out in Appendix 1 and the further terms and conditions set out in the Scheme Document when issued.

The Scheme will be governed by English law and will be subject to the jurisdiction of the courts of England and Wales. The Scheme will be subject to the applicable requirements of the Code, the Panel, the London Stock Exchange and the FSA.

The bases and sources of certain financial information contained in this announcement are set out in Appendix 2. Certain terms used in this announcement are defined in Appendix 4.

Further information

This announcement is for information purposes only and is not intended to and does not constitute, or form part of, an offer, invitation or the solicitation of an offer to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of any securities, or the solicitation of any vote or approval in any jurisdiction, pursuant to the Offer or otherwise; nor shall there be any sale, issuance or transfer of securities of Tikit in any jurisdiction in contravention of applicable law. The Offer will be made solely by means of the Scheme Document, which will contain the full terms and conditions of the Offer, including details of how to vote in respect of the Offer. Any vote in respect of the Scheme or other response

in relation to the Offer should be made only on the basis of the information contained in the Scheme Document.

Please be aware that addresses, electronic addresses and certain other information provided by Tikit Shareholders, persons with information rights and other relevant persons for the receipt of communications from Tikit may be provided to BT during the offer period as required under Section 4 of Appendix 4 of the Code to comply with Rule 2.12(c).

Merrill Lynch International ("BofA Merrill Lynch"), a subsidiary of Bank of America Corporation, is acting exclusively for BT in connection with the Offer and no-one else and will not be responsible to anyone other than BT for providing the protections afforded to clients of BofA Merrill Lynch or for providing advice in relation to the Offer or any other matter referred to in this announcement.

Investec Bank plc ("Investec") is acting exclusively for Tikit in connection with the Offer and no-one else and will not be responsible to anyone other than Tikit for providing the protections afforded to clients of Investec or for providing advice in relation to the Offer or any other matter referred to in this announcement.

Overseas jurisdictions

The availability of the Offer to Tikit Shareholders who are not resident in and citizens of the UK may be affected by the laws of the relevant jurisdictions in which they are located or of which they are citizens. Persons who are not resident in the UK should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdictions. Further details in relation to overseas shareholders will be contained in the Scheme Document.

The release, publication or distribution of this announcement in or into jurisdictions other than the UK may be restricted by law and therefore any persons who are subject to the laws of any jurisdiction other than the UK should inform themselves about, and observe, any applicable requirements. Any failure to comply with the applicable restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Offer disclaim any responsibility or liability for the violation of such restrictions by any person. This announcement has been prepared for the purposes of complying with English law, the AIM Rules, the rules of the London Stock Exchange and the Code and the information disclosed may not be the same as that which would have been disclosed if this announcement had been prepared in accordance with the laws of jurisdictions outside of England.

The Offer will not be made, directly or indirectly, in, into or from any jurisdiction where to do so would violate the laws in that jurisdiction. Accordingly, copies of this announcement and formal documentation relating to the Offer will not be and must not be, mailed or otherwise forwarded, distributed or sent in, into or from any jurisdiction where to do so would violate the laws of that jurisdiction.

US Holders should note that the Offer relates to the securities of a UK company, is subject to UK disclosure requirements (which are different from those of the US) and is proposed to be implemented under a scheme of arrangement provided for under English company law. A transaction effected by means of a scheme of arrangement is not subject to the proxy solicitation or tender offer rules under the US Exchange Act. Accordingly, the Scheme will be subject to UK disclosure requirements and practices, which are different from the disclosure requirements of the US proxy solicitation or tender offer rules. The financial information included in this announcement and the Scheme documentation has been or will have been prepared in accordance with International Financial Reporting Standards and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. If BT exercises its right to implement the acquisition of the Tikit Shares by way of a takeover offer, such offer will be made in compliance with applicable US tender offer and securities laws and regulations to the extent applicable.

The receipt of cash pursuant to the Offer by a US Holder as consideration for the cancellation of its Scheme Shares pursuant to the Scheme may be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws. Each Tikit Shareholder is urged to consult his independent professional adviser immediately regarding the tax consequences of the Offer applicable to him.

It may be difficult for US Holders to enforce their rights and claims arising out of the US federal securities laws, since BT and Tikit are located in countries other than the US and some or all of their officers and directors may be residents of countries other than the US. US Holders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

Forward looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Offer and other information published by BT and Tikit contain statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of BT and Tikit about future events and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements. The forward-looking statements contained in this announcement include statements relating to the expected effects of the Offer on BT and Tikit, the expected timing and scope of the Offer and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Although BT and Tikit believe that the expectations reflected in such forward-looking statements are reasonable, BT and Tikit can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements. These factors include the satisfaction of the Conditions, as well as additional factors, such as: local and global political and economic and general financial market conditions; significant price discounting by competitors; changes in consumer habits and preferences; foreign exchange rate fluctuations and interest rate fluctuations (including those from any potential credit rating decline); legal or regulatory developments and changes; the outcome of any litigation; the impact of any acquisitions or similar transactions; competitive product and pricing pressures; success of business and operating initiatives; changes in the level of capital investment; selection by BT of the appropriate trading and marketing models for its products and services; technological innovations, including the cost of developing new products, networks and solutions and the need to increase expenditures for improving the quality of service; prolonged adverse weather conditions resulting in a material increase in overtime, staff or other costs; developments in the convergence of technologies; the anticipated benefits and advantages of new technologies, products and services, and demand for bundled services, not being realised; the timing of entry and profitability of BT in certain communications markets; significant changes in BT's market shares; the underlying assumptions and estimates made in respect of major customer contracts proving unreliable; and the aims of the BT Global Services restructuring programme not being achieved. Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in the light of such factors. Neither BT nor Tikit, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof.

All subsequent oral or written forward-looking statements attributable to BT or Tikit or any of their respective members, directors, officers or employees or any persons relying on their behalf are expressly qualified in their

entirety by the cautionary statement above. Other than in accordance with their legal or regulatory obligations (including under the AIM Rules and the Disclosure and Transparency Rules of the FSA), neither BT or Tikit is under any obligation, and BT and Tikit expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in one per cent. or more of any class of relevant securities of an offeree company or of any paper offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any paper offeror is first identified.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any paper offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. on the 10th Business Day following the announcement in which any paper offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a paper offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in one per cent. or more of any class of relevant securities of the offeree company or of any paper offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any paper offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any paper offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a paper offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. If you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure, you should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129.

B. Certain further terms of the Scheme and the Offer

Subject to the requirements of the Panel, BT reserves the right in its sole discretion to waive:

- (a) the deadlines set out in Condition 2 for the timing of the Court Meeting and the General Meeting; and
- (b) all or any of Conditions 3(a) to 3(i) (inclusive) in whole or in part,

and to proceed with the Scheme prior to the fulfilment, satisfaction or waiver of any of the Conditions 3(a) to 3(i) (inclusive).

BT shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as fulfilled any of conditions 3(a) to 3(i) (inclusive) by a date earlier than the latest date specified above for the fulfilment of that condition, notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are, at such earlier date, no circumstances indicating that any Condition may not be capable of fulfilment.

BT reserves the right to elect to implement the Offer by way of a takeover offer (as defined in Part 28 of the Companies Act), subject to the Panel's consent. In such event, such takeover offer will be implemented on the same terms and conditions (subject to appropriate amendments, including (without limitation) an acceptance condition set at 90 per cent. (or such lower percentage (being more than 50 per cent.) as BT may decide (in each case, subject to the Panel's consent)) of the shares to which such takeover offer relates, so far as applicable, as those which would apply to the Scheme ("Takeover Offer Acceptance Condition").

If the Panel requires BT to make an offer or offers for any Tikit Shares under the provisions of Rule 9 of the Code, BT may make such alterations to the Conditions as are necessary to comply with the provisions of that Rule.

The Offer will be subject, inter alia, to the Conditions and certain further terms which are set out in this Appendix 1 and those terms which will be set out in the Scheme Document and such further terms as may be required to comply with the AIM Rules and the provisions of the Code.

The Offer will lapse if the acquisition of Tikit by BT is referred to the Competition Commission before the date of the Court Meeting.

Save to the extent they are cancelled pursuant to the Scheme, Tikit Shares will be acquired by BT fully paid and free from all liens, equitable interests, charges, encumbrances and other third party rights of any nature whatsoever and together with all rights attaching to them, including the right to receive and retain all dividends and distributions (if any) declared, made or payable after the date of this announcement.

This announcement and any rights or liabilities arising hereunder, the Offer, the Scheme and any proxies will be governed by English law and be subject to the jurisdiction of the courts of England and Wales. The Scheme will be subject to the applicable requirements of the Code, the Panel, the London Stock Exchange and the FSA.

The availability of the Offer to persons not resident in the UK may be affected by the laws of the relevant jurisdiction. Any persons who are subject to the laws of any jurisdiction other than the UK should inform themselves about and observe any applicable requirements. Further information in relation to overseas shareholders will be contained in the Scheme Document.

Under Rule 13.5 of the Code, BT may not invoke a Condition so as to cause the Offer not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the Condition are of material significance to BT in the context of the Offer and the Panel consents to such right being invoked. The Conditions contained in paragraphs 1 and 2 of Part A and, if applicable, the Takeover Offer Acceptance Condition set out in Part B are not subject to this provision of the Code.

Under Rule 13.6 of the Code, Tikit may not invoke, or cause or permit BT to invoke, any Condition unless the circumstances which give rise to the right to invoke the Condition are of material significance to the Tikit Shareholders in the context of the Offer.

Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
