Dear Financial Consultant:

Thank you for the confidence you and your clients have placed in the Wells REIT. In our ongoing effort to keep you apprised of activity in a timely fashion, we would like to provide you with some valuable information regarding the Wells REIT.

As you are probably aware, the number of shares available for sale to the public in the fourth offering of the Wells REIT is decreasing each day and is expected to be depleted sometime in the next month or so. More information on this topic will be coming to you shortly.

In the meantime, we would like to give you every opportunity to ensure that your clients have a chance to purchase the Wells REIT before the offering comes to a close. Transactions that tend to take longer than others are Transfer of Assets (TOA) requests. Our goal is to provide you with enough time to get TOAs processed by the relinquishing firm and accepted into the Wells REIT before the offering closes. To that end, we are alerting you now to give you time to pull the paperwork together for any TOAs you may be anticipating.

If any of your clients plan to purchase Wells REIT shares through a TOA, here is what you need to know:

We intend to accept TOA requests only through November 21, 2003.

Shares will be set aside for TOAs received by November 21, as long as all the documents are filled out accurately and legibly with proper signatures, making it possible to send the TOA directly on to the third party. (Note: Transfer amounts must be exact or estimated within $\pm 10\%$.)

We intend to allow a reasonable amount of time for these TOAs to close, but if we do not receive the transfer of money from the third-party relinquishing institution by January 20, 2004, the TOA will be cancelled, and all documents will be returned.

If you have any questions regarding this information or if you need assistance with any of your investor accounts, please do not hesitate to call an Investor Services Specialist at 800-557-4830.

Sincerely,

Richard Scott
